

“(C) If the Secretary determines under subparagraph (B) that either insufficient or excess revenues are being collected, the Secretary shall, at the time of the determination, transmit to Congress a proposal to adjust the amount in subparagraph (A)(i) to ensure full cost recovery. The amount in subparagraph (A)(i) shall be adjusted, by operation of law, immediately upon enactment of a joint resolution of approval under paragraph (5) of this subsection.

“(D) The Secretary shall, by rule, establish procedures necessary to implement this paragraph.

“(4) ONE-TIME FEE.—For spent nuclear fuel or solidified high-level radioactive waste derived from spent nuclear fuel, which fuel was used to generate electricity in a civilian nuclear power reactor prior to January 7, 1983, the fee shall be in an amount equivalent to an average charge of 1.0 mill per kilowatt-hour for electricity generated by such spent nuclear fuel, or such solidified high-level waste derived therefrom. Payment of such one-time fee prior to the date of enactment of the Nuclear Waste Policy Act of 1997 shall satisfy the obligation imposed under this paragraph. Any one-time fee paid and collected subsequent to the date of enactment of the Nuclear Waste Policy Act of 1997 pursuant to the contracts, including any interest due pursuant to the contracts, shall be paid to the Nuclear Waste Fund no later than September 30, 2001. The Commission shall suspend the license of any licensee who fails or refuses to pay the full amount of the fees assessed under this subsection, on or before the date on which such fees are due, and the license shall remain suspended until the full amount of the fees assessed under this subsection is paid. The person paying the fee under this paragraph to the Secretary shall have no further financial obligation to the Federal Government for the long-term storage and permanent disposal of spent fuel or high-level radioactive waste derived from spent nuclear fuel used to generate electricity in a civilian power reactor prior to January 7, 1983.

“(4) EXPENDITURES IF SHORTFALL.—If, during any fiscal year on or after October 1, 1997, the aggregate amount of fees assessed under this subsection is less than the annual level of appropriations for expenditures on those activities specified in subsection (d) for that fiscal year, minus the percentage of such appropriations required to be funded by the Federal Government pursuant to section 403, the Secretary may make expenditures from the Nuclear Waste Fund up to the level equal to the difference between the amount appropriated and the amount of fees assessed under this subsection.

In making this determination the Secretary shall—

“(i) rely on the ‘Analysis of the Total System Life Cost of the Civilian Radioactive Waste Management Program,’ dated September 1995, or on a total system life-cycle cost analysis published by the Secretary (after notice and opportunity for public comment) after the date of enactment of the Nuclear Waste Policy Act of 1997, in making any estimate of the costs to be incurred by the government under subsection (c)(2);

ADDITIONAL STATEMENTS

WITHDRAWAL OF COSPONSORSHIP OF S. 525

• Mr. BENNETT. Mr. President, today I withdraw as a cosponsor of S. 525.

I recognize the need to address the challenge represented by millions of uninsured children. In addition, I am in favor of any effort to discourage tobacco use, which is our Nation's No. 1 health problem. For these reasons, I initially agreed to assist Senator HATCH.

However, after a complete review of the actual language of the bill, I find that it moves in the wrong direction. Accordingly, with great regret for any problems this may pose for my colleague and friend, I have taken my name off the bill as a cosponsor. •

NEW MEXICO'S OUTSTANDING WOMEN BUSINESSOWNERS

• Mr. BINGAMAN. Mr. President, I rise to recognize the outstanding achievements of the "Top 25" women-owned businesses in New Mexico that are being honored by Albuquerque Woman magazine. These businesses—small-, medium-, and large-sized—are all contributing to the economic well-being of our State.

It is not easy to start up a new business venture, and it is even more difficult to become a prosperous enterprise. Economic success requires the dedication, hard work and know how that all of the winners of the "Top 25" awards have shown. But successful businesses operated by caring individuals generate more than economic growth, they also build our communities. If you look at the list of the businessowners that I will include later in my statement, you will notice many
