#### TITLE V—PROMOTING ACCESS AND AVAILABILITY OF HEALTH COVERAGE IN RURAL AREAS

Subtitle A—Medicare Program

#### SECTION 501. MEDICARE RURAL HOSPITAL FLEXIBILITY PROGRAM.

(a) MEDICARE RURAL HOSPITAL FLEXIBILITY PROGRAM.—Section 1820 of the Social Security Act (42 U.S.C. 1395i-4) is amended to read as follows:

##### "MEDICARE RURAL HOSPITAL FLEXIBILITY PROGRAM

"SEC. 1820. (a) ESTABLISHMENT.—Any State that submits an application in accordance with subsection (b) may establish a medicare rural hospital flexibility program described in subsection (c).

"(b) APPLICATION.—A State may establish a medicare rural hospital flexibility program described in subsection (c) if the State submits to the Secretary at such time and in such form as the Secretary may require an application containing—

"(1) assurances that the State—

"(A) has developed, or is in the process of developing, a State rural health care plan that—

"(i) provides for the creation of one or more rural health networks (as defined in subsection (d)) in the State,

"(ii) promotes regionalization of rural health services in the State, and

"(iii) improves access to hospital and other health services for rural residents of the State;

"(B) has developed the rural health care plan described in subparagraph (A) in consultation with the hospital association of the State, rural hospitals located in the State, and the State Office of Rural Health (or, in the case of a State in the process of developing such plan, that assures the Secretary that the State will consult with its State hospital association, rural hospitals located in the State, and the State Office of Rural Health in developing such plan);

"(2) assurances that the State has designated (consistent with the rural health care plan described in paragraph (1)(A)), or is in the process of so designating, rural non-profit or public hospitals or facilities located in the State as critical access hospitals; and

"(3) such other information and assurances as the Secretary may require.

"(c) MEDICARE RURAL HOSPITAL FLEXIBILITY PROGRAM DESCRIBED.—

"(1) IN GENERAL.—A State that has submitted an application in accordance with subsection (b), may establish a medicare rural hospital flexibility program that provides that—

"(A) the State shall develop at least one rural health network (as defined in subsection (d)) in the State; and

"(B) at least one facility in the State shall be designated as a critical access hospital in accordance with paragraph (2).

"(2) STATE DESIGNATION OF FACILITIES.—

"(A) IN GENERAL.—A State may designate one or more facilities as a critical access hospital in accordance with subparagraph (B).

"(B) CRITERIA FOR DESIGNATION AS CRITICAL ACCESS HOSPITAL.—A State may designate a facility as a critical access hospital if the facility—

"(i) is located in a county (or equivalent unit of local government) in a rural area (as defined in section 1886(d)(2)(D)) that—

"(I) is located more than a 35-mile drive from a hospital, or another facility described in this subsection, or

"(II) is certified by the State as being a necessary provider of health care services to residents in the area;

"(ii) makes available 24-hour emergency care services that a State determines are necessary for ensuring access to emergency care services in each area served by a critical access hospital;

"(iii) provides not more than 6 acute care inpatient beds (meeting such standards as the Secretary may establish) for providing inpatient care for a period not to exceed 72 hours (unless a longer period is required because transfer to a hospital is precluded because of inclement weather or other emergency conditions), except that a peer review organization or equivalent entity may, on request, waive the 72-hour restriction on a case-by-case basis;

"(iv) meets such staffing requirements as would apply under section 1861(e) to a hospital located in a rural area, except that—

"(I) the facility need not meet hospital standards relating to the number of hours during a day, or days during a week, in which the facility must be open and fully staffed, except insofar as the facility is required to make available emergency care services as determined under clause (ii) and must have nursing services available on a 24-hour basis, but need not otherwise staff the facility except when an inpatient is present,

"(II) the facility may provide any services otherwise required to be provided by a full-time, on-site dietitian, pharmacist, laboratory technician, medical technologist, and radiological technologist on a part-time, off-site basis under arrangements as defined in section 1861(w)(1), and

"(III) the inpatient care described in clause (iii) may be provided by a physician's assistant, nurse practitioner, or clinical nurse specialist subject to the oversight of a physician who need not be present in the facility; and

"(v) meets the requirements of subparagraph (1) of paragraph (2) of section 1861(aa).

