PROCEEDINGS AND DEBATES OF THE 104<sup>th</sup> CONGRESS, SECOND SESSION

Vol. 142

WASHINGTON, WEDNESDAY, JULY 31, 1996

No. 115

## House of Representatives

The House met at 10 a.m. and was called to order by the Speaker pro tempore [Mr. HEFLEY].

### DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,  
July 31, 1996.

I hereby designate the Honorable JOEL HEFLEY to act as Speaker pro tempore on this day.

NEWT GINGRICH,  
*Speaker of the House of Representatives.*

### PRAYER

The Chaplain, Rev. James David Ford, D.D., offered the following prayer:

As the rain waters the grass and the crops bring forth their fruit, and the light of the Sun makes clear the path and Your Spirit, O God, flows from on high, so nourish our spirits and make clear our path this day. Without Your light, O gracious God, and without the nurture of Your abiding presence, how will we know the way and the truth. So we pray, O God, that Your blessings will abound in our hearts and minds and spirits that we will be Your people and do those good things that honor You and serve people in their need. This is our earnest prayer. Amen.

## MESSAGE FROM THE SENATE

A message from the Senate by Mr. Lundregan, one of its clerks, announced that the Senate had passed without amendment a bill of the House of the following title:

H.R. 3816. An act making appropriations for energy and water development for the fiscal year ending September 30, 1997, and for other purposes.

The message also announced that the Senate insists upon its amendment to the bill (H.R. 3816) "An act making appropriations for energy and water development for the fiscal year ending September 30, 1997, and for other purposes," requests a conference with the House on the disagreeing votes of the two Houses thereon, and appoints Mr. DOMENICI, Mr. HATFIELD, Mr. COCHRAN, Mr. GORTON, Mr. McCONNELL, Mr. BENNETT, Mr. BURNS, Mr. JOHNSTON, Mr. BYRD, Mr. HOLLINGS, Mr. REID, Mr. KERREY, and Mrs. MURRAY to be conferees on the part of the Senate.

## ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. The Chair will entertain fifteen 1-minutes per side.

## REFORM WELFARE NOW

(Mr. CHABOT asked and was given permission to address the House for 1 minute.)

Mr. CHABOT. Mr. Speaker, in 1992, Bill Clinton portrayed himself as a new Democrat. One of the things that was supposed to set him apart from the old Democrats was the belief shared by many people of goodwill that the welfare system was a mess, that it was broken and needed to be fixed.

After two vetoes, we are now told that Bill Clinton may finally be prepared to sign a welfare reform package. If that is true, it is a very positive development. America needs, no, Americans demand serious, genuine welfare reform, and I frankly do not care who gets the credit. I do not care if it is the Republican Party or the new Democrats or the old Democrats or the blue dogs or the yellow dogs or the man on the moon. That part of it does not matter and does not change the fact that we desperately need to change welfare

so that it honors family and it honors work. Mr. Speaker, reforming welfare is the right thing to do, it is the commonsense thing to do, and I say let us get it done now, no matter who gets credit for it.

## COMMEMORATING THE F-111

(Mr. PETE GEREN of Texas asked and was given permission to address the House for 1 minute.)

Mr. PETE GEREN of Texas. Mr. Speaker, I rise to commemorate the end of an era in U.S. aviation history. This past weekend at a ceremony in Fort Worth, TX, the F-111 was retired and officially named the "Aardvark," the nickname given it by the pilots that flew it. This ceremony commemorated the accomplishments of this great aircraft from its first flight in 1964 to its honorable service in the gulf war and its revolutionary impact on military aviation technology around the world.

The F-111 served this Nation in the war in Vietnam, the bombing of terrorist targets in Libya, and during Operation Desert Storm. In November 1966, the F-111 set a record for the longest low-level supersonic flight, and it was the first tactical aircraft to fly across the Atlantic Ocean without refueling.

Additionally, the F-111 was the first plane equipped with swing wing technology that allowed it to take off and land on a short 2,000-foot runway while still being able to reach supersonic speeds at a variety of altitudes with wings swept back.

Mr. Speaker and my colleagues, join me in celebrating the men and women who built this great aircraft, a bird that served our Nation and the free world for over 30 years and now takes its place among other great Texas built military aircraft like the B-24 Liberator and the B-58 Hustler.

## PRESIDENT SHOULD SIGN WELFARE REFORM BILL

(Mr. CHRYSLER asked and was given permission to address the House for 1 minute.)

Mr. CHRYSLER. Mr. Speaker, welfare cases in Michigan are down significantly, but more importantly, parents are working to provide for their own families in setting examples for their children to follow. Currently the State of Michigan is waiting on 76 additional waivers from the President to fully implement their welfare plan.

The enactment of the Personal Responsibility and Work Opportunity Act would largely end the need for these waivers and allow Michigan to proceed with their reforms, truly helping the disabled and the people that need our help in restoring the basic human dignity and pride that comes from bringing home a paycheck and providing care for your family.

However, if the President fails to approve these reforms for the third time, it is the children who will suffer and
