The bill (S. 1122), as amended, was passed.

(The bill will be printed in a future edition of the RECORD.)

Mr. LOTT. Mr. President, I congratulate the bill managers. The Senator from Alaska and the Senator from Hawaii always do a magnificent job. This is not a world record for them, but it certainly is a very fine accomplishment. I am very pleased that we have passed this Department of Defense appropriations bill in such good order. I congratulate the chairman for his leadership.

Mr. STEVENS. Once again, I thank all Members of the Senate and staff for handling this defense appropriations bill. There is a war going on. We thought it essential we act as expeditiously as possible. We thought it was necessary for us to defend the Senate's position to the fullest extent possible. That unanimous consent request is already in place.

Parliamentary inquiry: Is there anything else I need to do in order to handle it according to the prior agreement?

The PRESIDING OFFICER. Not at this time.

#### UNANIMOUS CONSENT AGREEMENT—S. 96

Mr. LOTT. Finally, I ask consent that there be 12 first-degree amendments in order for each side of the aisle, with relevant second-degree amendments, and one additional first-degree amendment in order for each leader under the same terms as outlined above.

#### TRIBUTE TO LIEUTENANT COLONEL JEFF SEVERS, UNITED STATES AIR FORCE

Mr. LOTT. Mr. President, I would like to recognize the professional dedication, vision, and public service of Lieutenant Colonel Jeff Severs who is leaving the Air Force Legislative Liaison Office for assignment as the program manager for the Wind Corrected Munitions Dispenser Program at Eglin Air Force Base, Florida. It is a privilege for me to recognize the many outstanding achievements he has provided for the Senate, the Air Force, and our great Nation.

Lieutenant Colonel Severs has served our country with distinction for nearly 14 years. After graduating from the University of Georgia in 1985, he embarked on his Air Force Career with a training assignment at Keesler Air Force Base, Mississippi. He subsequently completed tours of duty at McClellan Air Force Base, California; Wright-Patterson Air Force Base, Ohio; Los Angeles Air Force Base, California; and back again to Wright-Patterson Air Force Base. In each of his Air Force assignments, Lieutenant Colonel Severs' performance has been outstanding.

Lieutenant Colonel Severs began his tour on Capitol Hill as a legislative fellow assigned to the office of my esteemed colleague from Oklahoma, Senator JIM INHOFE. During this assignment, he worked on the fiscal year 1998 Defense authorization bill. After his assignment with Senator INHOFE, Lieutenant Colonel Severs was reassigned to the Air Force Office of Legislative Liaison in the Pentagon.

Initially, he was responsible for acquisition and logistics issues and was responsible for preparing the Secretary of the Air Force and Chief of Staff of the Air Force for posture testimony. He was then selected to be the Executive Officer to the Director of Air Force Legislative Liaison followed shortly thereafter by his reassignment as Deputy Chief of the Air Force Senate Liaison Office.

Lieutenant Colonel Severs has earned the respect and trust of many of my colleagues on both sides of the aisle. His professional abilities and expertise enabled him to foster excellent working relationships that have served the Air Force and the Senate exceptionally well. As a liaison officer in the Senate, Lieutenant Colonel Severs has provided members and staff with informative and timely support regarding Air Force plans, programs, and constituent casework. His efforts have contributed greatly to maintaining the best trained, best equipped, and best prepared Air Force in the world.

Mr. President, Jeff Severs, his wife, Gay, and children, Hugh and Brooke, have made many sacrifices during his 14-year Air Force career. He continues to serve with a dedication and enthusiasm seen only in our Nation's best and brightest. He is a great credit to the Air Force and the country, and his efforts on behalf of members and staff of the Senate will be greatly missed. As he now departs for new challenges at Eglin Air Force Base, I call upon my colleagues on both sides of the aisle to recognize his service to the Senate and wish him well in his new assignment.

S. 744

Mr. MURKOWSKI. Mr. President, today I rise to speak briefly on a bill reported out of the Senate Committee on Energy and Natural Resources on May 19, 1999. S. 744 provides for the continuation of higher education through the conveyance of certain lands in the State of Alaska to the University of Alaska, and for other purposes.

The purpose of S. 744 is to provide Alaska's federal land grant college, the University of Alaska, with a federal land grant of at least 250,000 acres. S. 744 would also transfer to the federal government 29 inholdings currently owned by the University within conservation system units in Alaska.

When this bill was passed out of Committee it was done so with an amendment that clarified the lands the University was to relinquish under Section 3 of the bill. Those lands are listed in a document entitled "The University of Alaska's Inholding and Reconveyance Document" and dated May 17, 1999.

I ask unanimous consent a copy of this document be printed in today's CONGRESSIONAL RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

#### WOMEN'S HEALTH

Mr. CAMPBELL. Mr. President, I take this opportunity today to call my colleagues' attention to the importance of women's health care issues. I

came to know the importance of women's health early in life. Some of you may know that my mother suffered from tuberculosis. Back in those days, patients with TB had to be isolated, so my mother was living in a sanatorium. I could not see her in person, only through the windows.

In the past, women's health did not receive the attention it deserves. I believe it is time to change that. If we are to eliminate the diseases that especially afflict women today, we will need real dedication to the task of developing new treatments and prevention techniques.

And because women make many of the health care decisions for families, their decisions touch the health of many people—children, spouses, elderly parents and relatives. In this great country of ours, where we emphasize personal responsibility, good health care decisions are fundamental to quality health.

As medical science advances into new territory, expanded choices will give women unprecedented opportunities to live better and longer lives, and to affect the quality of health care in our country. Women will be called upon to take charge of their own health as well
