

number of significant accomplishments. Among them were restructuring all levels of the organization, streamlining major changes in business practices, reemphasizing the Corps' missions in support of the Army and Department of Defense, and strengthening the organization's commitment to serve the nation and its vital interests.

Lt. Gen. Ballard has managed Army Corps of Engineers missions—including the nation's vast Civil Works Program, environmental restoration, and construction on military installations. His leadership has guided the Corps in assisting with recovery from natural disasters as well as regulating work in the Nation's waterways and wetlands, conducting research and development, serving as the Army and Air Force real estate agent, and providing engineering services to 60 other Federal agencies and more than 80 other nations. Earlier, he served as Commander of Fort Leonard Wood, Missouri, with great distinction.

In addition to the military honors that he has achieved, the Council of Deans of Historically Black Colleges and Universities and the Career Communications Group recognized Lt. Gen. Ballard as the 1998 Black Engineer of the Year. He has also been the 1998–1999 president of the Society of American Military Engineers and a member of the National Engineering Honor society, Tau Beta Pi.

Mr. Speaker, Lt. Gen. Ballard has had an outstanding career in the Corps of Engineers and with the Army. He will surely be missed by everyone at those organizations. As he retires, I wish Joe and his wife Tessie all the best. I am certain that the Members of the House will join me in paying tribute to this outstanding American.

#### HONORING MEMBERS OF THE VOLUNTEER HONOR ROLL

#### HON. JOHN J. DUNCAN, JR.

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 27, 2000*

Mr. DUNCAN. Mr. Speaker, I am rising today to honor five of my constituents who have been named to the Honor Roll of Volunteers by the Appalachian Trail Conference [ATC].

Phyllis Henry, Jim Botts, Lionel Edney, Bill Kerr, and Dick Ketelle are among the 75 people who received this award because of their hard work which symbolizes the efforts and dedication of thousands of volunteers who help manage and protect the Appalachian Trail.

The Volunteer Honor Roll was established to celebrate ATC's 75th anniversary this year. Founded in 1925 to promote, build, and protect the Appalachian Trail, ATC is one of the most successful volunteer-based conservation and outdoor recreation organizations in the United States.

As you know, the Appalachian Trail is one of America's premier hiking trails and the world's longest footpath. Located within a day's drive of two-thirds of the U.S. population, it is used each year by up to four million individuals from around the world.

It is all through the great work and leadership of individuals like these five people and organizations like the Smoky Mountain Hiking Club, to which they all belong, that we are

able to protect and maintain this great national treasure.

Each of these individuals has dedicated thousands of hours over the years so that we could enjoy the Appalachian Trail. I would like to take the time to personally thank them for all of their work and to honor their great volunteer spirit for which Tennessee has been recognized for hundreds of years.

LORI BERENSON

#### HON. JERROLD NADLER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 27, 2000*

Mr. NADLER. Mr. Speaker, today I support the recent letter signed by a majority of members of the House of Representatives urging the President to work for the release of Lori Berenson, an American Citizen illegally detained in a military prison in Peru.

It is ridiculous that I must bring up this issue yet again after four years. How many letters must we send to the President of Peru on Ms. Berenson's behalf. How many times must Mark and Rhoda Berenson appeal to members of their own government before they are reunited with their child?

Ms. Berenson was convicted four years ago of treason and sentenced to life imprisonment in Peru. The details of her case read like the script of a movie, secret Peruvian military tribunal, conviction in violation of international law, maximum security isolation, and now reports that her health is seriously threatened.

Ms. Berenson was convicted by a judicial system which has been characterized by the U.S. State Department as "inefficient, often subject to corruption, and easily controlled by the executive branch." The state department further states that "proceedings in the military courts—and those for terrorism in civilian court—do not meet internationally accepted standard of openness, fairness, and due process." Ms. Berenson's conviction has been condemned by the Organization of American States and the United Nations High Commission on Human Rights.

How does the American government, the most powerful government on the globe, the world's hegemon, sit by and allow this to happen. How can we continue to tell Mark and Rhoda Berenson "We're sorry, but there is nothing the United States of America can do to help free your daughter."

I cannot express in words, the pain I would feel if my child was being held illegally, health deteriorating. All of us in this chamber should try to imagine for just a moment the pain that is felt each and every day by the Berensons. We must then turn that sadness into a collective cry for action on the part of the administration. United States citizens must not be treated in such a barbaric manner.

I call on the President to act decisively. To use the vast resources of this great nation and demand Lori Berenson's release.

