SENATE RESOLUTION 94

SENATE CONCURRENT RESOLUTION 31—CONCERNING THE PALESTINIAN AUTHORITY

Mr. D'AMATO (for himself, Mr. BOND, Mr. MACK, and Mr. SPECTER) submitted

the following concurrent resolution; which was referred to the Committee on Foreign Relations:

S. CON. RES. 31

Resolved by the Senate (the House of Representatives concurring),

Whereas the Palestinian Authority Justice Minister Freih Abu Medein announced last month that anyone selling land to Jews was committing a crime punishable by death:

Whereas since this announcement three Palestinian individuals were murdered in the Jerusalem and Ramallah areas for, what would anywhere else in the world be considered normal business activity—selling real estate:

Whereas recently Israeli police managed to foil the attempted abduction of a fourth person.

Whereas Israeli security services have acquired evidence indicating the intelligence services of the Palestinian Authority were directly involved in at least 2 of these murders;

Whereas subsequent statements by highranking Palestinian Authority officials have justified these murders which have further encouraged this intolerable policy;

Whereas the Palestinian Authority has failed to condemn the policy of murdering people for business transactions;

Whereas this policy is in direct contravention to the peace agreements already reached between the Palestinian Authority and the State of Israel; and

Whereas credible evidence exists that the Palestinian Authority has played an active role in these murders and in enforcing this policy: Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That it is the sense of the Congress that—

- (1) the Clinton administration should thoroughly investigate the Palestinian Authority role in enforcing this racist policy and should immediately report to the Congress its findings:
- (2) the Palestinian Authority, with Yasser Arafat as its chairman, must immediately issue a public and unequivocal statement denouncing these acts and this policy;
- (3) this policy is an affront to all those who place high value on peace and basic human rights; and
- (4) the United States should not provide foreign assistance to the Palestinian Authority until this policy is reversed.

Mr. D'AMATO. Mr. President, I rise today, along with Senators CONNIE MACK, KIT BOND, and ARLEN SPECTER to introduce a concurrent resolution condemning the Palestinian Authority for the killing of Palestinians for selling land to Israelis. This legislation is being offered concurrently in the House by my colleagues, Congressmen Jon FOX and JERRY WELLER.

Mr. President, we are offering this resolution because it is appalling that Yasir Arafat, to whom we provide millions of dollars in aid, is allowing his so-called police officers from the Palestinian Authority to carry out assasinations of Arab land dealers for their sales of land to Jews. Arafat terms these dealers "isolated traitors" for their actions and has thereby given his approval to these killings.

Thus far, three land dealers have been killed, execution style with a bullet to the back of the head, all by Palestinian Authority police officers. The Israeli police have already arrested one man in the killing of the first land dealer, Farid Bashiti, and earlier in the week they arrested four Palestinian officers attempting to kidnap another land dealer. According to a story in today's Ha'aretz (a newspaper in Israel) the detained Palestinian police officers have given information that links Tawfik Tirawi, the head of security in Ramallah, under Palestinian Authority control.

At this time, I would ask unanimous consent that the text of this article be included in the RECORD.

This is an interesting state of affairs that we have here. The United States provides funding to the Palestinian Authority, they violate the agreements they have signed with the Israelis, and we go about our way as if nothing has happened. Arafat's Palestinian Authority mismanages the funds it has and we provide more. This is outrageous and unfortunate.

The world must realize that Israel, while keeping its agreements with the Palestinians, is held to a different standard, harassed, criticized, and denigrated for building condominiums at Har Homa, on territory that is its own, perfectly legal according to the Oslo agreement but nevertheless condemned as flagrantly violating the peace. Yet where is the criticism of the terrorism practiced by the Palestinians? Where are the U.N. resolutions condemning these summary executions by the Palestinian police? Yasir Arafat pushed for the U.N. to condemn the building at Har Homa, yet he brands extrajudicial killings as justifiable for traitors. What a despicable contradic-

Mr. President, we offer this resolution to call attention to these horrible killings by Palestinian police sanctioned by the PLO in violation of every standard of international human rights, and to call attention to the fact that Yasir Arafat's PLO has not changed its spots; it has not reformed. Why, we ask, does the United States continue to allow these acts to take place?

I urge my colleagues to support this resolution as well as to examine this issue to understand Yasir Arafat's behavior.

There being no objection, the article was ordered to be printed in the RECORD, as follows:

[From Ha'aretz, June 5, 1997]

PALESTINIAN SECURITY OFFICIAL DETAINED IN ISRAEL: COLONEL TIRAWI ORDERED LAND DEALERS MURDERS

(By Eitan Rabin and Amira Hass)

Israeli security officials rejected the claims of their Palestinian counterparts that no Palestinian agents were involved in the recent murders of land dealers.

"The Palestinians have made a political decision to kill anyone who sells land to Jews, and in recent days they have even added names to their list of suspected dealers," a senior security source said.

Three land dealers were killed in the past month following the declaration of the Palestinian Authority official in charge of justice, Freih Abu-Meddien, that selling land to Jews is a crime punishable by death. The Palestinian Authority has repeatedly denied any involvement in the murders. The head of Palestinian intelligence, Amin allindi said reiterated this at a Ramallah news conference yesterday. Commenting on reports that Israel had issued a warrant for the arrest of a Palestinian Authority official, Al-Hindi said the Palestinians had not received any information to this effect. But he warned of a grave escalation in the situation if any senior Palestinian was detained.

Al-Hindi added that the Palestinian security branches are investigating the land dealer murders, even though the killings took place in areas under Israeli security responsibility.

Al-Hindi charged Israel of using the murders to cover up its own failure to fulfill its commitments in the peace accords and to deflect debate over settlement policy.

From questioning Palestinian security officials detained in Israel, Israeli security forces have obtained testimony linking the Palestinian Authority to the murders. One testimony points to specific involvement of Tawfik Tirawi, the head of security in Ramallah. According to questioning of the detainees, orders to security forces to act came in part from Abu-Meddien.

In one case, security forces met with a land dealer from East Jerusalem, and forced him to pay a ransom to save his life.

In a related development, a Nazareth-based weekly put out by the Democratic Front for Peace and Equality, headed by Knesset member Azmi Beshara, has published a list of names of well-known Palestinians who are believed to have sold land to Jews between 1918–1945.

The list includes the name of Palestinian Arab leaders from the period. The Voice of Palestine radio sharply attacked the article, primarily because the list included the name of the grandfather of Faisal Husseini, who holds the Jerusalem portfolio in the Palestinian Authority.
