

RULE 200 BUDGET AND EXPENSES

The Chairman in consultation with the majority party members of the committee shall, for each session of the Congress, prepare a preliminary budget. Such budget shall include necessary amounts for staff personnel, for necessary travel, investigation, and other expenses of the committee; and, after consultation with the minority party membership, the Chairman shall include amounts budgeted to the minority party members for staff personnel to be under the direction and supervision of the minority party, travel expenses of minority party members and staff, and minority party office expenses. All travel expenses of minority party members and staff shall be paid for out of the amounts so set aside and budgeted. The Chairman shall take whatever action is necessary to have the budget as finally approved by the committee duly authorized by the House. After such budget shall have been adopted, no change shall be made in such budget unless approved by the committee. The Chairman or the chairman of any standing subcommittee may initiate necessary travel requests as provided in Rule 16 within the limits of their portion of the consolidated budget as approved by the House, and the Chairman may execute necessary vouchers therefor.

(b) Subject to the rules of the House of Representatives and procedures prescribed by the Committee on House Oversight and with the prior authorization of the Chairman of the committee in each case, there may be expended in any one session of Congress for necessary travel expenses of witnesses attending hearing in Washington, DC:

(2) out of funds budgeted for the full committee majority, not to exceed \$4,000 for expenses of witnesses attending full committee hearings; and

(3) out of funds set aside to the minority party members,

(A) not to exceed, for each of the subcommittees, \$4,000 for expenses of witnesses attending subcommittee hearings, and

(B) not to exceed \$4,000 for expenses of witnesses attending full committee hearings.

(c) A full and detailed monthly report accounting for all expenditures of committee funds shall be maintained in the Committee office, where it shall be available to each member of the committee. Such report shall show the amount and purpose of each expenditure, and the budget to which such expenditure is attributed.

RULE 21. APPOINTMENT OF CONFEREES AND NOTICE OF CONFERENCE MEETINGS

(a) Whenever in the legislative process it becomes necessary to appoint conferees, the Chairman shall recommend to the Speaker as conferees the names of those members of the subcommittee which handled the legislation in the order of their seniority upon such subcommittee and such other committee members as the Chairman may designate with the approval of the majority party members. Recommendations of the Chairman to the Speaker shall provide a ratio of majority party members to minority party members no less favorable to the majority party than the ratio of majority members to minority party members on the full committee. In making assignments of minority party members as conferees, the Chairman shall consult with the ranking minority party member of the committee.

(b) After the appointment of conferees pursuant to clause 6(f) of Rule X of the Rules of the House of Representatives for matters within the jurisdiction of the committee, the Chairman shall notify all members ap-

pointed to the conference of meetings at least 48 hours before the commencement of the meeting. If such notice is not possible, then notice shall be given as soon as possible.

RULE 22. BROADCASTING OF COMMITTEE HEARINGS AND MEETINGS

(a) The general conduct of each hearing or meeting covered under authority of this clause and the personal behavior of committee members, staff, other government officials and personnel, witnesses, television, radio and press media personnel, and the general public at the hearing or other meeting, shall be in strict conformity with and observance of the acceptable standards of dignity, propriety, courtesy, and decorum traditionally observed by the House.

(b) Persons undertaking to cover committee hearings or meetings under authority of this rule shall be governed by the following limitations:

(1) If the television or radio coverage of the hearing or meeting is to be presented to the public as live coverage, that coverage shall be conducted and presented without commercial sponsorship.

(2) No witnesses served with a subpoena by the committee shall be required against their will to be photographed at any hearing or to give evidence or testimony while the broadcasting of that hearing, by radio or television, is being conducted. At the request of any such witness who does not wish to be subjected to radio, television, or still photography coverage, all lenses shall be covered and all microphones used for coverage turned off. This paragraph is supplemental to clause 2(k)(5) of Rule XI of the Rules of the House of Representatives, relating to the protection of the rights of witnesses.

(3) The number of television and still cameras permitted in a hearing or meeting room shall be determined in the discretion of the Chairman of the committee or subcommittee holding such hearing or meeting subject to clause 3(e) of Rule XI of the Rules of the House of Representatives.

