The foregoing limitation shall not apply to—

(1) any employee stock ownership plan of the Corporation,

(2) members of the underwriting syndicate purchasing shares in stabilization transactions in connection with the privatization, or

(3) in the case of shares beneficially held in the ordinary course of business for others, any commercial bank, broker-dealer, or clearing agency.

SEC. 12. URANIUM TRANSFERS AND SALES.

(a) **TRANSFERS AND SALES BY THE SECRETARY.**—The Secretary shall not provide enrichment services or transfer or sell any uranium (including natural uranium concentrates, natural uranium hexafluoride, or enriched uranium in any form) to any person except as consistent with this section.

(b) **RUSSIAN HEU.**—(1) On or before December 31, 1996, the United States Executive Agent under the Russian HEU Agreement shall transfer to the Secretary without charge title to an amount of uranium hexafluoride equivalent to the natural uranium component of low-enriched uranium derived from at least 18 metric tons of highly enriched uranium purchased from the Russian Executive Agent under the Russian HEU Agreement. The quantity of such uranium hexafluoride delivered to the Secretary shall be based on a tails assay of 0.30 U²³⁵. Uranium hexafluoride transferred to the Secretary pursuant to this paragraph shall be deemed under United States law for all purposes to be of Russian origin.

(2) Within 7 years of the date of enactment of this Act, the Secretary shall sell, and receive payment for, the uranium hexafluoride transferred to the Secretary pursuant to paragraph (1). Such uranium hexafluoride shall be sold—

(A) at any time for use in the United States for the purpose of overfeeding;

(B) at any time for end use outside the United States;

(C) in 1995 and 1996 to the Russian Executive Agent at the purchase price for use in matched sales pursuant to the Suspension Agreement; or,

(D) in calendar year 2001 for consumption by end users in the United States not prior to January 1, 2002, in volumes not to exceed 3,000,000 pounds U₃O₈ equivalent per year.

(3) With respect to all enriched uranium delivered to the United States Executive Agent under the Russian HEU Agreement on or after January 1, 1997, the United States Executive Agent shall, upon request of the Russian Executive Agent, enter into an agreement to deliver concurrently to the Russian Executive Agent an amount of uranium hexafluoride equivalent to the natural uranium component of such uranium. An agreement executed pursuant to a request of the Russian Executive Agent, as contemplated in this paragraph, may pertain to any deliveries due during any period remaining under the Russian HEU Agreement. The quantity of such uranium hexafluoride delivered to the Russian Executive Agent shall be based on a tails assay of 0.30 U²³⁵. Title to uranium hexafluoride delivered to the Russian Executive Agent pursuant to this paragraph shall transfer to the Russian Executive Agent upon delivery of such material to the Russian Executive Agent, with such delivery to take place at a North American facility designated by the Russian Executive Agent. Uranium hexafluoride delivered to the Russian Executive Agent pursuant to this paragraph shall be deemed under U.S. law for all purposes to be of Russian origin. Such uranium hexafluoride may be sold to any person or entity for delivery and use in the United States only as permitted in subsections (b)(5), (b)(6) and (b)(7) of this section.

(4) In the event that the Russian Executive Agent does not exercise its right to enter into an agreement to take delivery of the natural uranium component of any low-enriched uranium, as contemplated in paragraph (3), within 90 days of the date such low-enriched uranium is delivered to the United States Executive Agent, or upon request of the Russian Executive Agent, then the United States Executive Agent shall engage an independent entity through a competitive selection process to auction an amount of uranium hexafluoride or U₃O₈ (in the event that the conversion component of such hexafluoride has previously been sold) equivalent to the natural uranium component of such low-enriched uranium. An agreement executed pursuant to a request of the Russian Executive Agent, as contemplated in this paragraph, may pertain to any deliveries due during any period remaining under the Russian HEU Agreement. Such independent entity shall sell such uranium hexafluoride in one or more lots to any person or entity to maximize the proceeds from such sales, for disposition consistent with the limitations set forth in this subsection. The independent entity shall pay to the Russian Executive Agent the proceeds of any such auction less all reasonable transaction and other administrative costs. The quantity of such uranium hexafluoride auctioned shall be based on a tails assay of 0.30 U²³⁵. Title to uranium hexafluoride auctioned pursuant to this paragraph shall transfer to the buyer of such material upon delivery of such material to the buyer. Uranium hexafluoride auctioned pursuant to this paragraph shall be deemed under United States law for all purposes to be of Russian origin.

