

laws governing lobbying disclosure since the Federal Regulation of Lobbying Act of 1946. This reform was necessary due to the Supreme Court's narrow construction of the 1946 Regulation of Lobbying Act in United States versus Harriss which effectively eviscerated that act. Last fall, this House passed this landmark legislation in identical form to the Senate-passed language. This action enabled the 104th Congress to send the bill directly to the President, thus passing the first meaningful lobbying disclosure legislation in over 40 years.

Section 2 of the bill would clarify the definition of a covered executive branch official under the act. Section 3 of the bill would add a clarification of the exception to a lobbying contact so that any communication compelled by a Federal contract, grant, loan, permit or license would not be considered a lobbying contact. Section 3 also would make plain that groups of governments acting together as international organizations would not be required to register under the Lobbying Disclosure Act. Section 4 of the bill would clarify what a "direct interest" is when a registrant has an affiliation with a foreign interest.

In addition, section 5 of the bill would clarify how estimates based on the tax reporting system can and should be used in relation to reporting lobbying expenses. This section also would provide that registrants engaging in executive branch lobbying and who make a section 15 election must use the Tax Code uniformly for all of their executive branch lobbying registration and reporting under the act.

Section 6 of the bill would make the reporting requirement of the act consistent with the registration requirement by eliminating the duplicative reporting requirement of maintaining a list of lobbyists for each general issue area under the act. This section would make uniform the registration requirement that the name of each employee of the registrant who acts as a lobbyist on behalf of a client be disclosed in a similar fashion in the registration's semiannual reports.

Moreover, section 7 of H.R. 3435 would clarify the original intent of the act by providing that anyone engaged in even a de minimis level of lobbying activities on behalf of a foreign commercial entity can register under the Lobbying Disclosure Act rather than the Foreign Agents Registration Act of 1938. This change would reaffirm the Congressional intent of requiring disclosure of foreign non-government representations under the Lobbying Disclosure Act and disclosure of foreign governmental representations under the Foreign Agents Registration Act.

Finally Mr. Speaker, section 8 of the bill would make a purely technical change to the Foreign Agents Registration Act by striking the term "political propaganda" and inserting in its place "informational materials." The changes made by section 8 would com-

plete the changes made to the terminology that were first made in the Lobbying Disclosure Act.

Mr. Speaker, I reserve the balance of my time.

Mr. SCOTT. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 3435. Last session, with strong bipartisan support, this Congress passed a major overhaul of the lobbying disclosure rules which require the reporting of meaningful and important information from registered lobbyists.

Since the passage of that measure, the Secretary of the Senate and the Clerk of the House have worked hard to provide the specific rules to implement this legislation. During the course of the promulgation of the rules, suggestions have been made to improve and in some cases strengthen the reporting requirements of the Lobbying Disclosure Act of 1995.

Further suggestions have been made to simplify what in this case may have been duplicative and burdensome requirements on some not-for-profit institutions.

Mr. Speaker, the technical amendments in today's bill reflect those improvements.

□ 1430

We have corrected unnecessary requirements, we have provided fairness for those whose lobbying efforts are negligible, and we have streamlined the duplicative reporting requirements.

The measure was passed out of the Committee on the Judiciary unanimously, and I urge its passage today under the suspension of the rules.

Mr. Speaker, I yield back the balance of my time.

Mr. HOKE. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore (Mr. CALVERT). The question is on the motion offered by the gentleman from Ohio [Mr. HOKE] that the House suspend the rules and pass the bill, H.R. 3435, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

GRANTING CONSENT OF CONGRESS TO JENNINGS RANDOLPH LAKE PROJECT

Mr. GEKAS. Mr. Speaker, I move to suspend the rules and pass the joint resolution (H.J. Res. 113) granting the consent of Congress to the compact to provide for joint natural resource management and enforcement of laws and regulations pertaining to natural resources and boating at the Jennings Randolph Lake project lying in Garrett County, MD, and Mineral County, WV, entered into between the States of West Virginia and Maryland.

The Clerk read as follows:

H.J. RES. 113

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. CONGRESSIONAL CONSENT.