(4) Television cameras shall be placed so as not to obstruct in any way the space between any witness giving evidence or testimony and any member of the committee or the visibility of that witness and that member to each other.

(5) Television cameras shall operate from fixed positions but shall not be placed in positions which obstruct unnecessarily the coverage of the hearing or meeting by the other media.

(6) Equipment necessary for coverage by the television and radio media shall not be installed in, or removed from, the hearing or meeting room while the committee is in session.

(7) Floodlights, spotlights, strobelights, and flash photography shall not be used in providing any method of coverage of the hearing or meeting, except that the television media may install additional lighting in the hearing or meeting room, without cost to the government, in order to raise the ambient lighting level in the hearing or meeting room to the lowest level necessary to provide adequate television coverage of the hearing or meeting at the then current state of the art of television coverage.

(8) In the allocation of the number of still photographers permitted by the committee or subcommittee chairman in a hearing or meeting room, preference shall be given to photographers from Associated Press Photos and United Press International Newspictures. If requests are made by more of the media than will be permitted by the committee or subcommittee chairman for coverage of the hearing or meeting by still photography, that coverage shall be made on

the basis of a fair and equitable pool arrangement devised by the Standing Committee of Press Photographers.

(9) Photographers shall not position themselves, at any time during the course of the hearing or meeting, between the witness table and the members of the committee.

(10) Photographers shall not place themselves in positions which obstruct unnecessarily the coverage of the hearing by the other media.

(12) Personnel providing coverage by still photography shall be then currently accredited to the Press Photographers' Gallery.

(13) Personnel providing coverage by the television and radio media and by still photography shall conduct themselves and their coverage activities in an orderly and unobtrusive manner.

RULE 23. CHANGES IN COMMITTEE RULES

A proposed change in these rules shall not be considered by the committee unless the text of such change has been in the hands of all members at least 48 hours prior to the meeting in which the matter is considered.

RULES OF THE COMMITTEE ON INTERNATIONAL RELATIONS, 105TH CONGRESS

HON. BENJAMIN A. GILMAN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 13, 1997

Mr. GILMAN. Mr. Speaker, in accordance with clause 2(a) of rule XI of the Rules of the House of Representatives, I submit for printing in the CONGRESSIONAL RECORD the Rules of the Committee on International Relations for the 105th Congress.

RULES OF THE COMMITTEE ON INTERNATIONAL RELATIONS, 105TH CONGRESS

[Adopted February 5, 1997]

RULE 1. GENERAL PROVISIONS

The Rules of the House of Representatives, and in particular, the committee rules enumerated in Clause 2 of Rule XI, are the rules of the Committee on International Relations (hereafter referred to as the "Committee"), to the extent applicable. A motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, is a non-debatable motion of high privilege in Committee.

The Chairman of the Committee on International Relations (hereinafter referred to as the "Chairman") shall consult the Ranking Minority Member to the extent possible with respect to the business of the Committee. Each subcommittee of the Committee is a part of the Committee and is subject to the authority and direction of the Committee, and to its rules to the extent applicable.

RULE 2. DATE OF MEETING

The regular meeting date of the Committee shall be the first Tuesday of every month when the House of Representatives is in session pursuant to Clause 2(b) of Rule XI of the House of Representatives. Additional meetings may be called by the Chairman as he may deem necessary or at the request of a majority of the Members of the Committee

in accordance with Clause 2(c) of Rule XI of the House of Representatives.

The determination of the business to be considered at each meeting shall be made by the Chairman subject to Clause 2(c) of Rule XI of the House of Representatives.

A regularly scheduled meeting need not be held if, in the judgment of the Chairman, there is no business to be considered.

RULE 3. QUORUM

For purposes of taking testimony and receiving evidence, two Members shall constitute a quorum.

One-third of the Members of the Committee shall constitute a quorum for taking any action, except: (1) Reporting a measure or recommendation, (2) closing Committee meetings and hearings to the public, (3) authorizing the issuance of subpoenas, and (4) any other action for which an actual majority quorum is required by any rule of the House of Representatives or by law.

