ANNOUNCEMENT OF INTENTION TO OFFER RESOLUTION RAISING QUESTION OF PRIVILEGES OF THE HOUSE

Mr. LINDER. Mr. Speaker, Pursuant
to clause 2, rule IX, I hereby give notice
of my intention to offer a question
of the privileges of the House.

Mr. Speaker, the resolution says:

Whereas, a complaint filed against Representative Gephardt alleges House Rules have been violated by Representative Gephardt's concealment of profits gained through a complex series of real estate tax exchanges and;

Whereas, the complaint also alleges possible violations of banking disclosure and campaign finance laws or regulations and;

Whereas, the Committee on Standards of Official Conduct has in other complex matters involving complaints hired outside counsel with expertise in tax laws and regulations and;

Whereas, the Committee on Standards of Official Conduct is responsible for determining whether Representative Gephardt's financial transactions violated standards of conduct or specific rules of the House of Representatives and;

Whereas, the complaint against Representative Gephardt has been pending before the committee for more than seven months.

Whereas, on Friday, September 20, 1996 the ranking Democrat of the Ethics Committee, Representative James McDermott in a public statement suggested that cases pending before the committee in excess of 60 days be referred to an outside counsel; now be it

Resolved that the committee on Standards of Official Conduct is authorized and directed to hire a special counsel to assist in the investigation of the charges filed against the Democrat Leader Representative Richard Gephardt.

Resolved that all relevant materials presented to, or developed by, the committee to date on the complaint be submitted to a special counsel, for review and recommendation to determine whether the committee should proceed to a preliminary inquiry.

The SPEAKER pro tempore (Mr. HANSEN). Under rule IX, a resolution offered from the floor by a Member other than the majority leader or the minority leader as a question of the privileges of the House has immediate precedence only at a time or place designated by the Chair in the legislative schedule within 2 legislative days. The Chair will announce that designation at a later time.

A determination as to whether the resolution constitutes a question of

privilege will be made at that later time.

ANNOUNCEMENT OF ADDITIONAL BILL TO BE CONSIDERED UNDER SUSPENSION OF THE RULES ON TODAY

Mr. NETHERCUTT. Mr. Speaker, pursuant to House Resolution 525, I announce the following suspension to be considered today: H.R. 4167, the Professional Boxing Safety Act.

REMOVAL OF NAMES OF MEMBERS AS COSPONSORS OF H.R. 3559

Mr. NETHERCUTT. Mr. Speaker, I ask unanimous consent to delete the following Members as cosponsors of H.R. 3559: Messrs. TRAFICANT, EHLERS, MCINTOSH, Ms. DUNN of Washington, Mrs. CHENOWETH, and Mr. MCHUGH.

The SPEAKER. Is there objection to the request of the gentleman from Washington?

There was no objection.

PERSONAL EXPLANATION

Mr. MASCARA. Mr. Speaker, the President was in my district this morning for an event at Robert Morris College. He gave a great address and received a very warm welcome from the people of the 20th District of Pennsylvania.

However, as a result, I was detained in my district and missed several votes. If I had been here, I would have voted "no" on the rule for the immigration conference report, rollcall No. 430, "yes" on the motion to recommit, rollcall No. 431, and "yes" on passage, rollcall No. 432.

JOINT EXPLANATORY STATEMENT OF THE COMMITTEE OF CONFERENCE

The managers on the part of the House and the Senate at the conference on the disagreeing votes of the two Houses on the amendments of the Senate to the bill (H.R. 2977) to reauthorize alternative means of dispute resolution in the Federal administrative process, and for other purposes, submit the following joint statement to the House and the Senate in explanation of the effect of the action agreed upon by the managers and recommended in the accompanying conference report:

The Senate amendment to the text of the bill struck all of the House bill after the enacting clause and inserted a substitute text.

The House recedes from its disagreement to the amendment of the Senate with an amendment that is a substitute for the House bill and the Senate amendment. The differences between the House bill, the Senate amendment, and the substitute agreed to in conference are noted below, except for clerical corrections, conforming changes made necessary by agreements reached by the conferees, and minor drafting and clerical changes.

