IN SUPPORT OF THE COMPREHENSIVE BORDER PROTECTION ACT

• Mr. MOYNIHAN. Mr. President, I rise today to support the Comprehensive Border Protection Act, a bill that addresses the urgent need for increased Customs inspectors and technology along the U.S.-Canadian border.

Every day, the U.S. Customs Service must meet the dual challenges of en-

forcing our trade laws and easing the flow of goods across our borders. Customs carries out this mission at 83 ports-of-entry along the U.S.-Canada border, the world's longest undefended border—some 5,500 miles.

The resources, however, that we have provided to the Customs Service to process traffic and trade across this border are woefully deficient. In a hearing before the Senate Finance Committee in September 1998, we learned that the current number of authorized Customs inspectors working on the northern border remains essentially the same as it was in 1980, despite the fact that the number of commercial entries they must process has increased sixfold since then, from 1 million to 6 million per year. The increased workload reflects of course the tremendous growth in U.S.-Canada trade: two-way trade in 1988, the year before the U.S.-Canada Free Trade Agreement entered into force, was \$194 billion. In 1998, our two-way merchandise trade with Canada reached \$331 billion, nearly \$1 billion a day. Over one-quarter of our total imports from Canada enter the U.S. through three New York ports-of-entry—Buffalo, Champlain, and Alexandria Bay.

This bill aims to correct these problems by authorizing the additional people and technology necessary to handle the increase in trade and traffic between the United States and Canada. In particular, this bill authorizes 375 additional "primary lane" inspectors and 125 new cargo inspectors for the northern border, as well as 40 special agents and 10 intelligence agents. The bill also authorizes \$26.58 million for equipment and technology for the northern border.

The resources available to the Customs Service over the last decade have simply not kept pace with this enormous growth in workload. As trade continues to grow, the day will come when our ports simply will not be able to bear that load, unless we ensure that adequate staffing and equipment are in place. •

GENERAL PROVISION, THIS TITLE

SEC. 1401. EMERGENCY STEEL LOAN GUARANTEE PROGRAM. (a) SHORT TITLE.—This section may be cited as the "Emergency Steel Loan Guarantee Act of 1999".

(b) CONGRESSIONAL FINDINGS.—Congress finds that—

(1) the United States steel industry has been severely harmed by a record surge of more than 40,000,000 tons of steel imports into the United States in 1998, caused by the world financial crisis;

(2) this surge in imports resulted in the loss of more than 10,000 steel worker jobs in 1998, and was the imminent cause of 3 bankruptcies by medium-sized steel companies, Acme Steel, Laclede Steel, and Geneva Steel;

(3) the crisis also forced almost all United States steel companies into—

(A) reduced volume, lower prices, and financial losses; and

(B) an inability to obtain credit for continued operations and reinvestment in facilities;

(4) the crisis also has affected the willingness of private banks and investment institutions to make loans to the U.S. steel industry for continued operation and reinvestment in facilities;

(5) these steel bankruptcies, job losses, and financial losses are also having serious negative effects on the tax base of cities, counties, and States, and on the essential health, education, and municipal services that these government entities provide to their citizens; and

(6) a strong steel industry is necessary to the adequate defense preparedness of the United States in order to have sufficient steel available to build the ships, tanks, planes, and armaments necessary for the national defense.

(c) DEFINITIONS.—For purposes of this section—

(1) the term "Board" means the Loan Guarantee Board established under subsection (e);

(2) the term "Program" means the Emergency Steel Guaranteed Loan Program established under subsection (d); and

(3) the term "qualified steel company" means any company that—

(A) is incorporated under the laws of any State;

(B) is engaged in the production and manufacture of a product defined by the American Iron and Steel Institute as a basic steel mill product, including ingots, slab and billets, plates, flat-rolled steel, sections and structural products, bars, rail type products, pipe and tube, and wire rod; and

(C) has experienced layoffs, production losses, or financial losses since the beginning of the steel import crisis, after January 1, 1998.

(d) ESTABLISHMENT OF EMERGENCY STEEL GUARANTEED LOAN PROGRAM.—There is established the Emergency Steel Guaranteed Loan Program, to be administered by the Board, the purpose of which is to provide loan guarantees to qualified steel companies in accordance with this section.

