

It is with this, Mr. Speaker, that I say thank you and good-bye to this great American who will long serve as an inspiration to us all. We will all miss her greatly.

CONGRATULATING SAINT AGNES MEDICAL CENTER FOR 70 YEARS OF CARE

HON. GEORGE RADANOVICH

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 26, 1999

Mr. RADANOVICH. Mr. Speaker, I rise today, to recognize Saint Agnes Medical Center for 70 years of compassionate care to central California. Saint Agnes has grown from a 75-bed hospital, to a 326-bed regional healthcare delivery system, providing state-of-the-art, comprehensive health care to people of the central valley.

On August 4, 1929, Saint Agnes Medical Center opened its doors in Fresno a day earlier than planned to care for a little boy in need of emergency surgery. It is this commitment to compassionate care that central California residents have come to trust and rely upon over the past seven decades.

As part of its ongoing effort to meet the healthcare needs of central California's growing population, Saint Agnes Medical Center is embarking on a major facilities expansion, which will include expansion of its cardiac services. Construction will begin in the year 2000.

The mission statement reads as follows:

"We at Saint Agnes Medical Center, faithful to the spirit of the Sisters of the Holy Cross, strive to witness God's love through excellence in the delivery of health services. Motivated by compassion and respect, we respond to the health needs of the people of central California. We empower those who serve with us while stewarding human financial resources."

Mr. Speaker, I want to recognize Saint Agnes Medical Center for their continued compassion and service to the central valley. I urge my colleagues to join me in wishing Saint Agnes Medical Center many more years of continued growth and success.

MEMORIAL DAY SPEECH BY JOHN R. TAPIA, PH.D.

HON. BOB STUMP

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 26, 1999

Mr. STUMP. Mr. Speaker, as we approach Veterans' Day and Members reflect on the importance of honoring those who served in the Armed Forces, I submit to Members the Memorial Day statement of my good friend, Dr. John R. Tapia, which follows:

DR. JOHN R. TAPIA—MEMORIAL DAY

Very few in the military ever receive formal decorations. Considering the military establishment as a whole, only a small fraction ever know the hell of actual combat. And of that fraction, only a minute percentage are ever decorated. The great percentage of this combat fraction either get wounded or killed!

So it was very appropriate that at one time this venerable event initially was designated as Decoration Day, to be observed by placing flowers and flags—in essence, decorating—the graves of our war dead.

Today, we define this day as Memorial Day, meaning, essentially, "anything, such as a monument, intended to preserve the memory of a person or event."

Memorial Day, then, is a day appointed to commemorate and decorate the dead of our Armed Services, for memory glorifies the brave. And, to glorify the brave with this memory, cemeteries have been dedicated as monuments, to honor them. To honor those who fell in battles, and those who survived the holocausts which wars create.

These are monuments of concrete and stone to serve as permanent remembrance of our gallant dead. And we must never forget who repose in these hallowed grounds! To do so would be an act of the greatest treachery!

As commendable as this intention was, we, however, celebrate this venerable occasion only once a year! Yes, once a year, we officially remember and honor our nation's heroes. And, yes, it is most fitting that we have these cemetery monuments to remind us of their sacrifices and grievous loss, one of them my brother.

However, grievous as it is, we should also recognize another monument. A monument also dedicated to preserve this remembrance. Not only of the honored dead, but also of the honored living! A monument, not of concrete and stone, but one of compassion and selfless devotion to the care of our honored living!

It is a living monument of dedicated people concerned with the healing and well-being of those who survived the unspeakable horrors wrought by man's inhumanity to man in the course of wars! This celebration occurs, not once a year, but every living day of the year!

This living monument of which I speak, is a veterans medical center. It is a living monument dedicated to the preservation of this memory which celebrates the meaning of, not Memorial Day, but rather, Memorial Days!

As State and National Cemeteries are monuments of remembrance of our honored dead, these Medical edifices are monuments of remembrance, not only of our honored dead, but also of our honored living!

These selfless acts of mercy, which begin in the battlefields, with the life-saving efforts of those intrepid aidmen known as "corpsmen" or "medic", and progress through MASH units and General Hospitals, continue in the halls of these esteemed institutions.

It is also appropriate and proper, then, that, on this august occasion, we, the living legacy of the honored dead, recognize and pay tribute to those magnificent and benevolent volunteers, of all ages, who contribute their time to tend to the care and decoration of the graves of our honored dead, and who so unstintingly and compassionately provide care and comfort to those who courageously and honorably served our country during times of its greatest needs, at home, on foreign lands, on the seas, and in the air!

