

HONORING MS. ESTHER KRAUS

HON. JERRY MORAN

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

Monday, June 7, 1999

Mr. MORAN of Kansas. Mr. Speaker, today I would like to recognize the dedication of Mrs. Esther Kraus to the young people of Kansas. She has served with distinction for ten years as the coordinator of the We the People . . . Program for Kansas' First congressional District.

Mrs. Kraus' superior efforts on behalf of this program have far exceeded the normal duties of a district coordinator. She has tirelessly promoted the program, identifying local people who are interested in civics and government and finding ways for them to contribute to the goals of We the People . . . Mrs. Kraus has also provided materials and support to high school government teachers who are interested in entering their classes in the competitive Citizen and the Constitution hearings. My district has been proud to be represented for the past two years on the national level in this prestigious competition. Mrs. Kraus has also been a dedicated participant in state and national coordinators' meetings related to We the People . . . She has never missed a single state or national meeting.

Esther Kraus has performed a remarkable and valuable service to Kansas' First District. She has tirelessly promoted for young citizens an understanding of the United States Constitution. Through her efforts, the youth of the First District have become aware of this document and the power which it holds. On her tenth anniversary as a district coordinator for the We the People . . . Program, I would like to recognize and commend her for her excellent job promoting education and patriotism among the youth of Kansas.

**H.J. RES. 55, THE MAILBOX
PRIVACY PROTECTION ACT****HON. RON PAUL**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, June 7, 1999

Mr. PAUL. Mr. Speaker, because this is small business appreciation week I would like to remind my colleagues of the importance of enacting HJ Res 55, the Mailbox Privacy Protection Act. HJ Res 55 repeals recently enacted Post Office regulations requiring Commercial Mail Receiving Agencies (CMRAs) to collect personal information about their customers, such as their name, address, social security number, and photograph. These regulations not only force small businesses to intrude into their customer's privacy, they could impose costs as high as \$1 billion on small businesses during the initial six-month compliance period. The long term costs of this rule are incalculable, but could conceivably reach several billion dollars in the first few years. Some small businesses may even be forced into bankruptcy.

Businesses like Mailboxes, etc., must turn the collected information over to the Post Office. Mr. Speaker, what business in America would not leap at the chance to force their competitors to provide them with their cus-

tomers names, addresses, social security numbers, and photographs? The Post Office could even mail advertisements to those who use private mail boxes explaining how their privacy would not be invaded if they used a government box.

It is ironic that this regulation comes at a time when the Post Office is getting into an ever increasing number of enterprises not directly related to mail delivery. So, while the Postal Service uses its monopoly on first-class mail to compete with the private sector, it works to make life more difficult for its competitors in the field of mail delivery.

Mr. Speaker, Congress must do more than talk about how it appreciates small business, it must work to lift the burden of big government from America's job-creating small businesses. Passing HJ Res 55 and protecting Commercial Mail Receiving Agencies from the Post Offices' costly and anti-competitive regulations would be a great place to start.

**CONGRATULATING ALEXANDER
GRAHAM BELL ELEMENTARY
FOR RECEIVING THE BLUE RIBBON
SCHOOL DESIGNATION****HON. JAY INSLEE**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Monday, June 7, 1999

Mr. INSLEE. Mr. Speaker, Alexander Graham Bell Elementary is an outstanding elementary school in the First Congressional District of the State of Washington. The students and staff of Alexander Graham Bell Elementary recently received the Blue Ribbon School designation awarded by the U.S. Department of Education.

The Blue Ribbon School designation is a very prestigious award. It is given to schools who are especially effective in meeting local, state and national education goals. Blue Ribbon Schools, such as Alexander Graham Bell Elementary, serve as models for other schools seeking to improve the quality of education for their students.

The staff, students and parents at Alexander Graham Bell Elementary are committed to achieving high academic standards. Over 75% of their fourth graders met the state standard on the Washington Assessment of Student Learning in reading this year. Their math scores also doubled from last year's results.

Clearly these remarkable achievements do not occur by chance. More than 100 parents volunteer at Alexander Graham Bell Elementary. These dedicated parents mentor students, serve as "lunch buddies" and assist teachers. Education at Alexander Graham Bell Elementary is a community priority, and its teachers, parents and staff should be commended for the commitment they have made to our children.

