

an effective tool to assist in the prosecution of a wide variety of crimes, including "white-collar" crime and drug trafficking offenses. The Treaty is self-executing.

The Treaty provides for a broad range of cooperation in criminal matters. Mutual assistance available under the Treaty includes: taking of testimony or statements of persons; providing documents, records, and articles of evidence; serving documents; locating or identifying persons or items; transferring persons in custody for testimony or other purposes; executing requests for searches and seizures; assisting in proceedings related to immobilization and forfeiture of assets, restitution to the victims of crime, and collection of fines; and any other form of assistance not prohibited by the laws of the Requested State.

I recommend that the Senate give early and favorable consideration to the Treaty and give its advice and consent to ratification.

WILLIAM J. CLINTON.

THE WHITE HOUSE, July 8, 1997.

ORDERS FOR WEDNESDAY, JULY 9, 1997

Mr. LOTT. I ask unanimous consent, Mr. President, that when the Senate completes its business today it stand in adjournment until the hour of 9:15 a.m., Wednesday, July 9. I further ask unanimous consent that on Wednesday, immediately following the prayer, the routine requests through the morning hour be granted and there then be a period of morning business until the hour of 11 a.m., with Senators permitted to speak for up to 5 minutes each with the following exceptions: Senator MACK or his designee, 60 minutes from 9:15 a.m. to 10:15 a.m.; and Senator DASCHLE or his designee, 30 minutes.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. LOTT. Mr. President, I further ask unanimous consent that at 11 a.m., the Senate resume consideration of S. 936, the Defense authorization bill.

The PRESIDING OFFICER. Without objection, it is so ordered.

PROGRAM

Mr. LOTT. Mr. President, the Senate will be in a period for morning business until the hour of 11 a.m. in the morning. At 11 a.m., the Senate will resume consideration of this very important Defense authorization bill. Senators can expect a series of rollcall votes on pending amendments to the bill later in the day as we make progress on this important legislation.

We do have some Senators that are attending the Madrid meeting at this time in a very important role that they are fulfilling as NATO enlargement observers. They will be returning in the afternoon, and that is why we are trying to accommodate their schedules to make sure that they make these important votes. As always, Members will

be notified accordingly when votes on amendments are ordered.

As a reminder to Senators, this evening a cloture motion was filed, and all first-degree amendments then must be filed by 1 p.m. on Wednesday. That is one of the benefits of the cloture motion. All first-degree amendments have to be filed on Wednesday, so we will have a real good look at what is pending out there.

As previously stated, it is the intention to complete action on the bill by week's end, so Members should expect long, busy days with a number of votes occurring throughout the week.

ADJOURNMENT UNTIL 9:15 A.M. TOMORROW

Mr. LOTT. If there is no further business to come before the Senate, I now ask unanimous consent that the Senate stand in adjournment under the previous order.

There being no objection, the Senate, at 6:55 p.m., adjourned until Wednesday, July 9, 1997, at 9:15 a.m.
