

our Armed Forces and whose service is increasingly putting pressure on their full-time civilian employer.

Mr. Speaker, I encourage my colleagues to join me in making the Ready Credit, which is the name on this bill, a reality by cosponsoring H.R. 803.

#### WHO GETS THE CREDIT FOR THE BUDGET SURPLUS?

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Colorado (Mr. SCHAFFER) is recognized for 5 minutes.

Mr. SCHAFFER. Mr. Speaker, last year, the Treasury Department announced that the Federal budget was in surplus for the first time since 1969. Only 3 short years ago, the President had submitted a budget with \$200 billion deficits as far as the eye could see, as many will recall.

What happened?

There are a lot of Americans who do not care much who gets the credit for the current fine state of our economy and then tend to take the President at his word when he takes the credit for the budget surplus we have at last achieved. But it is important to understand how we got here so that we may continue to a path of sound economic policy in the future.

When the country was faced with large, chronic deficits in the beginning of the 1990s, Congress faced a choice. To cut the deficit, lawmakers essentially had two choices: cut spending or raise taxes. President Clinton and his liberal allies in the Congress naturally chose to raise taxes. Congress at the time was still under the control of the Democrats, and so President Clinton was able to pass the largest tax increase in our history.

Republicans, on the other hand, wanted to reduce the deficit by cutting spending. Republicans believed government is too big, way too big, and they believe Washington wastes too much of our money. One would think this is an obvious point. After all, even the President himself declared in his 1996 State of the Union address that "the era of Big Government is over." Oh, if that were only true.

Mr. Speaker, we can see now that this declaration was nothing more than hollow words. Big Government is alive and well and bigger than ever. In fact, the Democrats have come back with still more ways to increase the size and power of government every year since, including this year.

And while we can say that government is slightly smaller now than it would be had Republicans not taken control of the Congress in 1995, the truth is that government continues to grow. Any attempts to cut government, no matter how wasteful or counterproductive the program, the liberals immediately attack them as extreme and "mean-spirited."

It has never occurred to them that it is perhaps mean-spirited on the part of

the politicians to have so little respect for the working man's labor that Washington takes between one-fourth and one-third out of the middle-class family's paycheck just to pay Uncle Sam.

So, Mr. Speaker, that still leaves us with the question, how did we go from \$200 billion deficits as far as the eye can see 2½ years ago to the budget surplus that we now enjoy?

It is true that there have been some reductions in spending, but almost all of them have come out of the one place it should not have come: from the Pentagon. Defense spending is dangerously low, and our military forces are not what they should be. But liberals, in their boundless faith in human nature, ignore history and simply do not believe in the fundamental precept of "peace through strength."

As for other spending, Republicans did manage to limit the number of new spending initiatives of President Clinton and the Democrats over the past few years. But the primary reason that the budget is in surplus today is that revenues are way, way up.

Liberals will point to the President's 1993 tax increase as to the reason why revenues are up, hoping that we will not examine the budget tables to see if, in fact, it is true. Revenues are up primarily from the number of people who are taking advantage of low tax rates on capital gains, the part of the economy that is the lifeblood of our dynamic and growing economy.

President Reagan cut the tax on capital gains, and the Republicans cut it again last year. Savers, investors, entrepreneurs and other job creators are taking advantage of such liberty. The economy is benefitting from that, jobs are being created, and revenues have soared. That is the primary reason the budget is now in surplus, when it was deep in the red just a few years ago.

I would invite any of my Democratic colleagues who dispute these findings to come forward and show me otherwise. Perhaps the liberals have access to another set of government documents with different statistics. But if they use the same Treasury figures that I do, they will have to admit that the Reagan tax cuts and the Republican tax cuts are the most significant reason behind our current economic boom.

With all due credit to Alan Greenspan, chairman of the Federal Reserve, for his outstanding stewardship of monetary policy, we should mostly thank President Reagan for turning around an economy that was in the ditch. We are still benefitting from his decision to make the United States a low-tax, low-regulation economy and thus able to compete in the world better than any other.

