''The value of having somebody just a little bit more credible is very high.''

So far, the independent counsel's Whitewater inquiry has cost about $26 million. Mr. Starr is spending about $1 million a month on the investigation.

Mr. Dash said he may suspend has involvement this summer, when he plans to serve as a visiting professor at the University of Heidelberg Law School in Germany.

For now, Mr. Dash said, his work for the Whitewater office includes such activities as advising Mr. Starr on whether there is enough evidence to sustain a charge, reviewing all cases referred to the grand jury, and consulting on issues of fairness.

For example, when false reports surfaced that Gov. Jim Guy Tucker of Arkansas had sought a plea bargain after being indicted, Mr. Starr asked Mr. Dash for advice on whether the usual policy of issuing a ''no comment'' to questions about the case should be followed, according to Mr. Dash.

The ethics counselor advised Mr. Starr that the more proper response, in fairness to Mr. Tucker, was to issue a statement denying the accuracy of the reports.

Mr. Dash has also been advising Mr. Starr on the propriety of the private work he has continued to do. Critics have charged that Mr. Starr, who earned $1.1 million in private practice in 1994, is spending too much time on lucrative high-profile cases for his firm, some of which could compromise—or appear to compromise—his independence as special counsel.

For instance, Mr. Starr has argued a federal appeals case on behalf of the Brown & Williamson Tobacco Corp., and has represented Gov. Tommy G. Thompson of Wisconsin, a potential Republican vice presidential nominee, in school-voucher case before the Wisconsin Supreme Court.

CONFLICT OF INTEREST ALLEGED

Rep. Martin Meehan, a Massachusetts Democrat, wrote to Mr. Starr last week, imploring him to end his representation of the tobacco company on the ground that it created a conflict of interest because President Clinton has been an opponent of big tobacco.

A potential problem area—cited by those who believe Mr. Starr should have taken a leave from his law firm, the Chicago-based Kirkland & Ellis—is a lawsuit filed against the firm by the Resolution Trust Corp., a federal agency that figures prominently in the Whitewater affair.

Defending his private work, Mr. Starr, in an address last week in San Antonio, said: ''My ethics counselor is Professor Sam Dash of Georgetown University, legend of Watergate fame, and he has affirmed that it's completely appropriate.''

Mr. Dash said that while he has advised Mr. Starr that there is nothing wrong, legally or ethically, with his outside work, his own ''preference''—''because of questions reasonable people ask'' about conflicts—is that Mr. Starr not take on as much.

''I have discussed with him that he should take heed, and I think he will take heed,'' Mr. Dash said. ''He is concerned. But he doesn't think he's doing anything wrong. I tell him he's not doing anything wrong.''

Richard Ben-Veniste, the Democratic counsel for the Senate Whitewater Committee who was an assistant to the Watergate special prosecutor, said Mr. Starr's full plate of outside work illustrates the need for Mr. Dash's services.

''Given the list of things Mr. Starr is engaged in outside of his job as independent counsel, he's kept Mr. Dash pretty busy,'' Mr. Ben-Veniste said.

''I think Sam's earning his money.''

Mr. LEAHY. Will the Senator yield?

Mr. PRYOR. I am happy to yield to the Senator.

Mr. LEAHY. Mr. President, I heard the distinguished Senator from Arkansas say something that struck me. All this money that is being spent is taxpayers' money?

Mr. PRYOR. Every bit is taxpayers' money.

Mr. LEAHY. I have been reading a number of articles in the national press raising some very serious questions about the appearance of conflict of interest on the part of Mr. Starr, the special prosecutor. As a former prosecutor myself, I feel strongly that there is at the very least an appearance of a conflict of interest. But notwithstanding what appears to be conflict of interest, are you telling me that he is paying somebody out of tax money, on a part-time basis, the equivalent of about $160,000 a year to give him ethical advice?

Mr. PRYOR. This is the first time, I answer my friend from Vermont, in the history of all of the legal independent counsels that we have had, that an independent counsel has felt the necessity of retaining an ethics attorney or an ethics adviser. In this one, the taxpayers are paying $3,200 each week. I imagine that is more than a member—I do not know what a member of the Supreme Court gets.

Mr. LEAHY. A member of a Supreme Court who works full time is paid less. The attorney retained as the ethics adviser is, I realize, a wonderful man and a good friend of mine, but this is extraordinary—this ethics adviser is paid on a part-time basis with taxpayer money?

Mr. PRYOR. That is correct. He is a fine law professor. Mr. Starr gave him this job in order to advise Mr. Starr on ethics. I do not know one time yet that Mr. Dash has not told Mr. Starr what he was doing was OK, including making $1.3 million last year.

TITLE I—HEALTH CARE ACCESS, PORTABILITY, AND RENEWABILITY

Subtitle A—Group Market Rules

SEC. 101. GUARANTEED AVAILABILITY OF HEALTH COVERAGE.

(a) IN GENERAL.—

(1) NONDISCRIMINATION.—Except as provided in subsection (b), section 102 and section 103—

(A) a health plan issuer offering a group health plan may not decline to offer whole group coverage to a group purchaser desiring to purchase such coverage; and

(B) an employee health benefit plan or a health plan issuer offering a group health plan may establish, under the terms of such plan, eligibility, enrollment, or premium contribution requirements for individual participants or beneficiaries, except that such requirements shall not be based on health status, medical condition, claims experience, receipt of health care, medical history, evidence of insurability (including conditions arising out of acts of domestic violence), genetic information, or disability.

(2) HEALTH PROMOTION AND DISEASE PREVENTION.—Nothing in this subsection shall prevent an employee health benefit plan or a health plan issuer from establishing premium discounts or modifying otherwise applicable copayments or deductibles in return for adherence to programs of health promotion and disease prevention.

(b) APPLICATION OF CAPACITY LIMITS.—

(1) IN GENERAL.—Subject to paragraph (2), a health plan issuer offering a group health plan may cease offering coverage to group purchasers under the plan if—

(A) the health plan issuer ceases to offer coverage to any additional group purchasers; and

(B) the health plan issuer can demonstrate to the applicable certifying authority (as defined in section 202(d)), if required, that its financial or provider capacity to serve previously covered participants and beneficiaries (and additional participants and beneficiaries who will be expected to enroll because of their affiliation with a group purchaser or such previously covered participants or beneficiaries) will be impaired if the health plan issuer is required to offer coverage to additional group purchasers.

Such health plan issuer shall be prohibited from offering coverage after a cessation in offering coverage under this paragraph for a 6-month period or until the health plan issuer can demonstrate to the applicable certifying authority (as defined in section 202(d)) that the health plan issuer has adequate capacity, whichever is later.

(2) FIRST-COME-FIRST-SERVED.—A health plan issuer offering a group health plan is only eligible to exercise the limitations provided for in paragraph (1) if the health plan issuer offers coverage to group purchasers under such plan on a first-come-first-served basis or other basis established by a State to ensure a fair opportunity to enroll in the plan and avoid risk selection.

(c) CONSTRUCTION.—

(1) MARKETING OF GROUP HEALTH PLANS.—Nothing in this section shall be construed to prevent a State from requiring health plan issuers offering group health plans to actively market such plans.

(2) INVOLUNTARY OFFERING OF GROUP HEALTH PLANS.—Nothing in this section shall be construed to require a health plan issuer to involuntarily offer group health plans in a particular market or to require a health plan issuer to involuntarily issue a group health plan to a group health plan purchaser in a particular market if the group health plan was specifically designed for a different market. For the purposes of this paragraph, the term ''market'' means either the large employer market or the small employer market (as defined under applicable State law, or if not so defined, an employer with more than one employee and not more than 50 employees).

SEC. 102. GUARANTEED RENEWABILITY OF HEALTH COVERAGE.

(a) IN GENERAL.—

(1) GROUP PURCHASER.—Subject to subsections (b) and (c), a group health plan shall be renewed or continued in force by a health plan issuer at the option of the group purchaser, except that the requirement of this subparagraph shall not apply in the case of—

(A) the nonpayment of premiums or contributions by the group purchaser in accordance with the terms of the group health plan or where the health plan issuer has not received timely premium payments;

(B) fraud or misrepresentation of material fact on the part of the group purchaser;

(C) the termination of the group health plan in accordance with subsection (b); or

(D) the failure of the group purchaser to meet contribution or participation requirements in accordance with paragraph (3).

(2) PARTICIPANT.—Subject to subsections (b) and (c), coverage under an employee health benefit plan or group health plan shall be renewed or continued in force, if the group purchaser elects to continue to provide coverage under such plan, at the option of the participant (or beneficiary where such right exists under the terms of the plan or under applicable law), except that the requirement of this paragraph shall not apply in the case of—

(A) the nonpayment of premiums or contributions by the participant or beneficiary in accordance with the terms of the employee health benefit plan or group health plan or where such plan has not received timely premium payments;

(B) fraud or misrepresentation of material fact on the part of the participant or beneficiary relating to an application for coverage or claim for benefits;

(C) the termination of the employee health benefit plan or group health plan;

(D) loss of eligibility for continuation coverage as described in part 6 of subtitle B of title I of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1161 et seq.); or

(E) failure of a participant or beneficiary to meet requirements for eligibility for coverage under an employee health benefit plan or group health plan that are not prohibited by this Act.

