

HONORING LOUISE EVANS FARR,
AN ADVOCATE FOR PEACE AND
CIVIL RIGHTS

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 15, 2000

Mr. McINNIS. Mr. Speaker, I rise today to tell you of a great woman who gave selflessly of herself to her community. Louise Evans Farr passed away on January 14, 2000.

Louise was a lifelong advocate for peace, human dignity and civil rights. She graduated from Vassar College and Yale Law School. In the 1940s she was executive director of the Unity Council, a coalition of groups concerned with ending racial and ethnic discrimination in Denver, Colorado. She was also active in the peace and nuclear nonproliferation movements. Most recently she worked as a volunteer for Physicians for Social Responsibility and for the Union of Concerned Scientists.

Louise was the granddaughter of Frank S. Hoag Sr., former publisher of the Pueblo Star-Journal and Chieftain, and the cousin of, my good friend, Robert Rawlings, the present publisher of the paper. Her brother, Frank Evans, represented Pueblo and Southern Colorado in the United States Congress from 1964 to 1978.

It is with this, Mr. Speaker, that I offer this tribute in memory of Louise Evans Farr. She was a humanitarian who will be missed by all those who knew her.

SHREWSBURY SENIOR CENTER

HON. JAMES P. McGOVERN

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 15, 2000

Mr. MCGOVERN. Mr. Speaker, Today in Shrewsbury, Massachusetts, the dream of many is finally becoming a reality. It is my great pleasure to recognize the invaluable service that the Shrewsbury Council on Aging provides to the senior citizens of that community and congratulate them on the grand opening of the new Shrewsbury Senior Center.

From humble beginnings, the evolution of the center is truly amazing. Only a few short years ago the center was housed in the copy room of Shrewsbury Town Hall. From the there it moved to quarters in the North Shore School, and now to its new home at 98 Maple Avenue which will hold the grand opening February 17, 2000. I am so proud of everyone involved. They truly represent the best our nation has to offer.

The Shrewsbury Senior Center provides information on housing, health care proxies, volunteer opportunities, home care services, as well as hot meals and information on other issues. The Council on Aging also performs preliminary case work and makes referrals to appropriate agencies.

In a time when many forget our older neighbors, men and woman who quite literally saved the world, the Senior Center will forever ensure that this 'greatest generation' will always hold a prominent place in the community. From line dancing and bridge to yoga, knitting, painting, and shopping trips, this very special place will permit seniors to enjoy themselves in the company of friends.

As a Member of Congress, I often have the occasion to visit with seniors across my district. It is always a great joy for me to visit Shrewsbury. I look forward to visiting with them in their new home and congratulate them on this new beginning.

RECOGNIZING AND SUPPORTING
EFFORTS TO ENHANCE PUBLIC
AWARENESS OF SOCIAL PROB-
LEM OF CHILD ABUSE AND NE-
GLECT

SPEECH OF

HON. EVA M. CLAYTON

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 14, 2000

Mrs. CLAYTON. Madam Speaker, in this land of diversity, one belief is nearly common to us all: Children are our greatest resource.

Children represent our hope for the future. They are our special treasures and deserve every protection we can provide them. Statistics show that every 10 seconds a child is abused and more than 3 children a day die as a result of abuse. Given statistics like these, it is critical that we, as a bipartisan body, continue our efforts and use all of our abilities and resources to ensure that our children, our national treasures, are protected and have the greatest opportunities to grow up happy, healthy, well-educated and strong. We must re-double our efforts to help break the cycle of abuse and violence that affects so many children.

Recently, The National Center for Missing and Exploited Children reported that the number of missing children reports filed in 1999 dropped to the lowest level since 1993. This glorious news demonstrates that our legislative efforts, and the diligent efforts of organizations like Childhelp USA, do make a difference. More importantly, it means that more children are out of harm's way. Nonetheless, we cannot become complacent because too many children remain victims of abuse. Therefore, we must stand firm in our commitment to our children and their well-being.

This Day of Hope resolution demonstrates this resolve and I urge my colleagues to support this resolution for the sake of our national treasures—our children.

HONORING WILLIAM CHARLES
"BILL" PUMPHERY

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 15, 2000

Mr. McINNIS. Mr. Speaker, I would like to take a moment to remember and honor a man that was dedicated to helping people. William Charles "Bill" Pumphery passed away on February 1, 2000. He was 77 years old.

During World War II, Bill was a pilot in the Army Air Corps. He took part in Operation Varsity, the Allied assault across the Rhine River that marked the demise of Nazi Germany. Bill was one of the glider pilots who transported troops and equipment across the river.

