MY TRIBUTE TO DR. HOWARD CAREY: A GOOD NEIGHBOR

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from California (Mr. FILNER) is recognized for 5 minutes.

Mr. FILNER. Mr. Speaker, I rise today to recognize the 30th anniversary of Dr. Howard Carey's commitment to the Neighborhood House Association and to his role as president and chief executive officer since 1972. Dr. Carey brings more than 35 years of experience in the field of social work, from both administrative and program perspectives to this leadership position. Serving more than 300,000 San Diego residents, Neighborhood House is one of the largest nonprofit organizations in San Diego, a multipurpose social welfare agency whose goal is to improve the quality of life of the people served. Since Dr. Carey assumed leadership, Neighborhood House has grown from a budget of \$400,000 and a staff of 35 to its current budget of \$50 million with a staff of 800.

Its multitude of services to strengthen families and to assist them in becoming self-sufficient include not only the two for which it is best known, Head Start, which reaches 6,500 preschoolers in 70 centers and its food bank program which collects and distributes 12 million pounds of food annually, but also housing, counseling, adult day care, emergency food and shelter and inner city youth enrichment program, employment training centers, health services for the mentally ill and elderly, and a senior citizen service center.

Dr. Carey's motto, "being a good neighbor," is emulated by the extended families of employees at Neighborhood House and reaches from the Mexican border to the northern reaches of San Diego County. His legacy is one of excellence. A professional in the best sense of this word, he is a man of honor, strength and determination. He is dedicated to service and to making life better for his neighbors who are in need.

Dr. Carey is a native of Lexington, Mississippi, a graduate of Atlanta's Morehouse College, and holds graduate degrees from Atlanta University and United States International University. He became enchanted with San Diego during his 4 years of military service with the United States Navy and returned with his wife, the former Yvonne Arnold of Newnan, Georgia, a graduate of Spelman College. Dr. Carey and his wife are the parents of two adult children who are themselves graduates of Morehouse and Spelman. One would think that his service to the community through his work at the Neighborhood House would fill his days entirely but Dr. Carey's service extends to leadership and participation in many community organizations and local activities.

He is chairman of the board of Neighborhood National Bank, a San Diego-based community bank which spurs development in inner city neighborhoods. He was a founding member of Union Bank of California's Community Advisory Board to advise bank managers on the financial needs of low-income and underserved communities. He has held policy-making and advisory positions at the Neighborhood Development Bank, San Diego Unified School District, United Way, the Minority Relations Committee, the Black Leadership Council, former San Diego Mayor Maureen O'Connor's Black Advisory Committee, a Congressional Black Affairs Subcommittee, the Black-Jewish Dialogue, the National Conference of Christians and Jews, the Coalition for Equity and San Diego County's Child Care Task Force.

Professionally he has contributed as a professor at San Diego State University, as a lecturer at the University of California, San Diego, and at National University of San Diego and as instructor for Wooster College in Ohio and at San Diego Community College. His further professional associations include charter membership in LEAD, the National Association of Social Workers, the National Association of Black Social Workers; a founding member of the San Diego Chapter of Alpha Pi Phi Fraternity, Sigma Pi Phi Fraternity, Alpha Kappa Delta, Morehouse College Alumni Association, San Diego Dialogue and the National Conference of Social Welfare.

As impressive as this list is, it does not do justice to Dr. Carey. It is his passion for service that leads him into these activities. He knows that extraordinary measures are sometimes needed to strengthen communities and families, and he is always willing to go that extra mile. Because Dr. Carey and the work of Neighborhood House reaches deep into the hearts and minds of his neighbors and changes lives, his contributions to our community are far-reaching, long-lasting and immeasurable. I sincerely appreciate this opportunity to honor Dr. Carey and his many contributions to San Diego during the past 3 decades.

INTRODUCTION OF THE RAILWAY SAFETY AND FUNDING EQUITY ACT OF 1999

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Illinois (Mr. LIPINSKI) is recognized for 5 minutes.

Mr. LIPINSKI. Mr. Speaker, I rise today to speak about the Railroad Safety and Funding Equity Act of 1999, legislation that I have introduced today along with my friend and colleague, the gentleman from Alabama (Mr. CRAMER). Also known as RSAFE, this bill will increase funding for a far-too-long-overlooked aspect of highway and railroad safety grade crossings.

With record levels of motorists on our Nation's roads and highways and with a record amount of freight being moved by rail, the lack of our nation's commitment to funding safety programs is nearing dangerous levels. RSAFE will bolster our Nation's commitment by almost doubling the current Federal grade crossing improvement program.

As two recent train crashes in Illinois showed, one a fatal crash in Bourbonnais and the other in my district in LaGrange, much more can and should be done to upgrade safety at railroad to highway grade crossings. For too long policymakers have accepted it as fact
