

on his arms and his legs, they put skin grafts on after they amputated his hands and his feet.

I talked to his mom about a month ago. Jimmy is now learning to put on his bilateral leg prosthesis. But he still needs a lot of help on getting on his bilateral hook prosthesis.

This little boy will never play basketball. I will tell the Speaker of the House that that little boy will never wrestle. When this little boy grows up and marries the woman that he loves, he will never be able to caress her cheek with his hand.

Do my colleagues know what the opponents of this patient protection legislation say? They say this is just an anecdote; we should not legislate on the basis of anecdotes.

I would say to them, this little anecdote, if he had a finger and you pricked it, it would bleed. And do my colleagues know that, under Federal law, that HMO which made that medical decision is liable for nothing.

Is that justice? Is that fair? We need to change that law to encourage HMOs not to cut corners like this so that we do not end up having to cut off hands and feet.

A judge reviewed this case and the HMO's decision and came to the determination that that HMO's margin of safety was "razor thin." I would add to that, as razor thin as the scalpel that had to amputate little Jimmy's hands and feet.

My colleagues, as my colleague from New Jersey pointed out, for years now we have been trying to get this to the floor for a fair debate. We had a rigged debate last year with a fig leaf bill.

I am telling my friends on both sides of the aisle that there are Republicans and there are Democrats that have come together and we are working on a bipartisan bill. We will introduce that soon, and we will do everything we can with more than a majority of the Members of this House to bring this to the floor and to correct these types of abuses.

I would encourage my friends on the Republican side of the aisle to contact myself or the gentleman from Georgia (Mr. NORWOOD), the Georgia bulldog, who has done as much as anyone to advance this, or my friends on the Democratic side of the aisle, to contact the gentleman from New Jersey (Mr. PALLONE) or the gentleman from Michigan (Mr. DINGELL) and get on board this bipartisan effort.

The only way we are going to solve this is to work together, both Republicans and Democrats, put aside partisan differences, and fix this for the people in our country.