The conferees incorporate by reference in this Statement of Managers the legislative history reflected in both House Report 104-597 and Senate Report 104-245. To the extent not otherwise inconsistent with the conference agreement, those reports give expression to the intent of the conferees.

Section 3—House recedes to Senate amendment with modifications. This section clarifies that, under 5 U.S.C. section 574, a dispute resolution communication between a party

and a neutral or a neutral and a party that meets the requirements for confidentiality in section 574 is also exempt from disclosure under FOIA. In addition, a dispute resolution communication originating from a neutral and provided to all of the parties, such as Early Neutral Evaluation, is protected from discovery under 574(b)(7) and from disclosure under FOIA. A dispute resolution communication originating from a party to a party or parties is not protected from disclosure by the ADR Act.

The Managers recognize that the intent of the Conference Agreement not to exempt from disclosure under FOIA a dispute resolution communication given by one party to another party could be easily thwarted if a neutral in receipt of a dispute resolution communication agrees with a party to in turn pass the communication on to another party. It is the intent of the Managers that if the neutral attempts to circumvent the prohibitions of the ADR Act in this manner, the exemption from FOIA would not apply.

As with all other FOIA exemptions, the exemption created by section 574(j) is to be construed narrowly. The Managers would not expect the parties to use the new exemption as a mere sham to exempt information from FOIA. Thus, for example, we would not expect litigants to resort to ADR principally as a means of taking advantage of the new exemption. In such a case the new exemption would not apply.

Section 7—Senate recedes to House with a modification. This section requires the President to designate an agency or to designate or establish an interagency committee to facilitate and encourage the use of alternative dispute resolution. The Managers encourage the President to designate the same entity under this provision as is designated under section 11 (regarding Negotiated Rulemaking). This would promote the coordination of policies, enhance institutional memory on the relevant issues, and make more efficient the use of ADR and Negotiated Rulemaking.

Section 8—House recedes to Senate amendment with modifications. This section permits the use of binding arbitration under certain conditions, and clarifies that an agency cannot exceed its otherwise applicable settlement authority in alternative dispute resolution proceedings.

The head of an agency that is a party to an arbitration proceeding will no longer have the authority to terminate the proceeding or vacate any award under 5 U.S.C. section 580. However, it is the Managers’ intent that an arbitrator shall not grant an award that is inconsistent with law. In addition, prior to the use of binding arbitration, the head of each agency, in consultation with the Attorney General, must issue guidelines on the use and limitations of binding arbitration.

Section 11—House recedes to Senate amendment with modifications. This section permanently reauthorizes the Negotiated Rulemaking Act of 1990. The President is required to designate an agency or interagency committee to facilitate and encourage the use of negotiated rulemaking.

In addition, this section requires the Director of the Office of Management and Budget to take action to expedite the establishment of negotiated rulemaking committees and committees to resolve disputes under the Administrative Dispute Resolution Act. It is the understanding of the Managers that the Federal Advisory Committee Act (FACA) applies to proceedings under the Negotiated Rulemaking Act, but does not apply to proceedings under the Administrative Dispute Resolution Act. The Director also is required to submit recommendations to Congress for any necessary legislative changes within one year after enactment.

The Managers deleted language in paragraph (b)(1)(B) determining that property accepted under this section shall be considered a gift to the United States for federal tax purposes because the Managers determined that the language merely repeated current law.

Section 12—House recedes to Senate amendment with modifications. This section consolidates federal court jurisdiction for procurement protest cases in the Court of Federal Claims. Previously, in addition to the jurisdiction exercised by the Court of Federal Claims, certain procurement protest cases were subject to review in the federal district courts. The grant of exclusive federal court jurisdiction to the Court of Federal Claims does not affect in any way the authority of the Comptroller General to review procurement protests pursuant to Chapter 35 of Title 31, U.S.C. Code.

This section also applies the Administrative Procedure Act standard of review previously applied by the district courts (5 U.S.C. sec. 706) to all procurement protest cases in the Court of Federal Claims. It is the intention of the Managers to give the Court of Federal Claims exclusive jurisdiction over the full range of procurement protest cases previously subject to review in the federal district courts and the Court of Federal Claims. This section is not intended to affect the jurisdiction or standards applied by the Court of Federal Claims in any other area of the law.
