H.R. 2406

OFFERED BY: MR. DURBIN

AMENDMENT NO. 45: At the end of title V of the bill, insert the following new section:

SEC. 515. PROHIBITION AGAINST ILLEGAL POSSESSION OR DISCHARGE OF FIREARMS IN PUBLIC HOUSING ZONES.

(a) CONGRESSIONAL FINDINGS.—The Congress finds and declares that—

(A) crime, particularly crime involving firearms, is a pervasive, nationwide problem;

(B) crime at the local level is exacerbated by the interstate movement of firearms;

(C) firearms and ammunition move easily in interstate commerce and illegal firearms

have been found in increasing numbers in and around public housing zones;

(D) in fact, even before the sale of a firearm, the gun, its component parts, ammunition, and the raw materials from which they are made have considerably moved in interstate commerce;

(E) while criminals freely move from State to State, ordinary citizens and foreign visitors may fear to travel to or through certain parts of the country due to concern about violent crime and gun violence;

(F) the occurrence of violent crime in public housing zones has resulted in a decline in the quality of public housing in our country;

(G) this decline in the quality of public housing has an adverse impact on interstate commerce and the foreign commerce of the United States;

(H) States, localities, and local housing and management authorities find it almost impossible to handle gun-related crime by themselves; even States, localities, and local housing and management authorities that have made strong efforts to prevent, detect, and punish gun-related crime find their efforts unavailing due in part to the failure or inability of other States or localities to take strong measures; and

(I) the Congress has power, under the interstate commerce clause and other provisions of the Constitution, to enact measures to ensure the integrity and safety of the Nation's public housing by enactment of this section.

(b) PROHIBITIONS.—

(1) POSSESSION.—It shall be unlawful for any person, in or affecting interstate or foreign commerce, to possess a firearm in violation of any other Federal law or of any State or local law, at a place that the person knows or has reasonable cause to believe is in a public housing zone.

(2) DISCHARGE.—

(A) IN GENERAL.—It shall be unlawful for any person, in or affecting interstate or foreign commerce, to discharge or attempt to discharge a firearm, knowingly or with reckless disregard for the safety of another, at a place that the person knows is in a public housing zone.

(B) EXCEPTIONS.—Subparagraph (A) shall not apply to the discharge of a firearm—

(i) by a person employed by a local housing and management authority to provide security for a public housing development in the public housing zone, acting within the scope of such employment; or

(ii) by a law enforcement officer acting in his or her official capacity.

(c) PENALTIES.—Whoever violates subsection (b) shall be fined under title 18, United States Code, imprisoned for not more than 5 years, or both. Notwithstanding any other provision of law, a term of imprisonment imposed under this subsection shall not run concurrently with any other term of imprisonment imposed under any other provision of law. Except for the authorization of a term of imprisonment of not more than 5 years made in this subsection, for the purpose of any other law a violation of subsection (b) shall be deemed to be a misdemeanor.

(d) DEFINITIONS.—For purposes of this section, the following definitions shall apply:

(1) The terms "firearm", "interstate or foreign commerce", "person", and "whoever", have the meanings given such terms in section 921(a) of title 18, United States Code.

(2) The term "public housing zone" means in or upon—

(A) the real property comprising the public housing developments of any local housing and management authority; or

(B) any public property which is at a distance of not more than 1,000 feet from property referred to in subparagraph (A).

(e) EFFECTIVE DATE.—This section shall apply to conduct engaged in after the end of

the 60-day period that begins with the date of the enactment of this Act.

(f) GUN-FREE ZONE SIGNS.—Federal, State, and local authorities (including local housing and management authorities) are encouraged to cause signs to be posted around public housing zones giving warning of the prohibition against the illegal possession of a firearm in such zones.

(i) residents of public housing dwelling units owned or operated by the authority; or

(ii) members of assisted families under title III.

Secretary, in consultation with the Secretary of Transportation and the Committee, first conducts an air safety appraisal, determines that such action will not result in degradation of service that affects aircraft safety, and includes such determination in the certification required under subsection (b). This air safety appraisal shall be issued jointly by the Department of Commerce and the Department of Transportation before September 30, 1996, and shall be based on a coordinated review of all the airports in the United States subject to the certification requirements of subsection (b). The appraisal shall—

TITLE X—ENDOCRINE DISRUPTER RESEARCH PLANNING

SEC. 1001. SHORT TITLE.

This title may be cited as the "Endocrine Disrupter Research Planning Act of 1996".

SEC. 1002. FINDINGS.

The Congress finds that—

(1) recent reports in the media have focused public attention on a possible link between exposure to chemicals that may mimic hormones and may have adverse biological effects in humans and wildlife, including carcinogenic, reproductive, neurological, and immunological effects, now commonly referred to as endocrine disrupters;

(2) given the significant scientific uncertainties concerning the effects of such endocrine disrupters on humans and wildlife, it cannot at this time be concluded whether or not endocrine disrupters constitute a significant threat to human health or the environment;

(3) neither a conclusion that potentially costly regulation is immediately needed, nor a conclusion that the risks are insignificant or exaggerated, is warranted on the present state of scientific knowledge;

(4) additional research is needed to more accurately characterize the risks of endocrine disrupters;

(5) risk assessment principles should be used to guide the development of a coordinated research plan to ensure that research results are relevant and adequate to guide future public policy decisions;

(6) research carried out by the Federal Government should be done in a planned and

coordinated manner to ensure that limited resources are spent efficiently and that critical information gaps are filled as quickly as possible; and

(7) researchers from academia, industry, and Federal laboratories should coordinate efforts to prioritize research topics, identify capital needs, and, in general, develop a comprehensive research plan to address important scientific and policy questions surrounding the potential effects of such chemicals.

SEC. 1003. RESEARCH PLANNING REPORT.
