

the service of the local citizens. After leaving the grocery store business, Ms. Day ran for County Commissioner to give back to the community that had given so much to her. Her commitment to the wellbeing of the citizens of Custer County is honest and sincere and was ever present in her everyday actions. Cleo has served Custer County, her state and nation admirably and she will be missed.

It is with this, Mr. Speaker, that I say thank you and congratulations to this public servant and wish her all the best in her future endeavors.

f

ON THE INTRODUCTION OF A BILL TO REMOVE THE CAP ON MEDICAID FOR THE U.S. TERRITORIES

HON. DONNA MC CHRISTENSEN

OF THE VIRGIN ISLANDS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 7, 2000

Mrs. CHRISTENSEN. Mr. Speaker, I rise today to introduce a bill, along with my colleagues from Guam, American Samoa and Puerto Rico, to remove the cap on Medicaid payments to the Territories and to increase the Medicaid statutory matching rate. Providing indigent U.S. citizens in the Territories with the dollars necessary to adequately meet their health care needs is not just a necessity, but I believe is a Civil Right.

Since 1997, eliminating the disparities in health care between the majority and minority populations in the mainland U.S. has been a major focus of the Clinton Administration. While this is an important goal and one which I wholeheartedly support, because of the cap on Federal Medicaid assistance to the Territories, my constituents and those of my fellow Congressional Delegates unfortunately do not benefit very much from this effort.

The lack of adequate health care for the over 4 million residents of the territories in both the Pacific and the Caribbean is largely due to the cap on federal funding in the Medicaid. Additionally, this fact is sadly compounded because the Territories, in large measure have not enjoyed the economic success that the mainland U.S. is enjoying. With reports every day of record federal budget surpluses, the time is right for the Federal government to fulfill its commitment to the health care needs of the people of the offshore areas.

I urge my colleagues to join us in this effort to address this most basic and fundamental need of our fellow citizens.

f

DOMESTIC SPIRITS TAX EQUITY ACT

HON. MAC COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 7, 2000

Mr. COLLINS. Mr. Speaker, today I am introducing a bill, along with my colleague, Representative RICHARD NEAL, to end the unequal tax treatment imposed on U.S. produced distilled spirits. At a time when other countries adopt tax laws to favor their own domestic industries, it is ironic that current U.S. tax law favors foreign products at the expense of U.S.-made products. Regrettably, that is the case with respect to distilled spirits. As mem-

bers of the Committee on Ways & Means, both Mr. NEAL and I have worked for some-time to correct this inequitable situation.

Current law allows wholesalers of imported spirits to defer the federal excise tax ("FET") on such products until they are removed from a custom bonded warehouse for sale to a retailer. In contrast, the FET on U.S. produced spirits must be paid "up front" when the wholesaler purchases the product from a distiller; custom bonded warehouses cannot be used for domestic distilled products. This means that the FET on U.S. produced spirits must be prepaid by the wholesaler, and carried as a part of his inventory cost for as long as it takes to sell that product out of his warehouse.

Couple this disparity in time of payment with the fact that distilled spirits are the most highly taxed of all products, and you begin to understand the seriousness of the problem. At \$13.50 per proof gallon, the FET represents virtually 40 percent of the average wholesaler's inventory cost. To make matters worse, that wholesaler will generally carry that inventory for an average of 60 days before it is sold to a retailer. The bottom line is that U.S. tax policy favors the sale of imported spirits and creates a significant financial burden for wholesalers of domestic spirits—most of which are small, family-owned businesses operating within a single state.

For the past ten years, the wholesale tier of this industry has advocated a tax law policy change referred to as "All-in-Bond." Mr. NEAL and I sponsored the "Distilled Spirits Tax Simplification Act" at the beginning of the 106th Congress to effectuate this policy change. Simply put, it would have permitted wholesalers of domestic spirits to become bonded dealers, effectively deferring payment of the tax until sale to a retailer—as is already the case with imported spirits.

Given the obvious inequity of current law, the bill attracted the co-sponsorship of 75 of our colleagues from both sides of the aisle. As a consequence, Mr. Neal and I were successful in attaching the bill to a major tax reduction measure coming out of the Committee on Ways & Means last summer, which was subsequently approved by this body.

However, Treasury/BATF had unwarranted concerns about noncompliance and suppliers objected to a proposed fee that was required to offset any revenue costs to the federal coffers. As a result of these objections, we agreed to drop the provision in conference and go back to the drawing board to develop a better solution to the problem.

The "Domestic Spirits Tax Equity Act" is that better solution.

The purpose of this legislation is to compensate wholesalers for the unequal burden imposed on U.S. produced distilled spirits under current law. We do so by allowing qualified wholesalers of domestic spirits a prepaid tax adjustment tax, or PTA, which is a credit against their annual federal income tax.

