

Mr. Speaker, H.R. 111 authorizes the Secretary of Agriculture to sell 22 acres of land in Dos Palos, CA, to a nonprofit group, the Dos Palos Ag Boosters, to establish a farm school to teach middle and high school students how to farm. The transfer will be a sale based upon fair market value of a parcel of land to be determined by the USDA's farm service agency.

I think that identifies the legislation, Mr. Speaker.

Mr. Speaker, I reserve the balance of my time.

Mr. STENHOLM. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 111, as amended, which authorizes the Secretary of Agriculture to convey for fair market value a parcel of unused agricultural land in Dos Palos, CA, to the Dos Palos Ag Boosters for use as a farm school for local high school and middle school students. Passage of this bill will achieve a couple of worthy goals:

First, it will ensure that this land remains in agricultural use; second, it will educate and train students and beginning farmers by giving them the hands-on experience necessary to succeed. The students and beginning farmers will learn firsthand about irrigation and conservation methods, integrated pest management, agricultural marketing and administration. This bill will help these students learn to appreciate the hard work that goes into producing our Nation's food supply and may get a few of them off to a good start as farmers.

I would note that this bill is virtually identical to legislation that passed the House last Congress. The minor and technical changes that we incorporate in the bill today are changes requested by the administration. The administration in a prior statement of administrative policy indicated that they supported the objectives of H.R. 111 but would seek perfecting amendments in the Senate. In the interests of expediting consideration of H.R. 111 in the other body in order to get it to the President's desk as soon as possible, we have included in the administration's minor technical changes in the version of H.R. 111 we are considering today. With these changes the administration strongly supports H.R. 111.

I urge my colleagues to support this legislation.

Mr. Speaker, I reserve the balance of my time.

Mr. SMITH of Oregon. Mr. Speaker, I yield as much time as he may consume to the gentleman from California [Mr. CONDIT], who is a chief sponsor of the bill.

Mr. CONDIT. Mr. Speaker, I will take just a moment. I simply want to thank the Committee on Agriculture, the chairman of the committee, the ranking member, the gentleman from Texas [Mr. STENHOLM], for expediting this bill and making sure we got it through here. We had a minor problem, and

they worked very hard to work it out, and I appreciate it very much, and the gentleman from Texas [Mr. STENHOLM] has explained the bill. It is a straightforward bill, and I hope that all Members will join me in supporting H.R. 111 when it comes to a vote.

Mr. STENHOLM. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. SMITH of Oregon. Mr. Speaker, I have no further speakers. I, too, yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Oregon [Mr. SMITH] that the House suspend the rules and pass the bill, H.R. 111, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

The title of the bill was amended so as to read: "A bill to provide for the conveyance of a parcel of unused agricultural land in Dos Palos, California, to the Dos Palos Ag Boosters for use as a farm school."

A motion to reconsider was laid on the table.

#### GENERAL LEAVE

Mr. SMITH of Oregon. Mr. Speaker, I ask unanimous consent that all members have 5 legislative days in which to revise and extend their remarks on the bill just passed.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Oregon?

There was no objection.
