SENATE CONCURRENT RESOLUTION 46—ORIGINAL RESOLUTION REPORTED BY THE COMMITTEE ON FOREIGN RELATIONS

Mr. HELMS, from the Committee on Foreign Relations, reported the following original resolution; which was placed on the calendar:

S. CON. RES. 46

Whereas on July 30, 1997, two terrorist bombs exploded almost simultaneously in an open air Jerusalem market, killing at least 18 people, and wounding more than 100, and

Whereas this attack is a violent and vicious attack against the peace process and against the people of Israel: Now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That the Congress—

(1) Expresses the deep condolences of the Congress and the American people to the people of Israel for the loss of life and the serious injuries that have been suffered in the terrorist bombing in the Jerusalem market and expresses the solidarity of the American people with the people of Israel in the wake of this tragic and senseless act;

(2) Expresses the determination of the Congress to join with the government of Israel in fighting against terrorism;

(3) Urges Yasser Arafat and officials of the Palestinian Authority to do more to combat terrorism and to eliminate terrorist networks in areas under their control;

(4) Calls on Yasser Arafat and officials of the Palestinian Authority to cooperate more intensively with the Israeli government in fighting terrorism; and

(5) Reaffirms the commitment of the United States Congress to peace in the Middle East and urges all parties to work together to bring an end to terrorism and to promote lasting peace and security in the region.

THE REPREHENSIBLE BOMBING IN JERUSALEM

Mr. HELMS. Mr. President, this morning, the Foreign Relations Committee approved and sent to the Senate an original resolution—Senate Concurrent Resolution 46—condemning the terrorist attack in Israel at 1:15 p.m. Wednesday afternoon, Israel time, when two terrorists entered a market in the center of Jerusalem and blew themselves up, killing at least 12 Israelis, and leaving 120 wounded, at least 20 of whom are described in critical condition.

Mr. President, the reason for this attack was probably yesterday's announcement that the peace talks between Israel and the Palestinians were about to resume. Clearly, the terrorists decided to try to derail the peace process by murdering innocent people.

They perhaps have succeeded, because the peace process, Mr. President, is meaningless if there is no security for the people of Israel.

It is reported that Yasser Arafat telephoned Prime Minister Netanyahu to apologize for the bombing. He has had ample practice in issuing apologies and regrets for Palestinian attacks on Jews. But rhetoric is cheap. The question all of us must ask is: "Has Yasser Arafat done what it takes to rid the territories under his control of terrorists?" The answer to that is obvious: no.

The United States has done a great deal, too much, some contend, to support the Palestinian Authority. What has the Authority done to crack down on terror? Not nearly enough. Palestinian police officials are implicated in murders; terrorists are operating freely in areas under the Palestinian Authority's control.

Now dozens of innocent people lie dead and wounded. Not soldiers. Not military or police personnel. Just innocent people—mothers, fathers, children. There is no peace in this process.

SENATE RESOLUTION 110— RELATIVE TO THE SENATE FLOOR

AMENDMENTS SUBMITTED

THE INTERNATIONAL DOLPHIN CONSERVATION PROGRAM ACT

SNOWE (AND OTHERS)
AMENDMENT NO. 1045

Ms. SNOWE (for herself, Mr. BREAUX, Mr. STEVENS, and Mr. MCCAIN) proposed an amendment to the bill (S. 39) to amend the Marine Mammal Protection Act of 1972 to support the International Dolphin Conservation Program in the eastern tropical Pacific Ocean, and for other purposes; as follows:

In lieu of the matter proposed to be inserted by the committee amendment, insert the following:

SECTION 1. SHORT TITLE; REFERENCES.

(a) SHORT TITLE.—This Act may be cited as the "International Dolphin Conservation Program Act".

(b) REFERENCES TO MARINE MAMMAL PROTECTION ACT.—Except as otherwise expressly provided, whenever in this Act an amendment or repeal is expressed in terms of an amendment to, or repeal of, a section or other provision, the reference shall be considered to be made to a section or other provision of the Marine Mammal Protection Act of 1972 (16 U.S.C. 1361 et seq.).

SEC. 2. PURPOSES AND FINDINGS.

(a) PURPOSES.—The purposes of this Act are—

(1) to give effect to the Declaration of Panama, signed October 4, 1995, by the Governments of Belize, Colombia, Costa Rica, Ecuador, France, Honduras, Mexico, Panama, Spain, the United States of America, Vanuatu, and Venezuela, including the establishment of the International Dolphin Conservation Program, relating to the protection of dolphins and other species, and the conservation and management of tuna in the eastern tropical Pacific Ocean;

(2) to recognize that nations fishing for tuna in the eastern tropical Pacific Ocean have achieved significant reductions in dolphin mortality associated with that fishery; and

(3) to eliminate the ban on imports of tuna from those nations that are in compliance with the International Dolphin Conservation Program.