(e) LOAN GUARANTEE BOARD MEMBERSHIP.—There is established a Loan Guarantee Board, which shall be composed of—

(1) the Secretary of Commerce, who shall serve as Chairman of the Board;

(2) the Secretary of Labor; and

(3) the Secretary of the Treasury.

(f) LOAN GUARANTEE PROGRAM.—

(1) AUTHORITY.—The Program may guarantee loans provided to qualified steel companies by private banking and investment institutions in accordance with the procedures, rules, and regulations established by the Board.

(2) TOTAL GUARANTEE LIMIT.—The aggregate amount of loans guaranteed and outstanding at any one time under this section may not exceed \$1,000,000,000.

(3) INDIVIDUAL GUARANTEE LIMIT.—The aggregate amount of loans guaranteed under this section with respect to a single qualified steel company may not exceed \$250,000,000.

(4) MINIMUM GUARANTEE AMOUNT.—No single loan in an amount that is less than \$25,000,000 may be guaranteed under this section.

(5) TIMELINES.—The Board shall approve or deny each application for a guarantee under this section as soon as possible after receipt of such application.

(6) ADDITIONAL COSTS.—For the additional cost of the loans guaranteed under this subsection, including the costs of modifying the loans as defined in section 502 of the Congressional Budget Act of 1974 (2 U.S.C. 661a), there is appropriated \$140,000,000 to remain available until expended.

(g) REQUIREMENTS FOR LOAN GUARANTEES.—A loan guarantee may be issued under this section upon application to the Board by a qualified steel company pursuant to an agreement to provide a loan to that qualified steel company by a private bank or investment company, if the Board determines that—

(1) credit is not otherwise available to that company under reasonable terms or conditions sufficient to meet its financing needs, as reflected in the financial and business plans of that company;

(2) the prospective earning power of that company, together with the character and value of the security pledged, furnish reasonable assurance of repayment of the loan to be guaranteed in accordance with its terms;

(3) the loan to be guaranteed bears interest at a rate determined by the Board to be reasonable, taking into account the current average yield on outstanding obligations of the United States with remaining periods of maturity comparable to the maturity of such loan; and

(4) the company has agreed to an audit by the General Accounting Office, prior to the issuance of the loan guarantee and annually while any such guaranteed loan is outstanding.

(h) TERMS AND CONDITIONS OF LOAN GUARANTEES.—

(1) LOAN DURATION.—All loans guaranteed under this section shall be payable in full not later than December 31, 2005, and the terms and conditions of each such loan shall provide that the loan may not be amended, or any provision thereof waived, without the consent of the Board.

(2) LOAN SECURITY.—Any commitment to issue a loan guarantee under this section shall contain such affirmative and negative covenants and other protective provisions that the Board determines are appropriate. The Board shall require security for the loans to be guaranteed under this section at the time at which the commitment is made.

(3) FEES.—A qualified steel company receiving a guarantee under this section shall pay a fee in an amount equal to 0.5 percent of the outstanding principal balance of the guaranteed loan to the Department of the Treasury.

(i) REPORTS TO CONGRESS.—The Secretary of Commerce shall submit to the Congress annually, a full report of the activities of the Board under this section during fiscal years 1999 and 2000, and annually thereafter, during such period as any loan guaranteed under this section is outstanding.

(j) SALARIES AND ADMINISTRATIVE EXPENSES.—For necessary expenses to administer the Program, \$5,000,000 is appropriated to the Department of Commerce, to remain available until expended, which may be transferred to the Office of the Assistant Secretary for Trade Development of the International Trade Administration.

(k) TERMINATION OF GUARANTEE AUTHORITY.—The authority of the Board to make commitments to guarantee any loan under this section shall terminate on December 31, 2001.

(l) REGULATORY ACTION.—The Board shall issue such final procedures, rules, and regulations as may be necessary to carry out this section not later than 60 days after the date of enactment of this Act.

(m) EMERGENCY DESIGNATION.—The entire amount made available to carry out this section—

(1) is designated by the Congress as an emergency requirement pursuant to section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985 (2 U.S.C. 901(b)(2)(A)); and

(2) shall be available only to the extent that an official budget request that includes designation of the entire amount of the request as an emergency requirement (as defined in the Balanced Budget and Emergency Deficit Control Act of 1985) is transmitted by the President to the Congress.

