The resolution, with its preamble, reads as follows:

#### S. RES. 119

Whereas in an Emergency Special Session, the United Nations General Assembly voted on February 9, 1999, to pass Resolution ES-10/6, "Illegal Israeli Actions In Occupied East Jerusalem And The Rest Of The Occupied Palestinian Territory", to convene for the first time in 50 years the parties of the Fourth Geneva Conference for the Protection of Civilians in Time of War;

Whereas such resolution unfairly places full blame for the deterioration of the Middle East Peace Process on Israel and dangerously politicizes the Geneva Convention, which was established to deal with critical humanitarian crises; and

Whereas such vote is intended to prejudice direct negotiations, put additional and undue pressure on Israel to influence the results of those negotiations, and single out Israel for unprecedented enforcement proceedings which have never been invoked against governments with records of massive violations of the Geneva Convention: Now, therefore, be it

*Resolved*, That the Senate—

(i) commends the Department of State for the vote of the United States against United Nations General Assembly Resolution ES-10/6 affirming that the text of such resolution politicizes the Fourth Geneva Convention

which was primarily humanitarian in nature;

(2) urges the Department of State to continue its efforts against convening the conference; and

(3) urges the Swiss government, as the depositary of the Geneva Convention, not to convene a meeting of the Fourth Geneva Convention.

#### CONDEMNING PALESTINIAN EFFORTS TO REVIVE THE ORIGINAL PALESTINE PARTITION PLAN

The PRESIDING OFFICER. The clerk will report.

The legislative clerk read as follows:

A concurrent resolution (S. Con. Res. 36) condemning Palestinian efforts to revive the original Palestine partition plan of November 29, 1947, and condemning the United Nations Commission on Human Rights for its April 27, 1999, resolution endorsing Palestinian self-determination on the basis of the original Palestine partition plan.

There being no objection, the Senate proceeded to consider the concurrent resolution.

Mr. GORTON. I ask unanimous consent that the resolution be agreed to, the preamble be agreed to, the motion to reconsider be laid upon the table, and any statements relating to this resolution be printed at the appropriate place in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Con. Res. 36) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

#### S. CON. RES. 36

Whereas United Nations General Assembly Resolution 181, which called for the partition of the British-ruled Palestine Mandate into a Jewish state and an Arab state, was declared null and void on November 29, 1947, by the Arab states and the Palestinians, who included the rejection of Resolution 181 as a formal justification for the May, 1948, invasion of the newly declared State of Israel by the armies of five Arab states;

Whereas the armistice agreements between Israel and Egypt, Lebanon, Syria, and Transjordan in 1949 made no mention of United Nations General Assembly Resolution 181, and the United Nations Security Council made no reference to United Nations General Assembly Resolution 181 in its Resolution 73 of August 11, 1949, which endorsed the armistice;

Whereas in 1967 and 1973 the United Nations adopted Security Council Resolutions 242 and 338, respectively, which call for the withdrawal of Israel from territory occupied in 1967 and 1973 in exchange for the creation of secure and recognized boundaries for Israel and for political recognition of Israel's sovereignty;

Whereas Security Council Resolutions 242 and 338 have served as the framework for all negotiations between Israel, Palestinian representatives, and Arab states for 30 years, including the 1991 Madrid Peace Conference and the ongoing Oslo peace process, and serve as the agreed basis for impending Final Status Negotiations;

Whereas senior Palestinian officials have recently resurrected United Nations General Assembly Resolution 181 through official statements and a March 25, 1999, letter from the Palestine Liberation Organization Permanent Observer to the United Nations Secretary-General contending that the State of Israel must withdraw to the borders outlined in United Nations General Assembly Resolution 181, and accept Jerusalem as a "corpus separatum" to be placed under United Nations control as outlined in United Nations General Assembly Resolution 181; and

Whereas in its April 27, 1999, resolution, the United Nations Commission on Human Rights asserted that Israeli-Palestinian peace negotiations be based on United Nations General Assembly Resolution 181: Now, therefore, be it

*Resolved by the Senate (the House of Representatives concurring). That the Congress—*

(1) condemns Palestinian efforts to circumvent United Nations Security Council Resolutions 242 and 338, as well as violate the Oslo peace process, by attempting to revive United Nations General Assembly Resolution 181, thereby placing the entire Israeli-Palestinian peace process at risk;

(2) condemns the United Nations Commission on Human Rights for voting to formally endorse United Nations General Assembly Resolution 181 as the basis for the future of Palestinian self-determination;

(3) reiterates that any just and final peace agreement regarding the final status of the territory controlled by the Palestinians can only be determined through direct negotiations and agreement between the State of Israel and the Palestinian Liberation Organization;

(4) reiterates its continued unequivocal support for the security and well-being of the State of Israel, and of the Oslo peace process based on United Nations Security Council Resolutions 242 and 338; and

(5) calls for the President of the United States to declare that—

(A) it is the policy of the United States that United Nations General Assembly Resolution 181 of 1947 is null and void;

(B) all negotiations between Israel and the Palestinians must be based on United Nations Security Council Resolutions 242 and 338; and

(C) the United States regards any attempt by the Palestinians, the United Nations, or any entity to resurrect United Nations General Assembly Resolution 181 as a basis for negotiations, or for any international decision, as an attempt to sabotage the prospects for a successful peace agreement in the Middle East.

#### DIGITAL THEFT DETERRENCE AND COPYRIGHT DAMAGES IMPROVEMENT ACT OF 1999

Mr. GORTON. Mr. President, I ask unanimous consent that the Senate now proceed to the consideration of Calendar No. 193, S. 1257.

The PRESIDING OFFICER. The clerk will report.

The legislative clerk read as follows:

A bill (S. 1257) to amend statutory damages provisions of title 17, United States Code.

There being no objection, the Senate proceeded to consider the bill.

Mr. HATCH. Mr. President, today the Senate is considering four very important intellectual property related "high-tech" bills that Senator LEAHY and I have introduced to promote the continued growth of vital sectors of the American economy and to protect the interests and investment of the entrepreneurs, authors, and innovators who fuel their growth. These bills were reported by unanimous consent earlier today by the Judiciary Committee.

Technology is the driving force in the American economy today, and American technology is setting new standards for the global economy, from semiconductor chip technology, to computer software, Internet and telecommunications technology, to leading pharmaceutical and genetic research. In my own state of Utah, these information technology industries contribute in excess of \$7 billion each year to the State's economy and pay wages that average 66 percent higher than the state average. Their performance has placed Utah among the world's top ten technology centers according to Newsweek Magazine. Similar success is seen in areas across the country, with the U.S. being home to seven of the world's top ten technology centers and with American creative industries now surpassing all other export sectors in foreign sales and exports.

Underlying all of these technologies are the intellectual property rights that serve to promote creativity and innovation by safeguarding the investment, effort, and goodwill of those who venture into these fast-paced and volatile fields. Strong intellectual property protections are particularly critical in the global high-tech environment where electronic piracy is so easy, so cheap, and yet so potentially devastating to intellectual property owners—many of which are small entrepreneurial enterprises. In Utah, 65 percent of these companies have fewer than 25 employees, and a majority have annual revenues of less than \$1 million. Intellectual property is the lifeblood of
