"(h)(1) Notwithstanding the previous subsections of this section, in the case of an individual whose modified adjusted gross income for a taxable year ending with or within a calendar year (as initially determined by the Secretary in accordance with paragraph (3)) exceeds the threshold amount described in paragraph (5)(B), the Secretary shall increase the amount of the monthly premium for months in the calendar year by an amount equal to the difference between—

"(A) 200 percent of the monthly actuarial rate for enrollees age 65 and over as determined under subsection (a)(1) for that calendar year; and

"(B) the total of the monthly premiums paid by the individual under this section (determined without regard to subsection (b)) during such calendar year.

"(2) In the case of an individual described in paragraph (1) whose modified adjusted gross income exceeds the threshold amount by less than \$50,000, the amount of the increase in the monthly premium applicable under paragraph (1) shall be an amount which bears the same ratio to the amount of the increase described in paragraph (1) (determined without regard to this paragraph) as such excess bears to \$50,000.

"(3) The Secretary shall make an initial determination of the amount of an individual's modified adjusted gross income for a taxable year ending with or within a calendar year for purposes of this subsection as follows:

"(A) Not later than September 1 of the year preceding the year, the Secretary shall provide notice to each individual whom the Secretary finds (on the basis of the individual's actual modified adjusted gross income for the most recent taxable year for which such information is available or other information provided to the Secretary by the Secretary of the Treasury) will be subject to an increase under this subsection that the individual will be subject to such an increase, and shall include in such notice the Secretary's estimate of the individual's modified adjusted gross income for the year.

"(B) If, during the 30-day period beginning on the date notice is provided to an individual under subparagraph (A), the individual provides the Secretary with information on the individual's anticipated modified adjusted gross income for the year, the amount initially determined by the Secretary under this paragraph with respect to the individual shall be based on the information provided by the individual.

"(C) If an individual does not provide the Secretary with information under subparagraph (B), the amount initially determined by the Secretary under this paragraph with respect to the individual shall be the amount included in the notice provided to the individual under subparagraph (A).

"(4)(A) If the Secretary determines (on the basis of final information provided by the Secretary of the Treasury) that the amount of an individual's actual modified adjusted gross income for a taxable year ending with or within a calendar year is less than or greater than the amount initially determined by the Secretary under paragraph (3), the Secretary shall increase or decrease the amount of the individual's monthly premium under this section (as the case may be) for months during the following calendar year by an amount equal to $\frac{1}{2}$ of the difference between—

"(i) the total amount of all monthly premiums paid by the individual under this section during the previous calendar year; and

"(ii) the total amount of all such premiums which would have been paid by the individual during the previous calendar year if the amount of the individual's modified adjusted gross income initially determined under paragraph (3) were equal to the actual amount of the individual's modified adjusted gross income determined under this paragraph.

"(B)(i) In the case of an individual for whom the amount initially determined by the Secretary under paragraph (3) is based on information provided by the individual under subparagraph (B) of such paragraph, if the Secretary determines under subparagraph (A) that the amount of the individual's actual modified adjusted gross income for a taxable year is greater than the amount initially determined under paragraph (3), the Secretary shall increase the amount otherwise determined for the year under subparagraph (A) by interest in an amount equal to the sum of the amounts determined under clause (ii) for each of the months described in clause (ii).

"(ii) Interest shall be computed for any month in an amount determined by applying the underpayment rate established under section 6621 of the Internal Revenue Code of 1986 (compounded daily) to any portion of the difference between the amount initially determined under paragraph (3) and the amount determined under subparagraph (A) for the period beginning on the first day of the month beginning after the individual provided information to the Secretary under subparagraph (B) of paragraph (3) and ending 30 days before the first month for which the individual's monthly premium is increased under this paragraph.

"(iii) Interest shall not be imposed under this subparagraph if the amount of the individual's modified adjusted gross income provided by the individual under subparagraph (B) of paragraph (3) was not less than the individual's modified adjusted gross income determined on the basis of information shown on the return of tax imposed by chapter 1 of the Internal Revenue Code of 1986 for the taxable year involved.

"(C) In the case of an individual who is not enrolled under this part for any calendar year for which the individual's monthly premium under this section for months during the year would be increased pursuant to subparagraph (A) if the individual were enrolled under this part for the year, the Secretary may take such steps as the Secretary considers appropriate to recover from the individual the total amount by which the individual's monthly premium for months during the year would have been increased under subparagraph (A) if the individual were enrolled under this part for the year.

"(D) In the case of a deceased individual for whom the amount of the monthly premium under this section for months in a year would have been decreased pursuant to subparagraph (A) if the individual were not deceased, the Secretary shall make a payment to the individual's surviving spouse (or, in the case of an individual who does not have a surviving spouse, to the individual's estate) in an amount equal to the difference between—

"(i) the total amount by which the individual's premium would have been decreased for all months during the year pursuant to subparagraph (A); and

"(ii) the amount (if any) by which the individual's premium was decreased for months during the year pursuant to subparagraph (A).