The Republicans forced President Clinton to renounce his own budget with \$200 billion deficits as far as the eye can see. We are grateful that he has at last accepted the need for government to balance the budget and put its financial house in order. We would

like to encourage him to continue on this path, especially if he accepts the view that Washington can still afford to cut spending, cut taxes, and make good on his promise that the "end of Big Government is over."

#### RULES OF THE COMMITTEE ON INTERNATIONAL RELATIONS FOR THE 106TH CONGRESS

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from New York (Mr. GILMAN) is recognized for 5 minutes.

Mr. GILMAN. Mr. Speaker, in accordance with clause 2(a) of Rule XI of the Rules of the House of Representatives, I submit for printing in the CONGRESSIONAL RECORD the Rules of the Committee on International Relations for the 106th Congress.

#### RULES OF THE COMMITTEE ON INTERNATIONAL RELATIONS, 106TH CONGRESS

(Adopted January 19, 1999)

##### RULE 1. GENERAL PROVISIONS

The Rules of the House of Representatives, and in particular, the committee rules enumerated in clause 2 of Rule XI, are the rules of the Committee on International Relations (hereafter referred to as the "Committee"), to the extent applicable. A motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, is a privileged non-debatable motion in Committee.

The Chairman of the Committee on International Relations (hereinafter referred to as the "Chairman") shall consult the Ranking Minority Member to the extent possible with respect to the business of the Committee. Each subcommittee of the Committee is a part of the Committee and is subject to the authority and direction of the Committee, and to its rules to the extent applicable.

##### RULE 2. DATE OF MEETING

The regular meeting date of the Committee shall be the first Tuesday of every month when the House of Representatives is in session pursuant to clause 2(b) of Rule XI of the House of Representatives. Additional meetings may be called by the Chairman as he may deem necessary or at the request of a majority of the Members of the Committee in accordance with clause 2(c) of Rule XI of the House of Representatives.

The determination of the business to be considered at each meeting shall be made by the Chairman subject to clause 2(c) of Rule XI of the House of Representatives.

A regularly scheduled meeting need not be held if, in the judgment of the Chairman, there is no business to be considered.

##### RULE 3. QUORUM

For purposes of taking testimony and receiving evidence, two Members shall constitute a quorum.

One-third of the Members of the Committee shall constitute a quorum for taking any action, except: (1) reporting a measure or recommendation, (2) closing Committee meetings and hearings to the public, (3) authorizing the issuance of subpoenas, and (4) any other action for which an actual majority quorum is required by any rule of the House of Representatives or by law.

No measure or recommendation shall be reported to the House of Representatives unless a majority of the Committee is actually present.

A record vote may be demanded by one-fifth of the Members present or, in the apparent absence of a quorum, by any one Member.

## RULE 4. MEETINGS AND HEARINGS OPEN TO THE PUBLIC

## (a) Meetings

Each meeting for the transaction of business, including the markup of legislation, of the Committee or a subcommittee shall be open to the public except when the Committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of the meeting on that day shall be closed to the public, because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would tend to defame, degrade or incriminate any person or otherwise violate any law or rule of the House of Representatives. No person other than Members of the Committee and such congressional staff and departmental representatives as they may authorize shall be present at any business or markup session which has been closed to the public. This subsection does not apply to open Committee hearings which are provided for by subsection (b) of this rule.

## (b) Hearings

(1) Each hearing conducted by the Committee or a subcommittee shall be open to the public except when the Committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of that hearing on that day should be closed to the public because disclosure of testimony, evidence or other matters to be considered would endanger the national security, would compromise sensitive law enforcement information, or otherwise would violate any law or rule of the House of Representatives. Notwithstanding the preceding sentence, a majority of those present, there being in attendance the requisite number required under the rules of the Committee to be present for the purpose of taking testimony—

(A) may vote to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security, would compromise sensitive law enforcement information, or violate paragraph (2) of this subsection; or

(B) may vote to close the hearing, as provided in paragraph (2) of this subsection.