The PTA is determined through a simple formula. It is equal to 40 percent of the amount paid for domestically produced spirits, times the IRS' applicable federal rate over a 60-day period. The PTA was crafted with simplicity in mind. The elements of the formula are easily verifiable and understandable by the wholesaler and the IRS, and the formula results in an accurate overall measure of the unequal float costs. In addition, unlike the All-in-Bond proposal, this bill does not change the current FET collection system.

Mr. Speaker, I urge my colleagues to join me in this effort to eliminate the unequal tax treatment imposed on U.S. produced distilled spirits. The PTA is a simple and targeted solution, which addresses the problem, and I look forward to passing this measure into law.

f

HONORING HAROLD WESTESEN

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 7, 2000

Mr. McINNIS. Mr. Speaker, I would like to take a moment to honor a remarkable gentleman, Harold Westesen, of Olathe, Colorado. Mr. Westesen was recently honored by Mayor Bill Patterson of the Montrose Rotary Club who declared an official "Harold Westesen Day" in Olathe. Mr. Westesen's contributions to the citizens of western Colorado are great in number and deserve the recognition of Congress.

Mr. Westesen came from a family where education and hard work were part of everyday life. Throughout his life, he has exemplified these characteristics, earning two degrees from major institutions: a Physics and an Electrical Engineering degree from Colorado College and Purdue University, respectively. After finding competition in these fields unseemly, Harold moved to farming in the 1930's where he remained for the next 40 years.

Mr. Westesen always worked hard to make a living, but he also found time to give back to his community. Such public works as the Ridgeway Dam would not have been possible if it hadn't been for his participation. What's more, he spent over 25 years on the Montrose Memorial Hospital Board improving the health services of his community. He also spent nearly ten years as president of the Tri-County Water Conservancy District Board, making sure that farmers of western Colorado received the much needed water they deserved.

Mr. Westesen has worked hard not only for his family but also his community. His efforts to improve the health care and water issues have made western Colorado a better place to live. Mr. Westesen has gone out of his way to make where he lives a better place for all. It is with this, Mr. Speaker, that I say thank you to Harold Westesen and congratulate him on having a day named in his honor.

f

FIRST LIEUTENANT JOHN ARTHUR KEEPNEWS, UNITED STATES MARINE, MANHASSET, NEW YORK

HON. PETER T. KING

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 7, 2000

Mr. KING. Mr. Speaker, this year marks the 25th Anniversary of the end of the Vietnam War. We remember the brave and gallant service and the great sacrifice made by the sons and daughters of our great nation who served in that war. Even more important, we remember the great sacrifice made by the parents, spouses and families of those sons and daughters.

The Vietnam War has left an indelible mark on all parts of this nation of ours, including my own district in New York. St. Mary's High School, which lies within the town of Manhasset, in my district in New York, was also affected by the Vietnam War. It sent many of its sons to fight in the Vietnam War, some paying the Supreme Sacrifice in the service of our country.

During the latter part of this year, St. Mary's High School will be holding its First Annual Hall of Fame Induction Ceremony. Nominated for induction is United States Marine First Lieutenant John Arthur Keepnews of Manhasset.

John Arthur Keepnews was born in Bayside, Queens and moved with his parents and younger brother Robert to the suburban community of Manhasset in 1958. His parents bought a home at 443 Hunt Lane, nestled in the heart of beautiful Munsey Park. During that same year, he entered St. Mary's High School in Manhasset and his parents became devout St. Mary's Parishioners.

John Keepnews was your typical student at St. Mary's High School. He was a young man with a great deal of heart and potential. He was an honor student and a top runner on the St. Mary's High School Cross Country and Track Teams and on Long Island. He worked very hard at his running and as one of his former coaches put it, "John did not have a lot of talent, but he had the tenacity of a bulldog." He trained in innovative ways which included running on beaches and interval, hill and weight training, at a time when distance runners merely did distance running to train. John Keepnews trained in a manner that was ahead of its time. (Today, these training methods are common to runners of all categories, as these methods provide more power and help to prevent injury.)

At St. Mary's, he was coached by Brother Thomas Joseph. In cross country, John ran in the low 14's on the legendary Cross Country course at Van Courtlandt Park in Bronx, New York. In track, John ran a 4:50 mile and a 9:52 two mile, his best event. He medaled frequently in races and enjoyed some heated rivalries. During his senior year at St. Mary's, John co-captained the track team and placed 4th in the two mile in both the indoor and outdoor Eastern States Championships. He received a track scholarship to Iona College in New York and the promise of a scholarship at Mount St. Mary's College in Maryland. John became an exceptional runner at St. Mary's and was one of the top distance runners of his time, if not in the history of St. Mary's High School.

