

funds our commitment to maintain the highest levels of training and readiness, and to equip our uniformed men and women with the most advanced technologies in the world. We must never fall short when it comes to defense.

CONCLUSION

Our policies are working. By dramatically cutting the deficit and investing in the future, we have helped to spur four years of strong economic growth, providing vast new opportunities for millions of Americans. Jobs, incomes, savings, investment, exports, and homeownership are all up. Crime, poverty, teen pregnancy, and inequality are all down. Clearly, we are moving in the right direction.

But our work is not done. For too long, the Federal Government has spent much more than it received, creating deficits that cast doubt on both our economic future and our ability to govern. In the last four years, we have made huge progress, cutting the deficit by nearly two-thirds. I urge Congress to help me finish the job and balance the budget by 2002—giving the American people the balanced budget they deserve.

WILLIAM J. CLINTON.

Mr. LEACH. Mr. Speaker, in accordance with clause 2(a) of rule XI of the rules of the House, I am submitting for printing in the RECORD a copy of the rules of the Committee on Banking and Financial Services for the 105th Congress, adopted on February 6, 1997.

RULES OF THE COMMITTEE ON BANKING AND FI- NANCIAL SERVICES, ONE HUNDREDTH AND FIFTH CONGRESS

RULE I. GENERAL PROVISIONS

1. (a) The rules of the House are the rules of the Committee and subcommittees so far as applicable, except that a motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, are nondebatable motions of high privilege in the Committee and subcommittees. A proposed investigative or oversight report shall be considered as read if it has been available to the Members of the Committee for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such day).

(b) Each subcommittee of the Committee is a part of the Committee, and is subject to the authority and direction of the Committee and to its rules so far as applicable.

2. The Committee shall submit to the House, not later than January 2 of each odd-numbered year, a report on the activities of the Committee under Rules X and XI of the Rules of the House during the Congress ending at noon on January 3 of such year.

3. The Committee's rules shall be published in the Congressional Record not later than 30 days after the Congress convenes in each odd-numbered year.

RULE II. POWERS AND DUTIES

1. The powers and duties of the Committee are all those such as are enumerated or contained in the Rules of the House and the rulings and precedents of the House or the Committee.

2. For the purpose of carrying out any of its functions and duties under Rules X and XI of the Rules of the House, the Committee, or any subcommittee thereof, is authorized—

(a) to sit and act at such times and places within the United States, whether the House is in session, has recessed, or has adjourned, and to hold hearings; except as provided in Rule XI, clause 2 of the Rules of the House;

(b) to conduct such investigations and studies as it may consider necessary or appropriate, and (subject to the adoption of expense resolutions as required by clause 5 of Rule XI of the Rules of the House) to incur expenses (including travel expenses) in connection therewith. The ranking minority Member of the full Committee or the relevant subcommittee shall be notified in advance at such times as any Committee funds are expended for investigations and studies involving international travel; and

(c) to require, by subpoena or otherwise (subject to clause 3(a)), the attendance and testimony of such witnesses and the production of such books, records, correspondence, memoranda, papers, and documents, in what-

ever form, as it deems necessary. The Chairperson of the Committee, or any Member designated by the Chairperson, may administer oaths to any witness.

Subpoenas

3. (a) A subpoena may be authorized and issued by the Committee or a subcommittee under clause 2(c) in the conduct of any investigation or series of investigations or activities, only when authorized by a majority of the Members voting, a majority being present. The power to authorize and issue subpoenas under clause 2(c) may be delegated to the Chairperson of the Committee pursuant to such limitations as the Committee may prescribe. Authorized subpoenas shall be signed by the Chairperson of the Committee or by any Member designated by the Committee.

(b) Compliance with any subpoena issued by the Committee under clause 2(c) may be enforced only as authorized or directed by the House.

Review of Continuing Programs

4. The Committee shall, in its consideration of all bills and joint resolutions of a public character within its jurisdiction, insure that appropriations for continuing programs and activities of the Federal government and the District of Columbia government will be made annually to the maximum extent feasible and consistent with the nature, requirements, and objectives of the programs and activities involved. For the purposes of this paragraph, a government agency includes the organizational units of government listed in clause 7(c) of Rule XIII of the Rules of the House.

5. The Committee shall review, from time to time, each continuing program within its jurisdiction for which appropriations are not made annually in order to ascertain whether such program could be modified so that appropriations therefore would be made annually.

