

the air safety cases, the Department of the Treasury continues to consult and coordinate with the Departments of State and Commerce on these matters, consistent with section 4 of Executive Order 12959.

In consultation with the Board of Governors of the Federal Reserve System and bank regulators in New York and California, OFAC revoked the licenses of all Iranian banking agencies in the United States. State regulators then required them to convert to Representative Office status. There are now no Iranian banks authorized to conduct banking business in the United States. Activities have been restricted to "limited representation," allowing only research and coordination with U.S. holders of affiliate correspondent accounts.

Bank Saderat, Iran's New York Representative Office, was nominated by the Central Bank of Iran to act as its agent for procedures outlined in the "Airbus" settlement at The Hague. Accordingly, Bank Saderat was separately licensed by OFAC for the limited purpose of collecting information for the Central Bank of Iran about U.S. commercial claims against Iranian banks. The information will be forwarded to and cleared by Iranian and State Department officials and used in making independent determinations as to which claims can be paid from a special escrow account established at the Federal Reserve Bank of New York.

The U.S. financial community continues to interdict transactions associated with Iran and to consult with OFAC about their appropriate handling. During this reporting period, OFAC took decisive action to prevent the U.S. clearing of third country dollar travelers checks sold by Iranian banks.

5. The U.S. Customs Service has continued to effect numerous seizures of Iranian-origin merchandise, primarily carpets, for violation of the import prohibitions of the ITR. Various enforcement actions carried over from previous reporting periods are continuing and new reports of violations are being aggressively pursued. Since March 11, 1996, OFAC has collected two civil penalties totaling \$6,000. The violations underlying these collections involve unlicensed exports to Iran. Civil penalty action is pending against 12 U.S. companies and financial institutions for violations of the Regulations.

6. The expenses incurred by the Federal Government in the 6-month period from March 15 through September 14, 1996, that are directly attributable to the exercise of powers and authorities conferred by the declaration of a national emergency with respect to Iran are approximately \$850,000, most of which represents wage and salary costs for Federal personnel. Personnel costs were largely centered in the Department of the Treasury (particularly in the Office of Foreign Assets Control, the U.S. Customs Service, the Office of the Under Secretary for Enforcement,

and the Office of the General Counsel), the Department of State (particularly the Bureau of Economic and Business Affairs, the Bureau of Near Eastern Affairs, the Bureau of Political-Military Affairs, and the Office of the Legal Adviser), and the Department of Commerce (the Bureau of Export Administration and the General Counsels Office).

7. The situation reviewed above continues to involve important diplomatic, financial, and legal interests of the United States and its nationals and presents an extraordinary and unusual threat to the national security, foreign policy, and economy of the United States. The declaration of the national emergency with respect to Iran contained in Executive Order 12957 and the comprehensive economic sanctions imposed by Executive Order 12959 underscore the United States Government opposition to the actions and policies of the Government of Iran, particularly its support of international terrorism and its effort to acquire weapons of mass destruction and the means to deliver them. The Iranian Transactions Regulations issued pursuant to Executive Orders 12957 and 12959 continue to advance important objectives in promoting the nonproliferation and antiterrorism policies of the United States. I shall exercise the powers at my disposal to deal with these problems and will report periodically to the Congress on significant developments.

CONTINUATION OF EMERGENCY WITH RESPECT TO NATIONAL UNION FOR TOTAL INDEPENDENCE OF ANGOLA—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 104-262)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on International Relations and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the Federal Register and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice, stating that the emergency declared with respect to the National Union for the Total Independence of Angola ("UNITA") is to continue in effect beyond September 26, 1996, to the Federal Register for publication.

The circumstances that led to the declaration on September 26, 1993, of a

national emergency have not been resolved. The actions and policies of UNITA pose a continuing unusual and extraordinary threat to the foreign policy of the United States. United Nations Security Council Resolution 864 (1993) continues to oblige all Members States to maintain sanctions. Discontinuation of the sanctions would have a prejudicial effect on the Angolan peace process. For these reasons, I have determined that it is necessary to maintain in force the broad authorities necessary to apply economic pressure to UNITA to reduce its ability to pursue its aggressive policies of territorial acquisition.

WILLIAM J. CLINTON.
