Mr. HAGEL. Mr. President, if there is no further business to come before the Senate, I now ask unanimous consent that the Senate stand in adjournment under the previous order, following the remarks of Senator WYDEN.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. HAGEL. Mr. President, I yield the floor.

Mr. WYDEN addressed the Chair.

The PRESIDING OFFICER. The Senator from Oregon.

PRESCRIPTION DRUG COVERAGE FOR OUR NATION'S ELDERLY CITIZENS

Mr. WYDEN. Mr. President, I am on the floor tonight for what is really the 10th time in recent days to talk about the need for decent prescription drug coverage for the Nation's elderly citizens. There is one bipartisan bill now before the Senate. It is the Snowe-Wyden bill. I believe so strongly in this issue because of what I am hearing from senior citizens in my home State and now, frankly, from across the United States.

What I have decided to do, as part of the effort to advance the prospect of dealing with this issue and dealing with it on a bipartisan basis, is to come to the floor as frequently as I can in the hectic Senate schedule to read from some of these bills I am getting from the Nation's senior citizens.

As you can see in the poster next to us, on behalf of the Snowe-Wyden legislation, I am urging seniors to send in copies of their prescription drug bills directly to us at the United States Senate, Washington, DC 20510, because I would like to see the Senate deal with this issue and not just put it off because some are saying it is too difficult and too hard to deal with in this contentious climate. I believe Members of the Senate are sent here to deal with tough issues. This is one that would meet an enormous need.

For a number of years before I was elected to the Congress, I served as director of the Oregon Gray Panthers. The need for coverage of prescription drugs was extremely important back then. It was always a big priority for senior citizens.

Frankly, it is much more important today because so many of the drugs that are available now are preventive in nature. They help keep seniors well. They help us to hold down the cost of medical care in America. A lot of these drugs today, the blood pressure medicine, the cholesterol medicine, keep seniors well and keep us from needing much greater sums of money to pick up the cost of tragic illnesses.

Last week, I cited as one example an important anticoagulant drug. This is a drug that can be available to the Nation's seniors for somewhere in the vicinity of \$1,000 a year. But if a senior gets sick, if a senior suffers a debilitating stroke, the expenses associated