"(d) RURAL HEALTH NETWORK DEFINED.—

"(1) IN GENERAL.—For purposes of this section, the term 'rural health network' means, with respect to a State, an organization consisting of—

"(A) at least 1 facility that the State has designated or plans to designate as a critical access hospital, and

"(B) at least 1 hospital that furnishes acute care services.

"(2) AGREEMENTS.—

"(i) Patient referral and transfer.

"(ii) The development and use of communications systems including (where feasible)—

“(1) is located in a State that has established a medicare rural hospital flexibility program in accordance with subsection (c);

“(2) is designated as a critical access hospital by the State in which it is located; and

“(3) meets such other criteria as the Secretary may require.

“(f) PERMITTING MAINTENANCE OF SWING BEDS.—Nothing in this section shall be construed to prohibit a State from designating or the Secretary from certifying a facility as a critical access hospital solely because, at the time the facility applies to the State for designation as a critical access hospital, there is in effect an agreement between the facility and the Secretary under section 1883 under which the facility’s inpatient hospital facilities are used for the furnishing of extended care services, except that the number of beds used for the furnishing of such services may not exceed 12 beds (minus the number of inpatient beds used for providing inpatient care in the facility pursuant to subsection (c)(2)(B)(iii)). For purposes of the previous sentence, the number of beds of the facility used for the furnishing of extended care services shall not include any beds of a unit of the facility that is licensed as a distinct-part skilled nursing facility at the time the facility applies to the State for designation as a critical access hospital.

H.R. 3136

OFFERED BY: MR. HYDE

AMENDMENT NO. 2. Strike title III and insert the following:

### TITLE III—SMALL BUSINESS REGULATORY FAIRNESS

#### SEC. 301. SHORT TITLE.

This title may be cited as the "Small Business Regulatory Enforcement Fairness Act of 1996".

#### SEC. 302. FINDINGS.

Congress finds that—

(1) a vibrant and growing small business sector is critical to creating jobs in a dynamic economy;

(2) small businesses bear a disproportionate share of regulatory costs and burdens;

(3) fundamental changes that are needed in the regulatory and enforcement culture of Federal agencies to make agencies more responsive to small business can be made without compromising the statutory missions of the agencies;

(4) three of the top recommendations of the 1995 White House Conference on Small Business involve reforms to the way government regulations are developed and enforced, and reductions in government paperwork requirements;

(5) the requirements of chapter 6 of title 5, United States Code, have too often been ignored by government agencies, resulting in greater regulatory burdens on small entities than necessitated by statute; and

(6) small entities should be given the opportunity to seek judicial review of agency actions required by chapter 6 of title 5, United States Code.

#### SEC. 303. PURPOSES.

The purposes of this title are—

(1) to implement certain recommendations of the 1995 White House Conference on Small Business regarding the development and enforcement of Federal regulations;

(2) to provide for judicial review of chapter 6 of title 5, United States Code;

(3) to encourage the effective participation of small businesses in the Federal regulatory process;

(4) to simplify the language of Federal regulations affecting small businesses;

(5) to develop more accessible sources of information on regulatory and reporting requirements for small businesses;

(6) to create a more cooperative regulatory environment among agencies and small businesses that is less punitive and more solution-oriented; and

(7) to make Federal regulators more accountable for their enforcement actions by providing small entities with a meaningful opportunity for redress of excessive enforcement activities.

#### Subtitle A—Regulatory Compliance Simplification

##### SECTION 311. DEFINITIONS.

For purposes of this subtitle—

(1) the terms "rule" and "small entity" have the same meanings as in section 601 of title 5, United States Code;

(2) the term "agency" has the same meaning as in section 551 of title 5, United States Code; and

(3) the term "small entity compliance guide" means a document designated as such by an agency.

