STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. ABRAHAM (for himself and Mr. LEVIN):

S. 2055. A bill to waive temporarily the Medicare enrollment composition rules for the Wellness Plan; to the Committee on Finance.

THE WELLNESS PLAN WAIVER ACT OF 1996

Mr. ABRAHAM. Mr. President, today I rise along with my distinguished colleague from Michigan, Senator LEVIN, to introduce legislation which will expand the number of health care choices available to residents of Michigan. This bill will provide Medicare beneficiaries in Michigan the opportunity to obtain health care from The Wellness Plan, a longstanding, federally qualified health maintenance organization. The Wellness Plan has been recognized by national leaders, including two former Secretaries of the Department of Health and Human Services, as a model managed care plan. In addition, the Wellness Plan has made significant contributions to improving the health and well-being of its enrollees, many of whom are poor women and children, by decreasing infant mortality, effectively reducing hypertension, and increasing mammography rates.

The Wellness Plan has been serving the Medicaid population for over two decades. It currently has 150,000 enrollees, 141,000 of whom are Medicaid, 12,000 commercial and 2,000 Medicare. Since 1993, the Wellness Plan has had a health care prepayment plan contract with Medicare. However, technical changes enacted by Congress effective January 1, 1996, had the unintended effect of preventing the Wellness Plan from enrolling additional Medicare beneficiaries under the HCPP contract. The Wellness Plan is positioned to become a full Medicare risk contractor but currently is precluded from doing so due to the 50/50 Medicare/Medicaid enrollment composition rule. It must be emphasized that the Health Care Financing Administration supports the Wellness Plan receiving a plan-specific 50/50 waiver at this time.

Allowing Medicare beneficiaries to participate in this program represents a small, but important step toward fulfilling Congress' commitment to improve the quality of this country's health care system. Given that the Wellness Plan has an established

record with respect to both the Medicaid and Medicare programs, and that the Health Care Financing Administration supports the Wellness Plan receiving a plan-specific 50/50 waiver, I urge Congress to move this bill before the end of this session so that Michigan Medicare beneficiaries will once again have the opportunity to participate in this plan beginning in 1997.

By Mr. WARNER (for himself and Mr. THURMOND):

S. 2057. A bill to amend title 38, United States Code, to make permanent the authority of the Secretary of Veterans Affairs guarantee loans with adjustable rate mortgages; to the Committee on Veterans Affairs.

THE VA ADJUSTABLE RATE MORTGAGE PROGRAM REAUTHORIZATION ACT OF 1996

Mr. WARNER. Mr. President, I rise today to introduce on behalf of myself and Senator THURMOND a bill to permanently reauthorize the VA Adjustable Rate Mortgage Program.

This program was created in the 102d Congress to guarantee adjustable rate mortgages for a 3-year period ending September 30, 1995. The program allowed a maximum of 1-percent increase annually with a 5-percent maximum increase on the interest rate over the life of the loan. These annual and lifetime caps are identical to those contained in the FHA Adjustable Rate Mortgage Program, which is a permanent program.

Adjustable rate mortgages have proven to be a valuable and essential home mortgage financing tool for American families, particularly in times of rising interest rates. Adjustable rate mortgages allow borrowers to obtain home loans with interest rates below those required for normal fixed interest rate loans.

During the 3-year period that the VA Adjustable Rate Mortgage Program was in effect, large numbers of veterans took advantage of this financing tool, with 131,250 VA adjustable rate mortgages being originated nationwide, totaling \$14.9 billion. In Virginia alone, 10,599 loans granted totaling over \$1.2 billion. Over 58 percent of these loans nationally were made to first-time home buyers.

The VA Home Loan Guaranty Program was created by the Congress in 1944 to ensure that veterans returning home from World War II would have an opportunity to achieve the American dream of owning a home. This benefit was established for our veterans because their service to our country denied them the opportunity to save the necessary funds for a down payment for a home or to establish a credit rating. The program has since been extended to benefit all of the men and women who have served their country honorably in the Armed Forces. Since the program's inception, 14.8 million loans totaling \$515 billion have been made to veterans.

This bill simply guarantees that the home loans that are available to American veterans are affordable. I urge my

colleagues to join Senator THURMOND and myself in supporting a program that has proven to be successful and beneficial to the most deserving of Americans, our veterans, by permanently reauthorizing the VA Adjustable Rate Mortgage Program.

Mr. THURMOND. Mr. President, I rise today to introduce legislation, with Senator WARNER, that will permanently extend the authority of the Secretary of Veterans Affairs [VA] to guarantee loans with adjustable rate mortgages [ARMS].

The Veterans Home Loan Program Amendments of 1992 made significant changes to the VA Home Loan Program. Included in that bill were provisions establishing a demonstration project authorizing VA to guarantee ARMS during fiscal years 1993-95.

The Loan Guaranty Program is a benefit of great value to veterans and to the Nation. This program provides housing credit assistance to satisfy the mortgage credit needs of veterans and members of the Armed Forces. It provides private capital on more liberal terms than are generally available to nonveterans, without the assumption of undue risks by the Federal Government. Veterans are assisted primarily through the use of the Government's guaranty on loans instead of the substantial down payment and other investment safeguards applicable to conventional mortgage transactions. Since the program's inception in 1944, the VA has guaranteed nearly 15 million loans totaling more than \$500 billion.

The ARM program offers veterans another choice in the mortgage market, particularly when interest rates are high. It is particularly useful to first-time home buyers who can obtain loans with interest rates generally lower than fixed rate loans. The VA ARM allows a maximum of 1 percent interest annually with a 5-percent maximum interest rate increase over the life of the loan. These annual and lifetime caps are identical to those contained in the Federal Housing Administration [FHA] ARM program, which is permanently authorized.

During the pilot program, the popularity of ARMS was well established. According to VA statistics, during fiscal year 1995, approximately 20 percent of all loans guaranteed were ARMS. This was double the ration of ARMS to all loans guaranteed in fiscal year 1994. During the test period of 1993-95, ARMS totaling \$14.9 billion were guaranteed. In South Carolina, nearly 2,000 ARMS were originated, with a value of more than \$181 million.

Mr. President, this bill will permanently authorize a worthy program. ARMS are a valuable financing tool for American families. They are used extensively nationwide by conventional and FHA home buyers. This bill will permit qualified veterans to take advantage of ARMS, if they so choose. I urge my colleagues to join Senator WARNER and me in the permanent reauthorization of the VA Adjustable Rate Mortgage Program.
