

what worries me most is the theme of these efforts: These themes are not about helping women.

If helping women was the intent, we would acknowledge the fact that women earn only 72 cents for every man's dollar, and we would enforce equal pay for equal work.

We would not question a woman's judgment when she needs a medically necessary procedure; we would work toward perfecting the safest method.

If this Congress is serious about women's issues, let's focus on what we can do for women, not what we can take away.
