

SEC. 2865. ARMY RESERVE RELOCATION FROM FORT DOUGLAS, UTAH.

Section 2603 of the National Defense Authorization Act for fiscal year 1998 (P.L. 105-85) is amended as follows:

“With regard to the conveyance of a portion of Fort Douglas, Utah to the University of Utah and the resulting relocation of Army Reserve activities to temporary and permanent relocation facilities, the Secretary of the Army may accept the funds paid by the University of Utah or State of Utah to pay costs associated with the conveyance and relocation. Funds received under this section shall be credited to the appropriation, fund or account from which the expenses are ordinarily paid. Amounts so credited shall be available until expended.”.

TITLE XXIX—RENEWAL OF MILITARY LAND WITHDRAWALS**SEC. 2901. FINDINGS.**

The Congress finds that—

(1) Public Law 99-606 authorized public land withdrawals for several military installations, including the Barry M. Goldwater Air Force Range in Arizona, the McGregor Range in New Mexico, and Fort Wainwright and Fort Greely in Alaska, collectively comprising over 4 million acres of public land;

(2) these military ranges provide important military training opportunities and serve a critical role in the national security of the United States and their use for these purposes should be continued;

(3) in addition to their use for military purposes, these ranges contain significant natural and cultural resources, and provide important wildlife habitat;

(4) the future use of these ranges is important not only for the affected military branches, but also for local residents and other public land users;

(5) the public land withdrawals authorized in 1986 under Public Law 99-606 were for a period of 15 years, and expire in November 2001; and

(6) it is important that the renewal of these public land withdrawals be completed in a timely manner, consistent with the process established in Public Law 99-606 and other applicable laws, including the completion of appropriate environmental impact studies and opportunities for public comment and review.

SEC. 2902. SENSE OF THE SENATE REGARDING PROPOSAL TO RENEW PUBLIC LAND WITHDRAWALS.

It is the sense of the Senate that the Secretary of Defense and the Secretary of the Interior, consistent with their responsibilities and requirements under applicable laws, should jointly prepare a comprehensive legislative proposal to renew the public land withdrawals for the four ranges referenced in section 2901 and transmit such proposal to the Congress no later than July 1, 1999.

SEC. 2903. SENSE OF SENATE REGARDING WITHDRAWALS OF CERTAIN LANDS IN ARIZONA.

It is the sense of the Senate that—

(1) it is vital to the national interest that the withdrawal of the lands withdrawn by section 1(c) of the Military Lands Withdrawal Act of 1986 (Public Law 99-606), relating to Barry M. Goldwater Air Force Range and the Cabeza Prieta National Wildlife Refuge, which would otherwise expire in 2001, be renewed in 1999;

(2) the renewed withdrawal of such lands is critical to meet the military training requirements of the Armed Forces and to provide the Armed Forces with experience necessary to defend the national interests;

(3) the Armed Forces currently carry out environmental stewardship of such lands in a comprehensive and focused manner; and

(4) a continuation in high-quality management of United States natural and cultural

resources is required if the United States is to preserve its national heritage.
