SEC. . REVIEW AND REPORT ON H-2A NON IMMIGRANT WORKERS PROGRAM.

(b) REVIEW.—The Comptroller General shall review the effectiveness of the H-2A nonimmigrant worker program to ensure that the program provides a workable safety valve in the event of future shortages of domestic workers after the enactment of this Act. Among other things, the Comptroller General shall review the program to determine—

(1) that the program ensures that an adequate supply of qualified United States workers is available at the time and place needed for employers seeking such workers after the date of enactment of this Act;

(2) that the program ensures that there is timely approval of applications for temporary foreign workers under the H-2A nonimmigrant worker program in the event of shortages of United States workers after the date of enactment of this Act;

(3) that the program ensures that implementation of the H-2A nonimmigrant worker program is not displacing United States agricultural workers or diminishing the terms and conditions of employment of United States agricultural workers; and

(4) if and to what extent the H-2A nonimmigrant worker program is contributing to the problem of illegal immigration.

(c) REPORT.—Not later than December 31, 1996, or three months after the date of enactment of this Act, whichever is sooner, the Comptroller General shall submit a report to Congress setting forth the findings of the review conducted under subsection (b);

(d) DEFINITIONS.—As used in this section—

(1) the term “Comptroller General” means the Comptroller General of the United States; and

(2) the term “H-2A nonimmigrant worker program” means the program for the admission of nonimmigrant aliens described in section 101(a)(15)(H)(ii)(a) of the Immigration and Nationality Act.

REPORT OF A NOTICE CONCERNING THE CONTINUATION OF THE IRAQI EMERGENCY—MESSAGE FROM THE PRESIDENT—PM 164

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs.

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice, stating that the Iraqi emergency is to continue in effect beyond August 2, 1996, to the *Federal Register* for publication.

The crisis between the United States and Iraq that led to the declaration on August 2, 1990, of a national emergency has not been resolved. The Government of Iraq continues to engage in activities inimical to stability in the Middle East and hostile to United States interests in the region. Such Iraqi actions pose a continuing unusual and extraordinary threat to the national security and vital foreign policy interests of the United States. For these reasons, I have determined that it is necessary to maintain in force the broad authorities necessary to apply economic pressure on the Government of Iraq.

WILLIAM J. CLINTON.

THE EMERGENCY SAFEGUARD ACT OF 1996

Mr. HOLLINGS. Mr. President, I rise today to introduce legislation to correct a grievous error committed by U.S. negotiations in the final hours of the NAFTA negotiations. This error has ripped apart the social fabric of dozens of communities as factory after factory in the wool and wool apparel industry have shut their doors. Let me state for the record that I supported the Canadian Free-Trade Agreement, but I was a vigorous opponent of the North American Free-Trade Agreement. The bill I introduced today is not aimed at scuttling the NAFTA. At another time I will debate the merits of the NAFTA. Instead the bill is designed to close a loophole in the NAFTA that has exposed the wool and wool apparel industry to a tidal wave of Canadian imports and has left the industry without a fundamental right to impose a safeguard against import surges. How this industry lost its right to impose a safeguard is one of the tragic stories in the history of trade agreements. In the wee hours of the morning our negotiators bargained