(3) RULES OF CONSTRUCTION.—Nothing in this subsection, nor in section 101(a), shall be construed to—

(A) preclude a health plan issuer from establishing employer contribution rules or group participation rules for group health plans as allowed under applicable State law;

(B) preclude a plan defined in section 3(37) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1102(37)) from establishing employer contribution rules or group participation rules; or

(C) permit individuals to decline coverage under an employee health benefit plan if such right is not otherwise available under such plan.

(b) TERMINATION OF GROUP HEALTH PLANS.—

(1) PARTICULAR TYPE OF GROUP HEALTH PLAN NOT OFFERED.—In any case in which a health plan issuer decides to discontinue offering a particular type of group health plan, a group health plan of such type may be discontinued by the health plan issuer only if—

(A) the health plan issuer provides notice to each group purchaser covered under a group health plan of this type (and participants and beneficiaries covered under such group health plan) of such discontinuation at least 90 days prior to the date of the discontinuation of such plan;

(B) the health plan issuer offers to each group purchaser covered under a group health plan of this type, the option to purchase any other group health plan currently being offered by the health plan issuer; and

(C) in exercising the option to discontinue a group health plan of this type and in offering one or more replacement plans, the health plan issuer acts uniformly without regard to the health status or insurability of participants or beneficiaries covered under the group health plan, or new participants or beneficiaries who may become eligible for coverage under the group health plan.

(2) DISCONTINUANCE OF ALL GROUP HEALTH PLANS.—

(A) IN GENERAL.—In any case in which a health plan issuer elects to discontinue offering all group health plans in a State, a group health plan may be discontinued by the health plan issuer only if—

(i) the health plan issuer provides notice to the applicable certifying authority (as defined in section 202(d)) and to each group purchaser (and participants and beneficiaries covered under such group health plan) of such discontinuation at least 180 days prior to the date of the expiration of such plan; and

(ii) all group health plans issued or delivered for issuance in the State are discontinued and coverage under such plans is not renewed.

(B) APPLICATION OF PROVISIONS.—The provisions of this paragraph and paragraph (3) may be applied separately by a health plan issuer—

(i) to all group health plans offered to small employers (as defined under applicable State law, or if not so defined, an employer with not more than 50 employees); or

(ii) to all other group health plans offered by the health plan issuer in the State.

(3) PROHIBITION ON MARKET REENTRY.—In the case of a discontinuation under paragraph (2), the health plan issuer may not provide for the issuance of any group health plan in the market sector (as described in paragraph (2)(B)) in which issuance of such group health plan was discontinued in the State involved during the 5-year period beginning on the date of the discontinuation of the last group health plan not so renewed.

(c) TREATMENT OF NETWORK PLANS.—

(1) GEOGRAPHIC LIMITATIONS.—A network plan (as defined in paragraph (2)) may deny continued participation under such plan to participants or beneficiaries who neither live, reside, nor work in an area in which such network plan is offered, but only if such denial is applied uniformly, without regard to health status or the insurability of particular participants or beneficiaries.

(2) NETWORK PLAN.—As used in paragraph (1), the term ''network plan'' means an employee health benefit plan or a group health plan that arranges for the financing and delivery of health care services to participants or beneficiaries covered under such plan, in whole or in part, through arrangements with providers.

(d) COBRA COVERAGE.—Nothing in subsection (a)(2)(E) or subsection (c) shall be construed to affect any right to COBRA continuation coverage as described in part 6 of subtitle B of title I of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1161 et seq.).

SEC. 103. PORTABILITY OF HEALTH COVERAGE AND LIMITATION ON PREEXISTING CONDITION EXCLUSIONS.

(a) IN GENERAL.—An employee health benefit plan or a health plan issuer offering a group health plan may, with respect to a participant or beneficiary, impose a limitation or exclusion of benefits, otherwise available under the terms of the plan only if—

(1) such limitation or exclusion is a limitation or exclusion of benefits relating to the treatment of a preexisting condition; and

(2) such limitation or exclusion extends for a period of not more than 12 months after the date of enrollment in the plan.

(b) CREDITING OF PREVIOUS QUALIFYING COVERAGE.—

(1) IN GENERAL.—Subject to paragraph (4), an employee health benefit plan or a health plan issuer offering a group health plan shall provide that if a participant or beneficiary is in a period of previous qualifying coverage as of the date of enrollment under such plan, any period of exclusion or limitation of coverage with respect to a preexisting condition shall be reduced by 1 month for each month in which the participant or beneficiary was in the period of previous qualifying coverage. With respect to a participant or beneficiary described in subsection (e)(2)(A) who maintains continuous coverage, no limitation or exclusion of benefits relating to treatment of a preexisting condition may be applied to a child within the child's first 12 months of life or within 12 months after the placement of a child for adoption.

(2) DISCHARGE OF DUTY.—An employee health benefit plan shall provide documentation of coverage to participants and beneficiaries whose coverage is terminated under the plan. Pursuant to regulations promulgated by the Secretary, the duty of an employee health benefit plan to verify previous qualifying coverage with respect to a participant or beneficiary is effectively discharged when such employee health benefit plan provides documentation to a participant or beneficiary that includes the following information:

(A) the dates that the participant or beneficiary was covered under the plan; and

(B) the benefits and cost-sharing arrangement available to the participant or beneficiary under such plan.

An employee health benefit plan shall retain the documentation provided to a participant or beneficiary under subparagraphs (A) and (B) for at least the 12-month period following the date on which the participant or beneficiary ceases to be covered under the plan. Upon request, an employee health benefit plan shall provide a second copy of such documentation to such participant or beneficiary within the 12-month period following the date of such ineligibility.

(3) DEFINITIONS.—As used in this section:

(A) PREVIOUS QUALIFYING COVERAGE.—The term ''previous qualifying coverage'' means the period beginning on the date—

(i) a participant or beneficiary is enrolled under an employee health benefit plan or a group health plan, and ending on the date the participant or beneficiary is not so enrolled; or

(ii) an individual is enrolled under an individual health plan (as defined in section 113) or under a public or private health plan established under Federal or State law, and ending on the date the individual is not so enrolled;

for a continuous period of more than 30 days (without regard to any waiting period).

(B) LIMITATION OR EXCLUSION OF BENEFITS RELATING TO TREATMENT OF A PREEXISTING CONDITION.—The term ''limitation or exclusion of benefits relating to treatment of a preexisting condition'' means a limitation or exclusion of benefits imposed on an individual based on a preexisting condition of such individual.

(4) EFFECT OF PREVIOUS COVERAGE.—An employee health benefit plan or a health plan issuer offering a group health plan may impose a limitation or exclusion of benefits relating to the treatment of a preexisting condition, subject to the limits in subsection (a), only to the extent that such service or benefit was not previously covered under the group health plan, employee health benefit plan, or individual health plan in which the participant or beneficiary was enrolled immediately prior to enrollment in the plan involved.

(c) LATE ENROLLEES.—Except as provided in section 104, with respect to a participant or beneficiary enrolling in an employee health benefit plan or a group health plan during a time that is other than the first opportunity to enroll during an enrollment period of at least 30 days, coverage with respect to benefits or services relating to the treatment of a preexisting condition in accordance with subsections (a) and (b) may be excluded, except the period of such exclusion may not exceed 18 months beginning on the date of coverage under the plan.

(d) AFFILIATION PERIODS.—With respect to a participant or beneficiary who would otherwise be eligible to receive benefits under an employee health benefit plan or a group health plan but for the operation of a preexisting condition limitation or exclusion, if such plan does not utilize a limitation or exclusion of benefits relating to the treatment of a preexisting condition, such plan may impose an affiliation period on such participant or beneficiary not to exceed 60 days (or in the case of a late participant or beneficiary described in subsection (c), 90 days) from the date on which the participant or beneficiary would otherwise be eligible to receive benefits under the plan. An employee health benefit plan or a health plan issuer offering a group health plan may also use alternative methods to address adverse selection as approved by the applicable certifying authority (as defined in section 202(d)). During such an affiliation period, the plan may not be required to provide health care services or benefits and no premium shall be charged to the participant or beneficiary.

(e) PREEXISTING CONDITION.—

(1) IN GENERAL.—For purposes of this section, the term ''preexisting condition'' means a condition, regardless of the cause of the condition, for which medical advice, diagnosis, care, or treatment was recommended or received within the 6-month period ending on the day before the effective date of the coverage (without regard to any waiting period).

(2) BIRTH, ADOPTION AND PREGNANCY EXCLUDED.—The term ''preexisting condition'' does not apply to—

(A) an individual who, within 30 days of the date of the birth or placement for adoption of a child (as determined under section 609(c)(3)(B) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1169(c)(3)(B)), was covered under the plan; or

(B) pregnancy.

(f) STATE FLEXIBILITY.—Nothing in this section shall be construed to preempt State laws that—

(1) require health plan issuers to impose a limitation or exclusion of benefits relating to the treatment of a preexisting condition for periods that are shorter than those provided for under this section; or

(2) allow individuals, participants, and beneficiaries to be considered to be in a period of previous qualifying coverage if such individual, participant, or beneficiary experiences a lapse in coverage that is greater than the 30-day period provided for under subsection (b)(3); or

(3) require health plan issuers to have a lookback period that is shorter than the period described in subsection (e)(1);

unless such laws are preempted by section 514 of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1144).

SEC. 104. SPECIAL ENROLLMENT PERIODS.

