SEC. 5. SENSE OF CONGRESS ON DOMESTIC VIOLENCE AND FEDERAL ASSISTANCE.

(a) FINDINGS.—Congress finds that—

(1) domestic violence is the leading cause of physical injury to women; the Department of Justice estimates that over one million

violent crimes against women are committed by intimate partners annually;

(2) domestic violence dramatically affects the victim's ability to participate in the workforce; a University of Minnesota survey reported that one-quarter of battered women surveyed had lost a job partly because of being abused and that over half of these women had been harassed by their abuser at work;

(3) domestic violence is often intensified as women seek to gain economic independence through attending school or training programs; batterers have been reported to prevent women from attending these programs or sabotage their efforts at self-improvement;

(4) nationwide surveys of service providers prepared by the Taylor Institute of Chicago, document, for the first time, the interrelationship between domestic violence and welfare by showing that between 50 percent and 80 percent of AFDC recipients are current or past victims of domestic violence;

(5) over half of the women surveyed stayed with their batterers because they lacked the resources to support themselves and their children; the surveys also found that the availability of economic support is a critical factor in poor women's ability to leave abusive situations that threaten them and their children; and

(6) proposals to restructure the welfare programs may impact the availability of the economic support and the safety net necessary to enable poor women to flee abuse without risking homelessness and starvation for their families.

(b) **SENSE OF CONGRESS.**—It is the sense of Congress that—

(1) no welfare reform provision shall be enacted by Congress unless and until Congress considers whether such welfare reform provisions will exacerbate violence against women and their children, further endanger women's lives, make it more difficult for women to escape domestic violence, or further punish women victimized by violence; and

(2) any welfare reform measure enacted by Congress shall require that any welfare-to-work, education, or job placement programs implemented by the States will address the impact of domestic violence on welfare recipients.

SEC. 6. SENSE OF CONGRESS ON IMPACT OF LEGISLATION ON CHILDREN.

(a) **SENSE OF CONGRESS.**—It is the sense of Congress that Congress should not adopt or enact any legislation that will increase the number of children who are hungry, homeless, poor, or medically uninsured.

(b) **LEGISLATIVE ACCOUNTABILITY FOR IMPACT ON CHILDREN.**—In the event legislation enacted to comply with this resolution results in an increase in the number of hungry, homeless, poor, or medically uninsured by the end of fiscal year 1997, Congress shall revisit the provisions of such legislation which caused such increase and shall, as soon as practicable thereafter, adopt legislation which would halt any continuation of such increase.

SEC. 7. SENSE OF CONGRESS REGARDING TAX CUTS.

It is the sense of Congress that changes in tax laws which promote job creation, economic growth, and increased savings and investment should be enacted and be offset by changes which close tax loopholes and eliminate corporate welfare.

SEC. 8. SENSE OF CONGRESS REGARDING THE DEBT.

It is the sense of Congress that eliminating the deficit by producing a balanced budget is only the first step toward the ultimate goal of reducing and eventually eliminating the public debt.

SEC. 9. SENSE OF CONGRESS REGARDING TRUST FUND SURPLUSES.

It is the sense of Congress that—

(2) all recent-year Federal budgets, as well as both fiscal year 1996 budget resolutions reported out by the Committees on the Budget of the House of Representatives and the Senate, have masked the magnitude of annual deficits by counting various trust fund surpluses; and

(2) upon reaching a balance in the Federal budget, the Government should move toward balance without consideration of trust fund surpluses.

SEC. 10. SENSE OF CONGRESS REGARDING BALANCED BUDGET ENFORCEMENT.

It is the sense of Congress that, in order to ensure that a balanced budget is achieved by fiscal year 2002 and that the budget remains in balance thereafter, title XIV of H.R. 2530 establishing strict budget enforcement mechanisms should be enacted. Such language would—

(1) require the Federal Government to reach a balanced Federal budget by fiscal year 2002 and remain in balance thereafter;

(2) establish procedures for developing honest, accurate, and accepted budget estimates;

(3) require that the President propose annual budgets that would achieve a balanced Federal budget by fiscal year 2002 and for each year thereafter, using accurate assumptions;

(4) require the Committees on the Budget of the House of Representatives and the Senate to report budget resolutions that achieve a balanced Federal budget by fiscal year 2002 and for each year thereafter, using accurate assumptions; and

(5) require Congress and the President to take action if the deficit targets in this resolution are not met.

SEC. 11. SENSE OF CONGRESS REGARDING MEDICARE REFORM.