Budget Act Reports

6. The Committee shall, on or before February 25 of each year, submit to the Committee on the Budget—

(a) the Committee's views and estimates with respect to all matters to be set forth in the concurrent resolution on the budget for the ensuing fiscal year which are within its jurisdiction or functions; and

(b) an estimate of the total amounts of new budget authority, and budget outlays resulting therefrom, to be provided or authorized in all bills and resolutions within the Committee's jurisdiction which it intends to be effective during that fiscal year.

7. As soon as practicable after a concurrent resolution on the budget for any fiscal year is agreed to, the Committee (after consulting with the appropriate Committee or Committees of the Senate) shall subdivide any allocations made to it in the joint explanatory statement accompanying the conference report on such resolution, and promptly report such subdivisions to the House, in the manner provided by section 302 or section 602 (in the case of fiscal years 1991 through 1995) of the Congressional Budget Act of 1974.

8. Whenever the Committee is directed in a concurrent resolution on the budget to determine and recommend changes in laws, bills, or resolutions under the reconciliation process it shall promptly make such determination and recommendations, and report a reconciliation bill or resolution (or both) to the House or submit such recommendations to the Committee on the Budget in accordance with the Congressional Budget Act of 1974.

Oversight Report

9. Not later than February 15 of the first session of a Congress, the Committee shall

meet in open session, with a quorum present, to adopt its oversight plans for that Congress for submission to the Committee on House Oversight and the Committee on Government Reform and Oversight, in accordance with the provisions of clause 2(d) of Rule X of the Rules of the House. The Chairperson shall consult with the ranking minority Member on the formulation of the oversight plan, and the Committee may not meet to adopt the plan unless a copy of the plan has been provided to all Members not less than two days in advance of the Committee meeting.

RULE III. MEETINGS

Regular Meetings

1. Regular meetings of the Committee shall be held on the first Tuesday of each month while the Congress is in session, and the Chairperson shall provide to each Member of the Committee, as far in advance of the day of the regular meeting as the circumstances make practicable, a written notice to that effect. Notwithstanding the preceding sentence, when the Chairperson believes that the Committee will not be considering any bill or resolution before the full Committee and that there is no other timely business to be transacted at a regular meeting, then no Committee meeting shall be held on that day. In such instances, the Chairperson shall not issue the notice of the regular meeting to the Members and the failure to receive such notice shall be treated by the Members as a cancellation of the regular meeting.

Additional and Special Meetings

2. (a) The Chairperson may call and convene, as the Chairperson considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet for conduct of other Committee business. The Committee shall meet for such purpose pursuant to that call of the chair.

(b) No bill or joint resolution shall be considered by the Committee unless (i) such measure has been made available to all Members at least two calendar days (three calendar days when the bill or joint resolution has not been ordered reported by the subcommittee of jurisdiction) prior to the meeting, accompanied by a section-by-section analysis of such measure; and (ii) the Chairperson has notified members of the time and place of the meeting at least two calendar days (three calendar days when the bill or joint resolution has not been ordered reported by the subcommittee of jurisdiction) before the commencement of the meeting. The provisions of this paragraph may be suspended by the Committee by a two-thirds vote or by the Chairperson, with the concurrence of the ranking minority Member of the full Committee.

3. If at least three Members of the Committee desire that a special meeting of the Committee be called by the Chairperson, those Members may file in the offices of the Committee their written request to the Chairperson for that special meeting. Such request shall specify the measure or matter to be considered. Immediately upon the filing of the request, the clerk of the Committee shall notify the Chairperson of the filing of the request. If, within three calendar days after the filing of the request, the Chairperson does not call the requested special meeting, to be held within seven calendar days after the filing of the request, a majority of the Members of the Committee may file in the offices of the Committee their written notice that a special meeting of the Committee will be held specifying the date and hour thereof, and the measure or matter

to be considered at that special meeting. The Committee shall meet on that date and hour. Immediately upon the filing of the notice, the clerk of the Committee shall notify all Members of the Committee that such special meeting will be held and inform them of its date and hour and the measure or matter to be considered; and only the measure or matter specified in that notice may be considered at that special meeting.

Open Meetings

4. (a) Each meeting for the transaction of business, including the markup of legislation, of the Committee or each subcommittee thereof, shall be open to the public including to radio, television and still photography coverage, except when the Committee or subcommittee, in open session and with a majority present, determines by roll call vote that all or part of the remainder of the meeting on that day shall be closed to the public because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would tend to defame, degrade or incriminate any person, or otherwise would violate any law or rule of the House; provided, however, that no person other than Members of the Committee and such congressional staff and such departmental representatives as they may authorize shall be present at any business or markup session which has been closed to the public.