In the case of a participant, beneficiary or family member who—

(1) through marriage, separation, divorce, death, birth or placement of a child for adoption, experiences a change in family composition affecting eligibility under a group health plan, individual health plan, or employee health benefit plan;

(2) experiences a change in employment status, as described in section 603(2) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1163(2)), that causes the loss of eligibility for coverage, other than COBRA continuation coverage under a group health plan, individual health plan, or employee health benefit plan; or

(3) experiences a loss of eligibility under a group health plan, individual health plan, or employee health benefit plan because of a change in the employment status of a family member;

each employee health benefit plan and each group health plan shall provide for a special enrollment period extending for a reasonable time after such event that would permit the participant to change the individual or family basis of coverage or to enroll in the plan if coverage would have been available to such individual, participant, or beneficiary but for failure to enroll during a previous enrollment period. Such a special enrollment period shall ensure that a child born or placed for adoption shall be deemed to be covered under the plan as of the date of such birth or placement for adoption if such child is enrolled within 30 days of the date of such birth or placement for adoption.

SEC. 105. DISCLOSURE OF INFORMATION.

(a) DISCLOSURE OF INFORMATION BY HEALTH PLAN ISSUERS.—

(1) IN GENERAL.—In connection with the offering of any group health plan to a small employer (as defined under applicable State law, or if not so defined, an employer with not more than 50 employees), a health plan issuer shall make a reasonable disclosure to such employer, as part of its solicitation and sales materials, of—

(A) the provisions of such group health plan concerning the health plan issuer's right to change premium rates and the factors that may affect changes in premium rates;

(B) the provisions of such group health plan relating to renewability of coverage;

(C) the provisions of such group health plan relating to any preexisting condition provision; and

(D) descriptive information about the benefits and premiums available under all group health plans for which the employer is qualified.

Information shall be provided to small employers under this paragraph in a manner determined to be understandable by the average small employer, and shall be sufficiently accurate and comprehensive to reasonably inform small employers, participants and beneficiaries of their

rights and obligations under the group health plan.

(2) EXCEPTION.—With respect to the requirement of paragraph (1), any information that is proprietary and trade secret information under applicable law shall not be subject to the disclosure requirements of such paragraph.

(3) CONSTRUCTION.—Nothing in this subsection shall be construed to preempt State reporting and disclosure requirements to the extent that such requirements are not preempted under section 514 of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1144).

(b) DISCLOSURE OF INFORMATION TO PARTICIPANTS AND BENEFICIARIES.—

(1) IN GENERAL.—Section 104(b)(1) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1024(b)(1)) is amended in the matter following subparagraph (B)—

(A) by striking ''102(a)(1),'' and inserting ''102(a)(1) that is not a material reduction in covered services or benefits provided,''; and

(B) by adding at the end thereof the following new sentences: ''If there is a modification or change described in section 102(a)(1) that is a material reduction in covered services or benefits provided, a summary description of such modification or change shall be furnished to participants not later than 60 days after the date of the adoption of the modification or change. In the alternative, the plan sponsors may provide such description at regular intervals of not more than 90 days. The Secretary shall issue regulations within 180 days after the date of enactment of the Health Insurance Reform Act of 1996, providing alternative mechanisms to delivery by mail through which employee health benefit plans may notify participants of material reductions in covered services or benefits.''.

(2) PLAN DESCRIPTION AND SUMMARY.—Section 102(b) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1022(b)) is amended—

(A) by inserting ''including the office or title of the individual who is responsible for approving or denying claims for coverage of benefits'' after ''type of administration of the plan'';

(B) by inserting ''including the name of the organization responsible for financing claims'' after ''source of financing of the plan''; and

Subtitle B—Individual Market Rules

SEC. 110. INDIVIDUAL HEALTH PLAN PORTABILITY.

(a) LIMITATION ON REQUIREMENTS.—

(1) IN GENERAL.—Except as provided in subsections (c) and (d), a health plan issuer described in paragraph (3) may not, with respect to an eligible individual (described in subsection (b)) desiring to enroll in an individual health plan—

(A) decline to offer coverage to, or deny enrollment of, such individual; or

(B) impose a limitation or exclusion of benefits, otherwise available under such plan, for which coverage was available under the group health plan or employee health benefit plan in which the individual was previously enrolled.

(2) HEALTH PROMOTION AND DISEASE PREVENTION.—Nothing in this subsection shall be construed to prevent a health plan issuer offering an individual health plan from establishing premium discounts or modifying otherwise applicable copayments or deductibles in return for adherence to programs of health promotion or disease prevention.

(3) HEALTH PLAN ISSUER.—A health plan issuer described in this paragraph is a health plan issuer that issues or renews individual health plans.

(4) PREMIUMS.—Nothing in this subsection shall be construed to affect the determination of a health plan issuer as to the amount of the premium payable under an individual health plan under applicable State law.

(b) DEFINITION OF ELIGIBLE INDIVIDUAL.—As used in subsection (a)(1), the term ''eligible individual'' means an individual who—

(1) was a participant or beneficiary enrolled under one or more group health plans or employee health benefit plans for not less than 18 months (without a lapse of more than 30 days) immediately prior to the date on which such individual applies for enrollment in the individual health plan;

(2) is not eligible for coverage under a group health plan or an employee health benefit plan;

(3) has not had coverage terminated under a group health plan or employee health benefit plan for failure to make required premium payments or contributions, or for fraud or misrepresentation of material fact; and

(4) has, if applicable, elected coverage and exhausted the maximum period of coverage as described in section 602(2)(A) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1162(2)(A)) or under a State program providing an extension of such coverage.

(c) APPLICATION OF CAPACITY LIMITS.—

(1) IN GENERAL.—Subject to paragraph (2), a health plan issuer offering coverage to individuals under an individual health plan may cease enrolling individuals under the plan if—

(A) the health plan issuer ceases to enroll any new individuals; and

(B) the health plan issuer can demonstrate to the applicable certifying authority (as defined in section 202(d)), if required, that its financial or provider capacity to serve previously covered individuals will be impaired if the health plan issuer is required to enroll additional individuals.

Such a health plan issuer shall be prohibited from offering coverage after a cessation in offering coverage under this paragraph for a 6-month period or until the health plan issuer can demonstrate to the applicable certifying authority (as defined in section 202(d)) that the health plan issuer has adequate capacity, whichever is later.

(2) FIRST-COME-FIRST-SERVED.—A health plan issuer offering coverage to individuals under an individual health plan is only eligible to exercise the limitations provided for in paragraph (1) if the health plan issuer provides for enrollment of individuals under such plan on a first-come-first-served basis or other basis established by a State to ensure a fair opportunity to enroll in the plan and avoid risk selection.

(d) MARKET REQUIREMENTS.—

(1) IN GENERAL.—The provisions of subsection (a) shall not be construed to require that a health plan issuer offering group health plans to group purchasers offer individual health plans to individuals.

(2) CONVERSION POLICIES.—A health plan issuer offering group health plans to group purchasers under this Act shall not be deemed to be a health plan issuer offering an individual health plan solely because such health plan issuer offers a conversion policy.

(3) MARKETING OF PLANS.—Nothing in this section shall be construed to prevent a State from requiring health plan issuers offering coverage to individuals under an individual health plan to actively market such plan.

(4) CONSTRUCTION.—Nothing in this Act shall be construed to require that a State replace or dissolve high risk pools or other similar State mechanisms which are designed to provide individuals in such State with access to health benefits.

SEC. 111. GUARANTEED RENEWABILITY OF INDIVIDUAL HEALTH COVERAGE.

(a) IN GENERAL.—Subject to subsections (b) and (c), coverage for individuals under an individual health plan shall be renewed or continued in force by a health plan issuer at the option of the individual, except that the requirement of this subsection shall not apply in the case of—

(1) the nonpayment of premiums or contributions by the individual in accordance with the terms of the individual health plan or where the health plan issuer has not received timely premium payments;

(2) fraud or misrepresentation of material fact on the part of the individual; or

(3) the termination of the individual health plan in accordance with subsection (b).

(b) TERMINATION OF INDIVIDUAL HEALTH PLANS.—

(1) PARTICULAR TYPE OF INDIVIDUAL HEALTH PLAN NOT OFFERED.—In any case in which a health plan issuer decides to discontinue offering a particular type of individual health plan to individuals, an individual health plan may be discontinued by the health plan issuer only if—

(A) the health plan issuer provides notice to each individual covered under the plan of such discontinuation at least 90 days prior to the date of the expiration of the plan;

(B) the health plan issuer offers to each individual covered under the plan the option to purchase any other individual health plan currently being offered by the health plan issuer to individuals; and

(C) in exercising the option to discontinue the individual health plan and in offering one or more replacement plans, the health plan issuer acts uniformly without regard to the health status or insurability of particular individuals.

(2) DISCONTINUANCE OF ALL INDIVIDUAL HEALTH PLANS.—In any case in which a health plan issuer elects to discontinue all individual health plans in a State, an individual health plan may be discontinued by the health plan issuer only if—

(A) the health plan issuer provides notice to the applicable certifying authority (as defined in section 202(d)) and to each individual covered under the plan of such discontinuation at least 180 days prior to the date of the discontinuation of the plan; and

(B) all individual health plans issued or delivered for issuance in the State are discontinued and coverage under such plans is not renewed.

