

The focus of this resolution is on that extradition, and why those conditions should be waived by the Brazilian Government to see that justice is fully served. You see, Mr. President, under the extradition treaty we have with Brazil, criminal suspects may only be extradited to face charges for crimes that exist in both countries. In Brazil, murder as a result of arson is not a crime. It is in the United States.

Martin Pang's pretrial hearing is scheduled for October 8, 1996. Under the conditions of our extradition treaty, the Brazilian Supreme Court ruled that Pang could be returned to the States to face arson charges only. Murder, a crime of which he has been accused and which he should stand trial for, is not an option. There is recourse, however. The United States Government believes that under our extradition treaty, the executive branch of Brazil has the authority to consent to the prosecution of Martin Pang on felony murder charges, despite the Brazilian Supreme Court's ruling. By doing so in this case, Brazil would give its consent for the United States to try Pang on all of the charges which have been brought against him.

This resolution sends a strong message to the Brazilian Government. Four firefighters died doing their job honorably. It is no less our responsibility to see that the accused be tried for the full scope of his crime.

AMENDMENT NO. 5403

The PRESIDING OFFICER. The clerk will report.

The legislative clerk read as follows:

The Senator from Iowa [Mr. GRASSLEY], for Mr. PRESSLER, proposes an amendment numbered 5403.

Mr. GRASSLEY. Mr. President, I ask unanimous consent that reading of the amendment be dispensed with.

The PRESIDING OFFICER. Without objection, it is so ordered.

The amendment is as follows:

On page 2, line 8, strike "nonprofit" and insert "not for profit".

On page 2, line 10, after the period insert the following: "The Foundation shall be established as an organization described in section 501(c)(3) of the Internal Revenue Code of 1986 and shall be presumed, for purposes of such Code, to be such an organization until the Secretary of the Treasury determines that the Foundation does not meet the requirements applicable to such an organization. Section 508(a) of such Code does not apply to the Foundation."

On page 5, line 8, after the period, insert the following: "The three members appointed by the Secretary shall include the representative of the United States Olympic Committee."

On page 5, line 21, after the period insert the following: "The Chairman of the President's Council on Physical Fitness shall

serve as Chairperson until a Chairperson is elected by the Board.”.

On page 12, line 4, strike “contributions,” and insert “contributions.”.

Mr. PRESSLER. Mr. President, I am pleased to bring to the Senate S. 1311, the National Physical Fitness and Sports Foundation Establishment Act. S. 1311, would create a charitable, not-for-profit foundation to actively raise private funds to support the activities of the President's Council on Physical Fitness, President's Council.

In the past, the President's Council has relied on Federal appropriations to support its activities. Future appropriations for the President's Council are unlikely as we strive to balance the Federal budget.

The Foundation created by this bill would raise private funds to sustain the President's Council on Physical Fitness. To facilitate fund-raising, the Foundation is permitted to offer the use of the seal of the President's Council for promotional purposes in exchange for sponsorship funds. The bill does not authorize the expenditure of Federal funds.

The goals of the President's Council are identified in Executive Order 12345. The primary goal is to foster programs that encourage people of all ages to participate regularly in sports and physical activities. Perhaps the Council's most well known activity is the President's Challenge Physical Fitness Awards Program which is administered by teachers and youth programs in every State. We should act to preserve the President's Council. Its activities are particularly important because our Nation's children are becoming increasingly less physically fit even as we learn that physical fitness in one's youth is important to living a healthy life during adulthood.

Senators CAMPBELL and BRADLEY introduced this bill in October 1995. The Committee on Commerce, Science, and Transportation unanimously ordered the bill reported on June 6, 1996. I have an amendment that makes certain technical modifications to the bill. I urge my colleagues to support this worthy legislation.

Mr. GRASSLEY. I ask unanimous consent the amendment be agreed to, the bill be deemed read a third time, passed, the motion to reconsider be laid upon the table, and that any statements relating to the bill be printed at the appropriate place in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The amendment (No. 5403) was agreed to.

The bill (S. 1311), as amended, was deemed read for a third time and passed as follows:
