

Mr. ALLEN. Mr. Speaker, H.R. 513 is a bipartisan bill authored by the District of Columbia Subcommittee's chairman, the gentleman from Virginia [Mr. DAVIS], and the gentlewoman from the District of Columbia [Ms. NORTON], its ranking member. It would simply exempt contracts over \$1 million entered into by the District's Water and Sewer Authority and Convention Center Authority from review and approval by the city council. These two authorities were established by the Council during the last 2 years as corporate bodies with a legal existence apart from the District government. Each authority has its own board of directors, financial system, and revenue sources. Their independence was an essential element of their design, and it is critical to the realization of their respective missions.

Two years ago, Congress approved legislation developed by the D.C. Subcommittee establishing the District of Columbia Financial Responsibility and Management Assistance Authority, Public Law 104-8. This bill contained a provision amending the District's home rule charter to require council review of all contracts over \$1 million. This was done in order to inject greater control and accountability into the District's procurement process.

It has since been learned through consultation with various financial advisers that we could lower the risk associated with any borrowing by the two authorities and thereby reduce their borrowing costs if we insulated the larger contracts of the two authorities from the review process and the politics which sometimes affect it.

Finally, the bill would permit the city council at its option to exempt from its review any Federal aid highway program contract over \$1 million. The council has indicated that it would prefer to annually approve a schedule of projects to be undertaken under this program rather than consider project contracts on an individual basis. This approach will expedite the procurement process and ensure work can get started during the construction season.

I should point out that all of the contracts which this bill will exempt from council review will still be subject to review and approval by the District's Financial Authority, the Control Board. The authority will ensure that they have been executed appropriately and are consistent with the District's budget and financial plan.

Mr. Speaker, it is clear that this bill does nothing more than streamline an administrative review process of the council. It enjoys the support of the District's local officials. Accordingly, I urge its approval by this body.

Mr. ALLEN. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. DAVIS of Virginia. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by

the gentleman from Virginia [Mr. DAVIS] that the House suspend the rules and pass the bill, H.R. 513.

The question was taken.

Mr. DAVIS of Virginia. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 5 of rule I and the Chair's prior announcement, further proceedings on this motion will be postponed.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to the provisions of clause 5, rule I, the Chair will now put the question de novo on the approval of the Journal, and then on the motion to suspend the rules postponed from earlier today.

Votes will be taken in the following order:

The first vote will be on the Journal, de novo; the second vote will be on the motion to suspend the rules and pass H.R. 513, by the yeas and nays.

The Chair will reduce to 5 minutes the time for any electronic vote after the first such vote in this series.

THE JOURNAL

The SPEAKER pro tempore. Pursuant to clause 5 of rule I, the pending business is the question de novo of agreeing to the Speaker's approval of the Journal.

The question is on the Speaker's approval of the Journal of the last day's proceedings.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. DAVIS of Virginia. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.

The vote was taken by electronic device, and there were—yeas 355, nays 43, not voting 34, as follows:

ELECTION OF MEMBERS TO THE JOINT COMMITTEE ON PRINTING AND THE JOINT COMMITTEE ON THE LIBRARY

Mr. NEY. Mr. Speaker, I ask unanimous consent that the Committee on House Oversight be discharged from further consideration of the resolution (H. Res. 85) electing members of the Joint Committee on Printing and the Joint Committee of Congress on the Library, and ask for its immediate consideration.

The Clerk read the title of the resolution.

The SPEAKER pro tempore. (Mr. RIGGS). Is there objection to the request of the gentleman from Ohio?

Mr. GEJDENSON. Reserving the right to object, Mr. Speaker, I will not object, but I am just curious as to the gentleman's motion, being the ranking member on the committee.

I yield to the gentleman from California [Mr. THOMAS] to get a full explanation.

Mr. THOMAS. Mr. Speaker, I would tell the gentleman that it is the appointment of Democrats and Republicans to the Joint Committee on Printing. We had gone over the list and cleared it. It is just that it is a unanimous consent, and we wanted to make sure that we were able to get it in prior to the possibility of a motion to adjourn.