(5) Except as provided in paragraphs (6) and (7), uranium hexafluoride delivered to the Russian Executive Agent under paragraph (3) or auctioned pursuant to paragraph (4), may not be delivered for consumption by end users in the United States either directly or indirectly prior to January 1, 1998, and thereafter only in accordance with the following schedule:

(6) Uranium hexafluoride delivered to the Russian Executive Agent under paragraph (3) or auctioned pursuant to paragraph (4) may be sold at any time as Russian-origin natural uranium in a matched sale pursuant to the Suspension Agreement, and in such case shall not be counted against the annual maximum deliveries set forth in paragraph (5).

(7) Uranium hexafluoride delivered to the Russian Executive Agent under paragraph (3) or auctioned pursuant to paragraph (4) may be sold at any time for use in the United States for the purpose of overfeeding in the operations of enrichment facilities.

(8) Nothing in this subsection (b) shall restrict the sale of the conversion component of such uranium hexafluoride.

(C) more than 800,000 separative work units contained in low-enriched uranium transferred under this subsection in any calendar year.

(d) **INVENTORY SALES.**—(1) In addition to the transfers authorized under subsections (c) and (e), the Secretary may, from time to time, sell natural and low-enriched uranium (including low-enriched uranium derived from highly enriched uranium) from the Department of Energy's stockpile.

(2) Except as provided in subsections (b), (c), and (e), no sale or transfer of natural or low-enriched uranium shall be made unless—

(A) the President determines that the material is not necessary for national security needs,

(B) the Secretary determines that the sale of the material will not have an adverse material impact on the domestic uranium mining, conversion, or enrichment industry, taking into account the sales of uranium under the Russian HEU Agreement and the Suspension Agreement, and

(C) the price paid to the Secretary will not be less than the fair market value of the material.

(e) **GOVERNMENT TRANSFERS.**—Notwithstanding subsection (d)(2), the Secretary may transfer or sell enriched uranium—

(1) to a Federal agency if the material is transferred for the use of the receiving agency without any resale or transfer to another entity and the material does not meet commercial specifications;

(2) to any person for national security purposes, as determined by the Secretary; or

PART I—GENERAL DEBT COLLECTION INITIATIVES

Subpart A—General Offset Authority

SEC. 5201. ENHANCEMENT OF ADMINISTRATIVE OFFSET AUTHORITY.

(a) Section 3701(c) of title 31, United States Code, is amended to read as follows:

"(c) In sections 3716 and 3717 of this title, the term 'person' does not include an agency of the United States Government, or of a unit of general local government."

(b) Section 3716 of title 31, United States Code, is amended—

(1) by amending subsection (b) to read as follows:

"(b) Before collecting a claim by administrative offset, the head of an executive, legislative, or judicial agency must either—

"(1) adopt regulations on collecting by administrative offset promulgated by the Department of Justice, the General Accounting Office and/or the Department of the Treasury without change; or

"(2) prescribe independent regulations on collecting by administrative offset consistent with the regulations promulgated under paragraph (1)."

(2) by amending subsection (c)(2) to read as follows:

"(2) when a statute explicitly prohibits using administrative 'offset' or 'setoff' to collect the claim or type of claim involved."

(3) by redesignating subsection (c) as subsection (d); and

(4) by inserting after subsection (b) the following new subsection:

"(c)(1)(A) Except as provided in subparagraph (B) or (C), a disbursing official of the Department of the Treasury, the Department of Defense, the United States Postal Service, or any disbursing official of the United States designated by the Secretary of the Treasury, is authorized to offset the amount of a payment which a payment certifying agency has certified to the disbursing official for disbursement by an amount equal to the amount of a claim which a creditor agency has certified to the Secretary of the Treasury pursuant to his subsection.

"(B) An agency that designates disbursing officials pursuant to section 3321(c) of this title is not required to certify claims arising out of its operations to the Secretary of the Treasury before such agency's disbursing officials offset such claims.

"(C) Payments certified by the Department of Education under a program administered

by the Secretary of Education under title IV of the Higher Education Act of 1965, as amended, shall not be subject to offset under this subsection.

"(2) Neither the disbursing official nor the payment certifying agency shall be liable—

"(A) for the amount of the offset on the basis that the underlying obligation, represented by the payment before the offset was taken, was not satisfied; or

"(B) for failure to provide timely notice under paragraph (8).

