

Perot's charts and graphs, it is not about numbers. It is about the opportunities that we hope to have for our children. It is about whether or not our children are going to have the opportunity to live the American dream in this great Nation of ours.

Make no mistake about it, we are currently in a situation where a 1 percent change in the interest rate, just 1 small percent change in the interest rate, adds \$50 billion to the deficit. Two percent is \$100 billion to the deficit.

If the deficit starts exploding, the only thing the Government can do is print the money. When they print the money, that is more inflation. When they have more inflation, we, of course, have higher interest rates. Higher interest rates is a higher deficit. So the spiral goes.

As that goes on, Mr. Speaker, we need to understand that when the interest rates go up, our young people, our hardworking families, the people that get up every morning and go to work, they cannot afford the higher interest rate that would be applied to their home mortgage or to their auto loans. As those interest rates go up, people can no longer afford to buy houses and they can no longer afford to buy cars. The end result is that means we do not need as many people building houses and cars.

□ 1500

When the people are not building the houses and cars, of course, that means there are no job opportunities. So what we are really talking about here, when we talk about balancing the budget, we are talking about the Government staying out of the private sector. We are talking about making the Federal Government smaller and less intrusive in our lives.

As the Government quits borrowing that money out of the private sector, leaves more money out there in the private sector, that means with more money available we can expect the interest rates to stay down. When the interest rates stay down, that means people can afford to buy houses. They can afford to buy cars.

And I have to tell you, this is the hope for the future of America. Because when they can afford to buy houses and cars, the poor people in this country are going to have opportunities to have a job because somebody has to build those houses and somebody has to build those cars. That is the hope; that is welfare reform.

Welfare reform is a job opportunity for the people that are not currently working. Welfare reform is the Federal Government quitting spending more money than it has, leaving the money in the private sector so the interest rates stay down so people can afford to buy houses and afford to buy cars in this Nation of ours and people go to work building those houses and those cars. That is job opportunities. That is the welfare reform that we need to talk about in this Nation. That is the hope for my children's future.

When I say "my children," I do not just mean MARK NEUMANN's children, I mean all the kids that are teenagers. The three teenagers in my house, yes, they are going to be out of school in 5 years, but there are going to be millions of teenagers out of school in 5 years. What we are talking is whether those kids are going to have the opportunity to start with a job, to get promotions, and then go through their lives and to provide a better living for themselves and their family as they, too, attempt to achieve the American dream.

That is what this issue is all about. It is not about numbers. It is not about all these charts. It is about our kids. It is about whether or not our kids are going to have the same opportunities that we have had. It is about our senior citizens who have been promised Social Security, and it is about whether or not this Government can make good on those promises to our seniors without destroying the opportunities for our kids. That is what this whole discussion is about.

I conclude today by simply encouraging the support of a balanced budget amendment to the Constitution and encouraging the support of the Social Security Preservation Act so we get both jobs done at the same time and make this place much more credible with the American people and, again, arrive at a point where our children can achieve the American dream.

RULES OF PROCEDURE FOR THE COMMITTEE ON APPROPRIATIONS 105TH CONGRESS

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Louisiana [Mr. LIVINGSTON] is recognized for 5 minutes.

Mr. LIVINGSTON. Mr. Speaker, pursuant to the requirement of clause 2(a) of rule XI of the Rules of the House, I submit herewith the rules of the Committee on Appropriations for the 105th Congress. The committee rules were approved by the full committee on February 5, 1997, and amended on February 12, 1997.

Resolved, That the rules and practices of the Committee on Appropriations, House of Representatives, in the One Hundred Fourth Congress, except as otherwise provided hereinafter, shall be and are hereby adopted as the rules and practices of the Committee on Appropriations in the One Hundred Fifth Congress.

The foregoing resolution adopts the following rules:

SECTION 1. POWER TO SIT AND ACT

For the purpose of carrying out any of its functions and duties under Rules X and XI of the Rules of the House of Representatives, the Committee or any of its subcommittees is authorized:

(a) To sit and act at such times and places within the United States whether the House is in session, has recessed, or has adjourned, and to hold such hearings; and

(b) To require, by subpoena or otherwise, the attendance and testimony of such witnesses and the production of such books, reports, correspondence, memorandums, papers, and documents as it deems necessary.

The Chairman, or any Member designated by the Chairman, may administer oaths to any witness.