Outside of St. Mary's he was a regular guy, who would often find his way to the field at

After graduating from St. Mary's High School in 1962, John decided to attend Mount St. Mary's College. The "Mount" was part of the Mason-Dixon (Athletic) Conference of the National College Athletic Association (NCAA). Pursuing his running career here, John placed second in the two mile during the 1963 Outdoor Mason-Dixon Conference Championships and helped to contribute to the first ever Mount St. Mary's College track title. John was also instrumental in helping the team win the

1964 cross-country conference crown and the track title. He ran 4:37 for the mile, placed 4th in the 1962 Loyola Cross-Country Invitational, placed 5th in the 1963 Outdoor Track NCAA Atlantic Coast Regional 2 mile race and won the mile and two mile on numerous occasions. He was named All-Conference on several occasions and may have held at one point both the cross country and two mile records.

Graduating from Mount St. Mary's College in 1966, John entered the Marine Corps Officer Candidate School (OCS) and was commissioned a Second Lieutenant. He graduated from The Basic School in Quantico, Virginia as an infantry officer and waived his overseas control date and requested orders to Vietnam. In early 1968 (just in time for the Tet Offensive), John was a Platoon Commander and Executive Officer of F Company, 2nd Battalion, 9th Marines, 3rd Marine Division. His unit spent all of its time just below the Demilitarized Zone (DMZ), near places that are now legend in the Marine Corps: Khe Sanh, Con Thien, Camp Carroll, Quang Tri and the Rockpile. As were all the Marines in I Corps (the northernmost provinces of Vietnam), John's unit was in almost constant contact with North Vietnamese Army regulars. On a daily basis, John and his unit sought out, closed with and destroyed the best trained, best equipped and best led units of the North Vietnamese Army.

Tragically, we lost this Great American and outstanding Marine from Manhasset on June 7, 1968. It was at the time of his death that his brother Robert was commissioned a Second Lieutenant in the United States Marine Corps. First Lieutenant John Arthur Keepnews was killed as a result of multiple shrapnel wounds received near Landing Zone Stud (later renamed the Vandergrift Combat Base) in Quang Tri Province, South Vietnam. His death coincided with the 170th Anniversary of the formal establishment of the Marine Corps by the United States Government. It was in June of 1798 that Congress legally established the Marine Corps as a separate Department of the Navy.

As a result of his brave and gallant service and self sacrifice as a United States Marine during the Vietnam War, Lt. Keepnews was awarded a Purple Heart, Combat Action Ribbon, Meritorious Unit Commendation, National Defense Service Medal, Vietnam Service Medal with three bronze stars, Republic of Vietnam Meritorious Unit Commendation (Gallantry Cross Color) and Republic of Vietnam Campaign Medal.

At the time of his death in June of 1968, Lt. Keepnews was survived by his parents Arthur J. and Mary E. Keepnews, his younger brother Robert, his wife Patricia and his 5 month old daughter he had never seen, Margaret Ann.

We have much to be thankful for First Lieutenant John Arthur Keepnews and extend appreciation not just for his supreme sacrifice in the service of our country, but also the great sacrifice made by his family. We will forever remember John Keepnews, his humor, wit, hard work, perseverance, athleticism and bravery. I am proud to know that John Keepnews was a resident of my district, the 3rd Congressional District of New York. I know full well that when a young person joins the

St. Mary's High School Cross Country and Track teams, John Keepnews will be with them placing hope and encouragement in them with each stride they take, in each race they compete in.

First Lieutenant John Arthur Keepnews is a true representative of St. Mary's, of Manhasset, his country and his family. He represents the highest character of morals and bravery and embodies the spirit and principles of what it means to be a Great American. He is a person we are and will always be extremely proud of.

In closing, I would like the members of this chamber to join me in remembering a true American Patriot and support his nomination for Induction into the St. Mary's High School Hall of Fame.

f

HONORING STUART SCHNEIDER

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 7, 2000

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to congratulate Stuart Schneider on an award he recently received from the National Park Service. Stuart is the Chief of Visitor and Resource Protection at Great Sand Dunes National Monument in Colorado—a treasure that shares a special place in my heart. Recently he received the Harry Yount National Park Ranger Award, honoring him for his outstanding excellence in his field. Clearly, Stuart is eminently deserving of this high honor.

For years, Stuart has been highly respected in the land management community for his commitment to preserving and protecting our public lands, particularly the Great Sand Dunes. He has played an instrumental role in the creation and maintenance of the Backcountry Management Plan, the Wildland Fire Management Plan, as well as the Safety and Risk Management Plan. His efforts to preserve the integrity of this natural treasure has earned him not only respect from his peers, but also this distinguished award.

Stuart's professional excellence is perhaps best summarized by comments made by National Park Director Robert Stanton in a recent news release announcing that Stuart had won this award: "Ranger Schneider has demonstrated a genuine commitment to the field of rangers. He has a tremendous passion and respect for the National Park Service along with a strong command of traditional ranger skills."

Ranger Schneider's commitment to preserving and protecting America's natural heritage is remarkable. He has helped to make America's national treasures safer for the millions of tourists that visit them each year. His efforts are well deserving of the distinguished award and the praise of the U.S. Congress.

Mr. Speaker, at this time I would ask that we all extend our sincerest congratulations to a well deserving Ranger, Stuart Schneider.
