

Whereas the Committee on House Oversight, subpoenaed the records seized by the District Attorney of Orange County on February 13, 1997 and has received and reviewed all records pertaining to registration efforts of that group; and

Whereas some Members of the House Oversight Committee are now seeking a duplicate and dilatory review of materials already in the Committees possession by the Secretary of State of California; and

Whereas the Task Force on the Contested Election in the 46th District of California and the Committee have been reviewing these materials and has all the information it needs regarding who voted in the 46th District and all the information it needs to make judgments concerning those votes; and

Whereas the Committee on House Oversight has after over nine months of review and investigation failed to present credible evidence to change the outcome of the election of Congresswoman Sanchez and is pursuing never ending and unsubstantiated areas of review; and

Whereas, Contestant Robert Dornan has not shown or provided credible evidence that the outcome of the election is other than Congresswoman Sanchez's election to the Congress; and

Whereas, the Committee on House Oversight should complete its review of this matter and bring this contest to an end and now therefore be it:

Resolved, That unless the Committee on House Oversight has sooner reported a recommendation for its final disposition, the contest in the 46th District of California is dismissed upon the expiration of October 31, 1997.

The SPEAKER pro tempore. The resolution constitutes a question of the privileges of the House and must be considered at this time, since offered by the minority leader.
