

John Smart's election to this position is only the latest in a long and distinguished career in service to our country and to his fellow veterans. Mr. Smart served in the United States Army from October 1970 to April 1973, in Vietnam, where he was assigned to the 176th Assault Helicopter Company (American Division) at Chu Lai. His meritorious service was recognized with the Republic of Vietnam Campaign Medal, a Vietnam Service Medal with four stars and a Presidential Unit Citation.

While serving in Vietnam, he joined VFW Post #2181 in Exeter, New Hampshire. Following his return from military service in 1973, he moved quickly through the VFW Department of New Hampshire chairs and earned recognition as an All-American Department Commander during the 1981-82 year. In 1983 he served as Chairman of the National Youth Activities Committee and from 1991-1993 as Chairman of the National Buddy Poppy Committee. In 1995 he was appointed to the position of National Chief of Staff.

Mr. Smart served his community of Nashua as a firefighter, retiring after 21 years. He has served as VFW New Hampshire Department Adjutant/Quartermaster since 1985. He is a Life Member of VFW Post #483 in Nashua and in addition to his service to the VFW he holds membership in the Military Order of the Cooties, American Legion, Elks, Retired Firefighters Association and the US Army Association. He has served as Chairman of the Board of Managers of the New Hampshire Veterans Home since 1987 and has served as a New Hampshire State Representative.

John Smart is the first member of the Department of New Hampshire Veterans of Foreign Wars to be elected to the office of National Commander-in-Chief. I can think of no New Hampshire citizen more dedicated to his country and to the cause of assisting his fellow veterans. His wife, Mary, his two children, John R. and Cheryl, and his five grandchildren have reason for great pride in this husband, father and grandfather who has so ably contributed his time and efforts toward the service of others. I have been honored to work with John Smart over my years here in the Senate, while serving as Governor in New Hampshire and earlier in the House of Representatives. I commend him to the Senate and know you will join me in extending to him and his family our congratulations, our thanks for his past accomplishments and continuing service and our best wishes during his year of service as the Veterans of Foreign Wars of the United States Commander-in-Chief.●

**TRIBUTE TO BILL MULLEN, 1999
GRAND MARSHAL OF THE LABOR
DAY MARCH**

●Mr. TORRICELLI. Mr. President, I rise today in recognition of Mr. Bill Mullen, who has been chosen as the

1999 Grand Marshal of the Essex-West Hudson Labor Council AFL-CIO Labor Day March and Observance. The Labor Council is proud to honor Bill for his lifetime dedication to working families in the New Jersey Labor Movement, and especially Ironworkers Local 11. It is a pleasure for me to be able to honor his accomplishments.

Bill Mullen served in the United States Army during 1967 and 1968, and was stationed in Korea. He was later discharged with the rank of Sergeant. Returning to New Jersey, Bill completed his apprenticeship, and worked as an Ironworker, Shop Steward, Journeyman, Foreman, and Superintendent for various construction companies throughout the state.

For over thirty years Bill has been an active member in the labor movement. In 1981, Bill was elected by his fellow colleagues to be the Vice President of Ironworkers Local 11, and later became President in 1989. He has also served as Trustee of the Ironworkers of Northern New Jersey District Council Pension Fund and an active member of the New Jersey Alliance for Action. Currently, he serves as President of the Essex County Building and Construction Trades Council, an organization with 17 affiliates that represents over 12,000 craftmembers throughout Essex County, New Jersey. Bill is a committed worker, colleague, and leader who exemplifies the best of New Jersey Labor Leaders.

It gives me great pleasure to recognize a leader of great stature in New Jersey's labor community. Through these years, fighting for the cause of working men and women, Bill has been known to stand on principle, loyalty, and hard work. It is with pride that I honor Bill on his selection as Grand Marshal.●

**TRIBUTE TO YORK COUNTY,
PENNSYLVANIA**

●Mr. SANTORUM. Mr. President, this year marks the 250th anniversary of York County, Pennsylvania. Today, I rise to recognize the establishment and storied history of this county which contributed greatly to the founding of our Nation.

Established in 1749, York had formerly been a part of neighboring Lancaster County. The citizens of York had petitioned for their own county so that they could establish a courthouse in closer proximity to their jail. With the granting of the petition, York became the first county in Pennsylvania west of the Susquehanna River and the fifth county in Pennsylvania overall. Since that time, the county has developed rich and dynamic civic, social, political and economic institutions, including both durable agricultural and industrial bases, and serves as a model for communities across the Commonwealth and the Nation.