"(3)(A) Notwithstanding any other provision of law (including sections 207 and 1631(d)(1) of the Act of August 14, 1935 (42 U.S.C. 407 and 1383(d)(1)), section 413(b) of Public Law 91-173 (30 U.S.C. 923(b)), and section 14 of the Act of August 29, 1935 (45 U.S.C. 231m)), all payments due under the Social Security Act, Part B of the Black Lung Benefits Act, or under any law administered by the Railroad Retirement Board shall be subject to offset under this section.

"(B) An amount of \$10,000 which a debtor may receive under Federal benefit programs cited under subparagraph (A) within a 12-month period shall be exempt from offset under this subsection. In applying the \$10,000 exemption, the disbursing official shall—

"(i) apply a prorated amount of the exemption to each periodic benefit payment to be made to the debtor during the applicable 12-month period; and

"(ii) consider all benefit payments made during the applicable 12-month period which are exempt from offset under this subsection as part of the \$10,000 exemption.

For purposes of the preceding sentence, the amount of a periodic benefit payment shall be the amount after any reduction or deduction required under the laws authoring the program under which such payment is authorized to be made (including any reduction or deduction to recover any overpayment under such program).

"(C) The Secretary of the Treasury shall exempt means-tested programs when notified by the head of the respective agency. The Secretary may exempt other payments from offset under this subsection upon the written request of the head of a payment certifying agency. A written request for exemption of other payments must provide justification for the exemption under the standards prescribed by the Secretary. Such standards shall give due consideration to whether offset would tend to interfere substantially with or defeat the purposes of the payment certifying agency's program.

"(D) The provisions of sections 205(b)(1) and 1631(c)(1) of the Social Security Act shall not apply to any offset executed pursuant to this section against benefits authorized by either title II or title XVI of the Social Security Act.

"(4) The Secretary of the Treasury is authorized to charge a fee sufficient to cover the full cost of implementing this subsection. “(2) The notice shall be sent to the debtor at the address, if any, set forth in the debt instrument or mortgage as the place to which notice is to be sent, and if different, to the debtor's last known address as shown in the mortgage record of the agency. The notice shall be sent to any person other than the debtor to that person's address of record or, if there is no address of record, to any address at which the agency in good faith believes the notice is likely to come to that person's attention.

“(3) Notice by mail pursuant to this subsection shall be effective upon mailing.

“(c) NOTICE BY PUBLICATION.—The notice of the foreclosure sale shall be published at least once a week for each of three successive weeks prior to the sale in at least one newspaper of general circulation in any county or counties in which the security property is located. If there is no newspaper published at least weekly that has a general circulation in at least one county in which the security property is located, copies of the notice of foreclosure sale shall instead be posted at least 21 days prior to the sale at the courthouse of any county or counties in which the property is located and the place where the sale is to be held.

“§ 3407. Cancellation of foreclosure sale

“(a) IN GENERAL.—At any time prior to the foreclosure sale, the foreclosure trustee shall cancel the sale—

“(1) if the debtor or the holder of any subordinate interest in the security property tenders the performance due under the debt instrument and mortgage, including any amounts due because of the exercise of the right to accelerate, and the expenses of proceeding to foreclosure incurred to the time of tender;

“(2) if the security property is a dwelling of four units or fewer, and the debtor—

“(A) pays or tenders all sums which would have been due at the time of tender in the absence of any acceleration;

“(B) performs any other obligation which would have been required in the absence of any acceleration; and

“(C) pays or tenders all costs of foreclosure incurred for which payment from the proceeds of the sale would be allowed; or

“(3) for any reason approved by the agency head.

“(c) NOTICE OF CANCELLATION.—The foreclosure trustee shall file a notice of the cancellation in the same place and manner provided for the filing of the notice of foreclosure sale under section 3406(a).

“§ 3408. Stay

“‘If, prior to the time of sale, foreclosure proceedings under this subchapter are stayed in any manner, including the filing of bankruptcy, no person may thereafter cure the default under the provisions of section 3407(a)(2). If the default is not cured at the time a stay is terminated, the foreclosure trustee shall proceed to sell the security property as provided in this subchapter.