The Congress hereby consents to the Jennings Randolph Lake Project Compact entered into between the States of West Virginia and Maryland which compact is substantially as follows:

"COMPACT

"Whereas the State of Maryland and the State of West Virginia, with the concurrence of the United States Department of the Army, Corps of Engineers, have approved and desire to enter into a compact to provide for joint natural resource management and enforcement of laws and regulations pertaining to natural resources and boating at the Jennings Randolph Lake Project lying in Garrett County, Maryland and Mineral County, West Virginia, for which they seek the approval of Congress, and which compact is as follows:

"Whereas the signatory parties hereto desire to provide for joint natural resource management and enforcement of laws and regulations pertaining to natural resources and boating at the Jennings Randolph Lake Project lying in Garrett County, Maryland and Mineral County, West Virginia, for which they have a joint responsibility; and they declare as follows:

"1. The Congress, under Public Law 87-874, authorized the development of the Jennings Randolph Lake Project for the North Branch of the Potomac River substantially in accordance with House Document Number 469, 87th Congress, 2nd Session for flood control, water supply, water quality, and recreation; and

"2. Section 4 of the Flood Control Act of 1944 (Ch 665, 58 Stat. 534) provides that the Chief of Engineers, under the supervision of the Secretary of War (now Secretary of the Army), is authorized to construct, maintain, and operate public park and recreational facilities in reservoir areas under control of such Secretary for the purpose of boating, swimming, bathing, fishing, and other recreational purposes, so long as the same is not inconsistent with the laws for the protection of fish and wildlife of the State(s) in which such area is situated; and

"3. Pursuant to the authorities cited above, the U.S. Army Engineer District (Baltimore), hereinafter 'District', did construct and now maintains and operates the Jennings Randolph Lake Project; and

"4. The National Environmental Policy Act of 1969 (P.L. 91-190) encourages productive and enjoyable harmony between man and his environment, promotes efforts which will stimulate the health and welfare of man, and encourages cooperation with State and local governments to achieve these ends; and

"5. The Fish and Wildlife Coordination Act (16 U.S.C. 661-666c) provides for the consideration and coordination with other features of water-resource development programs through the effectual and harmonious planning, development, maintenance, and coordination of wildlife conservation and rehabilitation; and

"6. The District has Fisheries and Wildlife Plans as part of the District's project Operational Management Plan; and

"7. In the respective States, the Maryland Department of Natural Resources (hereinafter referred to as 'Maryland DNR') and the West Virginia Division of Natural Resources (hereinafter referred to as 'West Virginia DNR') are responsible for providing a system of control, propagation, management, protection, and regulation of natural resources

and boating in Maryland and West Virginia and the enforcement of laws and regulations pertaining to those resources as provided in Annotated Code of Maryland Natural Resources Article and West Virginia Chapter 20, respectively, and the successors thereof; and

"8. The District, the Maryland DNR, and the West Virginia DNR are desirous of conserving, perpetuating and improving fish and wildlife resources and recreational benefits of the Jennings Randolph Lake Project; and

"9. The District and the States of Maryland and West Virginia wish to implement the aforesaid acts and responsibilities through this Compact and they each recognize that consistent enforcement of the natural resources and boating laws and regulations can best be achieved by entering this Compact:

"Now, therefore, be it *Resolved*, That the States of Maryland and West Virginia, with the concurrence of the United States Department of the Army, Corps of Engineers, hereby solemnly covenant and agree with each other, upon enactment of concurrent legislation by The Congress of the United States and by the respective state legislatures, to the Jennings Randolph Lake Project Compact, which consists of this preamble and the articles that follow:

"Article I—Name, Findings, and Purpose

"1.1 This compact shall be known and may be cited as the Jennings Randolph Lake Project Compact.

"1.2 The legislative bodies of the respective signatory parties, with the concurrence of the U.S. Army Corps of Engineers, hereby find and declare:

"1. The water resources and project lands of the Jennings Randolph Lake Project are affected with local, state, regional, and national interest, and the planning, conservation, utilization, protection and management of these resources, under appropriate arrangements for inter-governmental cooperation, are public purposes of the respective signatory parties.

"2. The lands and waters of the Jennings Randolph Lake Project are subject to the sovereign rights and responsibilities of the signatory parties, and it is the purpose of this compact that, notwithstanding any boundary between Maryland and West Virginia that preexisted the creation of Jennings Randolph Lake, the parties will have and exercise concurrent jurisdiction over any lands and waters of the Jennings Randolph Lake Project concerning natural resources and boating laws and regulations in the common interest of the people of the region.

"Article II—District Responsibilities

"The District, within the Jennings Randolph Lake Project,

"2.1 Acknowledges that the Maryland DNR and West Virginia DNR have authorities and responsibilities in the establishment, administration and enforcement of the natural resources and boating laws and regulations applicable to this project, provided that the laws and regulations promulgated by the States support and implement, where applicable, the intent of the Rules and Regulations Governing Public Use of Water Resources Development Projects administered by the Chief of Engineers in Title 36, Chapter RI, Part 327, Code of Federal Regulations.

