### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. ROBB:

S. 1516. A bill making appropriations to the Department of Health and Human Services for retirement pay and medical benefits for commissioned officers of the Public Health Service for the fiscal year ending September 30, 1996; to the Committee on Appropriations.

RETIRED COMMISSIONED OFFICERS OF THE PUBLIC HEALTH SERVICE LEGISLATION

• Mr. ROBB. Mr. President, I introduce legislation which would fund retirement and medical benefits through September 30, 1996 for the retired commissioned officers of the Public Health Service.

I do not know whether many of my colleagues know this, Mr. President, but retired PHS commissioned officers have not received their retirement pay since our first continuing resolution expired on December 15, 1995. While retired members of the Federal Civil Service have thankfully been able to receive their retirement checks during this time period, the benefits of retired PHS commissioned officers come through a direct appropriation contained in the Labor/HHS appropriations bill, a bill which we all know has not yet been approved by this body.

The roughly 3,600 beneficiaries of this program should not be victims of our budget battles, Mr. President. They served their country for many years and their country has made a commitment to them. This bill will allow us to meet the commitment. •

By Mr. ROBB:

S. 1517. A bill to make appropriations for the Black Lung Disability Trust Fund for fiscal year 1996; to the Committee on Appropriations.

THE BLACK LUNG DISABILITY PROGRAM LEGISLATION

• Mr. ROBB. Mr. President, I introduce legislation which would fund the Black Lung Disability Program administered by the Department of Labor through September 30, 1996, and the Black Lung Program administered by the Social Security Administration through the first quarter of fiscal year 1997.

I was deeply disappointed that the limited continuing resolution approved by the House of Representatives earlier today did not include the Black Lung Programs. They should have been included, Mr. President, but they were not. When an effort was made to add funding authority for black lung beneficiaries during floor consideration of the House bill, that amendment was objected to by the other side of the aisle.

Mr. President, I've been told by the Department of Labor that unless a continuing resolution which contains black lung funding is approved by January 12, 1996, the January 15 monthly payments to beneficiaries would not be issued. It is my understanding that the Social Security Administration needs a continuing resolution which contains

black lung funding to issue its February monthly payments as well.

Mr. President, as I introduce this bill, I know that efforts are underway to bring a third continuing resolution to the House floor—and I sincerely hope that the Black Lung Programs are included in that measure. If that is the case, this legislation will be unnecessary.

These programs are vitally important to thousands of disabled miners and their families and survivors in my State of Virginia and many other coal producing States. I hope we receive a continuing resolution from the House later this evening which will allow us to uphold our historic commitment to victims of black lung and their families and survivors. ●
