SENATE CONCURRENT RESOLUTION 34—RELATING TO THE OBSERVANCE OF "IN MEMORY" DAY

Mr. SPECTER submitted the following concurrent resolution; which was referred to the Committee on the Judiciary:

S. CON. RES. 34

Whereas many of the individuals who served in the Armed Forces and in civilian roles in Vietnam during the Vietnam War have since died, in part as the result of illnesses and conditions associated with service in Vietnam during that war;

Whereas these men and women, whose ultimate health conditions had a basis in their service in Vietnam during the Vietnam War, sacrificed their lives for their country in a very real sense;

Whereas under criteria established by the Department of Defense, the deaths of these men and women do not qualify as Vietnam War deaths;

Whereas under Department guidelines, these men and women also do not meet the criteria for eligibility to have their names inscribed on the Memorial Wall of the Vietnam Veterans Memorial in the District of Columbia;

Whereas "In Memory" Day was established several years ago in order to honor the Americans who gave their lives in service to their country as a result of service in Vietnam but had not otherwise been honored for doing so;

Whereas "In Memory" Day is now a project of the Vietnam Veterans Memorial Fund;

Whereas to date 633 Americans have met the criteria for eligibility to be honored by the "In Memory" Program; and

Whereas the Americans who have been named by the "In Memory" Program are honored each year during a ceremony at the Vietnam Veterans Memorial: Now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That it is the sense of Congress that "In Memory" Day should be observed on the third Monday in April each year, the day on which Patriots Day is also observed, in honor of the men and women of the United States whose deaths had a basis in their service in Vietnam during the Vietnam War and who are thereby true examples to the Nation of patriotism and sacrifice.

Mr. SPECTER. Mr. President, today I submit a concurrent resolution which would express the Sense of the Congress that the third Monday in April be designated "In Memory Day." In Memory Day will be a time for family and friends to gather and commemorate the supreme sacrifice made by their loved ones as their names are read from the In Memory Honor Roll at the Vietnam Veterans Memorial, as was done most recently on April 19, 1999. I feel this to be a small yet fitting tribute to those whose lives were ultimately claimed by the war in Vietnam.

The Vietnam Veterans Memorial is a solemn reminder that the defense of liberty is not without loss. The 58,214 servicemembers who gave their lives in Vietnam will forever be memorialized in a most fitting manner. Their names, inscribed in granite walls, symbolize the reality that our nation's military personnel protects America behind walls built with the blood of patriots. We must keep them in our memory always.

Not all of those who died, however, are commemorated on the Vietnam Veterans Memorial. Unaccounted for are those succumbed to the ravages of psychological wounds upon their return home. Unaccounted for are all those who died after war's end, yet whose deaths were intrinsically linked to wartime service. Their family members and loved ones have no wall to go to; no names to touch; no memorial to share.

The Vietnam Veterans Memorial Fund (VVMF) runs an "In Memory Program" to honor these silent fallen. As part of this program, the VVMF keeps an "In Memory Honor Roll" to commemorate those who served and

died prematurely, but whose deaths do not fit the parameters for inclusion upon the Wall. It is time for Congress to do its part in honoring these brave soldiers and their families.

AMENDMENTS SUBMITTED

NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2000

HUTCHISON AMENDMENT NO. 389

(Ordered to lie on the table.)

Mrs. HUTCHISON submitted an amendment intended to be proposed by her to the bill (S. 1059) to authorize appropriations for fiscal year 2000 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe personnel strengths for such fiscal year for the Armed Forces, and for other purposes; as follows:

At the appropriate place in the bill, insert the following:

SEC. . . (a) Congress makes the following findings:

(1) It is the National Security Strategy of the United States to "deter and defeat large-scale, cross-border aggression in two distant theaters in overlapping time frames;"

(2) The deterrence of Iraq and Iran in Southwest Asia and the deterrence of North Korea in Northeast Asia represent two such potential large-scale, cross-border theater requirements;

(3) The United States has 120,000 troops permanently assigned to those theaters;

(4) The United States has an additional 70,000 troops assigned to non-NATO/non-Pacific threat foreign countries;

(5) The United States has more than 6,000 troops in Bosnia-Herzegovina on indefinite assignment;

(6) The United States has diverted permanently assigned resources from other theaters to support operations in the Balkans;

(7) The United States provides military forces to seven active United Nations peace-keeping operations, including missions in Haiti and the Western Sahara, and some missions that have continued for decades;

(8) Between 1986 and 1998, the number of American military deployments per year has nearly tripled at the same time the Department of Defense budget has been reduced in real terms by 38 percent;

(9) The Army has 10 active-duty divisions today, down from 18 in 1991, while on an average day in FY98, 28,000 U.S. Army soldiers were deployed to more than 70 countries for over 300 separate missions;

(10) Active Air Force fighter wings have gone from 22 to 13 since 1991, while 70 percent of air sorties in Operation Allied Force over the Balkans are U.S.-flown and the Air Force continues to enforce northern and southern no-fly zones in Iraq;

(11) The United States Navy has been reduced in size to 339 ships, its lowest level since 1938, necessitating the redeployment of the only overseas homeported aircraft carrier from the Western Pacific to the Mediterranean to support Operation Allied Force;

(12) In 1998 just 10 percent of eligible carrier naval aviators—27 out of 261—accepted continuation bonuses and remained in service;

(13) In 1998 48 percent of Air Force pilots eligible for continuation opted to leave the service.

(14) The Army could fall 6,000 below Congressionally authorized troop strength by the end of 1999.

(b) SENSE OF CONGRESS:

(1) It is the sense of Congress that—

(A) The readiness of U.S. military forces to execute the National Security Strategy of the United States is being eroded from a combination of declining defense budgets and expanded missions;

(B) There may be missions to which the United States is contributing Armed Forces from which the United States can begin disengaging.

(c) REPORT REQUIREMENT.—

(1) Not later than July 30, 1999, the President shall submit to the Committee on Armed Services of the Senate and the Committee on National Security of the House of Representatives, and to the Committees on Appropriations in both Houses, a report prioritizing the ongoing global missions to which the United States is contributing troops. The President shall include in the report:

(I) a proposal for shifting resources from low priority missions in support of higher priority missions;

(II) a proposal for consolidating or reducing U.S. troop commitments where possible;

(III) a proposal to reduce U.S. troop commitments worldwide;

(IV) a proposal for ending low priority missions.