(b) Each hearing conducted by the Committee or each subcommittee thereof shall be open to the public including radio, television and still photography coverage except when the Committee or subcommittee, in open session and with a majority present, determines by roll call vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger the national security or would compromise sensitive law enforcement information or would violate any law or rule of the House. Notwithstanding the requirements of the preceding sentence, a majority of those present (there being in attendance the requisite number required under the Rules of the Committee to be present for the purpose of taking testimony)—

(1) may vote to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security or would compromise sensitive law enforcement information or violate clause 6(e) of Rule IV; or

(2) may vote to close the hearing, as provided in clause 6 of Rule IV.

No Member may be excluded from nonparticipatory attendance at any hearing of the Committee or a subcommittee, unless the House of Representatives shall by a majority vote authorize the Committee or a particular subcommittee, for purposes of a particular series of hearings on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members by the same procedures designated in this paragraph for closing hearings to the public; provided, however, that the Committee or subcommittee may by the same procedure vote to close one subsequent day of hearing.

Broadcasting of Committee Meetings

5. Any meeting or hearing of the Committee or a subcommittee that is open to the public shall be open to coverage by television, radio, and still photography, subject to the requirements and limitations of clause 3 of Rule XI of the Rules of House. The coverage of any meeting or hearing of the Committee or any subcommittee thereof by television, radio, or still photography

shall be under the direct supervision of the Chairperson of the Committee, the subcommittee Chairperson, or other Member of the Committee presiding at such meeting. The number of television or still cameras shall not be limited to fewer than two representatives from each medium except for legitimate space or safety considerations, in which case pool coverage shall be authorized.

Additional Provisions

6. Meetings and hearings of the Committee or subcommittee shall be called to order and presided over by the Chairperson or, in the Chairperson's absence, by the member designated by the Chairperson as the Vice Chairperson of the committee or subcommittee, or by the ranking majority Member of the Committee or subcommittee present.

7. No person other than a Member of Congress, Committee staff, or a person from a Member's staff when that Member has an amendment under consideration, may stand in or be seated at the rostrum area of the Committee unless the Chairperson determines otherwise.

RULE IV. HEARING PROCEDURES

1. The Chairperson, in the case of hearings to be conducted by the Committee, and the appropriate subcommittee Chairperson, in the case of hearings to be conducted by a subcommittee, shall make public announcement of the date, place, and subject matter at least one week before the commencement of that hearing. If the Chairperson, with the concurrence of the ranking minority Member, determines there is good cause to begin the hearing sooner, or if the committee or subcommittee so determines by majority vote, a quorum being present for the transaction of business, the Chairperson shall make the announcement at the earliest possible date. The clerk of the Committee shall promptly notify all Members of the Committee; the Daily Digest; Chief Clerk; Official Reporters; and the Committee scheduling service of House Information Systems as soon as possible after such public announcement is made.

2. (a) Each witness who is to appear before the Committee or a subcommittee shall file with the clerk of the Committee, at least 24 hours in advance of his or her appearance, 200 copies of the proposed testimony if the appearance is before the committee, or 100 copies of the proposed testimony if the appearance is before a subcommittee; provided, however, that this requirement may be modified or waived by the Chairperson of the Committee or appropriate subcommittee, after consultation with the ranking minority member, when the Chairperson determines it to be in the best interest of the Committee or subcommittee, and furthermore, that this requirement shall not be mandatory if a witness is given less than seven days notice of appearance prior to a hearing.

(b) The Chairperson may require a witness to limit the oral presentation to a summary of the statement.

(c) Each witness in a non-governmental capacity shall include with the written statement of proposed testimony a curriculum vitae and a disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two previous fiscal years by the witness or by an entity represented by the witness.

3. Upon announcement of a hearing, the clerk and staff director shall cause to be prepared a concise summary of the subject matter (including legislative reports and other materials) under consideration which shall be made available immediately to all Members of the Committee.

Calling and Interrogation of Witnesses

4. Whenever any hearing is conducted by the Committee or any subcommittee upon any measure or matter, the minority party Members on the Committee shall be entitled, upon request to the Chairperson by a majority of those minority Members before the completion of such hearing, to call witnesses selected by the minority to testify with respect to that measure or matters during at least one day of hearing thereon.

5. Except when the Committee adopts a motion pursuant to subdivisions (B) and (C) of clause 2(j)(2) of rule XI of the rules of the House, Committee Members may question witnesses only when they have been recognized by the Chairperson for that purpose, and only for a 5-minute period until all Members present have had an opportunity to question a witness. The 5-minute period for questioning a witness by any one Member can be extended only with the unanimous consent of all Members present. The questioning of witnesses in both the full and subcommittee hearings shall be initiated by the Chairperson, followed by the ranking minority party Member and all other Members alternating between the majority and minority. In recognizing Members to question witnesses in this fashion, the Chairperson shall take into consideration the ratio of the majority to minority Members present and shall establish the order of recognition for questioning in such a manner as not to disadvantage the Members of the majority.