(3) PROHIBITION ON MARKET REENTRY.—In the case of a discontinuation under paragraph (2), the health plan issuer may not provide for the issuance of any individual health plan in the State involved during the 5-year period beginning on the date of the discontinuation of the last plan not so renewed.

(c) TREATMENT OF NETWORK PLANS.—

(1) GEOGRAPHIC LIMITATIONS.—A health plan issuer which offers a network plan (as defined in paragraph (2)) may deny continued participation under the plan to individuals who neither live, reside, nor work in an area in which the individual health plan is offered, but only if such denial is applied uniformly, without regard to health status or the insurability of particular individuals.

(2) NETWORK PLAN.—As used in paragraph (1), the term ''network plan'' means an individual health plan that arranges for the financing and delivery of health care services to individuals covered under such health plan, in whole or in part, through arrangements with providers.

SEC. 112. STATE FLEXIBILITY IN INDIVIDUAL MARKET REFORMS.

(a) ADOPTION OF ALTERNATIVE MECHANISMS.—

(1) IN GENERAL.—A State, in accordance with this section, may adopt alternative mechanisms (public or private) that are designed to provide access to affordable health benefits for individuals meeting the requirements of sections 110(b) and 111 (such as mechanisms providing for guaranteed issue, open enrollment by one or more health plan issuers, high-risk pools, mandatory conversion policies, or any combination thereof).

(2) PROCEDURE FOR STATE ELECTION.—If, not later than 6 months after the date of enactment

of this Act, the Governor of a State notifies the Secretary of Health and Human Services that—

(A) the State has adopted an alternative mechanism that achieves the goals of sections 110 and 111; or

(B) the State intends to implement an alternative mechanism that is designed to achieve the goals of sections 110 and 111;

such State alternative mechanism shall, except as provided in paragraphs (3) and (4), apply in lieu of the standards described in sections 110 and 111.

(3) NONAPPLICATION OF MECHANISM.—A State alternative mechanism adopted under paragraph (1) shall be presumed to achieve the goals of sections 110 and 111 and shall apply in lieu of such sections, unless the Secretary of Health and Human Services, in consultation with the Governor and Insurance Commissioner or chief insurance regulatory official of the State, finds that the State alternative mechanism fails to—

(A) offer coverage to those individuals who meet the requirements of sections 110(b) and 111;

(B) prohibit a limitation or exclusion of benefits relating to treatment of a preexisting condition that was covered under the previous group health plan or employee health benefit plan of an individual who meets the requirements of sections 110(b) and 111;

(C) offer individuals who meet the requirements of sections 110(b) and 111 a choice of individual health plans, including at least one plan comparable to comprehensive plans offered in the individual market in such State or a plan comparable to a standard option plan available under the group or individual health insurance laws of such State; or

(D) except as provided in paragraph (4), implement a risk spreading mechanism, cross subsidy mechanism, risk adjustment mechanism, rating limitation or other mechanism (such as mechanisms described in the NAIC Model Health Plan for Uninsurable Individuals Act) designed to reduce the variation among the cost of such plans and other individual health plans offered by the carrier or available in such State.

(4) CHOICE OF PLANS.—The Secretary of Health and Human Services shall waive the requirement in subparagraph (D) of paragraph (3) with respect to a State if individuals who meet the requirements of sections 110(b) and 111 in such State are provided with a choice of all individual health plans otherwise available in the individual market.

(5) FUTURE ADOPTION OF MECHANISMS.—With respect to a State that implements an alternative mechanism under paragraph (1) after the period referred to in paragraph (2)—

(A) the State shall provide notice to the Secretary that such alternative mechanism achieves the goals of sections 110 and 111;

(B) the State alternative mechanism shall apply in lieu of sections 110 and 111;

(C) except as provided in subsections (d) and (e), the Secretary may make a determination as provided for in paragraph (3); and

(D) the procedures described in subsection (c) shall apply.

(b) TIMEFRAME FOR SECRETARIAL DETERMINATION.—

(1) IN GENERAL.—With respect to a State election under subsection (a)(2)(B), the Secretary of Health and Human Services shall not make a determination under subsection (a)(3) until the expiration of the 12-month period beginning on the date on which such notification is made, or until January 1, 1998, whichever is later.

(2) RULE APPLICABLE TO CERTAIN STATES.—With respect to a State that makes an election under subsection (a)(2)(B) and that has a legislature that does not meet within the 12-month period beginning on the date of enactment of this Act, the Secretary of Health and Human Services shall not make a determination under subsection (a) prior to January 1, 1999.

(c) NOTICE TO STATE.—If the Secretary of Health and Human Services determines that a State alternative mechanism fails to meet the criteria described in subsection (a)(3), or that such mechanism is no longer being implemented, the Secretary of Health and Human Services shall notify the Governor of such State of such preliminary determination and permit the State a reasonable opportunity in which to modify the alternative mechanism or to adopt another mechanism that is designed to meet the goals of sections 110 and 111. If, after an opportunity to modify such State alternative mechanism, the mechanism fails to meet the criteria described in subsection (a)(3), the Secretary shall notify the Governor of such State that sections 110 and 111 shall apply in the State.

(d) ADOPTION OF NAIC MODEL.—If, not later than 9 months after the date of enactment of this Act—

(1) the National Association of Insurance Commissioners (hereafter referred to as the ''NAIC''), through a process which the Secretary of Health and Human Services determines has included consultation with representatives of the insurance industry and consumer groups, has adopted a model act or acts including provisions addressing portability from a group health plan or employee health benefit plan into the individual health insurance market; and

(2) the Secretary of Health and Human Services determines, within 30 days of the adoption of such NAIC model act or acts, that such act or acts comply with the goals of sections 110 and 111;

a State that elects to adopt such model act or acts shall be deemed to have met the requirements of sections 110 and 111 and shall not be subject to a determination under subsection (a)(3).

(e) STATE HIGH RISK POOLS DEEMED IN COMPLIANCE.—If the Governor of a State notifies the Secretary of Health and Human Services in a timeframe consistent with either subsection (a)(2) or (a)(5) that such State has a high risk pool open to those individuals meeting the requirements of sections 110(b) and 111, that limits preexisting condition waiting periods consistent with section 110(a)(1)(B) and that with respect to premium rates and covered benefits is consistent with standards included in the NAIC Model Health Plan for Uninsurable Individuals Act, such State high risk pool shall be deemed to have met the requirements of sections 110 and 111 and shall not be subject to a determination under subsection (a)(3).

SEC. 113. DEFINITION.

Subtitle D—Private Health Plan Purchasing Cooperatives

SEC. 131. PRIVATE HEALTH PLAN PURCHASING COOPERATIVES.

(a) DEFINITION.—As used in this Act, the term ''health plan purchasing cooperative'' means a group of employees or a group of individuals and employers that, on a voluntary basis and in accordance with this section, form a cooperative for the purpose of purchasing individual health plans or group health plans offered by health plan issuers.

(b) CERTIFICATION.—

(1) REQUIREMENT.—If a group described in subsection (a), desires to form a health plan purchasing cooperative in accordance with this section and such group appropriately notifies the State and the Secretary of such desire, the State, upon a determination that such group meets the requirements of this section, shall certify the group as a health plan purchasing cooperative. The State shall make a determination of whether such group meets the requirements of this section in a timely fashion and shall oversee the operations of such cooperative in order to ensure continued compliance with the requirements of this section. Each such cooperative shall also be registered with the Secretary.

(2) STATE REFUSAL TO CERTIFY.—

(A) IN GENERAL.—If a State fails to implement a program for certifying health plan purchasing cooperatives in accordance with the standards under this Act, the Secretary shall certify and oversee the operations of such cooperatives in such State.

(B) EXCEPTION.—The Secretary shall not certify a health plan purchasing cooperative described in this section if, upon the submission of an application by the State to the Secretary, the Secretary determines that under a State law in effect on the date of enactment of this Act, all small employers have a means readily available that ensures—

(i) that individuals and employees have a choice of multiple, unaffiliated health plan issuers;

(ii) that health plan coverage is subject to State premium rating requirements that are not based on the factors described in subsection (f)(3) and that contains a mandatory minimum loss ratio; and

(iii) that comparative health plan materials are disseminated consistent with subsection (e)(1)(D);

and that otherwise meets the objectives of this Act.

(3) INTERSTATE COOPERATIVES.—For purposes of this section, a health plan purchasing cooperative operating in more than one State shall be certified by the State in which the cooperative is domiciled. States may enter into cooperative agreements for the purpose of overseeing the operation of such cooperatives. For purposes of this subsection, a cooperative shall be considered to be domiciled in the State in which most of the members of the cooperative reside.

(c) BOARD OF DIRECTORS.—

(1) IN GENERAL.—Each health plan purchasing cooperative shall be governed by a Board of Directors that shall be responsible for ensuring the performance of the duties of the cooperative under this section. The Board shall be composed of a broad cross-section of representatives of employers, employees, and individuals participating in the cooperative.

(2) LIMITATION ON COMPENSATION.—A health plan purchasing cooperative may not provide compensation to members of the Board of Directors. The cooperative may provide reimbursements to such members for the reasonable and necessary expenses incurred by the members in the performance of their duties as members of the Board.