Bill was an active supporter of the YMCA in Pueblo, Colorado. He was a member of the club and served on the board of directors for many years. Bill's dedication to the organization could be seen from the many fundraisers he participated in to build cabins for camps. Camp Jackson, formerly known as Camp Crockett, was built primarily from funds raised by the Pueblo YMCA men's club. When it came to needing a new building for the Pueblo location, Bill was instrumental in raising funds for the structure.

Bill was also proud of Pueblo and he showed his pride by volunteering at the Pueblo Chamber of Commerce. He spent much time at the visitor's center, making sure that new comers received any information they needed about the area. Such an advocate of the Pueblo community will be missed greatly.

It is with this, Mr. Speaker, that I would like to offer this tribute in Bill Pumphery's memory. He was a great man that was dedicated to making his community a better place to live.

IN LOVING MEMORY OF DOMITILIA
DOMINGUEZ

HON. JOE BACA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 15, 2000

Mr. BACA. Mr. Speaker, it is with much sadness that I inform my colleagues of the passing of a great individual, a person who graced our world and our lives with so much love and compassion.

Domitilia Dominguez, the grandmother, and godmother, of my dear wife, Barbara, passed away yesterday, on Valentine's Day, at Victorville Hospital in California. She was a long-time resident of Barstow, CA. Domitilia lived a very full and a very fulfilling life, a life graced by her husband, who passed away 20 years ago, with whom she was blessed by eight children: Ted, Flora, Margaret, Frank, Albert, Fabiola, Liz, and Larry. These children and many grandchildren brought tremendous joy and inspiration into their lives.

Domitilia Dominguez was and remains so much a tremendous person in our thoughts and in our memories. I appreciate so much and will long remember the many good and positive things she brought into my life and into the life of my wife, Barbara Dominguez Baca, our children, Joe, Jr., Jeremy, Nataline, and Jenifer, and our grandchildren, Katie Baca

and Anthony Baca Ramos. I join with Domitila's friends and family members in honoring such a truly remarkable and outstanding person, a mother, a grandmother, a great-grandmother, and great-great-grandmother, to all those who loved her so much.

Domitila gave so much to those she loved, and each of us is better and more fortunate for what she unselfishly gave to us and gave to our world, a world made so much brighter and more gentler by her life and her presence.

Mr. Speaker, we are all gifted by the lives of mothers and grandmothers who do so much in guiding our lives and providing us comfort and proper direction. I join with all those who loved Domitila Dominguez, in extending our prayers, knowing that God's heaven is blessed and graced by one of his most beautiful and loved angels.

STATEMENT IN SUPPORT OF MRS. BONO'S LEGISLATION TO AUTHORIZE CONVEYANCE OF PUBLIC DOMAIN LAND IN THE SAN BERNARDINO NATIONAL FOREST

HON. DON YOUNG

OF ALASKA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 15, 2000

Mr. YOUNG of Alaska. Mr. Speaker, I congratulate Representative BONO for her follow through on the KATY issue. It was three or four years ago when her late husband, our colleague Sonny Bono, began to tackle the problem of keeping a small radio antenna on the edge of the San Bernardino National Forest for an important local radio broadcaster. With the introduction of this bill, Mrs. BONO begins the last chapter to settle an important issue for her constituents.

The station is KATY-FM, and it is the only radio link for emergency broadcasting that covers a large sector of the San Bernardino valley. An elderly couple, the Gills, owned the station. Mr. Gill passed away recently, so it is an important tribute to him that this bill is being introduced today. We will get right to work on it in my committee, the Committee on Resources, this year.

I offer thanks to the Forest Service for working hard to settle this issue, and for protecting the public by ensuring that fair market value will be paid for the small parcel by KATY-FM. While we hoped to help the Forest Service move two unrelated administrative provisions in this bill, it could not be done before introduction. However, I will make every effort to accommodate the needs of the Service on the two unrelated matters, working with the other committee with joint jurisdiction over those provisions, as the bill moves through the Committee and the House. I appreciate the Service's good faith work on these matters, and we will work in the same manner.

Congratulations again, Mrs. BONO. Your follow through is commendable.

HONORING THE GRAND JUNCTION BUSINESS OF THE YEAR, ALPINE BANK

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 15, 2000

Mr. McINNIS. Mr. Speaker, I would like to take a moment to recognize the 1999 Grand Junction Chamber of Commerce Business of the Year, Alpine Bank.