Mr. President, from September 1777 through June 1778, York served as the capital of our Nation. As British Gen-

eral Howe's army occupied Philadelphia, our early government, the Continental Congress, was first moved to Lancaster, Pennsylvania. After one day, the Continental Congress sought to place further distance between it and the British, so it crossed the Susquehanna river at Wrights' Ferry and resumed session in the Colonial Courthouse in Center Square, York.

Mr. President, it was during the time that the York hosted our nation's government that the Marquis de Lafayette made the famous "toast that saved the nation." With this toast, Lafayette proclaimed his continued support for, and espoused the attributes of, General Washington at a time when certain factions were calling for the General to be replaced. This toast has been credited as saving George Washington's position as our first Commander in Chief. It was also during the time that the Continental Congress convened in York that it adopted the Articles of Confederation. This important document was the precursor to the Constitution and marked the first use of the term "United States of America."

Mr. President, the people of York County are proud of their history and their traditions. I am proud to join York in this celebration and ask my colleagues to join me in congratulating York on its 250th anniversary.●

**RETIREMENT OF LIEUTENANT
GENERAL PATRICK M. HUGHES**

●Mr. BAUCUS. Mr. President, I rise today to bring to the attention of Senators the retirement of Lieutenant General Patrick M. Hughes of the United States Army. A native of Great Falls Montana, I am proud that one of our native sons has made such a vital contribution to the defense of this great country, through a military career spanning nearly 40 years.

The recipient of many military awards and honors, including the Defense Distinguished Service Medal, the Silver Star, the Purple Heart and the Bronze Star, General Hughes has been a valuable friend to me and the people he has served in his distinguished career.

Although we have come to expect people of high caliber and dedication in our armed forces, General Hughes's service has been exceptional. Most recently assigned as the Director for Intelligence, J2, the Joint Staff, General Hughes began his military career in 1962. Following completion of his enlistment in 1965, he attended Montana State University, where he graduated in 1968. He was then commissioned in the U.S. Army infantry, and served two tours in Vietnam. He commanded several military intelligence (MI) detachments, an MI battalion, an MI brigade and the Army Intelligence Agency. He also served in senior staff positions, including a tour as the J2 of the U.S. Central Command.

Throughout his distinguished career, General Hughes's tireless and sincere

dedication to the men and women in uniform has vastly improved their quality of life and mission readiness. As he retires from the United States Army, he will leave behind a tremendous legacy.

Mr. President, General Hughes is a great credit to the Army and the Nation. I salute him for his many years of selfless service to our country, and offer my gratitude to him, his wife Karlene and their sons, Barry and Chad, on the occasion of his retirement from the United States Army. I know I speak for the people of my state when I say that I am proud of General Hughes; I know that I speak for all Americans when I say that he will be missed.●

A TRIBUTE TO BOB FERRELL

● Mr. ROCKEFELLER. Mr. President, I would like to take this opportunity to recognize a great patriot from my wonderful State of West Virginia, Mr. Robert "Bob" Ferrell. Bob retired from the U.S. Air Force with more than 21 years of active duty service. He bravely served his country during the Vietnam conflict on the C-130 Spectre Gunship as a gunner and instructor gunner. Over the course of many years of service, the Air Force honored Bob with numerous prestigious awards, including the coveted Distinguished Flying Cross.

After completing his tour in Vietnam, Bob returned to his lifelong home of Logan County, and began the hard work of a coal miner to support his family. Bob was an exemplary citizen and participated in many community activities. He was a lifetime member of the American Legion and the Veterans of Foreign Wars. After retiring from the mines in the mid 1980's, Bob traveled all over our State seeking the opportunity to speak to our school children about the importance of service to our country and to our state.

A devoted husband and father, Bob raised four wonderful and productive children, two boys and two girls. The example he set for his sons resulted in both of them following in his footsteps and enlisting in the armed forces. The eldest, Mike, is serving in the 101st Airborne division of Fort Campbell, KY, and Steve is a full-time member of the West Virginia Army National Guard. His daughters also are respected members of their communities. The oldest, LaRue, is a chiropractor, and her younger sister, Anitra, is a loving mother and housewife.