(d) MEMBERSHIP AND MARKETING AREA.—

(1) MEMBERSHIP.—A health plan purchasing cooperative may establish limits on the maximum size of employers who may become members of the cooperative, and may determine whether to permit individuals to become members. Upon the establishment of such membership requirements, the cooperative shall, except as provided in subparagraph (B), accept all employers (or individuals) residing within the area served by the cooperative who meet such requirements as members on a first come, first-served basis, or on another basis established by the State to ensure equitable access to the cooperative.

(2) MARKETING AREA.—A State may establish rules regarding the geographic area that must be served by health plan purchasing cooperatives to ensure that cooperatives do not discriminate on the basis of the health status or insurability of the populations that reside in the area served. A State may not use such rules to arbitrarily limit the number of health plan purchasing cooperatives.

(e) DUTIES AND RESPONSIBILITIES.—

(1) IN GENERAL.—A health plan purchasing cooperative shall—

(A) objectively evaluate potential health plan issuers and enter into agreements with multiple, unaffiliated health plan issuers, except that the requirement of this subparagraph shall not apply in regions (such as remote or frontier areas) in which compliance with such requirement is not possible;

(B) enter into agreements with employers and individuals who become members of the cooperative;

(C) participate in any program of risk-adjustment or reinsurance, or any similar program, that is established by the State;

(D) prepare and disseminate comparative health plan materials (including information about cost, quality, benefits, and other information concerning group health plans and individual health plans offered through the cooperative);

(E) broadly solicit and actively market to all eligible employers and individuals residing within the service area; and

(F) act as an ombudsman for group health plan or individual health plan enrollees.

(2) PERMISSIBLE ACTIVITIES.—A health plan purchasing cooperative may perform such other functions as necessary to further the purposes of this Act, including—

(A) collecting and distributing premiums and performing other administrative functions;

(B) collecting and analyzing surveys of enrollee satisfaction;

(C) charging membership fee to enrollees (such fees may not be based on health status) and charging participation fees to health plan issuers;

(D) cooperating with (or accepting as members) employers who provide health benefits directly to participants and beneficiaries only for the purpose of negotiating with providers; and

(E) negotiating with health care providers and health plan issuers.

(f) LIMITATIONS ON COOPERATIVE ACTIVITIES.—A health plan purchasing cooperative shall not—

(1) perform any activity relating to the licensing of health plan issuers;

(2) assume financial risk directly or indirectly on behalf of members of a health plan purchasing cooperative relating to any group health plan or individual health plan;

(3) establish eligibility, enrollment, or premium contribution requirements for individual participants or beneficiaries based on health status, medical condition, claims experience, receipt of health care, medical history, evidence of insurability, genetic information, or disability;

(4) operate on a for-profit or other basis where the legal structure of the cooperative permits profits to be made and not returned to the members of the cooperative, except that a for-profit health plan purchasing cooperative may be formed by a nonprofit organization or organizations—

(A) in which membership in such organization is not based on health status, medical condition, claims experience, receipt of health care, medical history, evidence of insurability, genetic information, or disability; and

(B) that accepts as members all employers or individuals on a first-come, first-served basis, subject to any established limit on the maximum size of an employer that may become a member; or

(5) perform any other activities that conflict or are inconsistent with the performance of its duties under this Act.

(g) CONFLICT OF INTEREST.—

(1) PROHIBITION.—No individual, partnership, or corporation shall serve on the board of a health plan purchasing cooperative, be employed by such a cooperative, receive compensation from such a cooperative, or initiate or finance such a cooperative if such individual, partnership, or corporation—

(A) fails to discharge the duties and responsibilities of such individual, partnership or corporation in a manner that is solely in the interest of the members of the cooperative; or

(B) derives personal benefit (other than in the form of ordinary compensation received) from the sale of, or has a financial interest in, health plans, services or products sold by or distributed through that cooperative.

(2) CONTRACTS WITH THIRD PARTIES.—Nothing in paragraph (1) shall be construed to prohibit the board of directors of a health plan purchasing cooperative, or its officers, at the initiative

and under this direction of the board, from contracting with third parties to provide administrative, marketing, consultive, or other services to the cooperative.

(h) LIMITED PREEMPTION OF CERTAIN STATE LAWS.—

(1) IN GENERAL.—With respect to a health plan purchasing cooperative that meets the requirements of this section, State fictitious group laws shall be preempted.

(2) HEALTH PLAN ISSUERS.—

(A) RATING.—Except as provided in subparagraph (B), a health plan issuer offering a group health plan or individual health plan through a health plan purchasing cooperative that meets the requirements of this section shall comply with all State rating requirements that would otherwise apply if the health plan were offered outside of the cooperative.

(B) EXCEPTION.—A State shall permit a health plan issuer to reduce premium rates negotiated with a health plan purchasing cooperative that meets the requirements of this section to reflect savings derived from administrative costs, marketing costs, profit margins, economies of scale, or other factors, except that any such reduction in premium rates may not be based on the health status, demographic factors, industry type, duration, or other indicators of health risk of the members of the cooperative.

(C) BENEFITS.—Except as provided in subparagraph (D), a health plan issuer offering a group health plan or individual health plan through a health plan purchasing cooperative shall comply with all State mandated benefit laws that require the offering of any services, category of care, or services of any class or type of provider.

(D) EXCEPTION.—In those States that have enacted laws authorizing the issuance of alternative benefit plans to small employers, health plan issuers may offer such alternative benefit plans through a health plan purchasing cooperative that meets the requirements of this section.

(i) RULES OF CONSTRUCTION.—Nothing in this section shall be construed to—

(1) require that a State organize, operate, or otherwise create health plan purchasing cooperatives;

(2) otherwise require the establishment of health plan purchasing cooperatives;

(3) require individuals, plan sponsors, or employers to purchase group health plans or individual health plans through a health plan purchasing cooperative;

(4) preempt a State from requiring licensure for individuals who are involved in directly supplying advice or selling health plans on behalf of a purchasing cooperative;

(5) require that a health plan purchasing cooperative be the only type of purchasing arrangement permitted to operate in a State;

(6) confer authority upon a State that the State would not otherwise have to regulate health plan issuers or employee health benefits plans;

(7) confer authority upon a State (or the Federal Government) that the State (or Federal Government) would not otherwise have to regulate group purchasing arrangements, coalitions, association plans, or other similar entities that do not desire to become a health plan purchasing cooperative in accordance with this section; or

(8) except as specifically provided otherwise in this subsection, prevent the application of State laws and regulations otherwise applicable to health plan issuers offering group health plans or individual health plans through a health plan purchasing cooperative.

(j) APPLICATION OF ERISA.—For purposes of enforcement only, the requirements of parts 4 and 5 of subtitle B of title I of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1101) shall apply to a health plan purchasing cooperative as if such plan were an employee welfare benefit plan.

TITLE II—APPLICATION AND ENFORCEMENT OF STANDARDS

SEC. 201. APPLICABILITY.

(a) CONSTRUCTION.—

(1) ENFORCEMENT.—

(A) IN GENERAL.—A requirement or standard imposed under this Act on a group health plan or individual health plan offered by a health plan issuer shall be deemed to be a requirement or standard imposed on the health plan issuer. Such requirements or standards shall be enforced by the State insurance commissioner for the State involved or the official or officials designated by the State to enforce the requirements of this Act. In the case of a group health plan offered by a health plan issuer in connection with an employee health benefit plan, the requirements or standards imposed under this Act shall be enforced with respect to the health plan issuer by the State insurance commissioner for the State involved or the official or officials designated by the State to enforce the requirements of this Act.

(B) LIMITATION.—Except as provided in subsection (c), the Secretary shall not enforce the requirements or standards of this Act as they relate to health plan issuers, group health plans, or individual health plans. In no case shall a State enforce the requirements or standards of this Act as they relate to employee health benefit plans.

(2) PREEMPTION OF STATE LAW.—Nothing in this Act shall be construed to prevent a State from establishing, implementing, or continuing in effect standards and requirements—

(A) not prescribed in this Act; or

(B) related to the issuance, renewal, or portability of health insurance or the establishment or operation of group purchasing arrangements, that are consistent with, and are not in direct conflict with, this Act and provide greater protection or benefit to participants, beneficiaries or individuals.

(b) RULE OF CONSTRUCTION.—Nothing in this Act shall be construed to affect or modify the provisions of section 514 of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1144).

(c) CONTINUATION.—Nothing in this Act shall be construed as requiring a group health plan or an employee health benefit plan to provide benefits to a particular participant or beneficiary, to all participants or beneficiaries, or to any class or group of participants or beneficiaries, in excess of or other than those provided under the terms of such plan.

SEC. 202. ENFORCEMENT OF STANDARDS.

(a) HEALTH PLAN ISSUERS.—Each State shall require that each group health plan and individual health plan issued, sold, renewed, offered for sale or operated in such State by a health plan issuer meet the standards established under this Act pursuant to an enforcement plan filed by the State with the Secretary. (a) IN GENERAL.—Section 1301(b) of the Public Health Service Act (42 U.S.C. 300e(b)) is amended by adding at the end the following new paragraph:

''(6)(A) If a member certifies that a medical savings account has been established for the benefit of such member, a health maintenance organization may, at the request of such member reduce the basic health services payment otherwise determined under paragraph (1) by requiring the payment of a deductible by the member for basic health services.