(2) Whenever it is asserted that the evidence or testimony at an investigatory hearing may tend to defame, degrade, or incriminate any person

(A) such testimony or evidence shall be presented in executive session, notwithstanding the provisions of paragraph (1) of this subsection, if by a majority of those present, there being in attendance the requisite number required under the rules of the Committee to be present for the purpose of taking testimony, the Committee or subcommittee determines that such evidence or testimony may tend to defame, degrade, or incriminate any person; and

(B) the Committee or subcommittee shall proceed to receive such testimony in open session only if the Committee, a majority being present, determines that such evidence or testimony will not tend to defame, degrade, or incriminate any person.

(3) No Member of the House of Representatives may be excluded from nonparticipatory attendance at any hearing of the Committee or a subcommittee unless the House of Representatives has by majority vote authorized the Committee or subcommittee, for purposes of a particular series of hearings, on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members by the same procedures designated in this subsection for closing hearings to the public.

(4) The Committee or a subcommittee may be the procedure designated in this subsection vote to close 1 subsequent day of hearing.

(5) No congressional staff shall be present at any meeting or hearing of the Committee or a subcommittee that has been closed to the public, and at which classified information will be involved, unless such person is authorized access to such classified information in accordance with Rule 20.

## RULE 5. ANNOUNCEMENT OF HEARINGS AND MARKUPS

Public announcement shall be made of the date, place, and subject matter of any hearing or markup to be conducted by the Committee or a subcommittee at the earliest possible date, and in any event at least 1 week before the commencement of that hearing or markup unless the Committee or subcommittee determines that there is good cause to begin that meeting at an earlier date. Such determination may be made with respect to any markup by the Chairman or subcommittee chairman, as appropriate. Such determination may be made with respect to any hearing of the Committee or of a subcommittee by its Chairman, with the concurrence of its Ranking Minority Member, or by the Committee or subcommittee by majority vote, a quorum being present for the transaction of business.

Public announcement of all hearings and markups shall be published in the Daily Digest portion of the Congressional Record, and promptly entered into the committee scheduling service of House Information Resources. Members shall be notified by the Chief of Staff of all meeting (including markups and hearings) and briefings of subcommittees and of the full Committee.

The agenda for each Committee and subcommittee meeting, setting out all items of business to be considered, including a copy of any bill or other document scheduled for markup, shall be furnished to each Committee or subcommittee Member by delivery to the Member's office at least 2 full calendar days (excluding Saturdays, Sundays, and legal holidays) before the meeting, whenever possible.

## RULE 6. WITNESSES

## (a) Interrogation of witnesses

(1) Insofar as practicable, witnesses shall be permitted to present their oral statements without interruption subject to reasonable time constraints imposed by the Chairman, with questioning by the Committee Members taking place afterward. Members should refrain from questions until such statements are completed.

(2) In recognizing Members, the Chairman shall, to the extent practicable, give preference to the Members on the basis of their arrival at the hearing, taking into consideration the majority and minority ratio of the Members actually present. A Member desiring to speak or ask a question shall address the Chairman and not the witness.

(3) Subject to paragraph (4), each Member may interrogate the witness for 5 minutes, the reply of the witness being included in the 5-minute period. After all Members have had an opportunity to ask questions, the round shall begin again under the 5-minute rule.

(4) Notwithstanding paragraph (3), the Chairman, with the concurrence of the Ranking Minority Member, may permit one or more majority members of the Committee designated by the Chairman to question a witness for a specified period of not longer than 30 minutes. On such occasions, an equal number of minority Members of the Committee designated by the Ranking Minority Member shall be permitted to question the same witness for the same period of time.

Committee staff may be permitted to question a witness for equal specified periods either with the concurrence of the Chairman and Ranking Minority Member or by motion. However, in no case may questioning by Committee staff proceed before each Member of the Committee who wishes to speak under the 5-minute rule has had one opportunity to do so.

