AMENDMENTS

Under clause 8 of rule XVIII, proposed amendments were submitted as follows:

H.R. 4

OFFERED BY: MR. ALLEN

(Amendment in the Nature of a Substitute)

AMENDMENT No. 1: Strike all after the enacting clause and insert the following:

That it is the policy of the United States to deploy, subject to authorization and appropriations, a ground-based national missile defense that—

(1) has been demonstrated to be operationally effective against the threat as defined as of the time of such deployment and as projected for a reasonable period of time thereafter;

(2) does not diminish the overall national security of the United States by jeopardizing other efforts to reduce threats to the United States, including negotiated reductions in Russian nuclear forces; and

(3) is affordable and does not compromise the ability of the uniformed service chiefs and the commanders of the regional unified commands to meet their requirements for operational readiness, quality of life of the troops, programmed modernization of weapons systems, and the deployment of planned theater missile defenses.