''(B) For purposes of this paragraph, the term 'medical savings account' means an account which, by its terms, allows the deposit of funds and the use of such funds and income derived from the investment of such funds for the payment of the deductible described in subparagraph (A).''.

(b) MEDICAL SAVINGS ACCOUNTS.—It is the sense of the Committee on Labor and Human Resources of the Senate that the establishment of medical savings accounts, including those defined in section 1301(b)(6)(B) of the Public Health Service Act (42 U.S.C. 300e(b)(6)(B)), should be encouraged as part of any health insurance reform legislation passed by the Senate through the use of tax incentives relating to contributions to, the income growth of, and the qualified use of, such accounts.

(c) SENSE OF THE SENATE.—It is the sense of the Senate that the Congress should take measures to further the purposes of this Act, including any necessary changes to the Internal Revenue Code of 1986 to encourage groups and individuals to obtain health coverage, and to promote access, equity, portability, affordability, and security of health benefits.

(c) EVALUATION OF EFFECTIVENESS.—Not later than January 1, 1999, the Secretary of Health and Human Services shall prepare and submit to the appropriate committees of Congress a report, concerning the effectiveness of the provisions of this Act and the various State laws, in ensuring the availability of reasonably priced health coverage to employers purchasing group coverage and individuals purchasing coverage on a non-group basis.

(2) an evaluation of the cost to the insurer of providing out-of-network access to providers, and the feasibility of providing out-of-network access in all health plans offered under provisions of this Act; and

This report shall include an analysis of the cost of services provided via telemedicine.

SEC. 304. SENSE OF THE COMMITTEE CONCERNING MEDICARE.

(a) FINDINGS.—The Committee on Labor and Human Resources of the Senate finds that the Public Trustees of Medicare concluded in their 1995 Annual Report that—

(1) the Medicare program is clearly unsustainable in its present form;

(2) ''the Hospital Insurance Trust Fund, which pays inpatient hospital expenses, will be able to pay benefits for only about 7 years and is severely out of financial balance in the long range''; and

(3) the Public Trustees ''strongly recommend that the crisis presented by the financial condition of the Medicare trust fund be urgently addressed on a comprehensive basis, including a review of the programs's financing methods, benefit provisions, and delivery mechanisms''.

(b) SENSE OF THE COMMITTEE.—It is the Sense of the Committee on Labor and Human Resources of the Senate that the Senate should take measures necessary to reform the Medicare program, to provide increased choice for seniors, and to respond to the findings of the Public Trustees by protecting the short-term solvency and long-term sustainability of the Medicare program.

SEC. 305. PARITY FOR MENTAL HEALTH SERVICES.

(a) PROHIBITION.—An employee health benefit plan, or a health plan issuer offering a group health plan or an individual health plan, shall not impose treatment limitations or financial requirements on the coverage of mental health services if similar limitations or requirements are not imposed on coverage for services for other conditions.

(b) RULE OF CONSTRUCTION.—Nothing in subsection (a) shall be construed as prohibiting an employee health benefit plan, or a health plan issuer offering a group health plan or an individual health plan, from requiring preadmission screening prior to the authorization of services covered under the plan or from applying other limitations that restrict coverage for mental health services to those services that are medically necessary.

SEC. 306. WAIVER OF FOREIGN COUNTRY RESIDENCE REQUIREMENT WITH RESPECT TO INTERNATIONAL MEDICAL GRADUATES.

(c) RESTRICTIONS ON FEDERALLY REQUESTED WAIVERS.—Section 214(k) (8 U.S.C. 1184(k)) is amended to read as follows:

''(k)(1) In the case of a request by an interested State agency or by an interested United States Government agency for a waiver of the two-year foreign residence requirement under section 212(e) with respect to an alien described in clause (iii) of that section, the Attorney General shall not grant such waiver unless—

''(A) in the case of an alien who is otherwise contractually obligated to return to a foreign country, the government of such country furnishes the Director of the United States Information Agency with a statement in writing that it has no objection to such waiver; and

''(B)(i) in the case of a request by an interested State agency—

''(I) the alien demonstrates a bona fide offer of full-time employment, agrees to begin employment with the health facility or organization named in the waiver application within 90 days of receiving such waiver, and agrees to work for a total of not less than three years (unless the Attorney General determines that extenuating circumstances exist, such as closure of the facility or hardship to the alien would justify a lesser period of time); and

''(II) the alien's employment continues to benefit the public interest; or

''(ii) in the case of a request by an interested United States Government agency—

''(I) the alien demonstrates a bona fide offer of full-time employment that has been found to be in the public interest, agrees to begin employment with the health facility or organization named in the waiver application within 90 days of receiving such waiver, and agrees to work for a total of not less than three years (unless the Attorney General determines that extenuating circumstances exist, such as closure of the facility or hardship to the alien would justify a lesser period of time); and

''(II) the alien's employment continues to benefit the public interest;

''(C) in the case of a request by an interested State agency, the alien agrees to practice medicine in accordance with paragraph (2) for a total of not less than three years only in the geographic area or areas which are designated by the Secretary of Health and Human Services as having a shortage of health care professionals; and

''(D) in the case of a request by an interested State agency, the grant of such a waiver would not cause the number of waivers allotted for that State for that fiscal year to exceed 20.

''(2)(A) Notwithstanding section 248(2) the Attorney General may change the status of an alien that qualifies under this subsection and section 212(e) to that of an alien described in section 101(a)(15)(H)(i)(b).

(C) encourage family members to request or authorize organ and tissue donation if the occasion arises.

SEC. 308. SENSE OF THE SENATE REGARDING ADEQUATE HEALTH CARE COVERAGE FOR ALL CHILDREN AND PREGNANT WOMEN.

(a) FINDINGS.—The Senate finds the following:

(1) The health care coverage of mothers and children in the United States is unacceptable, with more than 9,300,000 children and 500,000 expectant mothers having no health insurance.

(2) Among industrial nations, the United States ranks 1st in wealth but 18th in infant mortality, and 14th among such nations in maternal mortality.

(3) 22 percent of pregnant women do not have prenatal care in the first trimester, and 22 percent of all poor children are uninsured, despite the medicaid program under title XIX of the Social Security Act.

(4) Of the 1,100,000 net increase in uninsured persons from 1992 to 1993, 84 percent or 922,500 were children.

(5) Since 1987, the number of children covered by employment based health insurance has decreased, and many children lack health insurance despite the relative affordability of providing insurance for children.

(6) Health care coverage for children is relatively inexpensive and in 1993 the medicaid program spent an average of $1,012 per child compared to $8,220 per elderly adult.

(7) Uninsured children are generally children of lower income workers, who are less likely than higher income workers to have health insurance for their families because they are less likely to work for a firm that offers insurance, and if such insurance is offered, it is often too costly for lower income workers to purchase.

(8) In 1993, 61 percent of uninsured children were in families with at least one parent working full time for the entire year the child was uninsured, and about 57 percent of uninsured children had a family income at or below 150 percent of the Federal poverty level.

(9) If Congress eliminates the Federal guarantee of medicaid, an estimated 4,900,000 children may lose their guarantee of health care coverage, and those same children may be added to the currently projected 12,600,000 children who will be uninsured by the year 2002.

(10) Studies have shown that uninsured children are less likely than insured children to receive needed health and preventive care, which can affect their health status adversely throughout their lives, with such children less likely to have routine doctor visits, receive care for injuries, and have a regular source of medical care.

(11) The families of uninsured children are more likely to take the children to an emergency room than to a private physician or health maintenance organization.

(12) Children without health insurance are less likely to be appropriately immunized or receive other preventive care for childhood illnesses.

(13) Ensuring the health of children clearly increases their chances to become productive members of society and averts more serious or more expensive health conditions later in life, and ensuring that all pregnant women receive competent prenatal care also saves social costs.

(14) Although the United States has made great improvements in health care coverage through the medicaid program, it is still the only developed nation that does not ensure that all of its children and pregnant women have health care coverage.

(15) The United States should not accept a status quo in which children in many neighborhoods are more likely to have access to drugs and guns than to doctors, or accept a status quo in which health care is ensured for all prisoners but not for all children.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that the issue of adequate health care for our mothers and children is important to the future of the United States, and in consideration of the importance of such issue, the Senate should pass health care legislation that will ensure health care coverage for all of the United States's pregnant women and children.

SEC. 309. SENSE OF THE SENATE REGARDING AVAILABLE TREATMENTS.

It is the sense of the Senate that the Senate finds that patients deserve to know the full range of treatments available to them and Congress should thoughtfully examine these issues to ensure that all patients get the care they deserve.

SEC. 310. MEDICAL VOLUNTEERS.

(a) SHORT TITLE.—This title may be cited as the ''Medical Volunteer Act''.

(B) provides the recipient of the health care service with adequate notice (as determined by the Secretary) of the limited liability of the health care professional with respect to the service.

(2) by adding at the end the following new paragraph:

''(A) IN GENERAL.—If an expatriate elects the application of this paragraph—

''(i) this section (other than this paragraph) shall not apply to the expatriate, but

''(ii) the expatriate shall be subject to tax under this title, with respect to property to which this section would apply but for such election, in the same manner as if the individual were a United States citizen.