“§ 3409. Conduct of sale; postponement

“(a) SALE PROCEDURES.—Foreclosure sale pursuant to this subchapter shall be at public auction and shall be scheduled to begin at a time between the hours of 9:00 a.m. and 4:00 p.m. local time. The foreclosure sale shall be held at the location specified in the notice of foreclosure sale, which shall be a location where real estate foreclosure auctions are customarily held in the county or one of the counties in which the property to be sold is located or at a courthouse therein, or upon the property to be sold. Sale of security property situated in two or more counties may be held in any one of the counties in which any part of the security property is situated. The foreclosure trustee may designate the order in which multiple tracts of security property are sold.

“(b) BIDDING REQUIREMENTS.—Written one-price sealed bids shall be accepted by the foreclosure trustee, if submitted by the agency head or other persons for entry by announcement by the foreclosure trustee at the sale. The sealed bids shall be submitted in accordance with the terms set forth in the notice of foreclosure sale. The agency head or any other person may bid at the foreclosure sale, even if the agency head or other person previously submitted a written one-price bid. The agency head may bid a credit against the debt due without the tender or payment of cash. The foreclosure trustee may serve as auctioneer, or may employ an auctioneer who may be paid from the sale proceeds. If an auctioneer is employed, the foreclosure trustee is not required to attend the sale. The foreclosure trustee or an auctioneer may bid as directed by the agency head.

“(c) POSTPONEMENT OF SALE.—The foreclosure trustee shall have discretion, prior to or at the time of sale, to postpone the foreclosure sale. The foreclosure trustee may postpone a sale to a later hour the same day by announcing or posting the new time and place of the foreclosure sale at the time and place originally scheduled for the foreclosure sale. The foreclosure trustee may instead postpone the foreclosure sale for not fewer than 9 nor more than 31 days, by serving notice that the foreclosure sale has been postponed to a specified date, and the notice may include any revisions the foreclosure trustee deems appropriate. The notice shall be served by publication, mailing, and posting in accordance with section 3406 (b) and (c),

except that publication may be made on any of three separate days prior to the new date of the foreclosure sale, and mailing may be made at any time at least 7 days prior to the new date of the foreclosure sale.

“(d) **LIABILITY OF SUCCESSFUL BIDDER WHO FAILS TO COMPLY.**—The foreclosure trustee may require a bidder to make a cash deposit before the bid is accepted. The amount or percentage of the cash deposit shall be stated by the foreclosure trustee in the notice of foreclosure sale. A successful bidder at the foreclosure sale who fails to comply with the terms of the sale shall forfeit the cash deposit or, at the election of the foreclosure trustee, shall be liable to the agency on a subsequent sale of the property for all net losses incurred by the agency as a result of such failure.

“(e) **EFFECT OF SALE.**—Any foreclosure sale held in accordance with this subchapter shall be conclusively presumed to have been conducted in a legal, fair, and commercially reasonable manner. The sale price shall be conclusively presumed to constitute the reasonably equivalent value of the security property.

“§ 3410. Transfer of title and possession

“(a) **DEED.**—After receipt of the purchase price in accordance with the terms of the sale as provided in the notice of foreclosure sale, the foreclosure trustee shall execute and deliver to the purchaser a deed conveying the security property to the purchaser that grants and conveys title to the security property without warranty or covenants to the purchaser. The execution of the foreclosure trustee's deed shall have the effect of conveying all of the right, title, and interest in the security property covered by the mortgage. Notwithstanding any other law to the contrary, the foreclosure trustee's deed shall be a conveyance of the security property and not a quitclaim. No judicial proceeding shall be required ancillary or supplementary to the procedures provided in this subchapter to establish the validity of the conveyance.

“(b) **DEATH OF PURCHASER PRIOR TO CONSUMMATION OF SALE.**—If a purchaser dies before execution and delivery of the deed conveying the security property to the purchaser, the foreclosure trustee shall execute and deliver the deed to the representative of the purchaser's estate upon payment of the purchase price in accordance with the terms of sale. Such delivery to the representative of the purchaser's estate shall have the same effect as if accomplished during the lifetime of the purchaser.

“(c) **PURCHASER CONSIDERED BONA FIDE PURCHASER WITHOUT NOTICE.**—The purchaser of property under this subchapter shall be presumed to be a bona fide purchaser without notice of defects, if any, in the title conveyed to the purchaser.