(c) A subpoena may be authorized and issued by the Committee or its subcommittees under subsection 1(b) in the conduct of any investigation or activity or series of investigations or activities, only when authorized by a majority of the Members of the Committee voting, a majority being present. The power to authorize and issue subpoenas under subsection 1(b) may be delegated to the Chairman pursuant to such rules and under such limitations as the Committee may prescribe. Authorized subpoenas shall be signed by the Chairman or by any Member designated by the Committee.

(d) Compliance with any subpoena issued by the Committee or its subcommittees may be enforced only as authorized or directed by the House.

SEC. 2. SUBCOMMITTEES

(a) The Majority Caucus of the Committee shall establish the number of subcommittees and shall determine the jurisdiction of each subcommittee.

(b) Each subcommittee is authorized to meet, hold hearings, receive evidence, and report to the Committee all matters referred to it.

(c) All legislation and other matters referred to the Committee shall be referred to the subcommittee of appropriate jurisdiction within two weeks unless, by majority vote of the Majority Members of the full Committee, consideration is to be by the full Committee.

(d) The Majority Caucus of the Committee shall determine an appropriate ratio of Majority to Minority Members for each subcommittee. The Chairman is authorized to negotiate that ratio with the Minority; *Provided, however*, That party representation in each subcommittee, including ex-officio members, shall be no less favorable to the Majority than that ratio for the full Committee.

(e) The Chairman and Ranking Minority Member of the full Committee are authorized to sit as a member of all subcommittees and to participate, including voting, in all its work.

SEC. 3. STAFFING

(a) Committee Staff—The Chairman is authorized to appoint the staff of the Committee, and make adjustments in the job titles and compensation thereof subject to the maximum rates and conditions established in Clause 6(c) of Rule XI of the Rules of the House of Representatives. In addition, he is authorized, in his discretion, to arrange for their specialized training. The Chairman is also authorized to employ additional personnel as necessary.

(b) Assistants to Members—Each of the top twenty-one senior majority and minority Members of the full Committee may select and designate one staff member who shall serve at the pleasure of that Member. Such staff members shall be compensated at a rate, determined by the Member, not to exceed 75 percent of the maximum established in Clause 6(c) of Rule XI of the Rules of the House of Representatives; *Provided*, That Members designating staff members under this subsection must specifically certify by letter to the Chairman that the employees are needed and will be utilized for Committee work.

SEC. 4. COMMITTEE MEETINGS

(a) Regular Meeting Day—The regular meeting day of the Committee shall be the first Wednesday of each month while the House is in session, unless the Committee has met within the past 30 days or the Chairman considers a specific meeting unnecessary in the light of the requirements of the Committee business schedule.

(b) Additional and Special Meetings:

(1) The Chairman may call and convene, as he considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet for such purpose pursuant to that call of the Chairman.

(2) If at least three Committee Members desire that a special meeting of the Committee be called by the Chairman, those Members may file in the Committee Offices a written request to the Chairman for that special meeting. Such request shall specify the measure or matter to be considered. Upon the filing of the request, the Committee Clerk shall notify the Chairman.

(3) If within three calendar days after the filing of the request, the Chairman does not call the requested special meeting to be held within seven calendar days after the filing of the request, a majority of the Committee Members may file in the Committee Offices their written notice that a special meeting will be held, specifying the date and hour of such meeting, and the measure or matter to be considered. The Committee shall meet on that date and hour.

(4) Immediately upon the filing of the notice, the Committee Clerk shall notify all Committee Members that such special meeting will be held and inform them of its date and hour and the measure or matter to be considered. Only the measure or matter specified in that notice may be considered at the special meeting.

(c) Vice Chairman To Preside in Absence of Chairman—A member of the majority party on the Committee or subcommittee thereof designated by the Chairman of the full Committee shall be vice chairman of the Committee or subcommittee, as the case may be, and shall preside at any meeting during the temporary absence of the chairman. If the chairman and vice chairman of the Committee or subcommittee are not present at any meeting of the Committee or subcommittee, the ranking member of the majority party who is present shall preside at the meeting.

(d) Business Meetings:

(1) Each meeting for the transaction of business, including the markup of legislation, of the Committee and its subcommittees shall be open to the public except when the Committee or its subcommittees, in open session and with a majority present, determines by roll call vote that all or part of the remainder of the meeting on that day shall be closed.

(2) No person other than Committee Members and such congressional staff and departmental representatives as they may authorize shall be present at any business or markup session which has been closed.

(e) Committee Records:

(1) The Committee shall keep a complete record of all Committee action, including a record of the votes on any question on which a roll call is demanded. The result of each roll call vote shall be available for inspection by the public during regular business hours in the Committee Offices. The information made available for public inspection shall include a description of the amendment, motion, or other proposition, and the name of each Member voting for and each Member voting against, and the names of those Members present but not voting.