"2.2 Agrees to practice those forms of resource management as determined jointly by the District, Maryland DNR and West Virginia DNR to be beneficial to natural resources and which will enhance public recreational opportunities compatible with other authorized purposes of the project,

"2.3 Agrees to consult with the Maryland DNR and West Virginia DNR prior to the is-

suance of any permits for activities or special events which would include, but not necessarily be limited to: fishing tournaments, training exercises, regattas, marine parades, placement of ski ramps, slalom water ski courses and the establishment of private markers and/or lighting. All such permits issued by the District will require the permittee to comply with all State laws and regulations,

"2.4 Agrees to consult with the Maryland DNR and West Virginia DNR regarding any recommendations for regulations affecting natural resources, including, but not limited to, hunting, trapping, fishing or boating at the Jennings Randolph Lake Project which the District believes might be desirable for reasons of public safety, administration of public use and enjoyment,

"2.5 Agrees to consult with the Maryland DNR and West Virginia DNR relative to the marking of the lake with buoys, aids to navigation, regulatory markers and establishing and posting of speed limits, no wake zones, restricted or other control areas and to provide, install and maintain such buoys, aids to navigation and regulatory markers as are necessary for the implementation of the District's Operational Management Plan. All buoys, aids to navigation and regulatory markers to be used shall be marked in conformance with the Uniform State Waterway Marking System,

"2.6 Agrees to allow hunting, trapping, boating and fishing by the public in accordance with the laws and regulations relating to the Jennings Randolph Lake Project,

"2.7 Agrees to provide, install and maintain public ramps, parking areas, courtesy docks, etc., as provided for by the approved Corps of Engineers Master Plan, and

"2.8 Agrees to notify the Maryland DNR and the West Virginia DNR of each reservoir drawdown prior thereto excepting drawdown for the reestablishment of normal lake levels following flood control operations and drawdown resulting from routine water control management operations described in the reservoir regulation manual including releases requested by water supply owners and normal water quality releases. In case of emergency releases or emergency flow curtailments, telephone or oral notification will be provided. The District reserves the right, following issuance of the above notice, to make operational and other tests which may be necessary to insure the safe and efficient operation of the dam, for inspection and maintenance purposes, and for the gathering of water quality data both within the impoundment and in the Potomac River downstream from the dam.

"Article III—State Responsibilities

"The State of Maryland and the State of West Virginia agree:

"3.1 That each State will have and exercise concurrent jurisdiction with the District and the other State for the purpose of enforcing the civil and criminal laws of the respective States pertaining to natural resources and boating laws and regulations over any lands and waters of the Jennings Randolph Lake Project;

"3.2 That existing natural resources and boating laws and regulations already in effect in each State shall remain in force on the Jennings Randolph Lake Project until either State amends, modifies or rescinds its laws and regulations;

"3.3 That the Agreement for Fishing Privileges dated June 24, 1985 between the State of Maryland and the State of West Virginia, as amended, remains in full force and effect;

"3.4 To enforce the natural resources and boating laws and regulations applicable to the Jennings Randolph Lake Project;

"3.5 To supply the District with the name, address and telephone number of the

person(s) to be contacted when any drawdown except those resulting from normal regulation procedures occurs;

"3.6 To inform the Reservoir Manager of all emergencies or unusual activities occurring on the Jennings Randolph Lake Project;

"3.7 To provide training to District employees in order to familiarize them with natural resources and boating laws and regulations as they apply to the Jennings Randolph Lake Project; and

"3.8 To recognize that the District and other Federal Agencies have the right and responsibility to enforce, within the boundaries of the Jennings Randolph Lake Project, all applicable Federal laws, rules and regulations so as to provide the public with safe and healthful recreational opportunities and to provide protection to all federal property within the project.

"Article IV—Mutual Cooperation

"4.1 Pursuant to the aims and purposes of this Compact, the State of Maryland, the State of West Virginia and the District mutually agree that representatives of their natural resource management and enforcement agencies will cooperate to further the purposes of this Compact. This cooperation includes, but is not limited to, the following:

"4.2 Meeting jointly at least once annually, and providing for other meetings as deemed necessary for discussion of matters relating to the management of natural resources and visitor use on lands and waters within the Jennings Randolph Lake Project;

"4.3 Evaluating natural resources and boating, to develop natural resources and boating management plans and to initiate and carry out management programs;

"4.4 Encouraging the dissemination of joint publications, press releases or other public information and the interchange between parties of all pertinent agency policies and objectives for the use and perpetuation of natural resources of the Jennings Randolph Lake Project; and

"4.5 Entering into working arrangements as occasion demands for the use of lands, waters, construction and use of buildings and other facilities at the project.

"Article V—General Provisions

"5.1 Each and every provision of this Compact is subject to the laws of the States of Maryland and West Virginia and the laws of the United States, and the delegated authority in each instance.

"5.2 The enforcement and applicability of natural resources and boating laws and regulations referenced in this Compact shall be limited to the lands and waters of the Jennings Randolph Lake Project, including but not limited to the prevailing reciprocal fishing laws and regulations between the States of Maryland and West Virginia.