''(B) LIMITATION ON AMOUNT OF ESTATE, GIFT, AND GENERATION-SKIPPING TRANSFER TAXES.—The aggregate amount of taxes imposed under subtitle B with respect to any transfer of property by reason of an election under subparagraph (A) shall not exceed the amount of income tax which would be due if the property were sold for its fair market value immediately before the time of the transfer or death (taking into account the rules of paragraph (2)).

of any tax which may be imposed by reason of this paragraph, and

''(iii) complies with such other requirements as the Secretary may prescribe.

''(D) ELECTION.—An election under subparagraph (A) shall apply to all property to which this section would apply but for the election and, once made, shall be irrevocable. Such election shall also apply to property the basis of which is determined in whole or in part by reference to the property with respect to which the election was made.

''(b) ELECTION TO DEFER TAX.—

''(1) IN GENERAL.—If the taxpayer elects the application of this subsection with respect to any property—

''(A) no amount shall be required to be included in gross income under subsection (a)(1) with respect to the gain from such property for the taxable year of the sale, but

''(B) the taxpayer's tax for the taxable year in which such property is disposed of shall be increased by the deferred tax amount with respect to the property.

Except to the extent provided in regulations, subparagraph (B) shall apply to a disposition whether or not gain or loss is recognized in whole or in part on the disposition.

''(A) IN GENERAL.—For purposes of paragraph (1), the term 'deferred tax amount' means, with respect to any property, an amount equal to the sum of—

''(I) beginning on the 91st day after the expatriation date, and

''(II) ending on the due date for the taxable year described in paragraph (1)(B),

by using the rates and method applicable under section 6621 for underpayments of tax for such period.

''(ii) the taxpayer otherwise establishes to the satisfaction of the Secretary that the security is adequate.

''(4) WAIVER OF CERTAIN RIGHTS.—No election may be made under paragraph (1) unless the taxpayer consents to the waiver of any right under any treaty of the United States which would preclude assessment or collection of any tax imposed by reason of this section.

''(5) DISPOSITIONS.—For purposes of this subsection, a taxpayer making an election under this subsection with respect to any property shall be treated as having disposed of such property—

''(A) immediately before death if such property is held at such time, and

''(B) at any time the security provided with respect to the property fails to meet the requirements of paragraph (3) and the taxpayer does not correct such failure within the time specified by the Secretary.

''(6) ELECTIONS.—An election under paragraph (1) shall only apply to property described in the election and, once made, is irrevocable. An election may be under paragraph (1) with respect to an interest in a trust with respect to which gain is required to be recognized under subsection (f)(1).

''(B) whose net worth as of such date is $500,000 or more.

If the expatriation date is after 1996, such $100,000 and $500,000 amounts shall be increased by an amount equal to such dollar amount multiplied by the cost-of-living adjustment determined under section 1(f)(3) for such calendar year by substituting '1995' for '1992' in subparagraph (B) thereof. Any increase under the preceding sentence shall be rounded to the nearest multiple of $1,000.

''(2) EXCEPTIONS.—An individual shall not be treated as a covered expatriate if—

''(ii) the individual has been a resident of the United States (as so defined) for not more than 5 taxable years before the date of relinquishment.

''(d) PROPERTY TO WHICH SECTION APPLIES.—For purposes of this section—

''(1) IN GENERAL.—Except as otherwise provided by the Secretary, this section shall apply to—

''(A) any interest in property held by a covered expatriate on the expatriation date the gain from which would be includible in the gross income of the expatriate if such interest had been sold for its fair market value on such date in a transaction in which gain is recognized in whole or in part, and

For purposes of the preceding sentence, an individual shall not be treated as a lawful permanent resident for any taxable year if such individual is treated as a resident of a foreign country for the taxable year under the provisions of a tax treaty between the United States and the foreign country and does not waive the benefits of such treaty applicable to residents of the foreign country.

''(B) SPECIAL RULE.—For purposes of subparagraph (A), there shall not be taken into account—

''(ii) any taxable year prior to the taxable year referred to in clause (i).

''(f) SPECIAL RULES APPLICABLE TO BENEFICIARIES' INTERESTS IN TRUST.—

''(1) IN GENERAL.—Except as provided in paragraph (2), if an individual is determined under paragraph (3) to hold an interest in a trust—

''(A) the individual shall not be treated as having sold such interest,

''(B) such interest shall be treated as a separate share in the trust, and

''(C)(i) such separate share shall be treated as a separate trust consisting of the assets allocable to such share,

''(ii) the separate trust shall be treated as having sold its assets immediately before the expatriation date for their fair market value and as having distributed all of its assets to the individual as of such time, and

''(iii) the individual shall be treated as having recontributed the assets to the separate trust.

Subsection (a)(2) shall apply to any income, gain, or loss of the individual arising from a distribution described in subparagraph (C)(ii).

''(2) SPECIAL RULES FOR INTERESTS IN QUALIFIED TRUSTS.—

''(A) IN GENERAL.—If the trust interest described in paragraph (1) is an interest in a qualified trust—

''(i) paragraph (1) and subsection (a) shall not apply, and

''(ii) in addition to any other tax imposed by this title, there is hereby imposed on each distribution with respect to such interest a tax in the amount determined under subparagraph (B).

''(i) the highest rate of tax imposed by section 1(e) for the taxable year in which the expatriation date occurs, multiplied by the amount of the distribution, or

''(ii) the balance in the deferred tax account immediately before the distribution determined without regard to any increases under subparagraph (C)(ii) after the 30th day preceding the distribution.

''(C) DEFERRED TAX ACCOUNT.—For purposes of subparagraph (B)(ii)—

''(i) OPENING BALANCE.—The opening balance in a deferred tax account with respect to any trust interest is an amount equal to the tax which would have been imposed on the allocable expatriation gain with respect to the trust interest if such gain had been included in gross income under subsection (a).

''(ii) INCREASE FOR INTEREST.—The balance in the deferred tax account shall be increased by the amount of interest determined (on the balance in the account at the time the interest accrues), for periods after the 90th day after the expatriation date, by using the rates and method applicable under section 6621 for underpayments of tax for such periods.

''(iii) DECREASE FOR TAXES PREVIOUSLY PAID.—The balance in the tax deferred account shall be reduced—

''(I) by the amount of taxes imposed by subparagraph (A) on any distribution to the person holding the trust interest, and

''(D) ALLOCABLE EXPATRIATION GAIN.—For purposes of this paragraph, the allocable expatriation gain with respect to any beneficiary's interest in a trust is the amount of gain which would be allocable to such beneficiary's vested and nonvested interests in the trust if the beneficiary held directly all assets allocable to such interests.

''(E) TAX DEDUCTED AND WITHHELD.—

''(i) IN GENERAL.—The tax imposed by subparagraph (A)(ii) shall be deducted and withheld by the trustees from the distribution to which it relates.

''(ii) EXCEPTION WHERE FAILURE TO WAIVE TREATY RIGHTS.—If an amount may not be deducted and withheld under clause (i) by reason of the distributee failing to waive any treaty right with respect to such distribution—

''(I) the tax imposed by subparagraph (A)(ii) shall be imposed on the trust and each trustee shall be personally liable for the amount of such tax, and

''(II) any other beneficiary of the trust shall be entitled to recover from the distributee the amount of such tax imposed on the other beneficiary.

''(F) DISPOSITION.—If a trust ceases to be a qualified trust at any time, a covered expatriate disposes of an interest in a qualified trust, or a covered expatriate holding an interest in a qualified trust dies, then, in lieu of the tax imposed by subparagraph (A)(ii), there is hereby imposed a tax equal to the lesser of—

''(i) the tax determined under paragraph (1) as if the expatriation date were the date of such cessation, disposition, or death, whichever is applicable, or

''(ii) the balance in the tax deferred account immediately before such date.

Such tax shall be imposed on the trust and each trustee shall be personally liable for the amount of such tax and any other beneficiary of the trust shall be entitled to recover from the covered expatriate or the estate the amount of such tax imposed on the other beneficiary.

''(iv) ADJUSTMENTS.—The Secretary may provide for such adjustments to the bases of assets in a trust or a deferred tax account, and the timing of such adjustments, in order to ensure that gain is taxed only once.

''(3) DETERMINATION OF BENEFICIARIES' INTEREST IN TRUST.—

''(A) DETERMINATIONS UNDER PARAGRAPH (1).—For purposes of paragraph (1), a beneficiary's interest in a trust shall be based upon all relevant facts and circumstances, including the terms of the trust instrument and any letter of wishes or similar document, historical patterns of trust distributions, and the existence of and functions performed by a trust protector or any similar advisor.

''(B) OTHER DETERMINATIONS.—For purposes of this section—

''(h) IMPOSITION OF TENTATIVE TAX.—

''(1) IN GENERAL.—If an individual is required to include any amount in gross income under subsection (a) for any taxable year, there is hereby imposed, immediately before the expatriation date, a tax in an amount equal to the amount of tax which would be imposed if the taxable year were a short taxable year ending on the expatriation date.

''(2) DUE DATE.—The due date for any tax imposed by paragraph (1) shall be the 90th day after the expatriation date.

''(3) TREATMENT OF TAX.—Any tax paid under paragraph (1) shall be treated as a payment of the tax imposed by this chapter for the taxable year to which subsection (a) applies.

''(2) CONTENTS OF NOTICE.—The notice required by paragraph (1) shall contain such information as the Secretary may prescribe, including—

''(A) the amount of money or other property (if any) transferred to the trust in connection with the reportable event, and

''(B) the identity of the trust and of each trustee and beneficiary (or class of beneficiaries) of the trust.