No measure or recommendation shall be reported to the House of Representatives unless a majority of the Committee is actually present.

A rollcall vote may be demanded by one-fifth of the Members present or, in the apparent absence of a quorum, by any one Member.

RULE 4. MEETINGS AND HEARINGS OPEN TO THE PUBLIC

(A) MEETINGS

Each meeting for the transaction of business, including the markup of legislation, of the Committee or a subcommittee shall be open to the public except when the Committee or subcommittee, in open session and with a majority present, determines by rollcall vote that all or part of the remainder of the meeting on that day shall be closed to the public, because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would tend to defame, degrade or incriminate any person or otherwise violate any law or rule of the House of Representatives. No person other than Members of the Committee and such congressional staff and departmental representatives as they may authorize shall be present at any business or markup session which has been closed to the public. This subsection does not apply to open Committee hearings which are provided for by subsection (b) of this rule.

(B) HEARINGS

(1) Each hearing conducted by the Committee or a subcommittee shall be open to the public except when the Committee or subcommittee, in open session and with a majority present, determines by rollcall vote that all or part of the remainder of that hearing on that day should be closed to the public because disclosure of testimony, evidence or other matters to be considered would endanger the national security, would compromise sensitive law enforcement information, or otherwise would violate any law or rule of the House of Representatives. Notwithstanding the preceding sentence, a majority of those present, there being in attendance the requisite number required under the rules of the Committee to be present for the purpose of taking testimony—

(A) may vote to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security, would compromise sensitive law enforcement information, or violate paragraph (2) of this subsection; or

(B) may vote to close the hearing, as provided in paragraph (2) of this subsection.

(2) Whenever it is asserted that the evidence or testimony at an investigatory hear-

ing may tend to defame, degrade, or incriminate any person.

(A) such testimony or evidence shall be presented in executive session, notwithstanding the provisions of paragraph (1) of this subsection, if by a majority of those present, there being in attendance the requisite number required under the rules of the Committee to be present for the purpose of taking testimony, the Committee or subcommittee determines that such evidence or testimony may tend to defame, degrade, or incriminate any person; and

(B) the Committee or subcommittee shall proceed to receive such testimony in open session only if the Committee, a majority being present, determines that such evidence or testimony will not tend to defame, degrade, or incriminate any person.

(3) No Member of the House of Representatives may be excluded from nonparticipatory attendance at any hearing of the Committee or a subcommittee unless the House of Representatives has by majority vote authorized the Committee or subcommittee, for purposes of a particular series of hearings, on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members by the same procedures designated in this subsection for closing hearings to the public.

(4) The Committee or a subcommittee may by the procedure designated in this subsection vote to close 1 subsequent day of hearings.

(5) No congressional staff shall be present at any meeting or hearing of the Committee or a subcommittee that has been closed to the public, and at which classified information will be involved, unless such person is authorized access to such classified information in accordance with Rule 20.

RULE 5. ANNOUNCEMENT OF HEARINGS AND MARKUPS

Public announcement shall be made of the date, place, and subject matter of any hearing or markup to be conducted by the Committee or a subcommittee at the earliest possible date, and in any event at least 1 week before the commencement of that hearing or markup unless the Committee or subcommittee determines that there is good cause to begin that meeting at an earlier date. Such determination may be made with respect to any markup by the Chairman or subcommittee chairman, as appropriate. Such determination may be made with respect to any hearing of the Committee or subcommittee by its Chairman, with the concurrence of its Ranking Minority Member, or the Committee or subcommittee by majority vote, a quorum being present for the transaction of business.

Public announcement of all hearings and markups shall be published in the Daily Digest portion of the Congressional Record, and promptly entered into the committee scheduling service of House Information Resources. Members shall be notified by the Chief of Staff of all meetings (including markups and hearings) and briefings of subcommittees and of the full Committee.

The agenda for each Committee and subcommittee meeting, setting out all items of business to be considered, including a copy of any bill or other document scheduled for markup, shall be furnished to each Committee or subcommittee Member by delivery to the Member's office at least 2 full calendar days (excluding Saturdays, Sundays, and legal holidays) before the meeting, whenever possible.