"5.3 Nothing in this Compact shall be construed as obligating any party hereto to the expenditure of funds or the future payment of money in excess of appropriations authorized by law.

"5.4 The provisions of this Compact shall be severable, and if any phrase, clause, sentence or provision of the Jennings Randolph Lake Project Compact is declared to be unconstitutional or inapplicable to any signatory party or agency of any party, the constitutionality and applicability of the Compact shall not be otherwise affected as to any provision, party, or agency. It is the legislative intent that the provisions of the Compact be reasonably and liberally construed to effectuate the stated purposes of the Compact.

"5.5 No member of or delegate to Congress, or signatory shall be admitted to any share or part of this Compact, or to any benefit that may arise therefrom; but this provision shall not be construed to extend to this

agreement if made with a corporation for its general benefit.

"5.6 When this Compact has been ratified by the legislature of each respective State, when the Governor of West Virginia and the Governor of Maryland have executed this Compact on behalf of their respective States and have caused a verified copy thereof to be filed with the Secretary of State of each respective State, when the Baltimore District of the U.S. Army Corps of Engineers has executed its concurrence with this Compact, and when this Compact has been consented to by the Congress of the United States, then this Compact shall become operative and effective.

"5.7 Either State may, by legislative act, after one year's written notice to the other, withdraw from this Compact. The U.S. Army Corps of Engineers may withdraw its concurrence with this Compact upon one year's written notice from the Baltimore District Engineer to the Governor of each State.

"5.8 This Compact may be amended from time to time. Each proposed amendment shall be presented in resolution form to the Governor of each State and the Baltimore District Engineer of the U.S. Army Corps of Engineers. An amendment to this Compact shall become effective only after it has been ratified by the legislatures of both signatory States and concurred in by the U.S. Army Corps of Engineers, Baltimore District. Amendments shall become effective thirty days after the date of the last concurrence or ratification."

SEC. 2. The right to alter, amend or repeal this joint resolution is hereby expressly reserved. The consent granted by this joint resolution shall not be construed as impairing or in any manner affecting any right or jurisdiction of the United States in and over the region which forms the subject of the compact.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Pennsylvania [Mr. GEKAS] and the gentleman from Virginia [Mr. SCOTT] each will control 20 minutes.

The Chair recognizes the gentleman from Pennsylvania [Mr. GEKAS].

Mr. GEKAS. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of this resolution, which passed the Committee on the Judiciary by a vote of 25 to 0.

This is a compact, Mr. Speaker, and we have learned rather continuously during our service in Congress that many times when one State wants to enter into an agreement with another or with more than one other, that that immediately engages the Constitution of the United States because any agreement that is reached between two or more States has to be, in effect, ratified by the Congress of the United States.

This particular compact which we discuss here today is one entered into between West Virginia and Maryland, and it has to do with the lake project, the Jennings Randolph Lake project, which lies in Garrett County, MD, and Mineral County, WV.

Mr. Speaker, the lake that is extant in this region between the two States at one time contained, and still does, the unseen invisible border line between the two States. So one can see that if any one of the States want to do anything with the lake or the other,

then a question arises which side of the border in the middle of the lake, where does West Virginia begin and Maryland end, et cetera?

Well, they worked out a wonderful agreement in order to correct mine drainage problems and improve waste treatment and municipal and industrial point sources, and the border line in the middle of the lake has become moot because of a contract, and now we here in the Congress are ready to concur in their agreement.

So all these civil and criminal laws of the respective States concerning natural resources and boating, consideration of other factors, all of that will be wrapped up in the agreement which we ratify here today.

I urge adoption of this resolution.

Mr. Speaker, I reserve the balance of my time.

Mr. SCOTT. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, House Joint Resolution 113, introduced by the gentleman from West Virginia [Mr. MOLLOHAN] and the gentleman from Maryland [Mr. BARTLETT] would grant the consent of Congress to a compact between the States of Maryland and West Virginia providing for joint natural resource management and law enforcement at Jennings Randolph Lake. The lake was created out of a branch of the Potomac River on the border of the two States by a U.S. Army Corps of Engineers project, and, according to testimony received by the Committee on the Judiciary, the lack of a clear boundary has hampered policing and resource management efforts, and the need for this type of cooperation between the States is particularly acute during the peak summer months.

The other body, Mr. Speaker, approved a companion measure by unanimous consent.

I know of no opposition to this measure and urge its adoption by the House.

Mr. Speaker, I yield back the balance of my time.

Mr. GEKAS. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Pennsylvania [Mr. GEKAS] that the House suspend the rules and pass the joint resolution, House Joint Resolution 113.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the joint resolution was passed.

A motion to reconsider was laid on the table.