Investigative Hearing Procedures

6. The following additional rules shall apply to investigative hearings:

(a) The Chairperson, at any investigative hearing, shall announce in an opening statement the subject of the investigation.

(b) A copy of the Committee rules and Rule XI, clause 2 of the Rules of the House shall be made available to each witness.

(c) Witnesses at investigative hearings may be accompanied by their own counsel for the purpose of advising them concerning their constitutional rights.

(d) The Chairperson may punish breaches of order and decorum, and of professional ethics on the part of counsel, by censure and exclusion from the hearings; and the Committee may cite the offender to the House for contempt.

(e) Whenever it is asserted that the evidence or testimony at an investigative hearing may tend to defame, degrade, or incriminate any person,

(i) such testimony or evidence shall be presented in executive session, notwithstanding the provisions of clause 4(b) of Rule III, if by a majority of those present, there being in attendance the requisite number required under the Rules of the Committee to be present for the purpose of taking testimony, the Committee determines that such evidence or testimony may tend to defame, degrade, or incriminate any person; and

(ii) the Committee shall proceed to receive such testimony in open session only if a majority of the Members of the Committee, a majority being present, determine that such evidence or testimony will not tend to defame, degrade, or incriminate any person.

In either case the Committee shall afford such person an opportunity voluntarily to appear as a witness; and receive and dispose of requests from such person to subpoena additional witnesses.

(f) Except as provided in paragraph (e), the Chairperson shall receive and the Committee shall dispose of requests to subpoena additional witnesses.

(g) No evidence or testimony taken in executive session may be released or used in public session without the consent of the Committee.

(h) In the discretion of the Committee, witnesses may submit brief and pertinent sworn statements in writing for inclusion in the record. The Committee is the sole judge of the pertinency of testimony and evidence adduced at its hearing.

(i) A witness may obtain a transcript copy of his or her testimony given at a public session, or, if given at an executive session, when authorized by the Committee.

RULE V. REPORTING OF BILLS AND RESOLUTIONS

1. (a) It shall be the duty of the Chairperson of the Committee to report or cause to be reported promptly to the House any measure approved by the Committee and to take or cause to be taken necessary steps to bring the matter to a vote.

(b) In any event, the report of the Committee on a measure which has been approved by the Committee shall be filed within seven calendar days (exclusive of days on which the House is not in session) after the day on which there has been filed with the clerk of the Committee a written request, signed by a majority of the Members of the Committee, for the reporting of that measure. Upon the filing of any such request, the clerk of the Committee shall transmit immediately to the Chairperson of the Committee notice of the filing of that request.

2. No measure or recommendation shall be reported from the Committee unless the quorum requirement of clause 1(a) of Rule VI is satisfied.

clause 4(c)(2) of Rule X of the Rules of the House separately set out and clearly identified whenever such findings and recommendations have been submitted to the Committee in a timely fashion to allow an opportunity to consider such findings and recommendations during the Committee's deliberations on the measure;

5. (a) If, at the time of approval of any measure or matter by the Committee, any Member of the Committee gives notice of intention to file supplemental, minority, or additional views, that Member shall be entitled to not less than two calendar days (excluding Saturdays, Sundays, and legal holidays except when the House is in session on such day) in which to file such views, in writing and signed by that Member, with the clerk of the Committee. All such views so filed by one or more Members of the Committee shall be included within, and shall be part of, the report filed by the Committee with respect to that measure or matter. When time guaranteed by this subparagraph has expired (or if sooner, when all separate views have been received), the Committee may arrange to file its report with the Clerk not later than one hour after the expiration of such time. No report shall be filed until the Chairperson has notified, with opportunity for discussion, the ranking minority Member of the Committee and the Chairperson of the subcommittee from which the legislation emanated or would have emanated. less than seven calendar days in which to submit such views for inclusion with the report.

After an adjournment of the last regular session of a Congress sine die, the Chair of the Committee may file at any time with the Clerk the Committee's activity report for that Congress pursuant to clause 1(d)(1) of rule XI of the Rules of the House without the approval of the Committee, provided that a copy of the report has been available to each Member of the Committee for at least seven calendar days and the report includes any supplemental, minority, or additional views submitted by a Member of the Committee.