“(d) **POSSESSION BY PURCHASER; CONTINUING INTERESTS.**—A purchaser at a foreclosure sale conducted pursuant to this subchapter shall be entitled to possession upon passage of title to the security property, subject to any interest or interests senior to that of the mortgage. The right to possession of any person without an interest senior to the mortgage who is in possession of the property shall terminate immediately upon the passage of title to the security property, and the person shall vacate the security property immediately. The purchaser shall be entitled to take any steps available under Federal law or State law to obtain possession.

“(e) **RIGHT OF REDEMPTION; RIGHT OF POSSESSION.**—This subchapter shall preempt all Federal and State rights of redemption, statutory, or common law. Upon conclusion of the public auction of the security property, no person shall have a right of redemption.

“(f) **PROHIBITION OF IMPOSITION OF TAX ON CONVEYANCE BY THE UNITED STATES OR AGENCY THEREOF.**—No tax, or fee in the nature of a tax, for the transfer of title to the security property by the foreclosure trustee's deed shall be imposed upon or collected from the foreclosure trustee or the purchaser by any State or political subdivision thereof.

“§ 3411. Record of foreclosure and sale

“(a) **RECITAL REQUIREMENTS.**—The foreclosure trustee shall recite in the deed to the purchaser, or in an addendum to the foreclosure trustee's deed, or shall prepare an affidavit stating—

- “(1) the date, time, and place of sale;
- “(2) the date of the mortgage, the office in which the mortgage is filed, and the location of the filing of the mortgage;
- “(3) the persons served with the notice of foreclosure sale;
- “(4) the date and place of filing of the notice of foreclosure sale under section 3406(a);
- “(5) that the foreclosure was conducted in accordance with the provisions of this subchapter; and
- “(6) the sale amount.

“(b) **EFFECT OF RECITALS.**—The recitals set forth in subsection (a) shall be prima facie evidence of the truth of such recitals. Compliance with the requirements of subsection (a) shall create a conclusive presumption of the validity of the sale in favor of bona fide purchasers and encumbrancers for value without notice.

“(c) **DEED TO BE ACCEPTED FOR FILING.**—The register of deeds or other appropriate official of the county or counties where real estate deeds are regularly filed shall accept for filing and shall file the foreclosure trustee's deed and affidavit, if any, and any other instruments submitted for filing in relation to the foreclosure of the security property under this subchapter.

“§ 3412. Effect of sale

“A sale conducted under this subchapter to a bona fide purchaser shall bar all claims upon the security property by—

“(1) any person to whom the notice of foreclosure sale was mailed as provided in this subchapter who claims an interest in the property subordinate to that of the mortgage, and the heir, devisee, executor, administrator, successor, or assignee claiming under any such person;

“(2) any person claiming any interest in the property subordinate to that of the mortgage, if such person had actual knowledge of the sale;

“(3) any person so claiming, whose assignment, mortgage, or other conveyance was not filed in the proper place for filing, or whose judgment or decree was not filed in the proper place for filing, prior to the date of filing of the notice of foreclosure sale as required by section 3406(a), and the heir, devisee, executor, administrator, successor, or assignee of such a person; or

“(4) any other person claiming under a statutory lien or encumbrance not required to be filed and attaching to the title or interest of any person designated in any of the foregoing subsections of this section.

“§ 3413. Disposition of sale proceeds

“(a) **DISTRIBUTION OF SALE PROCEEDS.**—The foreclosure trustee shall distribute the proceeds of the foreclosure sale in the following order—

“(1)(A) to pay the commission of the foreclosure trustee, other than an agency employee, the greater of—

- “(i) the sum of—
- “(I) 3 percent of the first \$1,000 collected, plus
- “(II) 1.5 percent on the excess of any sum collected over \$1,000; or
- “(ii) \$250; and

“(B) the amounts described in subparagraph (A)(i) shall be computed on the gross proceeds of all security property sold at a single sale;

“(2) to pay the expense of any auctioneer employed by the foreclosure trustee, if any, except that the commission payable to the foreclosure trustee pursuant to paragraph (1) shall be reduced by the amount paid to an auctioneer, unless the agency head determines that such reduction would adversely affect the ability of the agency head to retain qualified foreclosure trustees or auctioneers;

“(3) to pay for the costs of foreclosure, including—

“(A) reasonable and necessary advertising costs and postage incurred in giving notice pursuant to section 3406;