It is the sense of Congress that any legislation reforming medicare should reflect the policies and distribution of savings contained in H.R. 2530. Specifically, that legislation should—

(1) reform policies for medicare risk contracting to expand the choice of private options available to all medicare beneficiaries, including individuals in rural areas;

(2) contain regulatory reforms to facilitate the creation of provider-sponsored networks;

(3) contain reasonable reductions in the growth of payments to providers that do not threaten the availability or quality of care;

(4) require higher income medicare beneficiaries to pay a greater portion of medicare premiums without establishing a new bureaucracy for the collection of premiums;

(5) expand coverage of preventive benefits under medicare;

(6) provide a demonstration project for Medical Savings Accounts for medicare beneficiaries; and

(7) prohibit managed care plans from charging medicare beneficiaries additional premiums beyond the part B premium.

SEC. 12. SENSE OF CONGRESS REGARDING MEDICAID REFORM.

It is the sense of Congress that any legislation changing the medicaid program pursuant to this resolution should—

(1) continue guaranteed coverage for low-income children, pregnant women, the elderly, and the disabled;

(2) continue the guarantee of an adequate benefits package for all medicaid beneficiaries;

(3) provide States with greater flexibility in the delivery of services and administration of the program;

(4) contain a financing mechanism in which the Federal Government fully shares in changes in program costs resulting from changes in caseload;

(5) require States to maintain current levels of financial effort to preserve the current joint Federal-State partnership in meeting the costs of this program;

(6) continue current restrictions on the use of provider taxes and donations and other illusory State financing schemes;

(7) continue Federal minimum standards for nursing homes;

(8) continue Federal rules that prevent wives or husbands from being required to impoverish themselves in order to obtain and keep medicaid benefits for their spouse requiring nursing home care; and

(9) continue coverage of medicaid premiums and cost sharing for low-income seniors.

SEC. 13. SENSE OF CONGRESS REGARDING WELFARE REFORM.

It is the sense of Congress that any legislation reforming welfare programs pursuant to this resolution should—

(1) impose tough work requirements on able-bodied recipients;

(2) provide sufficient resources for job training, child care, and other programs necessary to help welfare recipients make the transition from welfare to work;

(3) require States to maintain levels of financial support sufficient to operate an effective program;

(4) contain effective counter-cyclical mechanisms to assist States facing economic downturns or increases in population;

(5) include provisions holding States accountable for the use of Federal funds and the effectiveness of State programs;

(6) contain strong child support provisions; and

(7) maintain the integrity of the food stamp program as a national safety net.

(b) The House Committee on Ways and Means shall report changes in laws within its jurisdiction sufficient to increase revenues by \$40,500,000,000 in fiscal year 1997, by \$377,000,000,000 in fiscal years 1997 through 2001, and by \$486,600,000,000 in fiscal years 1997 through 2002.

SEC. 5. SENSE OF CONGRESS ON DOMESTIC VIOLENCE AND FEDERAL ASSISTANCE.

(a) FINDINGS.—Congress finds that—

(1) domestic violence is the leading cause of physical injury to women; the Department of Justice estimates that over one million violent crimes against women are committed by intimate partners annually;

(2) domestic violence dramatically affects the victim's ability to participate in the workforce; a University of Minnesota survey reported that one-quarter of battered women surveyed had lost a job partly because of being abused and that over half of these women had been harassed by their abuser at work;

(3) domestic violence is often intensified as women seek to gain economic independence through attending school or training programs; batterers have been reported to prevent women from attending these programs or sabotage their efforts at self-improvement;

(4) nationwide surveys of service providers prepared by the Taylor Institute of Chicago,

document, for the first time, the interrelationship between domestic violence and welfare by showing that between 50 percent and 80 percent of AFDC recipients are current or past victims of domestic violence;

(5) over half of the women surveyed stayed with their batterers because they lacked the resources to support themselves and their children; the surveys also found that the availability of economic support is a critical factor in poor women's ability to leave abusive situations that threaten them and their children; and

(6) proposals to restructure the welfare programs may impact the availability of the economic support and the safety net necessary to enable poor women to flee abuse without risking homelessness and starvation for their families.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) no welfare reform provision shall be enacted by Congress unless and until Congress considers whether such welfare reform provisions will exacerbate violence against women and their children, further endanger women's lives, make it more difficult for women to escape domestic violence, or further punish women victimized by violence; and

(2) any welfare reform measure enacted by Congress shall require that any welfare-to-work, education, or job placement programs implemented by the States will address the impact of domestic violence on welfare recipients.

SEC. 6. SENSE OF CONGRESS ON IMPACT OF LEGISLATION ON CHILDREN.

(a) SENSE OF CONGRESS.—It is the sense of Congress that Congress should not adopt or enact any legislation that will increase the number of children who are hungry, homeless, poor, or medically uninsured.

(b) LEGISLATIVE ACCOUNTABILITY FOR IMPACT ON CHILDREN.—In the event legislation enacted to comply with this resolution results in an increase in the number of hungry, homeless, poor, or medically uninsured by the end of fiscal year 1997, Congress shall revisit the provisions of such legislation which caused such increase and shall, as soon as practicable thereafter, adopt legislation which would halt any continuation of such increase.
