

motion to invoke cloture on the conference report on H.R. 1906, the Agriculture Appropriations Act, I would have voted against cloture.

NOTICE OF INTENT TO AMEND
THE RULES

Mr. McCONNELL. Mr. President, I hereby give notice in writing that I intend to offer an amendment to the Standing Rules of the Senate that would require any Senator to report to the Select Committee on Ethics any credible information available to him or her that indicates that any Senator may have: (1) violated the Senate Code of Office Conduct; (2) violated a law; or (3) violated any rule or regulation of the Senate relating to the conduct of individuals in the performance of their duties as Senators. Such allegations or information may be reported to the chairman, the vice chairman, a committee member, or the staff director of the Select Committee on Ethics.

The material follows:

AMENDMENT No. —

On page ___, after line ___, insert the following:

SEC. ___. REQUIRING SENATORS TO REPORT CREDIBLE INFORMATION OF CORRUPTION.

The Standing Rules of the Senate are amended by adding at the end the following:

“RULE XLIV

“REQUIRING SENATORS TO REPORT CREDIBLE INFORMATION OF CORRUPTION

“(a) A Senator shall report to the Select Committee on Ethics any credible information available to him or her that indicates that any Senator may have—

“(1) violated the Senate Code of Office Conduct;

“(2) violated a law; or

“(3) violated any rule or regulation of the Senate relating to the conduct of individuals in the performance of their duties as Senators.

“(b) Information may be reported under subsection (a) to the Chairman, the Vice Chairman, a Committee member, or the staff director of the Select Committee on Ethics.”

SEC. ___. BRIBERY PENALTIES FOR PUBLIC OFFICIALS.

Section 201(b) of title 18, United States Code, is amended by inserting before the period at the end the following: “, except that, with respect to a person who violates paragraph (2), the amount of the fine under this subsection shall be not less than \$100,000, the term of imprisonment shall be not less than 1 year, and such person shall be disqualified from holding any office of honor, trust, or profit under the United States”.

THE VERY BAD DEBT BOXSCORE

Mr. HELMS. Mr. President, at the close of business yesterday, Tuesday, October 12, 1999, the Federal debt stood at \$5,660,733,437,442.56 (Five trillion, six hundred sixty billion, seven hundred thirty-three million, four hundred thirty-seven thousand, four hundred forty-two dollars and fifty-six cents).

Five years ago, October 12, 1994, the Federal debt stood at \$4,686,727,000,000 (Four trillion, six hundred eighty-six billion, seven hundred twenty-seven million).

Ten years ago, October 12, 1989, the Federal debt stood at \$2,869,151,000,000 (Two trillion, eight hundred sixty-nine billion, one hundred fifty-one million).

Fifteen years ago, October 12, 1984, the Federal debt stood at \$1,572,268,000,000 (One trillion, five hundred seventy-two billion, two hundred sixty-eight million) which reflects a debt increase of more than \$4 trillion—\$4,088,465,437,442.56 (Four trillion, eighty-eight billion, four hundred sixty-five million, four hundred thirty-seven thousand, four hundred forty-two dollars and fifty-six cents) during the past 15 years.

LABOR-HHS-EDUCATION
APPOINTMENTS

Mr. KENNEDY. Mr. President, in the interest of moving this appropriations bill forward, I will withdraw my amendment to increase the funding for the successful GEAR-UP program. However, I urge the conferees to fund this program at \$240 million—\$60 million over the Senate bill—so that now needy students can get the support they need to attend college.

More than 130,000 students will be denied services if GEAR UP is funded at \$180 million rather than at the President's request of \$240 million. \$154 million is needed just to fully fund continuation grants for this year's grantees. We must uphold our commitment to these students, and extend the opportunity that this program offers to every needy student.

This year, 678 applications for both state and local partnerships were received and we were only able to fund 185—only 1 out of 4 applications. We have to do more to help children early so that college is accessible for every child.

Many low-income families do not know how to plan for college, often because they have not done it before. We should do more to ensure that schools and communities can provide the academic support, early college awareness activities, and information on financial aid and scholarships so that students and their families can plan for a better future. We must encourage our young people to have high expectations, to stay in school, and to take the necessary courses so that they can succeed in college. We cannot abandon the five-year commitment that we made to these families last year.

I commend my colleagues on the appropriations committee for making hard choices between important programs. But, I urge you to give GEAR UP your highest consideration in conference.