TAI KAI ATLANTA 2000

#### HON. BOB BARR

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 27, 2000*

Mr. BARR of Georgia. Mr. Speaker, on August 18, 2000 a gathering will take place in Atlanta, Georgia of teachers and students of the traditional Japanese martial art of Ninjutsu. The International Bujinkan Tai Kai, as the gathering is called, will host visitors from every corner of the globe. They will be in Georgia to train under the guidance of Dr. Masaaki Hatsumi, the Grandmaster of Ninjutsu. Dr. Hatsumi is the 34th Grandmaster of Ninjutsu, is the founder of the Bujinkan Dojo, and is considered a national treasure by the Japanese government. Bujinkan, which means "Divine Warrior Hall," was named in honor of his teacher, Toshitsugu Takamatsu.

I am extremely pleased Dr. Hatsumi has chosen Atlanta, Georgia as the host city for International Bujinkan Tai Kai 2000. It is my sincere hope each participant will benefit from the principles of discipline, self respect, and respect for fellow man, at the heart of Bujinkan.

I submit the following for the RECORD.

TAI KAI,  
ATLANTA 2000,

*July 1, 2000.*

Re: Request for Proclamation or Special Letter of Welcome

Congressman BOB BARR,  
c/o Slade Gullede, Marietta Congressional Office, Marietta, GA.

DEAR MR. GULLEDGE: With regard to a conversation you had with a member of my staff, Sean Gerety, and later an e-mail, I am requesting a Proclamation from Bob Barr to Dr. Masaaki Hatsumi. Atlanta has been selected as the site of the International Bujinkan Tai Kai by Dr. Masaaki Hatsumi, the 24th generation grandmaster of the Bujinkan system. Dr. Hatsumi is the only grandmaster of the traditional Japanese martial art of ninjutsu, and consequently his selection of Atlanta for the Tai Kai constitutes an important event.

The Bujinkan Atlanta Dojo, America's original school of Japan's oldest martial art will be sponsoring the Tai Kai for the fifth time. Bud Malmstrom is the owner and 11 degree Black Belt instructor of this school. He began his training over 22 years ago. Bud's wife Bonnie, 9th degree Black Belt instructor has been the organizer of all five Tai Kai conventions. She was the first non-oriental and the third woman only in the world to pass the fifth degree black belt test.

Hatsumi's last visit to Atlanta was during the Olympic year, 1996. He decided in 1996 that he would like to revisit the fair and beautiful city of Atlanta for the Millennium 2000 American Tai Kai training celebration. August 18th 600 ninja scholars and enthusiasts from every corner of the world will convene in the Grand Ballroom of the OMNI Hotel at CNN Center to begin a four day training event with the grandmaster of ninjutsu. Ninjutsu simply stated; the skill of the ninja is the art of winning . . . "attaining that which we need while making the world a better place in which to live."

Please see the information included and provide us with a Proclamation if at all possible. We will have an opening reception August 18th and plan to bestow this to Dr. Hatsumi as a gesture of welcome. If there is anyone from your office who could present this award to Dr. Hatsumi, it would be wonderful. Please let me know where and when

we can pick up the proclamation. Thanking you sincerely,

With warmest regards,  
**BONNIE G. MALMSTROM,**  
*Secretary/Treasurer.*

**NICO FERRARO: 2000 LABOR LEADER OF THE YEAR OF THE SAN DIEGO COUNTY BUILDING AND CONSTRUCTION TRADES COUNCIL, ALF-CIO**

**HON. BOB FILNER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 27, 2000*

Mr. FILNER. Mr. Speaker, I rise today to recognize Nico Ferraro, business manager of the Plumbers & Pipefitters, Local 230, as he is honored by the San Diego County Building and Construction Trades Council, AFL-CIO at the Eighteenth Annual John S. Lyons Memorial Banquet.

Nico Ferraro is being honored as the 2000 Labor Leader of the Year because he is an active labor leader who has gained a reputation for getting things done. His activism caught the attention of Local 230, and he was elected to the executive board in 1989. In 1992, he was elected pipefitter business representative and served in that capacity until his appointment as business manager in 1997.

As business manager of Local 230, he represents the 1600 member local union in many ways. He is a trustee to the pension and health and welfare funds, the secretary to the Joint Apprenticeship Committee, delegate to the District Council, and executive board member to the Building Trades and the Central Labor Council. He serves on a statewide committee for the International Union and is also a hearing officer for the International Union. He is a management trustee for the OPEIU pension.

Nico is dedicated to improving the wages, pension, and working conditions of his membership and demonstrating to all of San Diego the benefits of union membership. He has spoken before the Industrial Welfare Commission, the California Apprenticeship Council, to church groups and to community college students on the benefits of being a union member.

He is involved in all aspects of the labor movement. A number of his pro-union letters to the editor have been published in San Diego newspapers. He co-chairs the Labor Council Street Heat Committee. He raises money for Local 230's scholarship fund. Recently, he was appointed to the Industrial Welfare Commission Wage Board where he will be asked to determine the wages, work hours, and working conditions for the mining, drilling, and construction industries.

