

Mr. MYERS of Indiana. Mr. Speaker, by unanimous consent, the gentleman can address the Committee for 5 minutes during which we will have a colloquy for that period of time and we will not object.

Mr. SKAGGS. Mr. Speaker, if the gentleman will yield, I believe the colloquy that was just had answered my question as well, because I was anticipating a colloquy with the chairman.

Mr. MYERS of Indiana. Mr. Speaker, will the gentleman yield under this reservation?

Mr. BROWN of California. Further reserving the right to object, Mr. Speaker, I yield to the gentleman from Indiana.

Mr. MYERS of Indiana. Mr. Speaker, I would say to the gentleman that I think we have taken care of all those. We have an understanding that there are some of these in controversy or in misunderstanding which require further consideration and we will have a dialog and a colloquy and we will yield for that purpose and there will no objection.

We would like to hold that to a minimum, however, I must say to each of the gentlemen. I hope we hold it to just 5 minutes, because we want to expedite this and get finished tonight. Here in Washington it is 6:30 and we hope we can finish by no later than 11, give or take an hour.

Mr. BROWN of California. Mr. Speaker, I understand the problem and I will do my best to accede.

Mr. SKAGGS. Mr. Speaker, if the gentleman will yield further, I was expecting to be long-winded, but given what he has said, I will try to be succinct.

Mr. BROWN of California. Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Indiana?

There was no objection.

The SPEAKER pro tempore. The question is on the motion to instruct offered by the gentleman from Minnesota [Mr. SABO].

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.