''(3) REPORTABLE EVENT.—For purposes of this subsection—

''(A) IN GENERAL.—The term 'reportable event' means—

''(i) the creation of any foreign trust by a United States person,

''(ii) the transfer of any money or property (directly or indirectly) to a foreign trust by a United States person, including a transfer by reason of death, and

''(iii) the death of a citizen or resident of the United States if—

''(I) the decedent was treated as the owner of any portion of a foreign trust under the rules of subpart E of part I of subchapter J of chapter 1, or

''(II) any portion of a foreign trust was included in the gross estate of the decedent.

''(B) EXCEPTIONS.—

''(i) FAIR MARKET VALUE SALES.—Subparagraph (A)(ii) shall not apply to any transfer of property to a trust in exchange for consideration of at least the fair market value of the transferred property. For purposes of the preceding sentence, consideration other than cash shall be taken into account at its fair market value and the rules of section 679(a)(3) shall apply.

''(ii) DEFERRED COMPENSATION AND CHARITABLE TRUSTS.—Subparagraph (A) shall not apply with respect to a trust which is—

''(I) described in section 402(b), 404(a)(4), or 404A, or

''(A) such trust makes a return for such year which sets forth a full and complete accounting of all trust activities and operations for the year, the name of the United States agent for such trust, and such other information as the Secretary may prescribe, and

''(B) such trust furnishes such information as the Secretary may prescribe to each United States person (i) who is treated as the owner of any portion of such trust or (ii) who receives (directly or indirectly) any distribution from the trust.

''(2) TRUSTS NOT HAVING UNITED STATES AGENT.—

''(A) IN GENERAL.—If the rules of this paragraph apply to any foreign trust, the determination of amounts required to be taken into account with respect to such trust by a United States person under the rules of subpart E of part I of subchapter J of chapter 1 shall be determined by the Secretary.

''(B) UNITED STATES AGENT REQUIRED.—The rules of this paragraph shall apply to any foreign trust to which paragraph (1) applies unless such trust agrees (in such manner, subject to such conditions, and at such time as the Secretary shall prescribe) to authorize a United States person to act as such trust's limited agent solely for purposes of applying sections 7602, 7603, and 7604 with respect to—

''(i) any request by the Secretary to examine records or produce testimony related to the proper treatment of amounts required to be taken into account under the rules referred to in subparagraph (A), or

''(ii) any summons by the Secretary for such records or testimony.

The appearance of persons or production of records by reason of a United States person being such an agent shall not subject such persons or records to legal process for any purpose other than determining the correct treatment under this title of the amounts required to be taken into account under the rules referred to in subparagraph (A). A foreign trust which appoints an agent described in this subparagraph shall not be considered to have an office or a permanent establishment in the United States, or to be engaged in a trade or business in the United States, solely because of the activities of such agent pursuant to this subsection.

''(c) REPORTING BY UNITED STATES BENEFICIARIES OF FOREIGN TRUSTS.—

''(A) the name of such trust,

''(B) the aggregate amount of the distributions so received from such trust during such taxable year, and

''(C) such other information as the Secretary may prescribe.

''(2) INCLUSION IN INCOME IF RECORDS NOT PROVIDED.—

''(A) IN GENERAL.—If adequate records are not provided to the Secretary to determine the proper treatment of any distribution from a foreign trust, such distribution shall be treated as an accumulation distribution includible in the gross income of the distributee under chapter 1. To the extent provided in regulations, the preceding sentence shall not apply if the foreign trust elects to be subject to rules similar to the rules of subsection (b)(2)(B).

''(B) APPLICATION OF ACCUMULATION DISTRIBUTION RULES.—For purposes of applying section 668 in a case to which subparagraph (A) applies, the applicable number of years for purposes of section 668(a) shall be ½ of the number of years the trust has been in existence.

''(d) SPECIAL RULES.—

''(1) DETERMINATION OF WHETHER UNITED STATES PERSON RECEIVES DISTRIBUTION.—For purposes of this section, in determining whether a United States person receives a distribution from a foreign trust, the fact that a portion of such trust is treated as owned by another person under the rules of subpart E of part I of subchapter J of chapter 1 shall be disregarded.

''(2) DOMESTIC TRUSTS WITH FOREIGN ACTIVITIES.—To the extent provided in regulations, a trust which is a United States person shall be treated as a foreign trust for purposes of this section and section 6677 if such trust has substantial activities, or holds substantial property, outside the United States.

''(3) TIME AND MANNER OF FILING INFORMATION.—Any notice or return required under this section shall be made at such time and in such manner as the Secretary shall prescribe.

''(4) MODIFICATION OF RETURN REQUIREMENTS.—The Secretary is authorized to suspend or modify any requirement of this section if the Secretary determines that the United States has no significant tax interest in obtaining the required information.''.

(b) INCREASED PENALTIES.—Section 6677 (relating to failure to file information returns with respect to certain foreign trusts) is amended to read as follows:

''SEC. 6677. FAILURE TO FILE INFORMATION WITH RESPECT TO CERTAIN FOREIGN TRUSTS.

''(a) CIVIL PENALTY.—In addition to any criminal penalty provided by law, if any notice or return required to be filed by section 6048—

''(1) is not filed on or before the time provided in such section, or

''(2) does not include all the information required pursuant to such section or includes incorrect information,

the person required to file such notice or return shall pay a penalty equal to 35 percent of the gross reportable amount. If any failure described in the preceding sentence continues for more than 90 days after the day on which the Secretary mails notice of such failure to the person required to pay such penalty, such person shall pay a penalty (in addition to the amount determined under the preceding sentence) of $10,000 for each 30-day period (or fraction thereof) during which such failure continues after the expiration of such 90-day period. In no event shall the penalty under this subsection with respect to any failure exceed the gross reportable amount.

''(b) SPECIAL RULES FOR RETURNS UNDER SECTION 6048(b).—In the case of a return required under section 6048(b)—

''(1) the United States person referred to in such section shall be liable for the penalty imposed by subsection (a), and

''(d) REASONABLE CAUSE EXCEPTION.—No penalty shall be imposed by this section on any failure which is shown to be due to reasonable cause and not due to willful neglect. The fact that a foreign jurisdiction would impose a civil or criminal penalty on the taxpayer (or any other person) for disclosing the required information is not reasonable cause.

''(e) DEFICIENCY PROCEDURES NOT TO APPLY.—Subchapter B of chapter 63 (relating to deficiency procedures for income, estate, gift, and certain excise taxes) shall not apply in respect of the assessment or collection of any penalty imposed by subsection (a).''.

CONSTITUTIONAL AMENDMENT TO LIMIT CONGRESSIONAL TERMS

The PRESIDING OFFICER. The clerk will now report Senate Joint Resolution 21.

The legislative clerk read as follows:

A joint resolution (S.J. Res. 21) proposing a constitutional amendment to limit congressional terms.

The Senate continued with the consideration of the joint resolution.

The PRESIDING OFFICER. The time until 3:45 is equally divided.

Mr. WARNER addressed the Chair.

The PRESIDING OFFICER. The Senator from Virginia.

Mr. WARNER. Madam President, who controls the time? I would like to speak in favor of the matter before the Senate. My understanding is the Senator from Tennessee or the Senator from Missouri.

The PRESIDING OFFICER. The time is divided between the Senate majority leader and the Senate minority leader or their designees.

Mr. WARNER. Madam President, I inquire of the distinguished Senator from Tennessee if I might have 5 minutes within which to speak in favor of the pending matter.

Mr. THOMPSON. I yield 5 minutes to the Senator from Virginia.

The PRESIDING OFFICER. The Senator from Virginia.

Mr. WARNER. Madam President, I intend to vote in favor of the constitutional amendment limiting the number of terms Members of Congress can serve.

I voted for a similar sense-of-the-Senate amendment on October 17, 1995, and despite the clarity of my position and the documented record thereof in the Senate, the official records of my votes are continually distorted by my detractors. But that is nothing new in the life of a Senator. I wish to say exactly what I believe on this issue.

I think the public is entitled to a national referendum on this issue, and the procedures outlined by the Constitution of the United States as to how the Nation addresses such an issue are very clear. It is not the duty nor the power of the Congress to enact this. It has to be done by the requisite number of State legislatures, and I am highly in favor of that process beginning at the earliest possible date.

In my view, however, we already have term limits, and should this debate unfold in my State and across America, I will take an active role in it, and I will address my concerns about the adoption of such an amendment.

I feel the current constitutional procedures for the election of U.S. Senators and Members of the House of Representatives are themselves adequate protection that could be afforded by any constitutional amendment. It gives the right of the electorate of the States to make their own decision, as they think best for their State at that point in time, as it relates to their Senators and Members of the House of Representatives.

Finally, I am concerned about if we were to adopt for the Nation such a procedure that we would be shifting too much power to the executive branch and also, too, I say candidly, to those individuals who have spent much time here in the U.S. Senate as very capable, very knowledgeable, well trained, dedicated and committed staff persons. If they were to stay here for periods much longer than their respective committee chairmen, for example, or Senators themselves, it seems to me that, too, adds to the imbalance of power.

Then it comes to the question of the seniority procedures and tradition in the U.S. Senate. Seniority is a very important part of the rules and traditions