Nico's dad, uncles, brothers and neighbors in New York City were union members. He learned at an early age the value of union membership. He served a five-year steamfitter apprenticeship with one of the original United Autoworkers locals, Local 638. From the minute he was initiated into the union, he knew it was for him! A highlight was his work on the 110 story World Trade Center twin towers building in New York.

Nico has been married for the past fourteen years to his wife Lynn, who is a member of the California Teachers Association.

As a friend and supporter of the working man and woman, I want to sincerely congratulate Nico Ferraro on receiving this prestigious award for his long hours and intensive work in the cause of justice. It is an honor to know him and to support his work!

**SECTION 907 OF THE FOREIGN ASSISTANCE ACT**

**HON. JOE KNOLLENBERG**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 27, 2000*

Mr. KNOLLENBERG. Mr. Speaker, today I stress the importance of retaining Section 907 of the Foreign Assistance Act in the Foreign Operations Bill.

For more than 10 years Azerbaijan has cut off the transportation of food, fuel and medicine from the United States and the United Nations to our ally Armenia. Armenia and its neighbor, Nagorno-Karabagh are both landlocked, and these blockades are virtually isolating them from the rest of the world.

Section 907 prohibits United States aid to Azerbaijan and constitutes a focused, appropriate message to the government of Azerbaijan that the United States won't support efforts to marginalize, via blockade, entire populations of neighboring states.

Section 907 must remain in place until the President of Azerbaijan confirms that country is taking steps to cease blockades and offensive uses of force against Armenia and Nagorno-Karabagh.

I encourage my colleagues to support Section 907 in the Foreign Operations bill.

**AUTHORIZING BUREAU OF RECLAMATION TO PROVIDE COST SHARING FOR ENDANGERED FISH RECOVERY IMPLEMENTATION PROGRAMS FOR UPPER COLORADO AND SAN JUAN RIVER BASINS**

SPEECH OF

**HON. MARK UDALL**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 25, 2000*

Mr. UDALL of Colorado. Mr. Speaker, as a cosponsor of H.R. 2348, I rise to urge its approval.

This bill is an important one for Colorado and the other States within the upper basin of the Colorado River and the basin of the San Juan River.

The recovery program for endangered fish in the upper basin of the Colorado river is a cooperative program involving the State of Colorado and our neighboring States of Utah and Wyoming; the U.S. Fish and Wildlife Service, Bureau of Reclamation, and Western Area Power Administration, environmental organizations, and water-development interests in all three states.

The State of Colorado is also a participant in the recovery program for the San Juan program, along with New Mexico, the Southern Ute and Ute Mountain Ute tribes, USFWS and Bureau of Reclamation, the Navajo Nation, the Jicarilla Apache Tribe, and water development interests.

Both recovery programs are aimed at recovering the endangered fish in ways that meet the requirements of the Endangered Species Act while minimizing conflicts and allowing continued utilization of the area's scarce water resources for this and other purposes in ways that are consistent with applicable state laws, interstate compacts, and Supreme Court decrees allocating water among the states.

The purpose of the legislation is to provide a specific authorization for the funding that is necessary for implementation of these programs. Such funding has been consistently provided in recent years, but having such a specific authorization will provide greater certainty for all concerned.

The bill is the product of a cooperative effort among the participants in the programs and other interested parties. It is a sound and balanced measure that merits strong support. I am glad to have the opportunity to join with Chairman HANSEN and the other sponsors of this legislation in urging its passage by the House and hope that the Senate will act promptly to send it to the President for signature into law.

**H.R. 1248, THE VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT**

**HON. SUE W. KELLY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 27, 2000*

Mrs. KELLY. Mr. Speaker, the U.S. Department of Justice estimates that between 1 million and 4 million women are physically abused by their husbands or live-in partners each year.

Justice also reports that females account for 39 percent of the hospital emergency department visits for violence-related injuries.

According to another poll, up to 40 percent of teenage girls age 14 to 17 report knowing someone their age who has been hit or beaten by a boyfriend.

Family violence costs the nation upwards of \$10 billion annually in medical expenses, police and court costs, shelters and foster care, sick leave, absenteeism, and non-productivity.

Mr. Speaker, I have only touched on the tip of the iceberg. Unlike many people, we are in a position to help turn these statistics around.

We can begin by passing H.R. 1248, the Violence Against Women Reauthorization Act and help the thousands of men and the millions of women who face abuse in their own homes feel a little safer in knowing that we are here and we are listening and will once again fulfill our promise and help them escape from abuse and end the cycle of violence.

Mr. Speaker, I urge my colleagues to support this important legislation, not only for the men and women being abused today but for our children who may be the victims of tomorrow.