Mr. GEKAS. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the Senate joint resolution (S.J. Res. 20) granting the consent of Congress to the compact to provide for joint natural resource management and enforcement of laws and regulations pertaining to natural resources and boating at the Jennings Randolph Lake Project lying in Garrett County, Maryland and Mineral County, West Virginia, entered into between the

States of West Virginia and Maryland, and ask for its immediate consideration in the House.

The Clerk read the title of the Senate joint resolution.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Pennsylvania?

There was no objection.

The text of the Senate joint resolution is as follows:

S.J. RES. 20

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. CONGRESSIONAL CONSENT.

The Congress hereby consents to the Jennings Randolph Lake Project Compact entered into between the States of West Virginia and Maryland which compact is substantially as follows:

"COMPACT

"Whereas the State of Maryland and the State of West Virginia, with the concurrence of the United States Department of the Army, Corps of Engineers, have approved and desire to enter into a compact to provide for joint natural resource management and enforcement of laws and regulations pertaining to natural resources and boating at the Jennings Randolph Lake Project lying in Garrett County, Maryland and Mineral County, West Virginia, for which they seek the approval of Congress, and which compact is as follows:

"Whereas the signatory parties hereto desire to provide for joint natural resource management and enforcement of laws and regulations pertaining to natural resources and boating at the Jennings Randolph Lake Project lying in Garrett County, Maryland and Mineral County, West Virginia, for which they have a joint responsibility; and they declare as follows:

"1. The Congress, under Public Law 87-874, authorized the development of the Jennings Randolph Lake Project for the North Branch of the Potomac River substantially in accordance with House Document Number 469, 87th Congress, 2nd Session for flood control, water supply, water quality, and recreation; and

"2. Section 4 of the Flood Control Act of 1944 (Ch 665, 58 Stat. 534) provides that the Chief of Engineers, under the supervision of the Secretary of War (now Secretary of the Army), is authorized to construct, maintain and operate public park and recreational facilities in reservoir areas under control of such Secretary for the purpose of boating, swimming, bathing, fishing, and other recreational purposes, so long as the same is not inconsistent with the laws for the protection of fish and wildlife of the State(s) in which such area is situated; and

"3. Pursuant to the authorities cited above, the U.S. Army Engineer District (Baltimore), hereinafter 'District', did construct and now maintains and operates the Jennings Randolph Lake Project; and

"4. The National Environmental Policy Act of 1969 (P.L. 91-190) encourages productive and enjoyable harmony between man and his environment, promotes efforts which will stimulate the health and welfare of man, and encourages cooperation with State and local governments to achieve these ends; and

"5. The Fish and Wildlife Coordination Act (16 U.S.C. 661-666c) provides for the consideration and coordination with other features of water-resource development programs through the effectual and harmonious planning, development, maintenance, and coordination of wildlife conservation and rehabilitation; and

"6. The District has Fisheries and Wildlife Plans as part of the District's project Operational Management Plan; and

"7. In the respective States, the Maryland Department of Natural Resources (hereinafter referred to as 'Maryland DNR') and the West Virginia Division of Natural Resources (hereinafter referred to as 'West Virginia DNR') are responsible for providing a system of control, propagation, management, protection, and regulation of natural resources and boating in Maryland and West Virginia and the enforcement of laws and regulations pertaining to those resources as provided in Annotated Code of Maryland Natural Resources Article and West Virginia Chapter 20, respectively, and the successors thereof; and

"8. The District, the Maryland DNR, and the West Virginia DNR are desirous of conserving, perpetuating and improving fish and wildlife resources and recreational benefits of the Jennings Randolph Lake Project; and

"9. The District and the States of Maryland and West Virginia wish to implement the aforesaid acts and responsibilities through this Compact and they each recognize that consistent enforcement of the natural resources and boating laws and regulations can best be achieved by entering this Compact:

"Now, therefore, be it *Resolved*, That the States of Maryland and West Virginia, with the concurrence of the United States Department of the Army, Corps of Engineers, hereby solemnly covenant and agree with each other, upon enactment of concurrent legislation by The Congress of the United States and by the respective state legislatures, to the Jennings Randolph Lake Project Compact, which consists of this preamble and the articles that follow:

"Article I—Name, Findings, and Purpose

"1.1 This compact shall be known and may be cited as the Jennings Randolph Lake Project Compact.

"1.2 The legislative bodies of the respective signatory parties, with the concurrence of the U.S. Army Corps of Engineers, hereby find and declare:

"1. The water resources and project lands of the Jennings Randolph Lake Project are affected with local, state, regional, and national interest, and the planning, conservation, utilization, protection and management of these resources, under appropriate arrangements for inter-governmental cooperation, are public purposes of the respective signatory parties.

