S. 2067. A bill to extend certain Medicare community nursing organization demonstration projects; to the Committee on Finance.

COMMUNITY NURSING ORGANIZATIONS LEGISLATION

Mr. D'AMATO. Mr. President, I introduce legislation which will permit a three-year reauthorization of certain Medicare Community Nursing Organization [CNO] demonstration projects within the Health Care Financing Administration [HCFA].

In 1987, in response to the Omnibus Budget Reconciliation Act of 1987, Congress authorized the Community Nursing Organization demonstration projects to test capitated payment under the Medicare Program for community nursing and ambulatory care services furnished to beneficiaries. The demonstration projects are structured to answer two questions: First, is it feasible to have a capitated, case-managed, nurse service delivery model for home health and ambulatory care; and second, What is the impact on enrollees, providers, and the larger health care system?

These CNO programs are intended to reduce the breakup in the delivery of health care services, to reduce the use of costly emergency care services, and to improve the continuity of home health and ambulatory care for Medicare beneficiaries. CNO's are responsible with providing home health care, case management, outpatient physical and speech therapy, ambulance services, prosthetic devices, durable medical equipment, and any optional, HCFA-approved services appropriate to prevent the need to institutionalize Medicare enrollees.

HCFA awarded four CNO sites in September 1992 through the competitive procurement process: First, Visiting Nurse Service in New York, NY—a not-for-profit Medicare certified home health agency; second, Carle Clinic in Mahomet, IL—a multispecialty group practice; third, Carondelet Health Care in Tuscon, AZ—a hospital-based organization; and fourth, Living at Home/Block Nurse Program in St. Paul, MN—a not-for-profit nursing organization replicating the Block Nurse Program model. These CNO's operate under full financial risk to themselves and are financially responsible for the provision of all mandatory community nursing and ambulatory care services available to Medicare enrollees.

Mr. President, these CNO projects are consistent with congressional efforts to