RULE 6. WITNESSES

(A) INTERROGATION OF WITNESSES

(1) Insofar as practicable, witnesses shall be permitted to present their oral state-

ments without interruption subject to reasonable time constraints imposed by the Chairman, with questioning by the Committee Members taking place afterward. Members should refrain from questions until such statements are completed.

(2) In recognizing Members, the Chairman shall, to the extent practicable, give preference to the Members on the basis of their arrival at the hearing, taking into consideration the majority and minority ratio of the Members actually present. A Member desiring to speak or ask a question shall address the Chairman and not the witness.

(3) Subject to paragraph (4), each Member may interrogate the witness for 5 minutes, the reply of the witness being included in the 5-minute period. After all Members have had an opportunity to ask questions, the round shall begin again under the 5-minute rule.

(4) Notwithstanding paragraph (3), the Chairman, with the concurrence of the Ranking Minority Member, may permit one or more majority members of the Committee designated by the Chairman to question a witness for a specified period of not longer than 30 minutes. On such occasions, an equal number of minority Members of the Committee designated by the Ranking Minority member shall be permitted to question the same witness for the same period of time. A motion permitting Committee staff to question a witness for equal specified periods may be entertained only with the concurrence of the Chairman and Ranking Minority member. However, even with the concurrence of the Chairman and the Ranking Minority Member. However, even with the concurrence of the Chairman and the Ranking Minority Member to such a motion, in no case may questioning by committee staff proceed before each Member of the Committee who wishes to speak under the 5-minute rule has had one opportunity to do so.

(B) STATEMENTS OF WITNESSES

To the extent practicable, each witness shall file with the Committee, at least 48 hours in advance of his or her appearance, a written statement of his or her proposed testimony and shall limit his or her oral presentation to a brief summary of his or her views. In the case of a witness appearing in a nongovernmental capacity, a written statement of proposed testimony shall, to the extent practicable, include a curriculum vitae and a disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two previous fiscal years by the witness or by an entity represented by the witness, to the extent that such information is relevant to the subject matter of, and the witness' representational capacity at, the hearing.

To the extent practicable, each witness should provide the text of his or her proposed testimony in machine-readable form.

(C) OATHS

The Chairman, or any Member of the Committee designated by the Chairman, may administer oaths to witnesses before the Committee.

7. PREPARATION AND MAINTENANCE OF COMMITTEE RECORDS

An accurate stenographic record shall be made of all hearings and markup sessions. Members of the Committee and any witness may examine the transcript of his or her own remarks and may make any grammatical or technical changes that do not substantively alter the record. Any such Member or witness shall return the transcript to the Committee offices within 5 calendar days (not including Saturdays, Sundays, and legal holidays) after receipt of the transcript, or as soon thereafter as is practicable.

Any information supplied for the record at the request of a Member of the Committee shall be provided to the Member when received by the Committee.

Transcripts of hearings and markup sessions (except for the record of a meeting or hearing which is closed to the public) shall be printed as soon as is practicable after receipt of the corrected versions, except that the Chairman may order the transcript of a hearing to be printed without the corrections of a Member or witness if the Chairman determines that such Member or witness has been afforded a reasonable time to correct such transcript and such transcript has not been returned within such time.

The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with Rule XXXVI of the House of Representatives. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of the rule, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the written request of any member of the Committee.

The Committee shall, to the maximum extent feasible, make its publications available in electronic form.

RULE 8. EXTRANEous MATERIAL IN COMMITTEE HEARINGS

No extraneous material shall be printed in either the body or appendixes of any Committee or subcommittee hearing, except matter which has been accepted for inclusion in the record during the hearing. Copies of bills and other legislation under consideration and responses to written questions submitted by Members shall not be considered extraneous material.

Extraneous material in either the body or appendixes of any hearing to be printed which would be in excess of eight printed pages (for any one submission) shall be accompanied by a written request to the Chairman, such written request to contain an estimate in writing from the Public Printer of the probable cost of publishing such material.

