S. 1835

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. AMENDMENT TO CONGRESSIONAL BUDGET ACT.

Section 1026(9) of the Congressional Budget and Impoundment Control Act of 1974 (as added by the Line Item Veto Act) is amended to read as follows:

"(9) LIMITED TAX BENEFIT.—The term 'limited tax benefit' means any tax provision that has the practical effect of providing a benefit in the form of different treatment to a particular taxpayer or a limited class of taxpayers, whether or not such provision is limited by its terms to a particular taxpayer or class of taxpayers."

By Mr. SANTORUM:

S. 1836. A bill to designate a segment of the Clarion River, located in Pennsylvania, as a component of the National Wild and Scenic Rivers System, and for other purposes; to the Committee on Energy and Natural Resources.

NATIONAL WILD AND SCENIC RIVERS SYSTEM LEGISLATION

Mr. SANTORUM. Mr. President, I rise today to introduce a measure to add 51.7 miles of Pennsylvania's Clarion River to the National Wild and Scenic Rivers System. This bill, which Senator SPECTER has joined as an original cosponsor, is companion legislation to a measure being introduced in the House of Representatives today by Congressman BILL CLINGER.

Our bill designates segments of the main stem of the Clarion River from the Allegheny National Forest-State Game Lands No. 44 boundary to the backwaters of Piney Dam as part of the National Wild and Scenic Rivers System. This designation will help to preserve and protect the significant scenic and recreational values of these segments of the Clarion River.

This measure will conclude work begun by the late Senator John Heinz. It was his legislation to add a portion of the Allegheny River to the National Wild and Scenic Rivers System that also authorized the study of the Clarion River to determine its eligibility. The study was concluded earlier this year. And enactment of the bill that Senator SPECTER and I are offering today will bring Senator Heinz's efforts full circle.

Thank you, Mr. President. I ask unanimous consent that the full text of this bill appear in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

ADDITIONAL STATEMENTS

A WEEKEND WITHOUT WAR OVER THE ABORTION ISSUE

• Mr. SIMON. Mr. President, the New York Times carried a story the other day about people in Wisconsin from the pro-life and pro-choice side of the abortion issues, to use the names each side uses, meeting together to talk about what can be done in a constructive way on the issue of abortion.

About 100 people met at this meeting.

I commend them for doing it.

This is a meeting that I or some other Member of the Senate should have called a long time ago.

I remember when Cardinal Bernardin, the Roman Catholic prelate in the Chicago area, said that people of sincerity on both sides ought to be meeting and trying to work together on a common agenda.

For example, we know that girls and boys who drop out of high school are much more likely to be involved in teenage pregnancies. And a high percentage of those end in abortions.

If we have programs to encourage people to stay in high school, we are going to have fewer abortions.

That may not be as emotionally satisfying as carrying a picket sign or haranguing someone, but it does infinitely more constructive good and it is something that both sides could agree upon.

I applaud the leaders, Mary Jacksteit and Sister Adrienne Kaufmann, for what they are doing.