SEC. 1402. PETROLEUM DEVELOPMENT MANAGEMENT. (a) SHORT TITLE.—This section may be cited as the “Emergency Oil and Gas Guaranteed Loan Program Act”.

(b) FINDINGS.—Congress finds that—

(1) consumption of foreign oil in the United States is estimated to equal 56 percent of all oil consumed, and that percentage could reach 68 percent by 2010 if current prices prevail;

(2) the number of oil and gas rigs operating in the United States is at its lowest since 1944, when records of this tally began;

(3) if prices do not increase soon, the United States could lose at least half its marginal wells, which in aggregate produce as much oil as the United States imports from Saudi Arabia;

(4) oil and gas prices are unlikely to increase for at least several years;

(5) declining production, well abandonment, and greatly reduced exploration and development are shrinking the domestic oil and gas industry;

(6) the world’s richest oil producing regions in the Middle East are experiencing increasingly greater political instability;

(7) United Nations policy may make Iraq the swing oil producing nation, thereby granting Saddam Hussein tremendous power;

(8) reliance on foreign oil for more than 60 percent of our daily oil and gas consumption is a national security threat;

(9) the level of United States oil security is directly related to the level of domestic production of oil, natural gas liquids, and natural gas; and

(10) a national security policy should be developed that ensures that adequate supplies of oil are available at all times free of the threat of embargo or other foreign hostile acts.

(c) DEFINITIONS.—In this section:

(1) BOARD.—The term “Board” means the Loan Guarantee Board established by subsection (e).

(2) PROGRAM.—The term “Program” means the Emergency Oil and Gas Guaranteed Loan Program established by subsection (d).

(3) QUALIFIED OIL AND GAS COMPANY.—The term “qualified oil and gas company” means a company that—

(A) is incorporated under the laws of any State;

(ii) a small business concern under section 3 of the Small Business Act (15 U.S.C. 632) that is an oil field service company whose main business is providing tools, products, personnel, and technical solutions on a contractual basis to exploration and production operators who drill, complete, produce, transport, refine and sell hydrocarbons and their byproducts as their main commercial business; and

(C) has experienced layoffs, production losses, or financial losses since the beginning of the oil import crisis, after January 1, 1997.

(d) EMERGENCY OIL AND GAS GUARANTEED LOAN PROGRAM.—

(f) REQUIREMENTS FOR LOAN GUARANTEES.—The Board may issue a loan guarantee on application by a qualified oil and gas company under an agreement by a private bank or investment company to provide a loan to the qualified oil and gas company, if the Board determines that—

(1) credit is not otherwise available to the company under reasonable terms or conditions sufficient to meet its financing needs, as reflected in the financial and business plans of the company;

(2) the prospective earning power of the company, together with the character and value of the security pledged, provide a reasonable assurance of repayment of the loan to be guaranteed in accordance with its terms;

(3) the loan to be guaranteed bears interest at a rate determined by the Board to be reasonable, taking into account the current average yield on outstanding obligations of the United States with remaining periods of maturity comparable to the maturity of the loan; and

(4) the company has agreed to an audit by the General Accounting Office before issuance of the loan guarantee and annually while the guaranteed loan is outstanding.

(g) TERMS AND CONDITIONS OF LOAN GUARANTEES.—

(1) LOAN DURATION.—All loans guaranteed under this section shall be repayable in full not later than December 31, 2010, and the terms and conditions of each such loan shall provide that the loan agreement may not be amended, or any provision of the loan agreement waived, without the consent of the Board.

(2) LOAN SECURITY.—A commitment to issue a loan guarantee under this section shall contain such affirmative and negative covenants and other protective provisions as the Board determines are appropriate. The Board shall require security for the loans to be guaranteed under this section at the time at which the commitment is made.

(j) TERMINATION OF GUARANTEE AUTHORITY.—The authority of the Board to make commitments to guarantee any loan under this section shall terminate on December 31, 2001.

(k) REGULATORY ACTION.—Not later than 60 days after the date of enactment of this Act, the Board shall issue such final procedures, rules, and regulations as are necessary to carry out this section.

(1) is designated by the Congress as an emergency requirement pursuant to section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985 (2 U.S.C. 901(b)(2)(A)); and

(2) shall be available only to the extent that the President submits to the Congress a budget request that includes designation of the entire amount of the request as an emergency requirement.

