(b) Subsection (a) does not apply when it is made known to the Federal official having authority to obligate or expend such funds that—

(1) the reporting requirement in section 818(e) of Public Law 103-337 (108 Stat. 2821; 10 U.S.C. 2324 note) has been completed.

(2) the decision by the defense contractor to undertake the merger, acquisition, or other business combination was primarily based on the availability of Federal restructuring payments as certified by the Comptroller General based on the best available information;

(3) the reimbursement will reduce the overall budget deficit for fiscal years 1996 and 1997, as certified in writing to Congress by the Director of the Congressional Budget Office based on the approximate number of persons to be laid off or dismissed as a result of the combination; an estimate of the reduction of Federal tax revenues that such unemployment will produce; and an estimate of the increase in Federal expenditures in other Federal adjustment programs, including food stamps, housing assistance, the program of aid to families with dependent children, medicaid programs, and any other programs the Director determines that unemployed persons are likely to use at a rate higher than employed persons; and

(4) the merger, acquisition, or other business combination with respect to which the restructuring costs are associated took place after July 1, 1993.