IN HONOR OF DANIEL J. BADER OF MILWAUKEE

HON. THOMAS M. BARRETT

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Monday, June 7, 1999

Mr. BARRETT of Wisconsin. Mr. Speaker, on June 2, 1999, the American Jewish Committee, Milwaukee Chapter, will host a dinner in honor of one of Milwaukee's kindest and most generous citizens, Mr. Daniel J. Bader.

Dan is the President of the Helen Bader Foundation, a charitable foundation named for his mother, Helen Bader, a true philanthropist who passed away in 1989. After her death, Dan and his family sought to create a lasting way to fulfill her dream of making Milwaukee and the world better places for human growth and development. Since the inception of the foundation in 1992, more than \$50 million in grants have been awarded with the expressed intention of advancing the well-being of people and promoting successful relationships with their families and communities.

As President, Dan spearheads the foundation's every-day interaction with projects and programs here in the United States, mainly in Wisconsin, and abroad in Israel. He also holds a seat on the seven-member Board of Directors, which evaluates grant proposals and provides strategic oversight of the foundation's grant programs, mainly in the areas of Alzheimer's disease and dementia, early childhood development in Israel, economic development, education, Jewish life and learning, and supportive programs for central city children and youth.

Dan Bader's commitment to education, the strengthening of our communities, and the improvement of life in Israel and in Wisconsin make him a bright light of opportunity to disadvantaged families in Wisconsin and in Israel. In fact, the American Jewish Committee considers his work to be a complement to its own vital human relations agenda. And that is why the AJC is honoring Dan Bader on June 2.

Dan Bader is a successful businessman and family man. His decision to maintain his family's commitment to their fellow man speaks volumes about his character. Thousands of people in Wisconsin and around the world have benefitted from his work and generosity. We in Milwaukee are proud to call him colleague, neighbor, and friend. I congratulate him on his accomplishments and I join with the American Jewish Committee of Milwaukee in thanking him.

HONORING THE BEACON HOUSE ASSOCIATION OF SAN PEDRO

HON. STEVEN T. KUYKENDALL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 7, 1999

Mr. KUYKENDALL. Mr. Speaker, I rise today to recognize the Beacon House Association of San Pedro, a licensed, nonprofit alcohol and drug recovery program located within my district. This month, the Association is celebrating its 25th year in operation. It is a distinguished program that has assisted over 3,000 individuals seeking help for substance abuse problems.

For 25 years, the Beacon House Association has provided residential services to newly recovering alcoholics and addicts. The facility has been so successful due to its culture that one must do "whatever it takes" to complete the rigorous program. The success rate for the individuals of the Beacon House is exceptional, with nearly 70% of those treated remaining substance free following the program.

The Beacon House Association is also very active within the San Pedro community. The individuals undergoing treatment devote nearly 20,000 hours each year to volunteer community service. They are actively involved in tutoring local students, removing graffiti from the community, and staffing local festivals and functions, among other things.

Drug and alcohol abuse is a serious problem afflicting our society, but programs like the Beacon House Association provide the appropriate rehabilitative care to those individuals with the greatest need for help, ultimately returning them to the community as fully productive citizens.

I commend the Beacon House Association of San Pedro for an outstanding twenty-five years and I wish them continued success.

IN HONOR OF REV. JAMES M. LYNCH'S 25TH ANNIVERSARY OF ORDINATION

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Monday, June 7, 1999

Mr. KUCINICH. Mr. Speaker, I rise today to honor Reverend James M. Lynch for 25 years of Ordination.

Reverend Lynch was born in Cleveland, Ohio and attended St. Edward High School. He went on to study at Borromeo College and St. Mary's Seminary. Throughout his career Reverend Lynch has worked hard to serve his community. By going on many international missions he has also helped less fortunate people throughout the world. Recently, he took a permanent oath in the Maryknoll Missionaries and is unfortunately no longer a priest of the diocese of Cleveland.

Since 1911, thousands of concerned Catholics across the United States have responded to the worldwide cry of the poor by becoming Maryknoll Missionaries. Today, world renowned Maryknollers help many people overseas build communities of faith. Some work in war zones with refugees, others minister to the sick, the elderly, orphans or people with AIDS. Through lives of dedicated service, Maryknollers translate the gospel of love into different languages and in different cultures. Reverend Lynch is currently helping people in need as a Maryknoll Missionary in Puno, Peru.