“(B) mileage for posting notices and for the foreclosure trustee's or auctioneer's attendance at the sale at the rate provided in section 1921 of title 28, United States Code, for mileage by the most reasonable road distance;

“(C) reasonable and necessary costs actually incurred in connection with any search of title and lien records; and

“(D) necessary costs incurred by the foreclosure trustee to file documents;

“(4) to pay valid real property tax liens or assessments, if required by the notice of foreclosure sale;

“(5) to pay any liens senior to the mortgage, if required by the notice of foreclosure sale;

“(6) to pay service charges and advancements for taxes, assessments, and property insurance premiums; and

“(7) to pay late charges and other administrative costs and the principal and interest balances secured by the mortgage, including expenditures for the necessary protection, preservation, and repair of the security property as authorized under the debt instrument or mortgage and interest thereon if provided for in the debt instrument or mortgage, pursuant to the agency's procedure.

“(b) **INSUFFICIENT PROCEEDS.**—In the event there are no proceeds of sale or the proceeds are insufficient to pay the costs and expenses set forth in subsection (a), the agency head shall pay such costs and expenses as authorized by applicable law.

“(c) **SURPLUS MONIES.**—

“(1) After making the payments required by subsection (a), the foreclosure trustee shall—

“(A) distribute any surplus to pay liens in the order of priority under Federal law or the law of the State where the security property is located; and

“(B) pay to the person who was the owner of record on the date the notice of foreclosure sale was filed the balance, if any, after any payments made pursuant to paragraph (1).

“(2) If the person to whom such surplus is to be paid cannot be located, or if the surplus available is insufficient to pay claimants and the claimants cannot agree on the distribution of the surplus, that portion of the sale proceeds may be deposited by the foreclosure trustee with an appropriate official authorized under law to receive funds under such circumstances. If such a procedure for the deposit of disputed funds is not available, and the foreclosure trustee files a bill of interpleader or is sued as a stakeholder to determine entitlement to such funds, the foreclosure trustee's necessary costs in taking or defending such action shall be deducted first from the disputed funds.

“§ 3414. Deficiency judgment

“(a) **IN GENERAL.**—If after deducting the disbursements described in section 3413, the price at which the security property is sold

at a foreclosure sale is insufficient to pay the unpaid balance of the debt secured by the security property, counsel for the United States may commence an action or actions against any or all debtors to recover the deficiency, unless specifically prohibited by the mortgage. The United States is also entitled to recover any amount authorized by section 3011 and costs of the action.

“(b) **LIMITATION.**—Any action commenced to recover the deficiency shall be brought within 6 years of the last sale of security property.

“(c) **CREDITS.**—The amount payable by a private mortgage guaranty insurer shall be credited to the account of the debtor prior to the commencement of an action for any deficiency owed by the debtor. Nothing in this subsection shall curtail or limit the subrogation rights of a private mortgage guaranty insurer.”.

SEC. —. (a) This section may be cited as the “Federal Prohibition of Female Genital Mutilation Act of 1996”.

(b) Congress finds that—

(1) the practice of female genital mutilation is carried out by members of certain cultural and religious groups within the United States;

(2) the practice of female genital mutilation often results in the occurrence of physical and psychological health effects that harm the women involved;

(3) such mutilation infringes upon the guarantees of rights secured by Federal and State law, both statutory and constitutional;

(4) the unique circumstances surrounding the practice of female genital mutilation place it beyond the ability of any single State or local jurisdiction to control;

(5) the practice of female genital mutilation can be prohibited without abridging the exercise of any rights guaranteed under the First Amendment to the Constitution or under any other law; and

(6) Congress has the affirmative power under section 8 of article I of the Constitution, as well as under section 5 of the Fourteenth Amendment to the Constitution, to enact such legislation.

(c) It is the purpose of this section to protect and promote the public safety and health and activities affecting interstate commerce by establishing Federal criminal penalties for the performance of female genital mutilation.

“§ 116. Female genital mutilation

“(a) Except as provided in subsection (b), whoever knowingly circumcises, excises, or infibulates the whole or any part of the labia majora or labia minora or clitoris of another person who has not attained the age of 18

years shall be fined under this title or imprisoned not more than 5 years, or both.

“(b) A surgical operation is not a violation of this section if the operation is—

“(1) necessary to the health of the person on whom it is performed, and is performed by a person licensed in the place of its performance as a medical practitioner; or

“(2) performed on a person in labor or who has just given birth and is performed for medical purposes connected with that labor or birth by a person licensed in the place it is performed as a medical practitioner, or midwife, or person in training to become such a practitioner or midwife.