(a) DEDUCTION.—Subject to the limitations in subsection (c), the Secretary of the Interior shall allow lessees operating one or more qualifying wells on public land to deduct from the amount of royalty otherwise payable to the Secretary on production from a qualifying well, the amount of expenditures made by such lessees after April 1, 1999 to—

(b) RETROACTIVE APPLICATION.—As soon as practicable after the date of the enactment of this Act, the Secretary of Agriculture shall make a payment to each producer of club wheat that received a discounted loan deficiency payment under section 135 of the Agricultural Market Transition Act (7 U.S.C. 7235) before that date as a result of the assessment of a premium adjustment against club wheat. The amount of the payment for a producer shall be equal to the difference between—

(1) the loan deficiency payment that would have been made to the producer in the absence of the premium adjustment; and

(2) the loan deficiency payment actually received by the producer.

(b) OTHERS AFFECTED BY FISHERY CLOSURES AND RESTRICTIONS.—Section 123 of the Department of the Interior and Related Agencies Appropriations Act, 1999 (section 101(e) of division A of Public Law 105-277), as amended, is amended further by redesignating subsection (c) as subsection (d) and inserting immediately after subsection (b) the following new subsection:

From any unobligated funds that are available to the Secretary of Education to carry out section 306(a)(1) of the Department of Education Appropriations Act, 1996, the Secretary shall provide not more than \$239,000, under such terms and conditions as the Secretary determines appropriate, to the White River School District #47-1, White River, South Dakota, to be used to repair damage caused by water infiltration at the White River High School, which shall remain available until expended.

(b) Subsection (a) shall apply to firefighters described under that subsection as of the effective date of section 5545b of title 5, United States Code.

(c) The Office of Personnel Management may prescribe regulations necessary to implement this section.

SEC. 2322. SENSE OF THE SENATE: EXPRESSING THE SENSE OF THE SENATE THAT A PENDING SALE OF WHEAT AND OTHER AGRICULTURAL COMMODITIES TO IRAN BE APPROVED. (a) The Senate finds:

(1) That an export license is pending for the sale of United States wheat and other agricultural commodities to the nation of Iran.

(2) That this sale of agricultural commodities would increase United States agricultural exports by about \$500,000,000, at a time when agricultural exports have fallen dramatically.

(3) That sanctions on food are counterproductive to the interest of United States farmers and to the people who would be fed by these agricultural exports.

(b) Now therefore, it is the sense of the Senate that the pending license for this sale of United States wheat and other agricultural commodities to Iran be approved by the administration.

SEC. 2323. PROHIBITION. (a) Notwithstanding any other provision of law, prior to eight months after Congress receives the report of the National Gambling Impact Study Commission, the Secretary of the Interior shall not—

(1) promulgate as final regulations, or in any way implement, the proposed regulations published on January 22, 1998, at 63 Fed. Reg. 3289; or

(2) issue a notice of proposed rulemaking for, or promulgate, or in any way implement, any similar regulations to provide for procedures for gaming activities under the Indian Gaming Regulatory Act (25 U.S.C. 2701 et seq.), in any case in which a State asserts a defense of sovereign immunity to a lawsuit brought by an Indian tribe in a Federal court under section 11(d)(7) of that Act (25 U.S.C. 2710(d)(7)) to compel the State to participate in compact negotiations for class III gaming (as that term is defined in section 4(8) of that Act (25 U.S.C. 2703(8))).

(3) approve class III gaming on Indian lands by any means other than a Tribal-State compact entered into between a State and a tribe.

(b) DEFINITIONS.—

(1) The terms “class III gaming”, “Secretary”, “Indian lands”, and “Tribal-State compact” shall have the same meaning for the purposes of this section as those terms have under the Indian Gaming Regulatory Act (25 U.S.C. 2701 et seq.).

(2) The “report of the National Gambling Impact Study Commission” is the report described in section 4(b) of Public Law 104-169 (18 U.S.C. sec. 1955 note).

SEC. 2324. FINDINGS AND SENSE OF SENATE REGARDING SEQUENTIAL BILLING POLICY FOR

HOME HEALTH PAYMENTS UNDER THE MEDICARE PROGRAM. (a) FINDINGS.—The Senate finds the following:

(1) Section 4611 of the Balanced Budget Act of 1997 included a provision that transfers financial responsibility for certain home health visits under the medicare program under title XVIII of the Social Security Act (42 U.S.C. 1395 et seq.) from part A to part B of such program.