## (b) Statements of witnesses

Each witness who is to appear before the Committee or a subcommittee is required to file with the clerk of the Committee, at least two working days in advance of his or her appearance, sufficient copies, as determined by the Chairman of the Committee or subcommittee, of his or her proposed testimony to provide to Members and staff of the Committee or subcommittee, the news media, and the general public. The witness shall limit his or her oral presentation to a brief summary of his or her testimony. In the case of a witness appearing in a nongovernmental capacity, a written statement of proposed testimony shall, to the extent practicable, include a curriculum vitae and a disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two previous fiscal years by the witness or by an entity represented by the witness, to the extent that such information is relevant to the subject matter of, and the witness' representational capacity at, the hearing.

To the extent practicable, each witness should provide the text of his or her proposed testimony in machine-readable form.

The Committee or subcommittee shall notify Members at least two working days in advance of a hearing of the availability of testimony submitted by witnesses.

The requirements of this subsection or any part thereof may be waived by the Chairman or Ranking Minority Member of the Committee or subcommittee, or the presiding Member, provided that the witness or the Chairman or Ranking Minority member has submitted, prior to the witness's appearance, a written explanation as to the reasons testimony has not been made available to the Committee or subcommittee. In the event a witness submits neither his or her testimony at least two working days in advance of his or her appearance nor has a written explanation been submitted as to prior availability, the witness shall be released from testifying unless a majority of the committee or subcommittee votes to accept his or her testimony.

## (c) Oaths

The Chairman, or any Member of the Committee designated by the Chairman, may administer oaths to witnesses before the Committee.

## RULE 7. PREPARATION AND MAINTENANCE OF COMMITTEE RECORDS

An accurate stenographic record shall be made of all hearings and markup sessions. Members of the Committee and any witness may examine the transcript of his or her own remarks and may make any grammatical or technical changes that do not substantively alter the record. Any such Member or witness shall return the transcript to the Committee offices within 5 calendar days (not including Saturdays, Sundays, and legal holidays) after receipt of the transcript, or as soon thereafter as it practicable.

Any information supplied for the record at the request of a Member of the Committee shall be provided to the Member when received by the Committee.

Transcripts for hearings and markup sessions (except for the record of a meeting or

hearing which is closed to the public) shall be printed as soon as is practicable after receipt of the corrected versions, except that the Chairman may order the transcript of a hearing to be printed without the corrections of a Member or witness if the Chairman determines that such Member or witness has been afforded a reasonable time to correct such transcript and such transcript has not been returned within such time.

The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with Rule VII of the House of Representatives. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of the rule, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the written request of any member of the Committee.

The Committee shall, to the maximum extent feasible, make its publications available in electronic form.

#### RULE 8. EXTRANEous MATERIAL IN COMMITTEE HEARINGS

No extraneous material shall be printed in either the body or appendixes of any Committee or subcommittee hearing, except matter which has been accepted for inclusion in the record during the hearing. Copies of bills and other legislation under consideration and responses to written questions submitted by Members shall not be considered extraneous material.

Extraneous material in either the body or appendixes of any hearing to be printed which would be in excess of eight printed pages (for any one submission) shall be accompanied by a written request to the Chairman, such written request to contain an estimate in writing from the Public Printer of the probable cost of publishing such material.

#### RULE 9. PUBLIC AVAILABILITY OF COMMITTEE VOTES

The result of each record vote in any meeting of the Committee shall be made available for inspection by the public at reasonable times at the Committee offices. Such result shall include a description of the amendment, motion, order, or other proposition, the name of each Member voting for and against, and the Members present but not voting.

#### RULE 10. PROXIES

Proxy voting is not permitted in the Committee or in subcommittees.

#### RULE 11. REPORTS

##### (a) Reports on bills and resolutions

To the extent practicable, not later than 24 hours before a report is to be filed with the Clerk of the House on a measure that has been ordered reported by the Committee, the Chairman shall make available for inspection by all Members of the Committee a copy of the draft committee report in order to afford Members adequate information and the opportunity to draft and file any supplemental, minority or additional views which they may deem appropriate.

With respect to each record vote on a motion to report any measure or matter of public charter, and on any amendment offered to the measure or matter, the total number of votes cast for and against, and the names of those members voting for and against, shall be included in any Committee report on the measure or matter.