In the words of Daniel Webster:

"Let our object be our country,
"our whole country,
"and nothing but our country.
"And, by the blessing of God,
"may country itself become
"a vast and splendid monument—
"not of oppression and terror,
"but of wisdom, of peace, and of liberty—
"upon which the world may gaze with admiration
"forever!"
And, so—
To those who faithfully pay homage at these revered ceremonies;

To those who provide care and comfort for our veterans; and,

To those veterans organizations who render our final salute—

We, who will join the honored dead in these hallowed grounds—

Thank you and salute you!

COMMENTING ON THE DEPARTMENTS OF INTERIOR AND RELATED AGENCIES FISCAL YEAR 2000 CONFERENCE REPORT

HON. MICHAEL E. CAPUANO

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 26, 1999

Mr. CAPUANO. Mr. Speaker, today I rise in opposition to the FY 2000 Interior and Related Agencies Conference Report. This report represents poor environmental policy as it significantly weakens existing regulations and undermines current progress in environmental protection.

Most notably, the conference report fails to fully fund the administration's request for the Land and Water Conservation Fund (LWCF). The fund is one of the most important environmental sources of revenue made available to States and is the primary tool that allows for the purchase of threatened land. As a strong proponent of this program, I am pleased with the fact that H.R. 2466 includes \$30 million in funding for the stateside LWCF grant program, however, the report provides only \$266 million of the \$800 million requested by the White House. Since 1995, the stateside LWCF grant program, the principal source of funds that allows States to acquire recreation lands, has received no funding. This has led to all statewide efforts to promote conservation projects to be halted. As we enter the 21st century, I hope Congress can continue to increase the level of funding for the LWCF.

On another note, this conference report provides only one-third of the funds requested by the administration for the President's Lands Legacy Initiative. This initiative is used to purchase lands that protect national parks, forests, and wildlife refuges which add significantly to the beauty and capacity of our national parks and forests. I believe that the Lands Legacy Initiative is a good program and that this conference report threatens to derail the administration's efforts to promote environmental preservation.

Additionally, the conference report contains several anti-environmental riders. Among these riders is a provision that rewrites the 1872 mining law to allow mill operators to dump toxic mining wastes on sites larger than 5 acres without being subject to environmental restrictions. Moreover, this report precludes the Interior Department's regulation that imposes more stringent cleanup responsibilities on mine operations being conducted on public lands and weakens current laws for forest management by instituting a 1-year moratorium on regulations intended to improve environmental compliance in the operation of hardrock mines.

The conferees also added an anti-environmental rider in the conference report that involves rural agricultural lands. This provision would allow for grazing permits to be automatically granted 10-year renewals regardless of whether or not environmental impact studies have been completed. The effect of this

provision would prove extremely harmful to grazing land and its surrounding environment.

Furthermore, the report blocks the Interior Department's regulation that requires major oil companies to pay closer to the fair value of oil pumped on public lands and waters. This practice ends up costing the taxpayers millions of dollars each year.

Finally, this report fails to adequately provide funding for culturally important organizations to encourage development in the field of arts. Both the National Endowment for Arts (NEA) and the National Endowment for Humanities (NEH) are funded at much less than the President's request of \$150 million each. Conferencees provided \$115.7 million for NEH and only \$98 million for NEA. Without adequate funding, projects that focus on public education, understanding and appreciation of arts, including drama, music, art, and literature will face serious cutbacks.

Mr. Speaker, I am frustrated and disappointed that this conference report contains numerous provisions that undermine environmental protections and funding for cultural programs and I urge my colleagues to oppose final passage. If this report passes, I urge the President to veto this legislation so that we may have another opportunity to correct this seriously flawed bill.

IN HONOR OF SERGEANT RICHARD
“DICK” BRICKMAN

HON. PETER DEUTSCH

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 26, 1999

Mr. DEUTSCH. Mr. Speaker, I rise today to honor the tremendous career of Sergeant Richard “Dick” Brickman. On January 3rd, 2000, Sergeant Brickman will retire from the Hollywood, Florida, Police Department after 30 remarkable years of service. Sergeant Brickman will be sorely missed by the State of Florida's law enforcement community.

Originally beginning his career in 1969 as a Road Patrol Officer, Dick Brickman has held countless positions in the Hollywood Police Department. Detective Sergeant, Patrol Sergeant, Operations Sergeant—these are some of the positions which Dick has held since being promoted in 1975. Throughout his tenure with the Hollywood Police Department, Dick has been at the forefront of innovative approaches to law enforcement. Sergeant Brickman was instrumental in implementing the “Operation Reindeer” program, a program that assigned officers to the roof tops of businesses and malls during the holiday season. Aimed at preventing seasonal crimes and apprehending criminals, this valuable and effective program has lasted 10 years and will stand as a testament to Sergeant Brickman's hard work and dedication to the Hollywood Police Department.