RULE 9. PUBLIC AVAILABILITY OF COMMITTEE VOTES

The result of each rollcall vote in any meeting of the Committee shall be made available for inspection by the public at reasonable times at the Committee offices. Such result shall include a description of the amendment, motion, order, or other proposition, the name of each Member voting for and against, and the Members present but not voting.

RULE 10. PROXIES

Proxy voting is not permitted in the Committee or in subcommittees.

RULE 11. REPORTS

(A) REPORTS ON BILLS AND RESOLUTIONS

To the extent practicable, not later than 24 hours before a report is to be filed with the Clerk of the House on a measure that has been ordered reported by the Committee, the Chairman shall make available for inspection by all Members of the Committee a copy of the draft committee report in order to afford Members adequate information and the opportunity to draft and file any supplemental, minority or additional views which they may deem appropriate.

With respect to each rollcall vote on a motion to report any measure or matter of a public character, and on any amendment offered to the measure or matter, the total number of votes cast for and against, and the names of those members voting for and against, shall be included in any Committee report on the measure or matter.

(B) PRIOR APPROVAL OF CERTAIN REPORTS

No Committee, subcommittee, or staff report, study, or other document which purports to express publicly the views, findings, conclusions, or recommendations of the Committee or the subcommittee may be released to the public or filed with the Clerk of the House unless approved by a majority of the Members of the Committee or subcommittee, as appropriate. A proposed investigative or oversight report shall be considered as read if it has been available to members of the Committee for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such a day). In any case in which Clause 2(l)(5) of Rule XI of the House of Representatives does not apply, each Member of the Committee or subcommittee shall be given an opportunity to have views or a disclaimer included as part of the material filed or released, as the case may be.

(C) FOREIGN TRAVEL REPORTS

At the same time that the report required by clause 2(n)(1)(B) of Rule XI of the House of Representatives, regarding foreign travel reports, is submitted to the Chairman, Members and employees of the committee shall provide a report to the Chairman listing all official meetings, interviews, inspection tours and other official functions in which the individual participated, by country and date. Under extraordinary circumstances, the Chairman may waive the listing in such report of an official meeting, interview, inspection tour, or other official function. The report shall be maintained in the full committee offices and shall be available for public inspection during normal business hours.

RULE 12. REPORTING BILLS AND RESOLUTIONS

Except in unusual circumstances, bills and resolutions will not be considered by the Committee unless and until the appropriate subcommittee has recommended the bill or resolution for Committee action, and will not be taken to the House of Representatives for action unless and until the Committee has ordered reported such bill or resolution, a quorum being present. Unusual circumstances will be determined by the Chairman, after consultation with the Ranking Minority Member and such other Members of the Committee as the Chairman deems appropriate.

RULE 13. STAFF SERVICES

(a) The Committee staff shall be selected and organized so that it can provide a comprehensive range of professional services in the field of foreign affairs to the Committee, the subcommittees, and all its Members. The staff shall include persons with training and experience in international relations, making available to the Committee individuals with knowledge of major countries, areas, and U.S. overseas programs and operations.

(b) Subject to clause 6 of Rule XI of the House of Representatives, the staff of the Committee, except as provided in paragraph (c), shall be appointed, and may be removed, by the Chairman with the approval of the majority of the majority Members of the Committee. Their remuneration shall be fixed by the Chairman and they shall work under the general supervision and direction of the Chairman. Staff assignments are to be authorized by the Chairman or by the Chief of Staff under the direction of the Chairman.

(c) Subject to clause 6 of Rule XI of the House of Representatives, the staff of the Committee assigned to the minority shall be appointed, their remuneration determined, and may be removed, by the Ranking Minority Member with the approval of the majority of the minority party Members of the Committee. No minority staff person shall be compensated at a rate which exceeds that

paid his or her majority staff counterpart. Such staff shall work under the general supervision and direction of the Ranking Minority Member with the approval or consultation of the minority Members of the committee.