"2. The lands and waters of the Jennings Randolph Lake Project are subject to the sovereign rights and responsibilities of the signatory parties, and it is the purpose of this compact that, notwithstanding any boundary between Maryland and West Virginia that preexisted the creation of Jennings Randolph Lake, the parties will have and exercise concurrent jurisdiction over any lands and waters of the Jennings Randolph Lake Project concerning natural resources and boating laws and regulations in the common interest of the people of the region.

"Article II—District Responsibilities

"The District, within the Jennings Randolph Lake Project,

"2.1 Acknowledges that the Maryland DNR and West Virginia DNR have authorities and responsibilities in the establishment, administration and enforcement of the natural resources and boating laws and regulations applicable to this project, provided that the laws and regulations promulgated by the States support and implement, where applicable, the intent of the Rules and Regulations Governing Public Use of Water Resources Development Projects administered

by the Chief of Engineers in Title 36, Chapter RI, Part 327, Code of Federal Regulations,

"2.2 Agrees to practice those forms of resource management as determined jointly by the District, Maryland DNR and West Virginia DNR to be beneficial to natural resources and which will enhance public recreational opportunities compatible with other authorized purposes of the project,

"2.3 Agrees to consult with the Maryland DNR and West Virginia DNR prior to the issuance of any permits for activities or special events which would include, but not necessarily be limited to: fishing tournaments, training exercises, regattas, marine parades, placement of ski ramps, slalom water ski courses and the establishment of private markers and/or lighting. All such permits issued by the District will require the permittee to comply with all State laws and regulations,

"2.4 Agrees to consult with the Maryland DNR and West Virginia DNR regarding any recommendations for regulations affecting natural resources, including, but not limited to, hunting, trapping, fishing or boating at the Jennings Randolph Lake Project which the District believes might be desirable for reasons of public safety, administration of public use and enjoyment,

"2.5 Agrees to consult with the Maryland DNR and West Virginia DNR relative to the marking of the lake with buoys, aids to navigation, regulatory markers and establishing and posting of speed limits, no wake zones, restricted or other control areas and to provide, install and maintain such buoys, aids to navigation and regulatory markers as are necessary for the implementation of the District's Operational Management Plan. All buoys, aids to navigation and regulatory markers to be used shall be marked in conformance with the Uniform State Waterway Marking System,

"2.6 Agrees to allow hunting, trapping, boating and fishing by the public in accordance with the laws and regulations relating to the Jennings Randolph Lake Project,

"2.7 Agrees to provide, install and maintain public ramps, parking areas, courtesy docks, etc., as provided for by the approved Corps of Engineers Master Plan, and

"2.8 Agrees to notify the Maryland DNR and the West Virginia DNR of each reservoir drawdown prior thereto excepting drawdown for the reestablishment of normal lake levels following flood control operations and drawdown resulting from routine water control management operations described in the reservoir regulation manual including releases requested by water supply owners and normal water quality releases. In case of emergency releases or emergency flow curtailments, telephone or oral notification will be provided. The District reserves the right, following issuance of the above notice, to make operational and other tests which may be necessary to insure the safe and efficient operation of the dam, for inspection and maintenance purposes, and for the gathering of water quality data both within the impoundment and in the Potomac River downstream from the dam.

"Article III—State Responsibilities

"The State of Maryland and the State of West Virginia agree:

"3.1 That each State will have and exercise concurrent jurisdiction with the District and the other State for the purpose of enforcing the civil and criminal laws of the respective States pertaining to natural resources and boating laws and regulations over any lands and waters of the Jennings Randolph Lake Project;

"3.2 That existing natural resources and boating laws and regulations already in effect in each State shall remain in force on

the Jennings Randolph Lake Project until either State amends, modifies or rescinds its laws and regulations;

"3.3 That the Agreement for Fishing Privileges dated June 24, 1985 between the State of Maryland and the State of West Virginia, as amended, remains in full force and effect;

"3.4 To enforce the natural resources and boating laws and regulations applicable to the Jennings Randolph Lake Project;

"3.5 To supply the District with the name, address and telephone number of the person(s) to be contacted when any drawdown except those resulting from normal regulation procedures occurs;

"3.6 To inform the Reservoir Manager of all emergencies or unusual activities occurring on the Jennings Randolph Lake Project;

"3.7 To provide training to District employees in order to familiarize them with natural resources and boating laws and regulations as they apply to the Jennings Randolph Lake Project; and

"3.8 To recognize that the District and other Federal Agencies have the right and responsibility to enforce, within the boundaries of the Jennings Randolph Lake Project, all applicable Federal laws, rules and regulations so as to provide the public with safe and healthful recreational opportunities and to provide protection to all federal property within the project.