“(c) In applying subsection (b)(1), no account shall be taken of the effect on the person on whom the operation is to be performed of any belief on the part of that or any other person that the operation is required as a matter of custom or ritual.

“(d) Whoever knowingly denies to any person medical care or services or otherwise discriminates against any person in the provision of medical care or services, because—

“(1) that person has undergone female circumcision, excision, or infibulation; or

“(2) that person has requested that female circumcision, excision, or infibulation be performed on any person;

shall be fined under this title or imprisoned not more than one year, or both.”.

(2) The table of sections at the beginning of chapter 7 of title 18, United States Code, is amended by adding at the end the following new item:

“116. Female genital mutilation.”.

(e)(1) The Secretary of Health and Human Services shall do the following:

(A) Compile data on the number of females living in the United States who have been subjected to female genital mutilation (whether in the United States or in their countries of origin), including a specification of the number of girls under the age of 18 who have been subjected to such mutilation.

(B) Identify communities in the United States that practice female genital mutilation, and design and carry out outreach activities to educate individuals in the communities on the physical and psychological health effects of such practice. Such outreach activities shall be designed and implemented in collaboration with representatives of the ethnic groups practicing such mutilation and with representatives of organizations with expertise in preventing such practice.

(C) Develop recommendations for the education of students of schools of medicine and osteopathic medicine regarding female genital mutilation and complications arising from such mutilation. Such recommendations shall be disseminated to such schools.

ADDITIONAL STATEMENTS

FREEDOM TO FARM

• Mr. ABRAHAM. Mr. President, after months of discussion and debate on farm legislation, I was pleased that the Senate passed a farm bill Thursday, February 7, which implements revolutionary steps toward a free market agriculture system. With farmers beginning to plan for the upcoming growing season, the urgency to pass a farm bill lead to a compromise bill which, while it certainly could have taken bolder moves toward free market agriculture, is a step in the right direction. This bill offers reform, opportunity, and flexibility for farmers in a fiscally responsible way.

The most significant reforms of current farm programs in this bill are the Freedom to Farm provisions which eliminate agriculture subsidies over the next 7 years. Freedom to Farm will

allow American farmers to grow for the global market rather than for the Federal Government. The bill would eliminate supply control programs and requirements that farmers plant specific crops to preserve historical crop bases used to determine Government payments. These are very positive steps toward a free market in agriculture.

Time after time, Michigan farmers have told me that they do not want to grow for the Government—they want to grow for the marketplace. By extricating Michigan's farmers from bureaucratic planting requirements, the Freedom to Farm provisions in this bill will allow them to produce to meet consumer demand.

I would like to discuss an important change which was made in this bill before it was brought to the Senate floor. Many Michigan fruit and vegetable growers were concerned about a provision originally included in the Freedom to Farm language which would have allowed farmers receiving Government payments to grow fruits and vegetables on their land. In effect, had this been implemented, farmers receiving subsidies would have been able to plant nonsubsidized crops. This would have put those fruit and vegetable farmers who have been growing for the market without Government intervention at a disadvantage. Fruit and vegetable farmers who had never received subsidies would have been competing against subsidized farmers. Members of the committee corrected this problem before Senate floor consideration. The bill which passed the Senate maintains current policy which does not allow nonprogram crops to be grown on contract acres.

During consideration of the farm bill, Senator WELLSTONE offered an amendment to delete language in the bill which provided congressional consent for the Northeast dairy compact. This compact would allow member States to set the price for fluid milk above the existing Federal order. Thus, the compact would have been an additional step away from free market competition in that it would establish a subsidy within a subsidized industry. Not only would the compact raise the price of milk among the New England States, it would set a disturbing precedent by allowing States to insulate themselves from competition. Mr. President, in this farm bill which attempts to move the United States toward free market agriculture, the Northeast dairy compact would have been a dangerous step backward. I was pleased to support Mr. WELLSTONE's amendment which passed by a 50 to 46 vote.

The bill as written increases the interest rate for price support loans for farmers through the Commodity Credit Corporation by 1 percent. Senator HARKIN offered an amendment which would have eliminated this increase. While it is important for farmers to have access to affordable loans, I opposed Senator HARKIN's amendment. His amendment