In addition to his outstanding work with the Hollywood Police Department, Sergeant Dick Brickman has demonstrated tremendous leadership in both local and State-wide law enforcement associations. In December 1979, Sergeant Brickman was elected President of the Broward County Police Benevolent Association (PBA), an organization which represents over 2,300 law enforcement officers in Broward County, Florida. He has been subse-

quently re-elected as President for seven 3-year terms. In addition, Dick also continues to serve on the Executive Board of the State of Florida PBA, an organization that represents more than 31,000 members of the law enforcement community statewide.

Dick is an atypical individual in the sense that he is a native Floridian who exhibits strong ties to the South Florida community. Born in Miami, he has spent his entire life in South Florida. Throughout the past six years, he has remained active in the community volunteering his time as the girls softball coach for the City of Hollywood. Sergeant Brickman has also volunteered his time as coach of the girls softball team at South Broward High School. Indeed, Sergeant Brickman's devotion to the South Florida community is nothing short of outstanding.

Mr. Speaker, I wish to thank Sergeant Brickman for his tremendous work on behalf of the State of Florida and the entire South Florida Community. As Sergeant Richard “Dick” Brickman retires from the Hollywood Police Department to close this important chapter of his life, I would also like to extend my best wishes for the future.

TRIBUTE TO THE 1999 NATIONAL
MERIT SCHOLARS

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 26, 1999

Mr. McINNIS. Mr. Speaker, I would like to take this moment to honor a group of committed and accomplished students who were recently honored for their achievements in the 1999 National Merit Scholarship Competition. These students embody everything that is good with our youth today and are exceedingly worthy of our highest regards and praise.

From a field of over 1 million students that entered the Merit Program last year, Meg Patton, Matthew Thomas, Megan McGill, and Jeff Ward finished in the top 1% of entrants. For their remarkable scholastic achievement, each were recently recognized as National Merit Program semi-finalists. These incredibly talented students are now competing for one of 7,400 National Merit Scholarships awarded to the finest students in the country. Whether or not these students ultimately win the Merit Scholarship, each are among the finest in the nation and should take great pride in receiving this weighty accolade.

In addition, Juli Carillo, Erin Lindsey, Anthony Arcieri, Ksanya Gurshtein, Naomi Habbegger, Rachel Wilkenson, and Jerimiah Goodson were awarded letters of commendation for finishing in the top 5% of students who entered the competition. Like the semi-finalists, these students are to be commended for the lofty level of academic success they have achieved.

It is with this, Mr. Speaker, that I say congratulations to these outstanding students on receiving an honor that they clearly deserve. Because of committed and talented young men and women like these, I know that America's future will be as bright as its remarkable past.

HONORING THE CONTRIBUTIONS
OF CHINESE AMERICAN VET-
ERANS DURING WORLD WAR II

HON. LANE EVANS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 26, 1999

Mr. EVANS. Mr. Speaker, I rise today to honor the sacrifices and contributions made by Chinese Americans during World War II.

Today, many of these brave men and women who served with pride during that time are gathering in Washington to remember their war years and the experiences that changed their lives forever. And tonight, the Organization of Chinese Americans, together with the Asian Pacific American Studies Program of the Smithsonian Institution, is sponsoring the world premiere of the documentary “We Served with Pride: The Chinese American Experience in World War II”. The documentary is a first hand look at the personal experiences of Chinese Americans during the war.

I hope these efforts will help reverse an unfortunate situation. Despite their sacrifices, the service of Chinese American veterans during World War II is not well known to most Americans. More than 20,000 Chinese Americans served in the U.S. Armed Forces during the war, in almost every imaginable capacity. Without question, their sacrifices and distinguished efforts helped push our nation on to victory over the Axis powers.

Their pride is justified. The contributions they made in every theater of the war should be remembered. As Americans learn more about its nation's participation in the war through films such as “Saving Private Ryan”, we should also use this opportunity to educate them about all facets of the war effort. The costs that Chinese American war veterans paid to defend our nation deserves this acknowledgment.

I urge the entire House of Representatives to join me in asking that our nation reflect upon these contributions and again thank our Chinese American veterans for their sacrifices and service.

COMMENDING THE ART II CLASS
OF STAUNTON HIGH SCHOOL

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 26, 1999

Mr. SHIMKUS. Mr. Speaker, I rise before you today to commend the students of Staunton High School who helped the city of Staunton, Illinois earn a Governor's Hometown Award. Collaborating with the Staunton Chamber of Commerce, the class created and maintained a web site for the community.

The Art II class led by teacher, Gayle Scheller, contributed an amazing amount of time and energy into creating this outstanding web site. Thanks to their efforts, Staunton has the use of a powerful technological tool. In addition, the city has benefited from statewide recognition through the award bestowed by the Governor.

This contribution by the Art II Class of Staunton High School has enhanced communication throughout the community, in addition