(2) All hearings, records, data, charts, and files of the Committee shall be kept separate and distinct from the congressional office records of the Chairman of the Committee. Such records shall be the property of the House, and all Members of the House shall have access thereto.

(3) The records of the Committee at the National Archives and Records Administra-

tion shall be made available in accordance with Rule XXXVI of the Rules of the House, except that the Committee authorizes use of any record to which Clause 3(b)(4) of Rule XXXVI of the Rules of the House would otherwise apply after such record has been in existence for 20 years. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to Clause 3(b)(3) or Clause 4(b) of Rule XXXVI of the Rules of the House, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination upon the written request of any Member of the Committee.

SEC. 5. COMMITTEE AND SUBCOMMITTEE HEARINGS

(a) Overall Budget Hearings—Overall budget hearings by the Committee, including the hearing required by Section 242(c) of the Legislation Reorganization Act of 1970 and Clause 4(a)(1) of Rule X of the Rules of the House of Representatives shall be conducted in open session except when the Committee in open session and with a majority present, determines by roll call vote that the testimony to be taken at that hearing on that day may be related to a matter of national security; except that the Committee may by the same procedure close one subsequent day of hearing. A transcript of all such hearings shall be printed and a copy furnished to each Member, Delegate, and the Resident Commissioner from Puerto Rico.

(b) Other Hearings:

(1) All other hearings conducted by the Committee or its subcommittees shall be open to the public except when the Committee or subcommittee in open session and with a majority present determines by roll call vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger the national security or would violate any law or Rule of the House of Representatives. Notwithstanding the requirements of the preceding sentence, a majority of those present at a hearing conducted by the Committee or any of its subcommittees, there being in attendance the number required under Section 5(c) of these Rules to be present for the purpose of taking testimony, (1) may vote to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security or violate Clause 2(k)(5) of Rule Xi of the Rules of the House of Representatives or (2) may vote to close the hearing, as provided in Clause 2(k)(5) of such Rule. No Member of the House of Representatives may be excluded from nonparticipatory attendance at any hearing of the Committee or its subcommittees unless the House of Representatives shall by majority vote authorize the Committee or any of its subcommittees, for purposes of a particular series of hearings on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members by the same procedures designated in this subsection for closing hearings to the public; *Provided, however*, That the Committee or its subcommittees may by the same procedure vote to close five subsequent days of hearings.

(2) Subcommittee chairmen shall coordinate the development of schedules for meetings or hearings after consultation with the Chairman and other subcommittee chairmen with a view toward avoiding simultaneous scheduling of Committee and subcommittee meetings or hearings.

(3) Each witness who is to appear before the Committee or any of its subcommittees as the case may be, insofar as is practicable, shall file in advance of such appearance, a

written statement of the proposed testimony and shall limit the oral presentation at such appearance to a brief summary, except that this provision shall not apply to any witness appearing before the Committee in the overall budget hearings.

(4) Each witness appearing in a nongovernmental capacity before the Committee, or any of its subcommittees as the case may be, shall to the greatest extent practicable, submit a written statement including a curriculum vitae and a disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two previous fiscal years by the witness or by an entity represented by the witness.

(c) Quorum for Taking Testimony—The number of Members of the Committee which shall constitute a quorum for taking testimony and receiving evidence in any hearing of the Committee shall be two.

(d) Calling and Interrogation of Witnesses:

(1) The Minority Members of the Committee or its subcommittees shall be entitled, upon request to the Chairman or subcommittee chairman, by a majority of them before completion of any hearing, to call witnesses selected by the Minority to testify with respect to the matter under consideration during at least one day of hearings thereon.

(2) The Committee and its subcommittees shall observe the five-minute rule during the interrogation of witnesses until such time as each Member of the Committee or subcommittee who so desires has had an opportunity to question the witness.

(e) Broadcasting and Photographing of Committee Meetings and Hearings—Whenever a hearing or meeting conducted by the full Committee or any of its subcommittees is open to the public, those proceedings shall be open to coverage by television, radio, and still photography, except as provided in paragraph (f)(2) of the Rules of the House of Representatives. Neither the full Committee Chairman or Subcommittee Chairman shall limit the number of television or still cameras to fewer than two representatives from each medium.

(f) Subcommittee Meetings—No subcommittee shall sit while the House is reading an appropriation measure for amendment under the five-minute rule or while the Committee is in session.