"Article IV—Mutual Cooperation

"4.1 Pursuant to the aims and purposes of this Compact, the State of Maryland, the State of West Virginia and the District mutually agree that representatives of their natural resource management and enforcement agencies will cooperate to further the purposes of this Compact. This cooperation includes, but is not limited to, the following:

"4.2 Meeting jointly at least once annually, and providing for other meetings as deemed necessary for discussion of matters relating to the management of natural resources and visitor use on lands and waters within the Jennings Randolph Lake Project;

"4.3 Evaluating natural resources and boating, to develop natural resources and boating management plans and to initiate and carry out management programs;

"4.4 Encouraging the dissemination of joint publications, press releases or other public information and the interchange between parties of all pertinent agency policies and objectives for the use and perpetuation of natural resources of the Jennings Randolph Lake Project; and

"4.5 Entering into working arrangements as occasion demands for the use of lands, waters, construction and use of buildings and other facilities at the project.

"Article V—General Provisions

"5.1 Each and every provision of this Compact is subject to the laws of the States of Maryland and West Virginia and the laws of the United States, and the delegated authority in each instance.

"5.2 The enforcement and applicability of natural resources and boating laws and regulations referenced in this Compact shall be limited to the lands and waters of the Jennings Randolph Lake Project, including but not limited to the prevailing reciprocal fishing laws and regulations between the States of Maryland and West Virginia.

"5.3 Nothing in this Compact shall be construed as obligating any party hereto to the expenditure of funds or the future payment of money in excess of appropriations authorized by law.

"5.4 The provisions of this Compact shall be severable, and if any phrase, clause, sentence or provision of the Jennings Randolph Lake Project Compact is declared to be unconstitutional or inapplicable to any signatory party or agency of any party, the constitutionality and applicability of the Compact shall not be otherwise affected as to any

provision, party, or agency. It is the legislative intent that the provisions of the Compact be reasonably and liberally construed to effectuate the stated purposes of the Compact.

"5.5 No member of or delegate to Congress, or signatory shall be admitted to any share or part of this Compact, or to any benefit that may arise therefrom; but this provision shall not be construed to extend to this agreement if made with a corporation for its general benefit.

"5.6 When this Compact has been ratified by the legislature of each respective State, when the Governor of West Virginia and the Governor of Maryland have executed this Compact on behalf of their respective States and have caused a verified copy thereof to be filed with the Secretary of State of each respective State, when the Baltimore District of the U.S. Army Corps of Engineers has executed its concurrence with this Compact, and when this Compact has been consented to by the Congress of the United States, then this Compact shall become operative and effective.

"5.7 Either State may, by legislative act, after one year's written notice to the other, withdraw from this Compact. The U.S. Army Corps of Engineers may withdraw its concurrence with this Compact upon one year's written notice from the Baltimore District Engineer to the Governor of each State.

"5.8 This Compact may be amended from time to time. Each proposed amendment shall be presented in resolution form to the Governor of each State and the Baltimore District Engineer of the U.S. Army Corps of Engineers. An amendment to this Compact shall become effective only after it has been ratified by the legislatures of both signatory States and concurred in by the U.S. Army Corps of Engineers, Baltimore District. Amendments shall become effective thirty days after the date of the last concurrence or ratification."

SEC. 2. The right to alter, amend or repeal this joint resolution is hereby expressly reserved. The consent granted by this joint resolution shall not be construed as impairing or in any manner affecting any right or jurisdiction of the United States in and over the region which forms the subject of the compact.

The Senate joint resolution was ordered to be read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

A similar House joint resolution (H.J. Res. 113) was laid on the table.

GRANTING CONSENT OF CONGRESS TO MUTUAL AID AGREEMENT BETWEEN BRISTOL, VA, AND BRISTOL, TN

Mr. GEKAS. Mr. Speaker, I move to suspend the rules and pass the joint resolution (H.J. Res. 166) granting the consent of Congress to the mutual aid agreement between the city of Bristol, VA, and the city of Bristol, TN.

The Clerk read as follows:

H.J. RES. 166

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. CONGRESSIONAL CONSENT.

The Congress consents to the Mutual Aid Agreement entered into between the city of Bristol, Virginia, and the city of Bristol, Tennessee. The agreement reads as follows:

"THIS MUTUAL AID AGREEMENT, made and entered into by and between the CITY

OF BRISTOL VIRGINIA, a municipality incorporated under the laws of the Commonwealth of Virginia (hereinafter 'Bristol Virginia'); and the CITY OF BRISTOL TENNESSEE, a municipality incorporated under the laws of the State of Tennessee (hereinafter 'Bristol Tennessee').