(b) FINDINGS.—The Congress finds that—

(1) the nations that fish for tuna in the eastern tropical Pacific Ocean have achieved significant reductions in dolphin mortality associated with the purse seine fishery from hundreds of thousands annually to fewer than 5,000 annually;

(2) the provisions of the Marine Mammal Protection Act of 1972 that impose a ban on imports from nations that fish for tuna in the eastern tropical Pacific Ocean have served as an incentive to reduce dolphin mortalities;

(3) tuna canners and processors of the United States have led the canning and processing industry in promoting a dolphin-safe tuna market; and

(4) 12 signatory nations to the Declaration of Panama, including the United States, agreed under that Declaration to require that the total annual dolphin mortality in the purse seine fishery for yellowfin tuna in the eastern tropical Pacific Ocean not exceed 5,000 animals, with the objective of progressively reducing dolphin mortality to a level approaching zero through the setting of annual limits and with the goal of eliminating dolphin mortality.

SEC. 3. DEFINITIONS.

Section 3 (16 U.S.C. 1362) is amended by adding at the end the following new paragraphs:

"(28) The term 'International Dolphin Conservation Program' means the international program established by the agreement signed in LaJolla, California, in June, 1992, as formalized, modified, and enhanced in accordance with the Declaration of Panama.

"(29) The term 'Declaration of Panama' means the declaration signed in Panama City, Republic of Panama, on October 4, 1995."

(2) by striking the semicolon in the second sentence and all that follows through "practicable".

(b) DOCUMENTATION REQUIRED.—Section 101(a)(2) (16 U.S.C. 1371(a)(2)) is further amended—

(1) by striking subparagraph (B) and inserting the following:

"(B) in the case of yellowfin tuna harvested with purse seine nets in the eastern tropical Pacific Ocean, and products therefrom, to be exported to the United States, shall require that the government of the exporting nation provide documentary evidence that—

"(i)(I) the tuna or products therefrom were not banned from importation under this paragraph before the effective date of section 4 of the International Dolphin Conservation Program Act; or

"(II) the tuna or products therefrom were harvested after the effective date of section 4 of the International Dolphin Conservation Program Act by vessels of a nation which participates in the International Dolphin Conservation Program, and such harvesting nation is either a member of the Inter-American Tropical Tuna Commission or has initiated (and within 6 months thereafter completed) all steps required of applicant nations, in accordance with article V, paragraph 3 of the Convention establishing the Inter-American Tropical Tuna Commission, to become a member of that organization;

"(ii) such nation is meeting the obligations of the International Dolphin Conservation Program and the obligations of membership in the Inter-American Tropical Tuna Commission, including all financial obligations; and

"(iii) the total dolphin mortality limits, and per-stock per-year dolphin mortality limits permitted for that nation's vessels under the International Dolphin Conservation Program do not exceed the limits determined for 1997, or for any year thereafter, consistent with the objective of progressively reducing dolphin mortality to a level approaching zero through the setting of annual limits and the goal of eliminating dolphin mortality, and requirements of the International Dolphin Conservation program;"

(2) by redesignating subparagraphs (C), (D), and (E) as subparagraphs (D), (E), and (F), respectively;

(3) by inserting after subparagraph (B) the following:

"(C) shall not accept such documentary evidence if—

"(i) the government of the harvesting nation does not provide directly or authorize the Inter-American Tropical Tuna commission to release complete and accurate information to the Secretary in a timely manner—

"(I) to allow determination of compliance with the International Dolphin Conservation Program; and

"(II) for the purposes of tracking and verifying compliance with the minimum requirements established by the Secretary in regulations promulgated under subsection (f) of the Dolphin Protection Consumer Information Act (16 U.S.C. 1385(f)); or

"(ii) after taking into consideration such information, funding of the Inter-American Tropical Tuna Commission, and any other relevant information, including information that a nation is consistently failing to take enforcement actions on violations which diminish the effectiveness of the International Dolphin Conservation Program, the Secretary, in consultation with the Secretary of State, finds that the harvesting nation is not in compliance with the International Dolphin Conservation Program.";

(4) by striking "subparagraph (E)" in the matter after subparagraph (F), as redesignated by paragraph (2) of this subsection, and inserting "subparagraph (F)".
