PRIVILEGES OF THE HOUSE—DISMISSAL OF CONTEST IN 46TH DISTRICT OF CALIFORNIA UPON EXPIRATION OF OCTOBER 31, 1997

Mr. DOOLEY of California. Mr. Speaker, I rise to a question of the privileges of the House, and I send to the desk a privileged resolution (H. Res. 297) pursuant to clause 2 of rule IX and ask for its immediate consideration.

The SPEAKER pro tempore (Mr. HEFLEY). The Clerk will report the resolution.

The Clerk read as follows:

Whereas, Loretta Sanchez was issued a certificate of election as the duly elected Member of Congress from the 46th District of

California by the Secretary of State of California and was seated by the U.S. House of Representatives on January 7, 1997; and

Whereas A Notice of Contest of Election was filed with the Clerk of the House by Mr. Robert Dornan on December 26, 1996; and

Whereas the Task Force on the Contested Election in the 46th District of California has met only three times; and

Whereas the allegations made by Mr. Robert Dornan have been largely found to be without merit: charges of improper voting from a business, rather than a resident address; underage voting; double voting; and charges of unusually large numbers of individuals voting from the same address. It was found that voting from the same address included a Marines barracks and the domicile of nuns, that business addresses were legal residences for the individuals, including the zoo keeper of the Santa Ana zoo, that duplicate voting was by different individuals and those accused of underage voting were of age; and

Whereas the Committee on House Oversight has issued unprecedented subpoenas to the Immigration and Naturalization Service to compare their records with Orange County voter registration records, the first time in any election in the history of the United States that the INS has been asked by Congress to verify the citizenship of voters; and

Whereas the INS has complied with the Committee's request and, at the Committee's request, has been doing a manual check of its paper files and providing worksheets containing supplemental information on that manual check to the Committee on House Oversight for over five months; and

Whereas some Members of the House Oversight Committee are now seeking a duplicate and dilatory review of materials already in the Committees possession by the Secretary of State of California; and

Whereas the Task Force on the Contested Election in the 46th District of California and the Committee have been reviewing these materials and has all the information it needs regarding who voted in the 46th District and all the information it needs to make judgments concerning those votes; and

Whereas the Committee on House Oversight has after over nine months of review and investigation failed to present credible evidence to change the outcome of the election of Congresswoman Sanchez and is pursuing never ending and unsubstantiated areas of review; and

Whereas Contestant Robert Dornan has not shown or provided credible evidence that the outcome of the election is other than Congresswoman Sanchez's election to the Congress; and

Whereas the Committee on House Oversight should complete its review of this matter and bring this contest to an end and now therefore be it;

Resolved, that unless the Committee on House Oversight has sooner reported a recommendation for its final disposition, the contest in the 46th District of California is dismissed upon the expiration of October 31, 1997.

The SPEAKER pro tempore. The resolution presents a question of the privileges of the House.

MOTION TO TABLE OFFERED BY MR. SOLOMON

Mr. SOLOMON. Mr. Speaker, for the eighth and last time, I move to table the resolution.

The CHAIRMAN. The question is on the motion to table offered by the gentleman from New York [Mr. SOLOMON].

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

AGREEMENT FOR COOPERATION BETWEEN UNITED STATES AND FEDERATIVE REPUBLIC OF BRAZIL CONCERNING PEACEFUL USES OF NUCLEAR ENERGY—MESSAGE FROM PRESIDENT OF THE UNITED STATES.

The SPEAKER pro tempore (Mr. HEFLEY) laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on International Relations and ordered to be printed:

To the Congress of the United States:

I am pleased to transmit to the Congress, pursuant to sections 123 b. and 123 d. of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2153(b), (d)), the text of a proposed Agreement for Cooperation Between the Government of the United States of America and the Government of the Federative Republic of Brazil Concerning Peaceful Uses of Nuclear Energy, with accompanying annex and agreed minute. I am also pleased to transmit my written approval, authorization, and determination concerning the agreement, and the memorandum of the Director of the United States Arms Control and Disarmament Agency with the Nuclear Proliferation Assessment Statement con-

cerning the agreement. The joint memorandum submitted to me by the Secretary of State and the Secretary of Energy, which includes a summary of the provisions of the agreement and various other attachments, including agency views, is also enclosed.

The proposed agreement with Brazil has been negotiated in accordance with the Atomic Energy Act of 1954, as amended by the Nuclear Non-Proliferation Act of 1978 and as otherwise amended. In my judgment, the proposed agreement meets all statutory requirements and will advance the non-proliferation and other foreign policy interests of the United States. The agreement provides a comprehensive framework for peaceful nuclear cooperation between the United States and Brazil under appropriate conditions and controls reflecting a strong common commitment to nuclear non-proliferation goals.

The proposed new agreement will replace an existing United States-Brazil agreement for peaceful nuclear cooperation that entered into force on September 20, 1972, and by its terms would expire on September 20, 2002. The United States suspended cooperation with Brazil under the 1972 agreement in the late 1970s because Brazil did not satisfy a provision of section 128 of the Atomic Energy Act (added by the Nuclear Non-Proliferation Act of 1978) that required full-scope International Atomic Energy Agency (IAEA) safeguards in nonnuclear weapon states such as Brazil as a condition for continued significant U.S. nuclear exports.

On December 13, 1991, Brazil, together with Argentina, the Brazilian-Argentine Agency for Accounting and Control of Nuclear Materials (ABAAC) and the IAEA signed a quadrilateral agreement calling for the application of full-scope IAEA safeguards in Brazil and Argentina. This safeguards agreement was brought into force on March 4, 1994. Resumption of cooperation would be possible under the 1972 United States-Brazil agreement for cooperation. However, both the United States and Brazil believe it is preferable to launch a new era of cooperation with a new agreement that reflects, among other things:

- An updating of terms and conditions to take account of intervening changes in the respective domestic legal and regulatory frameworks of the parties in the area of peaceful nuclear cooperation;
- Reciprocity in the application of the terms and conditions of cooperation between the Parties; and
- Additional international non-proliferation commitments entered into by the Parties since 1972.

Over the past several years Brazil has made a definitive break with earlier ambivalent nuclear policies and has embraced wholeheartedly a series of important steps demonstrating its firm commitment to the exclusively peaceful uses of nuclear energy. In addition to its full-scope safeguards agreement