##### SEC. 312. COMPLIANCE GUIDES.

(a) COMPLIANCE GUIDE.—For each rule or group of related rules for which an agency is required to prepare a final regulatory flexibility analysis under section 604 of title 5, United States Code, the agency shall publish one or more guides to assist small entities in complying with the rule, and shall designate such publications as "small entity compliance guides". The guides shall explain the actions a small entity is required to take to comply with a rule or group of rules. The agency shall, in its sole discretion, taking into account the subject matter of the rule and the language of relevant statutes, ensure that the guide is written using sufficiently plain language likely to be understood by affected small entities. Agencies may prepare separate guides covering groups or classes of similarly affected small entities, and may cooperate with associations of small entities to develop and distribute such guides.

(b) COMPREHENSIVE SOURCE OF INFORMATION.—Agencies shall cooperate to make available to small entities through comprehensive sources of information, the small entity compliance guides and all other available information on statutory and regulatory requirements affecting small entities.

(c) LIMITATION ON JUDICIAL REVIEW.—An agency's small entity compliance guide shall not be subject to judicial review, except that in any civil or administrative action against a small entity for a violation occurring after the effective date of this section, the content of the small entity compliance guide may be considered as evidence of the reasonableness or appropriateness of any proposed fines, penalties or damages.

##### SEC. 313. INFORMAL SMALL ENTITY GUIDANCE.

(a) GENERAL.—Whenever appropriate in the interest of administering statutes and regulations within the jurisdiction of an agency which regulates small entities, it shall be the practice of the agency to answer inquiries by small entities concerning information on, and advice about, compliance with such statutes and regulations, interpreting and applying the law to specific sets of facts supplied by the small entity. In any civil or administrative action against a small entity, guidance given by an agency applying the law to facts provided by the small entity may be considered as evidence of the reasonableness or appropriateness of any proposed fines, penalties or damages sought against such small entity.

(b) PROGRAM.—Each agency regulating the activities of small entities shall establish a program for responding to such inquiries no later than 1 year after enactment of this section, utilizing existing functions and personnel of the agency to the extent practicable.

(c) REPORTING.—Each agency regulating the activities of small business shall report

to the Committee on Small Business and Committee on Governmental Affairs of the Senate and the Committee on Small Business and Committee on the Judiciary of the House of Representatives no later than 2 years after the date of the enactment of this section on the scope of the agency's program, the number of small entities using the program, and the achievements of the program to assist small entity compliance with agency regulations.

#### SEC. 314. SERVICES OF SMALL BUSINESS DEVELOPMENT CENTERS.

(a) Section 21(c)(3) of the Small Business Act (15 U.S.C. 648(c)(3)) is amended—

(2) in subparagraph (P), by striking the period at the end and inserting a semicolon; and

"(R) developing informational publications, establishing resource centers of reference materials, and distributing compliance guides published under section 312(a) of the Small Business Regulatory Enforcement Fairness Act of 1996."

(b) Nothing in this Act in any way affects or limits the ability of other technical assistance or extension programs to perform or continue to perform services related to compliance assistance.

#### SEC. 315. COOPERATION ON GUIDANCE.

Agencies may, to the extent resources are available and where appropriate, in cooperation with the states, develop guides that fully integrate requirements of both Federal and state regulations where regulations within an agency's area of interest at the Federal and state levels impact small entities. Where regulations vary among the states, separate guides may be created for separate states in cooperation with State agencies.

#### SEC. 316. EFFECTIVE DATE.

“(d)(1) In the Senate, when the committee to which a joint resolution is referred has reported, or when a committee is discharged (under subsection (c)) from further consideration of a joint resolution described in subsection (a), it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) for a motion to proceed to the consideration of the joint resolution, and all points of order against the joint resolution (and against consideration of the joint resolution) are waived. The motion is not subject to amendment, or to a motion to postpone, or to a motion to proceed to the consideration of other business. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. If a motion to proceed to the consideration of the joint resolution is agreed to, the joint resolution shall remain the unfinished business of the Senate until disposed of.
