REPORT CONCERNING THE EMIGRATION LAWS AND POLICIES OF ALBANIA—MESSAGE FROM THE PRESIDENT RECEIVED DURING ADJOURNMENT—PM 2

Under the authority of the order of the Senate of January 6, 1999, the Secretary of the Senate, on February 2, 1999, during the adjournment of the Senate, received the message from the President of the United States, together with an accompanying report, which was referred to the Committee on Finance.

To the Congress of the United States:

I am submitting an updated report to the Congress concerning the emigration laws and policies of Albania. The report indicates continued Albanian compliance with the U.S. and international standards in the area of emigration. In fact, Albania has imposed no emigration restrictions, including exit visa requirements, on its population since 1991.

On December 5, 1997, I determined and reported to the Congress that Albania is not in violation of paragraphs (1), (2), or (3) of subsection 402(a) of the Trade Act of 1974, or paragraphs (1), (2), or (3) of subsection 409(a) of that act. That action allowed for the continuation of normal trade relations status for Albania and certain other activities without the requirement of an annual

waiver. This semiannual report is submitted as required by law pursuant to the determination of December 5, 1997.

WILLIAM J. CLINTON.

THE WHITE HOUSE, February 2, 1999.

PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-14. A resolution adopted by the Council of the City of Camden, New Jersey, relative to the impeachment of the President of the United States; ordered to lie on the table.

POM-16. A resolution adopted by the Council of the Town of Grundy, Virginia, relative to steel and coke exports; to the Committee on Finance.

POM-17. A resolution adopted by the General Assembly of the State of New Jersey; ordered to be printed and to lie on the table.

ASSEMBLY RESOLUTION NO. 166

Whereas, the establishment of high occupancy vehicle ("HOV") lane restrictions on Interstate Highway Route No. 287 ("I-287") was intended as a means of promoting car pooling in an effort to improve the State's air quality; and

Whereas, the number of eligible vehicles that use the HOV lanes on I-287 has not come close to meeting the State's expected projections for land usage, which shows that the HOV lane restrictions have not had the effect of encouraging car pooling at satisfactory levels; and

Whereas, because of the HOV lane restrictions on I-287, a much larger number of citizens who use the non-restricted lanes of that highway are subjected to frequent heavy traffic situations, which result in high costs in fuel burned and hourly wages lost, while the overall levels of air pollution and noise increase, all of which represent a severe reduction in the quality of life of those citizens; and

Whereas, since a considerable amount of effort is used by the State Police in enforcing the HOV lane restrictions on I-287, the availability of the State Police in combating other motor vehicle-related crimes on other highways of this State is diminished; and

Whereas, it is appropriate for this House to express this policy to protect the citizens of this State who are adversely affected by excessive automobile, bus and truck traffic as a result of the HOV lane restrictions; and

Whereas, it is altogether fitting and proper that the Legislature memorialize Congress to enact Congresswoman Roukema's amendment to H.R. 4328 which would require the United States Secretary of Transportation to waive repayment of any Federal-aid highway funds expended on the construction of HOV lanes on I-287 if the New Jersey Commissioner of Transportation assures the Secretary that the removal of HOV lane restrictions on I-287 is in the public interest; now, therefore, be it

RESOLVED by the General Assembly of the State of New Jersey:

1. The Congress of the United States is respectfully memorialized to enact Congresswoman Roukema's amendment to H.R. 4328

which would require the United States Secretary of Transportation to waive repayment of any Federal-aid highway funds expended on the construction of high occupancy vehicle ("HOV") lanes on Interstate Highway Route 287 if the New Jersey Commissioner of Transportation assures the Secretary that the removal of HOV lane restrictions on Interstate Route 287 is in the public interest.

2. Duly authenticated copies of this resolution, signed by the Speaker of the General Assembly and attested by the Clerk thereof, shall be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, the New Jersey Commissioner of Transportation, the United States Secretary of Transportation, and each member of Congress from the State of New Jersey.

POM-18. A resolution adopted by the General Assembly of the State of New Jersey; to the Committee on the Judiciary.

ASSEMBLY RESOLUTION NO. 119

Whereas, the U.S. Department of Transportation, pursuant to the 1996 Immigration Reform Act, has proposed regulations requiring states to follow federal guidelines in producing and issuing drivers' licenses; and

Whereas, these regulations would mandate that all states collect and verify the social security numbers of licensed drivers and that these numbers be placed on the licenses of these drivers in a form that is electronically readable, unless the state explicitly prohibits this practice; and

Whereas, these regulations would further allow the federal government to dictate the acceptable evidence and documentation of identity required to obtain a state driver's license; and

Whereas, these regulations would impose a significant cost burden on New Jersey by requiring the reformatting of its driver's license and the establishment of an electronic verification system with the Social Security Administration; and

Whereas, the placement of social security numbers on New Jersey driver's licenses, unless a law expressly prohibiting this practice is enacted, raises serious concerns about the security of the personal information of this State's drivers in an era when "identity theft" and other breaches of privacy are on the increase; and

Whereas, these regulations would impose an unfunded federal mandate on the states that promises to far exceed, in total, the maximum \$100 million permitted under the Unfunded Mandate Reform Act of 1994 and, contrary to the provisions of that act, have been put forth without "timely and meaningful input" from state elected officials or their national organizations, according to the National Council of State Legislatures; and

Whereas, by proposing these regulations to implement a provision of the Immigration Reform Act, the U.S. Department of Transportation is, in effect, seeking to federalize the production and issuance of driver's licenses, functions which heretofore have remained in the domain of the states; now, therefore be it

Resolved by the General Assembly of the State of New Jersey:

1. That this House respectfully petitions the Congress of the United States to prevent this costly and unnecessary intrusion on the prerogatives of the states to produce and issue drivers' licenses in keeping with the dictates of their citizens by repealing Section 656(b) of the Immigration Reform Act of 1996, which the proposed Department of Transportation regulations are intended to implement.

2. Duly authenticated copies of this resolution, signed by the Speaker and attested by

the Clerk, shall be transmitted to the Vice President of the United States and the Speaker of the House of Representatives and to each member of Congress elected from this State.