Alpine Bank opened its first facility in Mesa County in 1992. With a focus on giving back to the community, it did not take long for this bank to become recognized as a leading corporate citizen. Among the organizations that the bank has contributed time and money to are: the American Heart Association, March of Dimes, Rocky Mountain Elk Foundation, Lion's Club, Rotary, Museum of Western Colorado, Club 20 Mesa County Land Trust Alliance, Mesa County Homebuilders, Young Life, Crime Stoppers, Ducks Unlimited, League of Women Voters, Western Colorado Arts Center, the Grand Junction Chamber, Habitat for Humanity, Boy Scouts, Girl Scouts, American Lung Association, Salvation Army, Mesa County Library, Western Slope Center for Children, Junior Service League, Western Colorado Botanical Society and the grand Junction Symphony.

In addition to this long list of involvement, Alpine Bank has taken great interest in helping Grand Junction schools. Through the Classroom Credits program, Alpine Bank has donated over \$45,000 to the Mesa County Business Education Foundation for the last two years. Along with Classroom Credits, Alpine Bank has found a way to reward students who received excellent grades with the "Pay for As" program. Most recently, the bank has pursued plans to build an ice skating rink. To encourage bank employees to help out in the community, the bank has started providing paid time off for those who wish to become involved in the community.

It is with this, Mr. Speaker, that I would like to offer this tribute to the Alpine Bank. A business that is worthy of thanks and praise for unparalleled commitment to the community.

TRIBUTE TO SUSAN B. ANTHONY

HON. JO ANN EMERSON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 15, 2000

Mrs. EMERSON. Mr. Speaker, Susan B. Anthony is remembered for her pioneering work to establish equal rights for women. As she fought to widen society's guarantee of equal rights to include women, she also sought to widen this guarantee for others as well. For Susan B. Anthony, this meant opposing slavery. And it also meant rejecting abortion, which she considered nothing less than "child murder." Today, 180 years after Susan B. Anthony's birth which we commemorate today, we continue her legacy in promoting

equality under the law for all, including the unborn.

Susan B. Anthony rejected abortion because she championed equal rights for all. In Anthony's view, abortion violated the rights of both women and children for it deprived the unborn of their right to life, and exploited women. As Susan B. Anthony said: "When a woman destroys the life of her unborn child, it is a sign that, by education or circumstance, she has been greatly wronged."

On this the 180th anniversary of her birthday, let us recommit ourselves to fulfilling the pro-life and pro-women vision of Susan B. Anthony, moving toward that day when neither women nor children shall ever again be greatly wronged by abortion.

TRIBUTE TO ROBERT S. JOE, LOS ANGELES DISTRICT, U.S. ARMY CORPS OF ENGINEERS

HON. JERRY LEWIS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 15, 2000

Mr. LEWIS of California. Mr. Speaker, for a number of years now, my colleague, Mr. CALVERT, and I have worked closely with the Army Corps of Engineers on one of the largest flood-control projects now under way in our nation. The Santa Ana River Mainstem flood control system, which is well on its way to completion, will protect millions of southern California residents and save billions of dollars in property from potentially devastating floods. We would like today to pay tribute to the man who oversaw this project: Mr. Robert A. Joe, the Deputy District Engineer for Programs and Project Management of the corps' Los Angeles District.

The Los Angeles District is one of the largest Corps of Engineers districts in the contiguous 48 states, covering 226,000 square miles in southern California, southern Nevada, and all of Arizona. They operate in the second largest urban area in the United States, as well as the booming growth areas of Phoenix and Las Vegas. Activities directed by Bob Joe have ranged from the deepening of Los Angeles Harbor—one of the largest in the world—to massive flood control projects protecting millions of people throughout southern California, to the environmental restoration of the Rio Salado through Tempe and Phoenix.

Bob Joe has directed this \$300 million annual operation since August 1998—the highlight of a nearly 30-year career with the Los Angeles district that also saw him lead the planning division for 11 years. Throughout this time, southern California has benefited from the corps work in preventing flood damage, improving our harbors, and protecting our valuable coastal property.

Mr. CALVERT and I recently attended the dedication of perhaps the most important corps project in our Inland Empire—the Seven Oaks Dam in the San Bernardino Mountains. Completion of this dam—on time and on budget—will save thousands of homeowners along the Santa Ana River thousands of dollars a year in flood insurance. We believe it is an accomplishment that will bring pride to the entire corps. Mr. Joe has also been of indispensable help in accomplishing stabilization of the Norco Bluffs and beginning a flood control