(g) Public Notice of Committee Hearings—The Chairman of the Committee shall make public announcement of the date, place, and subject matter of any Committee or subcommittee hearing at least one week before the commencement of the hearing. If the Chairman of the Committee or subcommittee, with the concurrence of the ranking minority member of the Committee or respective subcommittee, determines there is good cause to begin the hearing sooner, or if the Committee or subcommittee so determines by majority vote, a quorum being present for the transaction of business, the Chairman or subcommittee chairman shall make the announcement at the earliest possible date. Any announcement made under this subparagraph shall be promptly published in the Daily Digest and promptly entered into the Committee scheduling service of the House Information Systems.

SEC. 6. PROCEDURES FOR REPORTING BILLS AND RESOLUTIONS

(a) Prompt Reporting Requirement:

(1) It shall be the duty of the Chairman to report, or cause to be reported promptly to the House any bill or resolution approved by the Committee and to take or cause to be taken necessary steps to bring the matter to a vote.

(2) In any event, a report on a bill or resolution which the Committee has approved

shall be filed within seven calendar days (exclusive of days in which the House is not in session) after the day on which there has been filed with the Committee Clerk a written request, signed by a majority of Committee Members, for the reporting of such bill or resolution. (d) Compliance With Congressional Budget Act—A Committee report on a bill or resolution which has been approved by the Committee shall include the statement required by Section 308(a) of the Congressional Budget Act of 1974, separately set out and clearly identified, if the bill or resolution provides new budget authority.

All such views so filed shall be included in and shall be a part of the report filed by the Committee with respect to that measure or matter.

(2) The Committee report on that measure or matter shall be printed in a single volume which—

(ii) shall have on its cover a recital that any such supplemental, minority, or additional views are included as part of the report.

(3) Subsection (h)(1) of this section, above, does not preclude—

(i) the immediate filing or printing of a Committee report unless timely request for the opportunity to file supplemental, minority, or additional views has been made as provided by such subsection; or

(ii) the filing by the Committee of a supplemental report on a measure or matter which may be required for correction of any technical error in a previous report made by the Committee on that measure or matter.

(4) If, at the time a subcommittee approves any measure or matter for recommendation to the full Committee, any Member of that subcommittee who gives notice of intention to offer supplemental, minority, or additional views shall be entitled, insofar as is practicable and in accordance with the printing requirements as determined by the subcommittee, to include such views in the Committee Print with respect to that measure or matter.

(j) Availability of Reports—A copy of each bill, resolution, or report shall be made available to each member of the Committee at least three calendar days (excluding Saturdays, Sundays, and legal holidays) in advance of the date on which the Committee is to consider each bill, resolution, or report; *Provided*, That this subsection may be waived by agreement between the Chairman and the Ranking Minority Member of the full Committee.

(b) Studies and examinations will be initiated upon the written request of a subcommittee which shall be reasonably specific and definite in character, and shall be initiated only by a majority vote of the subcommittee, with the chairman of the subcommittee and the ranking minority member thereof participating as part of such majority vote. When so initiated such request shall be filed with the Clerk of the Committee for submission to the Chairman and the Ranking Minority Member and their approval shall be required to make the same effective. Notwithstanding any action taken on such request by the chairman and ranking minority member of the subcommittee, a request may be approved by a majority of the Committee.

(c) Any request approved as provided under subsection (b) shall be immediately turned over to the staff appointed for action.

(d) Any information obtained by such staff shall be reported to the chairman of the subcommittee requesting such study and examination and to the Chairman and Ranking Minority Member, shall be made available to the members of the subcommittee concerned, and shall not be released for publication until the subcommittee so determines.

The ranking minority member of a subcommittee shall concur in such travel requests by minority members of that subcommittee and the Ranking Minority Member shall concur in such travel requests for Minority Members of the Committee. Requests in writing covering the purpose, itinerary, and dates of proposed travel shall be submitted for final approval to the Chairman. Specific approval shall be required for each and every trip.

(2) With respect to travel outside the United States or its territories or possessions, the report shall include: (1) an itemized list showing the dates each country was visited, the amount of per diem furnished, the cost of transportation furnished, and any funds expended for any other official purpose; and (2) a summary in these categories of the total foreign currencies and/or appropriated funds expended. All such individual reports on foreign travel shall be filed with the Chairman no later than sixty days following completion of the travel for use in complying with reporting requirements in applicable Federal law, and shall be open for public inspection.

(3) Each Member or employee performing such travel shall be solely responsible for supporting the amounts reported by the Member or employee.

(4) No report or statement as to any trip shall be publicized making any recommendations in behalf of the Committee without the authorization of a majority of the Committee.