"WITNESSETH:

"WHEREAS, Section 15.1-131 of the Code of Virginia and Sections 6-54-307 and 12-9-101 et seq. of the Tennessee Code Annotated authorize Bristol Virginia and Bristol Tennessee to enter into an agreement providing for mutual law enforcement assistance;

"WHEREAS, the two cities desire to avail themselves of the authority conferred by these respective laws;

"WHEREAS, it is the intention of the two cities to enter into mutual assistance commitments with a pre-determined plan by which each city might render aid to the other in case of need, or in case of an emergency which demands law enforcement services to a degree beyond the existing capabilities of either city; and,

"WHEREAS, it is in the public interest of each city to enter into an agreement for mutual assistance in law enforcement to assure adequate protection for each city.

"NOW, THEREFORE, for and in consideration of the mutual promises and the benefits to be derived therefrom, the City of Bristol Virginia and the City of Bristol Tennessee agree as follows:

"1. Each city will respond to calls for law enforcement assistance by the other city only upon request for such assistance made by the senior law enforcement officer on duty for the requesting city, or his designee, in accordance with the terms of this Agreement. All requests for law enforcement assistance shall be directed to the senior law enforcement officer on duty for the city from which aid is requested.

"2. Upon request for law enforcement assistance as provided in Paragraph 1, the senior law enforcement officer on duty in the responding city will authorize a response as follows:

"a. The responding city will attempt to provide at least the following personnel and equipment in response to the request:

"(1) A minimum response of one vehicle and one person.

"(2) A maximum response of fifty percent (50%) of available personnel and resources.

"b. The response will be determined by the severity of the circumstances in the requesting city which prompted such request as determined by the senior law enforcement officer on duty in the responding city after discussion with the senior law enforcement officer on duty in the requesting city. Any decision reached by such senior officer of the responding city as to such response shall be final.

"c. If an emergency exists in the responding city at the time the request is made, or if such an emergency occurs during the course of responding to a request under this Agreement, and if the senior law enforcement officer on duty in the responding city reasonably determines, after a consideration of the severity of the emergency in his jurisdiction, that the responding city cannot comply with the minimal requirements under this Agreement without endangering life or incurring significant property damage in his city, or both, he may choose to use all equipment and personnel in his own jurisdiction. In such event, such officer of the responding city shall immediately attempt to inform the senior law enforcement officer on duty in the requesting city of his decision.

"3. The city which requests mutual aid under this Agreement shall not be deemed liable or responsible for the equipment and

other personal property of personnel of the responding city which might be lost, stolen or damaged during the course of responding under the terms of this Agreement.

"4. The city responding to a request for mutual aid under this Agreement assumes all liabilities and responsibility as between the two cities for damage to its own equipment and other personal property. The responding city also assumes all liability and responsibility, as between the two cities, for any damage caused by its own equipment and/or the negligence of its personnel occurring outside the jurisdiction of the requesting city while en route thereto pursuant to a request for assistance under this Agreement, or while returning therefrom.

"5. The city responding under this Agreement assumes no responsibility or liability for damage to property or injury to any person that may occur due to actions taken in responding under this Agreement; all such liability and responsibility shall rest solely with the city requesting such aid and within which boundaries the property exists or the incident occurs, and the requesting party hereby assumes all of such liability and responsibility.

"6. Each city hereby waives any and all claims against the other city which may arise out of their activities in the other city's jurisdiction under this Agreement. To the extent permitted by law, the city requesting assistance under this Agreement shall indemnify and hold harmless the responding city (and its officers, agents and employees) from any and all claims by third parties for property damage or personal injury which may arise out of the activities of the responding city within the jurisdiction of the requesting city under this Agreement.

"7. The city responding to a request for assistance under this Agreement assumes no responsibility or liability for damage to property or injury to any person that may occur within the jurisdiction of the requesting city due to actions taken in responding under this Agreement. In accordance with Section 15.1-131 of the Code of Virginia and Section 29-20-107(f) of the Tennessee Code Annotated, all personnel of the responding city shall, during such time as they providing assistance in the requesting city under this Agreement, be deemed to be employees of the requesting city for tort liability purposes.

"8. No compensation will be due or paid by either city for mutual aid law enforcement assistance rendered under this Agreement.

"9. Except as provided in Paragraph 7 of this Agreement, neither city will make any claim for compensation against the other city for any loss, damage or personal injury which may occur as a result of law enforcement assistance rendered under this Agreement, and all such rights or claims are hereby expressly waived.

"10. When law enforcement assistance is rendered under this Agreement, the senior law enforcement officer on duty in the requesting city shall in all instances be in command as to strategy, tactics and overall direction of the operations. All orders or directions regarding the operations of the responding party shall be relayed to the senior law enforcement officer in command of the responding city.

"11. Either city may terminate this Agreement upon sixty (60) days' written notice to the other city.

"12. This Agreement shall take effect upon its execution by the Mayor and Chief of Police for each city after approval of the City Council of each city, and upon its approval by the Congress of the United States as provided in Section 15.1-131 of the Code of Virginia. Each city will promptly submit this Agreement to its respective Congressman
