Whereas other talented artists including Simone Martini and Pietro Lorenzetti left their artistic mark on the Basilica during the first half of the 14th century, frescoing the left side of the transept of the Lower Church;

Whereas the Basilica was severely damaged by twin earthquakes on September 24 and 25, 1997, the extent of which has been described as more devastating than the World War II bombings of Padua and Pisa in 1944;

Whereas the famous frescoes painted by Giotto on the side walls of the Basilica in the early 14th century and depicting scenes from St. Francis' life are cracked but mostly intact;

Whereas experts in Italy are already working to restore the Basilica, and