(2) The sole intent of the transfer described in paragraph (1) was to extend the solvency of the Federal Hospital Insurance Trust Fund under section 1817 of such Act (42 U.S.C. 1395i).

(3) The transfer described in paragraph (1) was supposed to be "seamless" so as not to disrupt the provision of home health services under the medicare program.

(4) The Health Care Financing Administration has imposed a sequential billing policy that prohibits home health agencies under the medicare program from submitting claims for reimbursement for home health services provided to a beneficiary unless all claims for reimbursement for home health services that were previously provided to such beneficiary have been completely resolved.

(5) The Health Care Financing Administration has also expanded medical reviews of claims for reimbursement submitted by home health agencies, resulting in a significant slowdown nationwide in the processing of such claims.

(6) The sequential billing policy described in paragraph (4), coupled with the slowdown in claims processing described in paragraph (5), has substantially increased the cash flow problems of home health agencies because payments are often delayed by at least 3 months.

(7) The vast majority of home health agencies under the medicare program are small businesses that cannot operate with significant cash flow problems.

(8) There are many other elements under the medicare program relating to home health agencies, such as the interim payment system under section 1861(v)(1)(L) of such Act (42 U.S.C. 1395x(v)(1)(L)), that are creating financial problems for home health agencies, thereby forcing more than 2,200 home health agencies nationwide to close since the date of enactment of the Balanced Budget Act of 1997.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that the Health Care Financing Administration should—

(1) evaluate and monitor the use of the sequential billing policy (as described in subsection (a)(4)) in making payments to home health agencies under the medicare program under title XVIII of the Social Security Act (42 U.S.C. 1395 et seq.);

(2) ensure that—

(A) contract fiscal intermediaries under the medicare program are timely in their random medical review of claims for reimbursement submitted by home health agencies; and

(B) such intermediaries adhere to Health Care Financing Administration instructions that limit the number of claims for reimbursement held for such review for any particular home health agency to no more than 10 percent of the total number of claims submitted by the agency; and

(3) ensure that such intermediaries are considering and implementing constructive alternatives, such as expedited reviews of claims for reimbursement, for home health agencies with no history of billing problems who have cash flow problems due to random medical reviews and sequential billing.

SEC. 2325. A payment of \$800,000 from the total amount of \$1,000,000 for construction of the Pike's Peak Summit House, as specified

SEC. 2326. Section 617 of the Department of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act, 1999 (as added by section 101(b) of division A of the Omnibus Consolidated and Emergency Supplemental Appropriations Act, 1999 (Public Law 105-277)) is amended—

(1) by striking subsection (a) and inserting in lieu thereof the following:

"(a) None of the funds made available in this Act or any other Act hereafter enacted may be used to issue or renew a fishing permit or authorization for any fishing vessel of the United States greater than 165 feet in registered length, of more than 750 gross registered tons, or that has an engine or engines capable of producing a total of more than 3,000 shaft horsepower as specified in the permit application required under part 648.4(a)(5) of title 50, Code of Federal Regulations, part 648.12 of title 50, Code of Federal Regulations, and the authorization required under part 648.80(d)(2) of title 50, Code of Federal Regulations, to engage in fishing for Atlantic mackerel or herring (or both) under the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 et seq.), unless the regional fishery management council of jurisdiction recommends after October 21, 1998, and the Secretary of Commerce approves, conservation and management measures in accordance with such Act to allow such vessel to engage in fishing for Atlantic mackerel or herring (or both)."; and

(2) in subsection (b), by striking "subsection (a)(1)" and inserting "subsection (a)".

SEC. 2328. GLACIER BAY. No funds may be expended by the Secretary of the Interior to implement closures or other restrictions of subsistence or commercial fishing or subsistence gathering in Glacier Bay National Park, except the closure of Dungeness crab fisheries under section 123(b) of the Department of the Interior and Related Agencies Appropriations Act, 1999 (section 101(e) of division A of Public Law 105-277), until such time as the State of Alaska's legal claim to ownership and jurisdiction over submerged lands and tidelands in the affected area has been resolved either by a final determination by the judiciary or by a settlement between the parties to the lawsuit.