##### (b) Prior approval of certain reports

No Committee, subcommittee, or staff report, study, or the document which purports to express publicly the views, findings, conclusions, or recommendations of the Com-

mittee or a subcommittee may be released to the public or filed with the Clerk of the House unless approved by a majority of the Members of the Committee or subcommittee, as appropriate. A proposed investigative or oversight report shall be considered as read if it has been available to members of the Committee for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such a day). In any case in which clause 2(l) of Rule XI and clause 3(a)(1) of Rule XIII of the House of Representatives does not apply, each Member of the Committee or subcommittee shall be given an opportunity to have views or a disclaimer included as part of the material filed or released, as the case may be.

##### (c) Foreign travel reports

At the same time that the report required by clause 8(b)(5) of Rule X of the House of Representatives, regarding foreign travel reports, is submitted to the Chairman, Members and employees of the committee shall provide a report to the Chairman listing all official meetings, interviews, inspection tours and other official functions in which the individual participated, by country and date. Under extraordinary circumstances, the Chairman may waive the listing in such report of an official meeting, interview, inspection tour, or other official function. The report shall be maintained in the full committee offices and shall be available for public inspection during normal business hours.

#### RULE 12. REPORTING BILLS AND RESOLUTIONS

Except in unusual circumstances, bills and resolutions will not be considered by the Committee unless and until the appropriate subcommittee has recommended the bill or resolution for Committee action, and will not be taken to the House of Representatives for action unless and until the Committee has ordered reported such bill or resolution, a quorum being present. Unusual circumstances will be determined by the Chairman, after consultation with the Ranking Minority Member and such other Members of the Committee as the Chairman deems appropriate.

#### RULE 13. STAFF SERVICES

(a) The Committee staff shall be selected and organized so that it can provide a comprehensive range of professional services in the field of foreign affairs to the Committee, the subcommittees, and all its Members. The staff shall include persons with training and experience in international relations, making available to the Committee individuals with knowledge of major countries, areas, and U.S. overseas programs and operations.

(b) Subject to clause 9 of Rule X of the House of Representatives, the staff of the Committee, except as provided in paragraph (c), shall be appointed, and may be removed, by the Chairman with the approval of the majority of the majority Members of the Committee. Their remuneration shall be fixed by the Chairman and they shall work under the general supervision and direction of the Chairman. Staff assignments are to be authorized by the Chairman or by the Chief of Staff under the direction of the Chairman.

(c) Subject to clause 9 of Rule X of the House of Representatives, the staff of the Committee assigned to the minority shall be appointed, their remuneration determined, and may be removed, by the Ranking Minority Member with the approval of the majority of the minority party Members of the Committee. Such staff shall work under the general supervision and direction of the Ranking Minority Member with the approval or consultation of the minority Members of the committee.

#### RULE 21. BROADCASTING OF COMMITTEE HEARINGS AND MEETINGS

All Committee and subcommittee meetings or hearings which are open to the public may be covered, in whole or in part, by television broadcast, radio broadcast, and still photography, or by any such methods of coverage in accordance with the provisions of clause 3 of House rule XI.

The Chairman or subcommittee chairman shall determine, in his or her discretion, the number of television and still cameras permitted in a hearing or meeting room, but shall not limit the number of television or still cameras to fewer than two representatives from each medium.

Such coverage shall be in accordance with the following requirements contained in Section 116(b) of the Legislative Reorganization Act of 1970, and clause 4 of Rule XI of the Rules of the House of Representatives:

(a) If the television or radio coverage of the hearing or meeting is to be presented to the public as live coverage, that coverage shall be conducted and presented without commercial sponsorship.

(b) No witness served with a subpoena by the Committee shall be required against his will to be photographed at any hearing or to give evidence or testimony while the broadcasting of that hearing, by radio or television is being conducted. At the request of any such witness who does not wish to be subjected to radio, television, or still photography coverage, all lenses shall be covered and all microphones used for coverage turned off. This subparagraph is supplementary to clause 2(k)(5) of Rule XI of the Rules of the House of Representatives relating to the protection of the rights of witnesses.