All Committee and subcommittee meetings or hearings which are open to the public may be covered, in whole or in part, by television broadcast, radio broadcast, and still photography, or by any such methods of coverage in accordance with the provisions of clause 3 of House rule XI.

The Chairman or subcommittee chairman shall determine, in his or her discretion, the number of television and still cameras permitted in a hearing or meeting room, but shall not limit the number of television or still cameras to fewer than two representatives from each medium.

Such coverage shall be in accordance with the following requirements contained in Section 116(b) of the Legislative Reorganization Act of 1970, and Clause 3(f) of Rule XI of the Rules of the House of Representatives:

(a) If the television or radio coverage of the hearing or meeting is to be presented to the public as live coverage, that coverage shall be conducted and presented without commercial sponsorship.

(b) No witness served with a subpoena by the Committee shall be required against his will to be photographed at any hearing or to give evidence or testimony while the broadcasting of that hearing, by radio or television is being conducted. At the request of any such witness who does not wish to be subjected to radio, television, or still photography coverage, all lenses shall be covered and all microphones used for coverage turned off. (d) Television cameras shall be placed so as not to obstruct in any way the space between any witness giving evidence or testimony and Member of the Committee or its subcommittees or the visibility of that witness and that member to each other.

(e) Television cameras shall operate from fixed positions but shall not be placed in positions which obstruct unnecessarily the coverage of the hearing by the other media.

(f) Equipment necessary for coverage by the television and radio media shall not be installed in, or removed from, the hearing or meeting room while the Committee or subcommittee is in session.

(g) Floodlights, spotlights, strobe lights, and flashgun shall not be used in providing any method of coverage of the hearing or meeting, except that the television media may install additional lighting in the hearing room, without cost to the Government, in order to raise the ambient lighting level in the hearing room to the lowest level necessary to provide adequate television coverage of the hearing or meeting at the current state of the art of television coverage.

(h) In the allocation of the number of still photographers permitted by the Chairman or subcommittee chairman in a hearing or meeting room, preference shall be given to photographers from Associated Press Photos, United Press International News pictures, and Reuters. If requests are made by more of the media than will be permitted by the Chairman or subcommittee chairman for coverage of the hearing or meeting by still photography, that coverage shall be made on the basis of a fair and equitable pool arrangement devised by the Standing Committee of Press Photographers.

(i) Photographers shall not position themselves, at any time during the course of the hearing or meeting, between the witness table and the Members of the Committee or its subcommittees.

(j) Photographers shall not place themselves in positions which obstruct unnecessarily the coverage of the hearing by the other media.

With regard to the appointment of minority Members, the Chairman shall consult with the Ranking Minority Member.

HONORING THE U.S.S. "GEORGE WASHINGTON" AND THE U.S.S. "MARYLAND"

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 13, 1997

Mr. HOYER. Mr. Speaker, during the August recess, I had the good fortune to spend some time with members of our naval forces, specifically the officers and crews of the aircraft carrier, U.S.S. "George Washington" and the ballistic missile submarine, U.S.S. "Maryland". I was joined on the "George Washington" visit by Congressman GIL GUTKNECHT. Congressman BEN CARDIN and I were together on the "Maryland" visit.

We were able to stay for an overnight on each vessel and observe the ship's personnel, as they went about their normal duties.

Mr. Speaker, it was a distinct pleasure and source of pride watching our Navy in action. You would truly be amazed at the amount of coordination and communication that is required to safely and effectively utilize all of their ship's warfighting capabilities. Yet, these crews carried out their duties with great skill, making it all look easy.

In the case of the U.S.S. "George Washington", the advertisements are correct and possibly even understated. At almost 1,100 feet long, 257 feet wide, 244 feet high, and capable of housing and feeding over 5,000 sailors and marines, she really is 4½ acres of sovereign territory.

A cornerstone of our national defense strategy, "George" can transport over 70 combat aircraft almost anywhere in the world.

Such an important capability becomes even more invaluable as budgets and politics dictate that we vacate our forward bases. It is easy to see why our Nation's aircraft carriers have played a major role in almost every world crisis. Their forward presence is invaluable to our national defense.
