ADDITIONAL STATEMENTS

FEDERAL-TRIBAL NEGOTIATED RULEMAKING

• Mr. MCCAIN. Mr. President, I rise to inform my colleagues that later today I will ask their unanimous consent to hold at the desk and pass H.R. 3034, a measure that was passed by the House by consent. H.R. 3034 is identical to S. 1608, a measure I and Senator INOUE introduced on March 12, 1996. S. 1608 was referred to the Committee on Indian Affairs, which I chair.

My full statement explaining the bill appeared at page S1867 of the March 12 CONGRESSIONAL RECORD. While I regret that it is necessary, I support the 60-day extension of authority to the Secretary of the Interior and the Secretary of Health and Human Services to promulgate regulations implementing the Indian Self-Determination Contract Reform Act of 1994 under negotiated rulemaking procedures.

In the 1994 act, the Congress required the administration to involve the Indian tribes, under negotiated rulemaking procedures, in the development of these regulations within an 18-month period that expires on April 25, 1996. The pending bill would extend that period to June 25, 1996.

Many of the Indian tribes who have been involved in the negotiated rulemaking process have sought the extension in order to provide them adequate time to respond to the public comment received from the draft regulations published on January 24, 1996. The administration has joined them in requesting a 2-month extension to the 18-month period provided by the statute to promulgate regulations. Their request is worthy of support and I urge my colleagues to consent to its passage. •

CONGRATULATIONS CORNHUSKERS BASKETBALL

• Mr. KERREY. Mr. President, I come to the floor today to congratulate the University of Nebraska Cornhuskers Men's Basketball Team on their thrilling championship victory over St. Joseph's of Pennsylvania, 60 to 56, in the National Invitational Tournament, the

Nation's oldest postseason tournament, at Madison Square Garden on March 28. With their victory, the men's basketball team joins an impressive list of championship seasons this school year for UNL that already includes national champions in football and women's volleyball.

Coach Danny Nee and his players overcame considerable adversity this season, having entered the NIT with 10 losses in their last 11 games. But they defeated Colorado State, Washington State, Fresno State, and Tulane in route to the NIT final, and finished what could have been a disappointing season on a very successful note.

Mr. President, this is UNL's first ever basketball championship and although some may consider the NIT a second-tier tournament, only two teams in men's NCAA Division One basketball can end their season on a winning note. And I am proud to say, one of them this year is my Alma Mater—the University of Nebraska at Lincoln.

Congratulations to Coach Nee, senior guard and NIT MVP Erick Strickland, and the entire Cornhusker men's basketball team on a successful season and a terrific victory. Nebraska is, indeed, proud. •

CRUMBS FOR THE MAJORITY

• Mr. SIMON. Mr. President, I felt like starting these observations by saying three cheers for Mort Zuckerman.

Recently, Mortimer B. Zuckerman, editor-in-chief of U.S. News & World Report, had a superb column called "Crumbs for the Majority", which I ask to be printed in the CONGRESSIONAL RECORD after my remarks.

He talks about our income disparity, our growing problems with poverty, and the need to do something about it.

He advocates a grant program similar to the old GI bill after World War II.

It is interesting that if you were to add an inflation factor to the average grant made under the GI bill after World War II, it today would average \$9,400 a year. The most anyone can receive today in a grant from the Federal Government is \$2,400, and you have to meet strict standards of poverty to receive that.

Even for a modest program like the Direct Loan Program, we have to struggle to see it survive.

If you were to combine the kind of suggestion that Mort Zuckerman has with a WPA type of program that would say to people: You can stay on welfare 5 weeks, but after that you have to work 4 days a week at minimum wage, as in the old WPA, and the fifth day you should be out trying to find a job in the private sector, we would put to work hundreds of thousands—probably millions—of Americans who are now left out of our process and who can be made productive. The demand for unskilled labor is going down and to talk about welfare