(c) The allocation among cameras permitted by the Chairman or subcommittee chairman in a hearing room shall be in accordance with fair and equitable procedures devised by the Executive Committee of the Radio and Television Correspondents' Galleries.

(d) Television cameras shall be placed so as not to obstruct in any way the space between any witness giving evidence or testimony and Member of the Committee or its sub-

committees or the visibility of that witness and that Member to each other.

(e) Television cameras shall operate from fixed positions but shall not be placed in positions which obstruct unnecessarily the coverage of the hearing by the other media.

(f) Equipment necessary for coverage by the television and radio media shall not be installed in, or removed from, the hearing or meeting room while the Committee or subcommittee is in session.

(g) Floodlights, spotlights, strobe lights, and flashgun shall not be used in providing any method of coverage of the hearing or meeting, except that the television media may install additional lighting in the hearing room, without cost to the Government, in order to raise the ambient lighting level in the hearing room to the lowest level necessary to provide adequate television coverage of the hearing or meeting at the current state of the art of television coverage.

(h) In the allocation of the number of still photographers permitted by the Chairman or subcommittee chairman in a hearing or meeting room, preference shall be given to photographers from Associated Press Photos, United Press International News pictures, and Reuters. If requests are made by more of the media than will be permitted by the Chairman or subcommittee chairman for coverage of the hearing or meeting by still photography, that coverage shall be made on the basis of a fair and equitable pool arrangement devised by the Standing Committee of Press Photographers.

(i) Photographers shall not position themselves, at any time during the course of the hearing or meeting, between the witness table and the Members of the Committee or its subcommittees.

(j) Photographers shall not place themselves in positions which obstruct unnecessarily the coverage of the hearing by the other media.

(k) Personnel providing coverage by the television and radio media shall be then currently accredited to the Radio and Television Correspondents' Galleries.

(l) Personnel providing coverage by still photography shall be then currently accredited to the Press Photographers' Gallery Committee of press Photographers.

(m) Personnel providing coverage by the television and radio media and by still photography shall conduct themselves and their coverage activities in an orderly and unobtrusive manner.

principal proponents of the major provisions of the bill as it passed the House), who have actively participated in the Committee or subcommittee consideration of the legislation, and who agree to attend the meetings of the conference. With regard to the appointment of minority Members, the Chairman shall consult with the Ranking Minority Member.

#### RULE 24. GENERAL OVERSIGHT

Not later than February 15 of the first session of a Congress, the Committee shall meet in open session, with a quorum present, to adopt its oversight plans for that Congress for submission to the Committee on House Oversight and the Committee on Government Reform and Oversight, in accordance with the provisions of clause 2(d) of Rule X of the House of Representatives.

#### RULE 25. OTHER PROCEDURES AND REGULATIONS

### 2000 CENSUS

The SPEAKER pro tempore. Under the Speaker's announced policy of January 6, 1999, the gentleman from Texas (Mr. RODRIGUEZ) is recognized for 60 minutes as the designee of the minority leader.

Mr. RODRIGUEZ. Mr. Speaker, every 10 years, we take a national census to count the number of people in this country. The 1990 census was the most expensive in the history of the United States. It was also the worst. The 1990 census missed an estimated 4.7 million people, 1.58 percent of the total population.

Some undercount is expected. What makes it wrong is the undercount of minorities and the inner city population is way out of proportion to the national average.

For minorities, the undercount was nearly tripled. The census missed 4.4 percent of the African-American population and 4.9 percent of the Hispanic population. Those individuals that were missed were also poor. We need to have a more accurate census, one that does not leave minorities and poor and inner city populations behind.

The census data is used to draw, not only electoral districts, but also to determine distribution of local and Federal program dollars and to plan public works projects. Without accurate census information, minorities and the poor do not receive equal political representation or distribution of government resources. State and local governments with missed populations lose millions of dollars in Federal aid.

The Supreme Court has allowed for the Census Bureau to use sampling data for redistricting and Federal funds distribution. The Census Bureau has found such a solution to be appropriate. Yet, we find that, on the other side, the Republicans in Congress are trying to block this process.

Sampling is a simple way of being able to get a more accurate census