Bob passed away in May of this year, and was buried, so appropriately, on the day which commemorates the lives of all those who sacrificed so much for our nation, Memorial Day. Mr. President, as you know, I am the ranking member of the Senate Committee on Veterans' Affairs, and I take great pride in recognizing this wonderful and patriotic man from my state of West Virginia. Bob was one of more than 200,000 veterans from my home State,

and represents the millions of Americans who served our country with pride and distinction. One of the best ways we can honor Bob's memory is to work diligently to ensure that the promises made by our government to all veterans are kept.

I would like to close by saying—thank you, Bob. Your outstanding attitude and unselfish lifestyle are an inspiration to the people of our State. You attained the goal all men strive for, in that, you left the world a better place for all of us.●

COLCHESTER LIONS CLUB

● Mr. LIEBERMAN. Mr. President, I rise today to honor the Colchester Lions Club of Colchester, CT. On October 30, they will be celebrating their 50th anniversary of service to the Colchester community.

The Colchester Lions Club was established on August 2, 1949, and through the support of area residents, they have reached out to assist many members of the community. The Lions Club has lent its support to such worthwhile local causes as the D.A.R.E. Program for schools, academic scholarships for local students, and area food banks, and senior centers. They also have reached far beyond the Town of Colchester by raising funds for organizations such as the Fidelco Guide Dog Foundation and Lions Clubs International.

As the Colchester Lions Club has grown over the years, their numerous good works have touched many lives and demonstrated the true value of volunteerism. The people of Connecticut thank the Colchester Lions Club and all its members for their service, dedication, and contribution to our State.●

IN RECOGNITION OF THE NORTH CATHOLIC GIRLS BASKETBALL TEAM

● Mr. SANTORUM. Mr. President, I rise today to recognize the North Catholic Girls Basketball team for their 25 years of outstanding accomplishments.

Over the past 25 years, the team has earned a record of 671 wins and 100 losses. Coach Don Barth, the team's coach during their first 23 years, took the team to the WPIAL championship game 21 times. Last year, the team again went to the championship game under their current coach, Molly Larkin Rothman.

Among the team's other accomplishments, they have won the state championships seven times, the conference championship 25 times, and they hold the record for the longest winning streak with 56 wins between 1987 and 1989.

Mr. President, I ask my colleagues to join with me in congratulating the North Catholic Girls Basketball team on their outstanding accomplishments over the past 25 years. They have provided an excellent example for youth in

Pennsylvania and throughout the country.●

DEATH OF CLIF LEAR

● Mr. BINGAMAN. Mr. President, several weeks ago Cibola County in New Mexico lost one of its leading citizens when Clif Lear of Grants died of cancer.

A businessman, he took public service very seriously and served over the years as a city councilman and as the city manager. His contributions to economic development in an area hit hard when the mines closed made a huge difference to the people of Cibola County, as he worked tirelessly to attract new initiatives and new projects.

His wife and three daughters have the sympathy and appreciation of us all who are grateful for Clif's life and the effort he made to make his corner of New Mexico better.●

SENATE WILDERNESS AND PUBLIC LANDS CAUCUS

● Mr. MCCAIN. Mr. President, I proudly join my colleagues as a founding member of this newly created Senate Wilderness and Public Lands Caucus. I congratulate my friend, Senator FEINGOLD, for his bold spirit and commitment to the active protection of our public lands. I accepted Senator FEINGOLD's invitation to participate in this new Caucus because we share a responsibility to protect the natural resources that sustain our world and grace the quality of our lives.

On this day, we commemorate the success of the 1964 Wilderness Act with a renewed commitment to responsible preservation. More than 35 years since the Act's passage, Americans can more readily cherish and enjoy pristine lands in their natural state, unencumbered by growth and development. An important goal of this new Caucus is the desire to improve our process for making important land management decisions impacting our public lands.

Developing consensus policy for public lands protection is of particular necessity and importance for western states. In Arizona, more than 80 percent of lands are held in public ownership, with 4.5 million acres designated as wilderness. Arizonans enjoy wilderness in such places as the Superstition Mountains, Cabeza Prieta, Baboquivari Peak and the Red Rock Secret Mountain.

Many more difficult land management decisions will require our thoughtful consideration. For example, the state of Arizona has grappled for more than ten years over the question of wilderness suitability for the state's largest national park, the Grand Canyon National Park. Arizonans are still engaged in deliberations of this important decision, as well as determining appropriate land management decisions for other areas in our state.

Each of us is well aware that public land management is divisive and, if not
